*Worlds Together, Worlds Apart* is organized around major world history stories and themes: the emergence of cities, the building of the Silk Road, the spread of major religions, the spread of the Black Death, the Age of Exploration, alternatives to nineteenth-century capitalism, the rise of modern nation-states and empires, and others. The Fourth Edition of this successful text has been streamlined, shortened, and features a new suite of tools designed to help students think critically, master content and make connections across time and place.

*Worlds Together, Worlds Apart with Sources* W. W. Norton

In this second edition, the book's non-Eurocentric approach continues with

expansions of the original eleven world history "turning point" stories from the modern period to include ten more "turning point" stories from the earlier periods of world history. From the history of the world's first cities built on the great rivers of Afro-Eurasia, to the formation of the Silk Road, to the rise of nation-states, and the story of modern globalization, *Worlds Together, Worlds Apart* provides students with the stories that changed history and enables them to make the connections they need in order to better understand how the world came to be what it is today.
