With this circle of friends there's always something going on: from Chloe and Sara's unexpected personality swaps to Will's new domestic side to Bennett's text message

barrage and George's own happily-ever-after. In short, their adventures in love, friendship, and hilarity are nothing short of Beautiful.

Beautiful Bastard, 1

Harlequin
The Beautiful Bastard series continues in this new novella—back when not being able to stand each other also meant not being able to keep their hands of each other, neither Bennett nor Chloe could have seen this day coming. One beautiful bastard of a groom. The most beautiful bitch of a bride. A panty-ripping office hook-up turned true love everlasting. Wedding bells can't chime soon enough for Chloe Mills and Bennett Ryan. Chloe, exasperated and stressed by all the last-minute to-dos, is on the verge of saying "I do" to eloping. For his part, Bennett's so worried about being distracted by Chloe's body that he makes a no-sex-until-the-wedding-night rule that only seems to be making things worse by continually backfiring on him. As their crazy families descend for the big day- only a few of them actually trying to be helpful- the fiery lovers are about to test whether the couple that argues together can keep it together long enough to exchange rings, and not just heated words.

But when she runs into Elliot Petropoulos—the first and only love of her life—the careful bubble she's constructed begins to dissolve. Once upon a time, Elliot was Macy's entire world—growing from her gangly bookish friend into the man who coaxed her heart open again after the loss of her mother...only to break it on the very night he declared his love for her. Told in alternating timelines between Then and Now, teenage Elliot and Macy grow from friends to much more—spending weekends and lazy summers together in a house outside of San Francisco devouring books, sharing favorite words, and talking through their growing pains and triumphs. As adults, they have become strangers to one another until their chance reunion. Although their memories are obscured by the

agony of what happened that night so many years ago, Elliot will come to understand the truth behind Macy's decade-long silence, and will have to overcome the past and himself to revive her faith in the possibility of an all-consuming love.

THE INSTANT NEW YORK TIMES BESTSELLER One Christmas wish, two brothers, and a lifetime of hope are on the line for hapless Maelyn Jones in *In a Holiday*, the quintessential holiday romantic novel by Christina Lauren, the New York Times bestselling author of *The Unhoneymooners*. It's the most wonderful time of the year...but not for Maelyn Jones. She's living with her parents, hates her going-nowhere job, and has just made a romantic error of epic proportions. But perhaps worst of all, this is the last Christmas Mae will be at her favorite place in the world—the snowy Utah cabin where she and her family have spent every holiday since she was born, along with two other beloved families. Mentally melting down as she drives away from the cabin for the final time, Mae throws out what she thinks is a simple plea to

the universe: Please. Show me what will make me happy. The next thing she knows, tires screech and metal collides, everything goes black. But when Mae gasps awake...she's on an airplane bound for Utah, where she begins the same holiday all over again. With one hilarious disaster after another sending her back to the plane, Mae must figure out how to break free of the strange time loop—and finally get her true love under the mistletoe. Jam-packed with yuletide cheer, an unforgettable cast of characters, and Christina Lauren's trademark "downright hilarious" (Helen Hoang, author of *The Bride Test*) hijinks, this swoon-worthy romantic read will make you believe in the power of wishes and the magic of the holidays. *In a Holiday* Simon and Schuster 'Josh and Hazel's Guide to Not Dating is pure joy' Sally Thorne, author of *The Hating Game* 'Christina Lauren is my go-to when I'm feeling sad' Beth O'Leary, author of *The Flatshare* Just friends. Just friends. JUST FRIENDS. If they repeat it enough, maybe it'll be true . . . Hazel knows

she's a lot to take - and frankly, most men aren't up to the challenge. If her army of pets and taste for the absurd don't send them running, her lack of filter and tendency to say exactly the wrong thing will. Their loss. Not everyone can handle a Hazel. Josh has known Hazel since college. From the first night they met - when she gracelessly threw up on his shoes - to when she sent him an unintelligible email while in a post-surgical haze, Josh has always thought of Hazel more as a spectacle than a peer. But now, ten years later, after a cheating girlfriend has turned his life upside down, going out with Hazel is a breath of fresh air. Not that Josh and Hazel date. At least, not each other. Because setting each other up on progressively terrible double blind dates means there's nothing between them . . . right? the perfect laugh out loud, friends to lovers romcom from the author of The Unhoneymooners Simon and Schuster

The “reigning romance queens” (PopSugar) and New York Times bestselling authors of *The Soulmate Equation* and *The Unhoneymooners* present a charming and laugh-out-loud funny novel filled with adventure, treasure, and, of course, love. Growing up the daughter of notorious treasure hunter and absentee father Duke

Wilder left Lily without much patience for the profession...or much money in the bank. But Lily is nothing if not resourceful, and now uses Duke’s coveted hand-drawn maps to guide tourists on fake treasure hunts through the red rock canyons of Utah. It pays the bills but doesn’t leave enough to fulfill her dream of buying back the beloved ranch her father sold years ago, and definitely not enough to deal with the sight of the man she once loved walking back into her life with a motley crew of friends ready to hit the trails. Frankly, Lily would like to take him out into the wilderness—and leave him there. Leo Grady knew mirages were a thing in the desert, but they’d barely left civilization when the silhouette of his greatest regret comes into focus in the flickering light of the campfire. Ready to leave the past behind him, Leo wants nothing more than to reconnect with his first and only love.

Unfortunately, Lily Wilder is all business, drawing a clear line in the sand: it’s never going to happen. But when the trip goes horribly and hilariously wrong, the group wonders if maybe the legend of the

hidden treasure wasn’t a gimmick after all. There’s a chance to right the wrongs—of Duke’s past and their own—but only if Leo and Lily can confront their history and work together. Alone under the stars in the isolated and dangerous mazes of the Canyonlands, Leo and Lily must decide whether they’ll risk their lives and hearts on the adventure of a lifetime. From the author of the “heartfelt and funny” (Publishers Weekly) sensation *The Unhoneymooners*, this page-turning adventure full of second chances, complicated relationships, and the breathtaking beauty of the American Southwest will take fans on one wild ride.

In the third book in the *Beautiful Bastard* series, an agreement between a venture capitalist and a bookish woman quickly becomes a very NSFW version of *My Fair Lady*. A bombshell bookworm. A chronic Casanova. And a lesson in chemistry too scandalous for school. When Hanna Bergstrom receives a lecture from her overprotective brother about neglecting her social life and burying herself in grad school, she’s determined to

tackle his implied assignment: get out, make friends, start dating. And who better to turn her into the sultry siren every man wants than her brother's gorgeous best friend, Will Sumner, venture capitalist and unapologetic playboy? Will takes risks for a living, but he's skeptical about this challenge of Hanna's...until the wild night his innocently seductive pupil tempts him into bed- and teaches him a thing or two about being with a woman he can't forget. Now that Hanna's discovered the power of her own sex appeal, it's up to Will to prove he's the only man she'll ever need.

The Honey-Don't List

Simon and Schuster

The ninth work in the New York Times and #1 internationally bestselling series that started with *Beautiful Bastard*. In this e-novella, Will Sumner and Hanna Bergstrom (from *Beautiful Player*) find that a wedding and everlasting love were just the beginning. One Player tamed. One nerd girl satisfied. And one more major life decision to make. When Will fell for Hanna, her quirky sense of humor and fierce dedication to her career were part of the

attraction. (Not to mention her coy newbie attitude toward sex and her willingness to let him teach her everything.) But when the job offers start rolling in for her—and oh, they do—Hanna has trouble deciding what she wants, where they should live, and how much she should burden Will with the decision. Magic between the sheets is only one part of a relationship...getting on the same page is quite another altogether.

but quickly disappears when the police start asking questions. Using the only resource she has to pay the brilliant musician back, Holland gets Calvin an audition with her uncle, Broadway's hottest musical director. When the tryout goes better than even Holland could have imagined, Calvin is set for a great entry into Broadway—until his reason for disappearing earlier becomes clear: he's in the country illegally, his student visa having expired years ago.

Seeing that her uncle needs Calvin as much as Calvin needs him, a wild idea takes hold of her. Impulsively, she marries the Irishman, her infatuation a secret only to him. Beautiful Bombshell
Simon and Schuster
Unlike her best friends Mia and Lola, Harlow Vega has a reputation for always being up for a fling.
