Immigration and American popular culture: An introduction Immigration And American Popular Culture Through a series of case studies, Rachel Rubin and Jeffrey Melnick uncover how specific trends in popular culture—such as portrayals of European immigrants as gangsters in 1930s cinema, the zoot suits of the 1940s, the influence of Jamaican Americans on rap in the 1970s, and cyberpunk and Asian American zines in the 1990s—have their roots in the complex socio-political nature of immigration ... Immigration and American Popular Culture An excellent and thought-provoking series of case studies on the many ways in which immigration and popular culture have influenced each other in 20th century America. The two authors balance very well the 'official history' of immigration--changes to laws, migration patterns, etc--with the history of representation in the cultural imaginary.
