I pushed myself up and nearly stopped breathing again. The man who I had just knocked to the ground was none other than Prince Jarin. Definitely not the shadow, I thought. "That's it, you—" the prince began as he pushed himself up and raised his fist. "Stop!" I guarded my face with both hands. "Katie?" "Ah...hello, fancy meeting you here," I stammered. Even though Katie is a royal princess, all she knows is how to be a spy. She constantly goes from mission to mission, never getting the chance to understand her birthright. This all changes when her father sends her on a mission to Floric with the cover of being a princess who is trying to win the prince's heart. This mission proves to be very different from the others with a shadowy figure to chase, secret passages to explore, secrets to keep and the problem of betrayal that she is about to discover.
