BALLARD NELSON

Grand Central Publishing
A Christmas Carol in Prose, Being a Ghost Story of Christmas, usually known just as A Christmas Carol is a fairy-tale novel by a British classic Charles Dickens, that was published in 1843. It consists of five chapters, or staves as the author named them. Among all the stories from Christmas Books by Dickens this one became the most popular story about Christmas in Great Britain and outside the country. The main character is an old gloomy miser Ebenezer Scrooge, who doesn't love anyone or anything except his money. He doesn't understand why everybody is so happy about Christmas and with disgust, refuses the invitation from his kind nephew to celebrate this holiday together with his family. On Christmas Eve, the ghost of his former business partner Jacob Marley appeared in front of Scrooge, and it changed him drastically...

Students build confidence through reading practice. Motivation makes all the difference. What's more motivation then the expectation of success?

The Posthumous Papers of the Pickwick Club Harvard University Press

As a small boy, Charles Dickens worked in a dark, musty London warehouse, pasting labels onto pots of boot polish. He tried not to listen to his grumbling stomach or the rats squeaking on the stairs. His dream was to escape that misery one day and become a fine, educated gentleman. Through his gift for writing, that day did come for Dickens. But he never forgot what it was like to be poor. He wrote stories about London's lower classes-- tales that made people laugh, cry, and work to improve social conditions.

A Life Schwartz & Wade
As uplifting as the tale of Scrooge itself, this is the story of how Charles Dickens revived the signal holiday of the Western world—now a major motion picture. Just before Christmas in 1843, a debt-ridden and dispirited Charles Dickens wrote a small book he hoped would keep his creditors at bay. His publisher turned it down, so Dickens used what little money he had to put out A Christmas Carol himself. He worried it might be the end of his career as a novelist. The book immediately caused a sensation. And it breathed new life into a holiday that had fallen into disfavor, undermined by lingering Puritanism and the cold modernity of the Industrial Revolution. It was a harsh and dreary age, in desperate need of spiritual renewal, ready to embrace a book that ended with blessings for one and all. With warmth, wit,

and an infusion of Christmas cheer, Les Standiford whisks us back to Victorian England, its most beloved storyteller, and the birth of the Christmas we know best. The Man Who Invented Christmas is a rich and satisfying read for Scrooges and sentimentalists alike. A Tale of Intrigue and Mystery for Young and Old Open Road Media

Charles Dickens Penguin
Award-winning Claire Tomalin, author of A Life of My Own, sets the standard for sophisticated and popular biography, having written lives of Jane Austen, Samuel Pepys, and Thomas Hardy, among others. Here she tackles the best recognized and loved man of nineteenth-century England, Charles Dickens; a literary leviathan whose own difficult path to greatness inspired the creation of classic novels such as Great Expectations, David Copperfield, Oliver Twist, and Hard Times. From his sensational public appearances to the obsessive love affair that led him to betray, deceive, and break with those closest to him, Charles Dickens: A Life is a triumph of the biographer's craft, a comedy that turns to tragedy in a story worthy of Dickens' own pen.

Life of Charles Dickens Research & Education Assoc.
For years Dickens kept the story of his own childhood a secret. Yet it is a story worth telling. For it helps us remember how much we all might lose when a child's dreams don't come true . . . As a child, Dickens was forced to live on his own and work long hours in a rat-infested blacking factory. Readers will be drawn into the winding streets of London, where they will learn how Dickens got the inspiration for many of his characters. The 200th anniversary of Dickens's birth was February 7, 2012, and this tale of his little-known boyhood is the perfect way to introduce kids to the great

author. This Booklist Best Children's Book of the Year is historical fiction at its ingenious best.

How is this book unique? Unabridged (100% Original content) Font adjustments & biography included Illustrated About A Tale Of Two Cities by Charles Dickens A Tale of Two Cities (1859) is a novel by Charles Dickens, set in London and Paris before and during the French Revolution. The novel depicts the plight of the French peasantry demoralized by the French aristocracy in the years leading up to the revolution, the corresponding brutality demonstrated by the revolutionaries toward the former aristocrats in the early years of the revolution, and many unflattering social parallels with life in London during the same period. It follows the lives of several characters through these events. A Tale of Two Cities was published in weekly installments from April 1859 to November 1859 in Dickens's new literary periodical titled All the Year Round. All but three of Dickens's previous novels had appeared only as monthly installments. With sales of about 200 million copies, A Tale of Two Cities is the biggest selling novel in history.

A Reader's Guide to the Charles Dickens Novel Charles Dickens A Life

This provocative biography tells the story of how an ambitious young Londoner became England's greatest novelist. Focused on the 1830s, it portrays a restless, uncertain Dickens who could not decide on a career path. Through twists and turns, the author traces a double transformation: in reinventing himself Dickens reinvented the form of the novel.

A Christmas Carol Independently Published

A brilliantly insightful biography from Pulitzer Prize-winning author Jane Smiley With delectable wit and characteristic sensitivity, Jane Smiley presents a fresh, illuminating take on the life of Charles Dickens. Smiley finds a kindred spirit in the author of such classics as Great Expectations and A Christmas Carol, who was not only a prolific writer but also one of the first modern "celebrities." She offers interpretations of many of Dickens's major works, exploring his narrative techniques and his innovative voice and themes. Smiley's biograph is a perceptive profile of the great master and a fascinating meditation on the writing life.

Includes New Illustrations and Updated Biography HarperCollins

Winner of the Plutarch Award for Best Biography A lively and insightful biographical celebration of the imaginative genius of Charles Dickens, published in commemoration of the 150th anniversary of his death. Charles Dickens was a superb public performer, a great orator and one of the most famous of the Eminent Victorians. Slight of build, with a frenzied, hyper-energetic personality, Dickens looked much older than his fifty-eight years when he died—an occasion marked by a crowded funeral at Westminster Abbey, despite his waking wishes for a small affair. Experiencing the worst and best of life during the

Victorian Age, Dickens was not merely the conduit through whom some of the most beloved characters in literature came into the world. He was one of them. Filled with the twists, pathos, and unusual characters that sprang from this novelist's extraordinary imagination, The Mystery of Charles Dickens looks back from the legendary writer's death to recall the key events in his life. In doing so, he seeks to understand Dickens' creative genius and enduring popularity. Following his life from cradle to grave, it becomes clear that Dickens's fiction drew from his life—a fact he acknowledged. Like Oliver Twist, Dickens suffered a wretched childhood, then grew up to become not only a respectable gentleman but an artist of prodigious popularity. Dickens knew firsthand the poverty and pain his characters endured, including the scandal of a failed marriage. Going beyond standard narrative biography, A. N. Wilson brilliantly revisits the wellspring of Dickens's vast and wild imagination, to reveal at long last why his novels captured the hearts of nineteenth century readers—and why they continue to resonate today. The Mystery of Charles Dickens is illustrated with 30 black-and-white images.

The Story of the Traveler's Uncle Cornell University Press
A Tale of Two Cities (1859) is a novel by Charles Dickens, set in London and Paris before and during the French Revolution. The novel depicts the plight of the French peasantry demoralised by the French aristocracy in the years leading up to the revolution, the corresponding brutality demonstrated by the revolutionaries toward the former aristocrats in the early years of the revolution, and many unflattering social parallels with life in London during the same period. It follows the lives of several characters through these events. A Tale of Two Cities was published in weekly instalments from April 1859 to November 1859 in Dickens's new literary periodical titled All the Year Round. All but three of Dickens's previous novels had appeared only as monthly installments. It was the time of the French Revolution - a time of great change and great danger. It was a time when injustice was met by a lust for vengeance, and rarely was a distinction made between the innocent and the guilty. Against this tumultuous historical backdrop, Dickens' great story of unsurpassed adventure and courage unfolds. Unjustly imprisoned for 18 years in the Bastille, Dr. Alexandre Manette is reunited with his daughter, Lucie, and safely transported from France to England. It would seem that they could take up the threads of their lives in peace. As fate would have it though, the pair are summoned to the Old Bailey to testify against a young Frenchman - Charles Darnay - falsely accused of treason. Strangely enough, Darnay bears an uncanny resemblance to another man in the courtroom, the dissolute lawyer's clerk Sydney Carton. It is a coincidence

that saves Darnay from certain doom more than once. Brilliantly plotted, the novel is rich in drama, romance, and heroics that culminate in a daring prison escape in the shadow of the guillotine. Review [A Tale of Two Cities] has the best of Dickens and the worst of Dickens: a dark, driven opening, and a celestial but melodramatic ending; a terrifyingly demonic villainess and (even by Dickens standards) an impossibly angelic heroine. Though its version of the French Revolution is brutally simplified, its engagement with the immense moral themes of rebirth and terror, justice, and sacrifice gets right to the heart of the matter . . . For every reader in the past hundred and forty years and for hundreds to come, it is an unforgettable ride. from the Introduction by Simon Schama --abc

A Tale of Two Cities Illustrated by (Hablot Knight Browne (Phiz))
Anchor

A Tale of Two Cities (+Biography and Bibliography) (Glossy Cover Finish): A Tale of Two Cities (1859) is the second historical novel by Charles Dickens, set in London and Paris before and during the French Revolution. It depicts the plight of the French proletariat under the brutal oppression of the French aristocracy in the years leading up to the revolution, and the corresponding savage brutality demonstrated by the revolutionaries toward the former aristocrats in the early years of the revolution. It follows the lives of several protagonists through these events, most notably Charles Darnay, a French once-aristocrat who falls victim to the indiscriminate wrath of the revolution despite his virtuous nature, and Sydney Carton, a dissipated English barrister who endeavours to redeem his ill-spent life out of love for Darnay's wife, Lucie Manette
