A GRAPHIC BIOGRAPHY

OF TINTIN'S CREATOR by Jose-Louis Bocquet and Jean-Luc Fromental, Illustrated by Stanislas Barthélémy The Adventures of Hergé is a biographical comic about the world-renowned comics artist Georges Prosper Remi, better known by his pen name, Hergé. Meticulously researched, with references to many of the Tintin albums and complete with a bibliography and mini-bios for each of the main "characters," the biography is appropriately

drawn in Hergé's iconic clear line style as an homage to the Tintin adventures that have commanded the attention of readers across the world and of many generations. Seven-year-old Hergé first discovered his love of drawing in 1914 when his mother gave him some crayons to stay out of trouble. He continued drawing in school when he fatefully met the editor of *XXe Siècle* magazine, where Tintin first appeared. His popularity skyrocketed from the 1930s through

post-World War Two. Hergé was perceived by some to have aided the Nazi government in Belgium by continuing to publish Tintin in a government-sanctioned magazine, and he was briefly imprisoned in the aftermath of the war and narrowly escaped execution. Also covered are his marriage troubles in the 1950s and subsequent affair with Fanny Vlamynck, who went on to become his lifelong partner; his late career in the 1960s, as his interest in Tintin waned

and he occasionally "disappeared" for weeks at a time as he contemplated giving up his career to become a fine-arts painter; and a recounting of a humorous encounter with Andy Warhol.

Tintin and the Picaros
Adventures of Tintin
Don't miss this expanded novelization of the action-packed film! Tintin stumbles across a model ship at the Old Street Market. Only it isn't any model ship--it holds a piece of the puzzle to finding the resting place

of Red Rackham's treasure! But Tintin isn't the only one after the notorious pirate's booty. With dangerous treasure seekers at their heels, Tintin and his dog Snowy are on a high-stakes thrill ride that takes them from land to sea, from open air to the ocean floor!

Tintin et les Picaros

Methuen Childrens Books
Join the world's most famous travelling reporter in two exciting adventures as he heads for the Congo. The young reporter Tintin and his faithful dog Snowy set off

on assignment to Africa. But a sinister stowaway follows their every move and seems set on ensuring they come to a sticky end. Tintin and Snowy encounter witch doctors, hostile tribesmen, crocodiles, boa constrictors and numerous other wild animals before solving the mystery and getting their story. Join the most iconic character in comics as he embarks on an extraordinary adventure spanning historical and political events, and thrilling mysteries. Still

selling over 100,000 copies every year in the UK and having been adapted for the silver screen by Steven Spielberg and Peter Jackson in 2011. The Adventures of Tintin continue to charm more than 80 years after they first found their way into publication. Since then an estimated 230 million copies have been sold, proving that comic books have the same power to entertain children and adults in the 21st century as they did in the early 20th.

The Broken Ear Stanford University Press

All their lives the Female Furies have been raised to be the meanest, most cunning and most ruthless fighting force on all of Apokolips. So why are Granny Goodness's girls left behind every time the men go to war? With the might of New Genesis

hanging over the planet, and the Forever People making mincemeat out of Darkseid's army, Granny thinks it's about time that changed. And so, Big Barda, Aurelie, Mad Harriet, Lashina, Bernadeth and Stompa set out to beat the boys at their own game. Little do they know the game is rigged—and one accidental murder could spell disaster for them all! FEMALE FURIES is an exciting new miniseries starring some of Jack Kirby's coolest Fourth World characters by the

writer of SHADE, THE CHANGING GIRL and the artist of PLASTIC MAN!

Haven, the economy runs on oysters. Oyster farming is one of the most lucrative professions, but also the most dangerous. Not just from the unforgiving ocean and its watery depths—there are also oyster pirates to worry about! Commander Davidson Bulloch and his motley crew are tasked with capturing these ne'er-do-wells—but they don't know that Treacher Fink, the pirates' leader, possesses a magical artifact that can call forth a legendary spirit with the power to control the sea

and everything in it! Tintin and the Secret of Literature Macmillan Children's Books Explores the sources in real life of all the Tintin adventures.

The Shooting Star Little Brown A reproduction in facsimile the principal sketches and script from Hergé's final graphic novel which was started in 1978 and remains unfinished.

Masters of the Ninth Art National Geographic Books A guide to the characters

of the comic series presents information on the role in the strip of and real life models for Tintin, Snowy, Captain Haddock, General Alcazar, and Professor Calculus.

The Adventures of Tintin: The Chapter Book London : Hamilton Seven scientists mysteriously fall into a profound state of lethargy. As Calculus has disappeared, Tintin and Captain Haddock set off in search of the Professor. *Secret of the Unicorn* Oni Press In English-speaking

countries, Francophone comic strips like Hergés's *Les Aventures de Tin Tin* and Goscinny and Uderzo's *Les Aventures d'Asterix* are viewed—and marketed—as children's literature. But in Belgium and France, their respective countries of origin, such strips—known as *bandes dessinées*—are considered a genuine art form, or, more specifically, "the ninth art." But what accounts for the drastic difference in the way such comics are received? In *Masters*

of the Ninth Art, Matthew Screech explores that difference in the reception and reputation of *bandes dessinées*. Along with in-depth looks at *Tin Tin* and *Asterix*, Screech considers other major comics artists such as Jacques Tardi, Jean Giraud, and Moebius, assessing in the process their role in Francophone literary and artistic culture. Illustrated with images from the artists discussed, *Masters of the Ninth Art* will appeal to students of European popular culture, literature,

and graphic art.
