tried on a latex dress and instantly discovered the very special and very sensual pleasures of fetish fashion, "It was way

better than being naked. I felt divine, trapped inside this sleek, erotic cave. I never wanted to get out." Thus inspired, she set about collecting the sinfully seductive stories in Lust in Latex. Rubber, latex and PVC all cling to the skin and have the power to make their wearers feel sensual, sexy, and aroused. In this collection, the world's hottest erotic authors make the most of the sensual potential inherent in getting suited up. Hang out with a "Tire Stud," learn "How to Liven Up a

Boring Party," and go "From Solid to Liquid" in these tantalizing adventures. Get ready to enter a world where the most sensual material gets slipped on tightly, then polished, stroked, and caressed while the bodies inside heat up with desire. Find out why everything, from flirting to spanking to going all the way, is better in rubber.

The Old and the New

When Dennis Mann loses his job, his life hits a hiatus of junk food and daytime TV, much to the

consternation of his wife Helen and her wealthy mother Samantha. Soon, the women realise that he would be more use to them as a feminised sissy maid, and set about enforcing their will with the aid of the mysterious Last Straw Society. It seems the women have found the way to mine the seams of Denis' dark perversity forever. Will his contempt for the aims of the Society prove a match for the waves of masochistic desire its members have awakened in him.

A Tribute to the New
Jersey - New York Kink
Community. Devastated
by the death of his love,
Lynn, Nicholas turned to
the community they had

become part of: the kink community. He reconnected with some old friends, and through them, met some new ones. Randee was an in-your-face, self-proclaimed slut, and Cassie was an intriguing, intimidating dominatrix. To Nicholas, they were just his friends. Sometimes sex is just a distraction, but sometimes it can help to heal. For some people, sex is the only way they know how to seek or give comfort. Nicholas found an honesty and acceptance in the fetish

community that he did not experience in his vanilla life. After his eye-opening relationship with Lynn, there was no going back. It was time to make new friends. What some people are saying... "I don't even know what to say." - Kevin. "I like to sit on my naked slave and paint on a canvas while he reads your books aloud to me." - Jennifer O'Neal, artist. "I'm your mother. I will never read this book." - my mother

 Dita is the most popular model of today. Her distinctive style is a unique combination of retro glamor, pin-up and high-art eroticism, and always perfect down to the smallest accessories. She only works with the best photographers - Baker, Czernich, James & James, Weathers - and, combined with her clear vision of how she wants to

look, the result is always 100% stunning and 100% Dita. Dominant or submissive, damsel in distress or provocative French maid, this genuine fetishist has laced herself up and paraded around in the highest of high heels - a true fetish goddess. Heave Together Our Sunday Visitor Our lives are full of small tensions, our closest relationships full of struggle: between woman and man, artist and customer, purist and commercialist, professional and

client—and between the dominant and the submissive. In *Dominatrix*, Danielle Lindemann draws on extensive fieldwork and interviews with professional dominatrices in New York City and San Francisco to offer a sophisticated portrait of these unusual professionals, their work, and their clients. Prior research on sex work has focused primarily on prostitutes and most studies of BDSM absorb pro-domme/client relationships without exploring what makes

them unique. Lindemann satisfies our curiosity about these paid encounters, shining a light on one of the most secretive and least understood of personal relationships and unthreading a heretofore unexamined patch of our social tapestry. Upending the idea that these erotic laborers engage in simple exchanges and revealing the therapeutic and analytic nature of their work, Lindemann makes a major contribution to cultural studies, anthropology, and queer

studies with her analysis of how gender, power, sexuality, and hierarchy shape all of our social experiences.

Lust in Latex Crossway Steven Diamond is an ace L.A. criminal lawyer with a roster of A-list clients affording him a life of lavish indulgence. A polished dominant with skills to match his appetites, heâ€(tm)s the silent partner in a highly exclusive club for connoisseurs of feminine submission. Exquisitely beautiful, rigorously trained sex slaves from all

over the world await the opportunity to serve him. He seems to want for nothing. His orderly world is turned upside down, however, when his younger half-brother Ray, publisher of a slick kink-sex magazine, gifts him with the irresistible and enigmatic O.Sheâ€(tm)s an accomplished photographer, sophisticated fetishist and passionate seeker of a master worthy of her total surrender. Captivated, Steven is determined to possess her totally at whatever cost, little

knowing how dear that cost might be. Set within the universe of modern Los Angeles, these three people and the colorful characters in their orbits act out a dramatic tale of erotic power at once familiar and exotic. I welcome you to their distinctly modern world with all its dark delights, shocking revelations and hidden challenges as seen for the first time from a dominant manâ€(tm)s perspective.

This book examines Jewish communities in Britain in an era of immense social, economic and religious change: from the acceleration of industrialisation to the end of the first phase of large-scale Jewish

immigration from Europe. Using the 1851 census alongside extensive charity and community records, Jews in Nineteenth-Century Britain tests the impact of migration, new types of working and changes in patterns of worship on the family and community life of seven of the fastest-growing industrial towns in Britain. Communal life for the Jews living there (over a third of whom had been born overseas) was a constantly shifting balance between the generation of wealth and

respectability, and the risks of inundation by poor newcomers. But while earlier studies have used this balance as a backdrop for the story of individual Jewish communities, this book highlights the interactions between the people who made them up. At the core of the book is the question of what membership of the 'imagined community' of global Jewry meant: how it helped those who belonged to it, how it affected where they lived and who they lived with,

the jobs that they did and the wealth or charity that they had access to. By stitching together patterns of residence, charity and worship, Alysa Levene is here able to reveal that religious and cultural bonds had vital functions both for making ends meet and for the formation of identity in a period of rapid demographic, religious and cultural change. Annulosa. [By W. E. Leach. Extracted from vol. 1 of the Supplement to the Encyclopædia Britannica.] Windsor, Ont.

: Black Moss Press
This supplement to standard children's literature textbooks will be a help to instructors as they engage their students in discussions about selection of materials, censorship, dealing with curricular issues, the need to understand administrative policies, community beliefs, and their responses to these issues. It is designed to help instructors discuss books in ways that inspire collegiality, collaboration, and scholarship in book

evaluation and selection. Using actual case studies, resource reviews and/or scenarios of censorship, religion, violence, ethnicity and other issues, the instructor will be able to encourage discussion and reflective thought about real issues faced by teachers and librarians as they select materials for classroom or school library use. and reflective thought about real issues faced by teachers and librarians as they select materials for classroom or school library use. Guides for possible resources for help in researching situations will be included. This will prove a very valuable resource in teaching children's literature courses in schools of education and library schools, and useful to practicing teachers and librarians as well. Though the book is slanted toward the use of books as classroom materials, it

will be a valuable asset to a school library's professional collection and certainly valuable to the training of pre-service teachers and school librarians. Each chapter begins with a bibliographic essay that introduces the topic to the reader. The essay is designed as a starting point for further discussion and research. A list of references for each chapter is provided at the end of the chapter. These references represent sources teachers can use to

conduct further research to find multiple perspectives about books. *Master of O* Bloomsbury Publishing
"A great American tale told with a deft historical eye, painstaking analysis, and a supple clarity of writing."—Jean Baker "My husband considered you a dear friend," Mary Todd Lincoln wrote to Frederick Douglass in the weeks after Lincoln's assassination. The frontier lawyer and the former slave, the cautious politician and the fiery reformer, the President

and the most famous black man in America—their lives traced different paths that finally met in the bloody landscape of secession, Civil War, and emancipation. Opponents at first, they gradually became allies, each influenced by and attracted to the other. Their three meetings in the White House signaled a profound shift in the direction of the Civil War, and in the fate of the United States. James Oakes has written a masterful narrative

history, bringing two iconic figures to life and shedding new light on the central issues of slavery, race, and equality in Civil War America.

 Archbishop José Gomez has written a personal, passionate and practical contribution to the national debate about immigration - pointing the way toward a recovery of America's highest ideals. "Immigration is a human rights test of our generation. It's also a defining historical moment for America. The meaning of this hour is that we need to renew our country in the image of her founding promises of universal rights rooted in God. Immigration is about

more than immigration. It's about renewing the soul of America."- Archbishop José H. Gomez
 Archbishop José H. Gomez is one of the leading moral voices in the American Catholic Church. He is the Archbishop of Los Angeles, the nation's largest Catholic community and the Chairman of the United States Catholic Bishops' Committee on Migration and a papal appointee to the Pontifical Commission for Latin America. Archbishop Gomez is a native of Monterrey,

Mexico and a naturalized American citizen.
