Author and international speaker Mike Dooley illuminates exactly how to move beyond the law of attraction to the next level—manifestation. In his most powerful and comprehensive work to date, Dooley reveals his master guide for following your heart and taking action on your dreams. Manifesting Change explains the actual mechanics behind every dream, how you fit into the equation of “Reality Creation,” and which steps you can take that will lead you to the desired end results without worrying about the details. Dooley expands upon the universal mysteries of why you are here, who you really are, and all that you deserve. It includes easy-to-understand exercises, stories, and analogies, and reveals the extraordinarily unique concept, the “Matrix” that clearly shows the flow of events that will, or will not, automatically trigger changes in your life based upon your thoughts, words, and actions.

When a career-ending injury left elite athlete and professional football player Lewis Howes out of work and living on his sister's couch, he decided he needed to make a change for the better. He started by reaching out to people he admired, searching for mentors, and applying his past coaches' advice from sports to life off the field. Lewis did more than bounce back: He built a multimillion-dollar online business and is now a sought-after business coach, speaker, and podcast host. In *The School of*

Greatness, Howes shares the essential tips and habits he gathered in interviewing "the greats" on his wildly popular podcast of the same name. In discussion with people like Olympic gold medalist Shawn Johnson and Pencils of Promise CEO Adam Braun, Howes figured out that greatness is unearthed and cultivated from within. The masters of greatness are not successful because they got lucky or are innately more talented, but because they applied specific habits and tools to embrace and overcome adversity in their lives. A framework for personal development, The School of Greatness gives you the tools, knowledge, and actionable resources you need to reach your potential. Howes anchors each chapter with a specific lesson he culled from his greatness "professors" and his own experiences to teach you how to create a vision, develop hustle, and use dedication, mindfulness, joy, and love to reach goals. His lessons and practical exercises prove that anyone is capable of achieving success and that we can all strive for greatness in our everyday lives.

**The 48 Laws of Power (Special Power Edition)** Simon and Schuster

*THE LAW OF ATTRACTION WORKS...IF YOU WORK IT!* The fastest way to manifest your desires is by implementing a Law of Attraction action plan. Since everything in the Universe is energy, the necessary ingredient for manifestation is the consistent mental and emotional energy that you emit in the form of thoughts, feelings, words and actions. It's very important to remember that the phrase "Law of Attraction" contains the word ACTION. Too many people on this spiritual path get caught up reading lots of books about the Law of Attraction, attending numerous seminars and hearing lectures about the Universal Law, but they fail to use the powerful tools that will translate their desires from the invisible world of cause to the visible world of manifestation. There are many books and audio programs on the market that explain what the Law of Attraction is and what it does, but few that actually teach people how to use this creative power on a daily basis. As a result, this book will provide you with advanced manifestation techniques, strategies, insights, and success stories that will help you quickly manifest your desires

with the Law of Attraction. Many students of the Law of Attraction have expressed concerns about being overwhelmed with all the manifestation books and study materials on the market. A friend recently told me: "I went to a book store and saw so many Law of Attraction books that I couldn't decide which to buy." Another friend said, "I know what the Law of Attraction is and what it does, but I am having trouble understanding what I need to do each day to make it work for me." I responded by telling my friend that she

is not alone with her concerns. There is a lot of information on the market explaining what the Law of Attraction does, yet much of it fails to explain what must be done on a daily basis to make it work effectively. As a result of these concerns, I have written this book to guide readers through a series of real-life, daily scenarios that demonstrate what should be done each day in order to use the Law of Attraction effectively. The people interviewed for this book are among hundreds of people whom I have met during the

course of my spiritual journey. I have met these wonderful people at seminars, workshops, lectures, churches, spiritual centers and through online forums on spirituality and personal growth. These enlightened individuals are among my growing community of spiritual friends who have shared their insights and experiences with me, and who comprise a growing support group of like-minded people who understand the importance of self-empowerment and spiritual evolution.
