## LIVINGSTON GRIMES

---

**The Ghost Rider** Rowman & Littlefield

This is the story of an Italian general, accompanied by his chaplain, charged with the mission of scouring Albania in search of the bones of their fallen countrymen, killed twenty years earlier during World War II.

*Historia e letërsisë shqipe* Catapult

An illustrated political and social magazine.

**Gudomliga Komedi** Beacon Press

A New York Times Book Review Editors' Choice "Erotic, paranoiac and lightly fantastical." —The Wall Street Journal "Ismail Kadare's readers are astonished

every year when the Nobel committee overlooks him. . . . A Girl in Exile, published in Albanian in 2009, may rekindle the worldwide hopes." —The New York Times Book Review During the bureaucratic machinery of Albania's 1945–1991 dictatorship, playwright Rudian Stefa is called in for questioning by the Party Committee. A girl—Linda B.—has been found dead, with a signed copy of his latest book in her possession. He soon learns that Linda's family, considered suspect, was exiled to a small town far from the capital. Under the influence of a paranoid regime, Rudian finds himself swept along on a surreal quest to discover what really happened to Linda B. "At a time when parts of the world are indulging

nostalgia for communism, Kadare's novel confronts the infuriating impossibility of art in an autocratic, anti-individualist system." —The Washington Post "A Girl in Exile confirms Kadare to be the best writer at work today who remembers—almost aggressively so, refusing to forget—European totalitarianism." —The New Republic *A Girl in Exile* Princeton University Press Albania is not well known by outsiders; it was deliberately closed to the outside world during the communist era. Now it has thankfully become free again, its borders are open and it can be visited, and it is increasingly integrating with the rest of Europe and beyond. Unfortunately, Albania has had its share of problems in

the post-communist era; it's a land of destitution and despair, thanks in part to the Albanian mafia, which has turned the country into one of blood-feuds, kalashnikovs, and eternal crises. Yet, Albania is, in essence, a European nation like any other and will soon, it is to be hoped, advance and take its proper place in Europe and the world. The second edition of the Historical Dictionary of Albania relates the history of this little-known country through a detailed chronology, an introduction, a bibliography, appendixes, and over 700 cross-referenced dictionary entries on significant persons, places, and events; institutions and organizations; and political, economic, social, cultural, and religious facets.

**Bibliografija Jugoslavije** Random House  
The tender plant of Albanian literature grew in a rocky soil. It was late to evolve and its development, indeed its very existence, was threatened in many periods. "Albanian Literature: A Short History" tells the story of the survival and growth of Albanian creative writing beginning with the earliest thirteenth century texts of Theodor of Shkodra,

tracing the development of the modern literature of Buzuku, Budi and Bogdani, the incorporation of the Muslim influences of Frakulla and Kycyku and continuing with the works of Cajupi and Kadare during the reign of King Zog and the Hoxha administration. A unique book that illuminates an under-researched subject, "Albanian Literature" is an essential reference guide for all those interested in Balkan cultures, in comparative literature and in European cultural history in general.

#### **Preserving the World's Great Cities**

Three Rivers Press

When it was first published in the author's native country, *THE PALACE OF DREAMS* was immediately banned. The novel revolves around a secret ministry whose task is not just to spy on its citizens, but to collect and interpret their dreams. An entire nation's unconscious is thus tapped and meticulously laid bare in the form of images and symbols of the dreaming mind.

*Broken April* Stanford University Press

A socially stunted thirty-five-year-old man named Bobby Bunting deals with isolation and his fear of women in highly unusual

ways.

*The Albanian National Awakening* Univ of California Press

Professor Skendi, a native of Albania, traces the progress and setbacks of Albania's long struggle for national unity during this least-known period of its intricate history. He discusses the heritage of its people and examines in detail the developments that led to Albanian independence: national resistance to the decisions of the Congress of Berlin, later opposition to Turkey, and the struggle between the Albanians and the Young Turks. Consideration is given to such internal problems as geographic configuration, religious and political division, and to such external problems as Italo-Austrian rivalry, political interference from neighboring states, and the involvement of great powers. Originally published in 1967. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable

paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

**The Time of the Goats** Northwestern University Press

"Kadare is inevitably linked to Orwell and Kundera, but he is a far deeper ironist than the first, and a better storyteller than the second. He is a compellingly ironic storyteller because he so brilliantly summons details that explode with symbolic reality." —The New Yorker At the heart of the Ottoman Empire, in the main square of Constantinople, a niche is carved into ancient stone. Here, the sultan displays the severed heads of his adversaries. People flock to see the latest head and gossip about the state of the empire: the province of Albania is demanding independence again, and the niche awaits a new trophy . . . Tundj Hata, the imperial courier, is charged with transporting heads to the capital—a task he relishes and performs with fervor. As he travels through obscure and impoverished territories, he makes money from illicit

side-shows, offering villagers the spectacle of death. The head of the rebellious Albanian governor would fetch a very high price indeed. The Traitor's Niche is a surreal tale of tyranny and rebellion, in a land where armies carry scarecrows, state officials ban entire languages, and the act of forgetting is more complicated than remembering. Long-listed for the 2017 Man Booker International Prize "The name of the Albanian novelist Ismail Kadare regularly comes up at Nobel Prize time, and he is still a good bet to win it one of these days . . . He is seemingly incapable of writing a book that fails to be interesting." —The New York Times

**New Albania** Scarecrow Press

In this work, acclaimed Jungian James Hillman examines the concepts of myth, insights, eros, body, and the mytheme of female inferiority, as well as the need for the freedom to imagine and to feel psychic reality. By examining these ideas, and the role they have played both in and outside of the therapeutic setting, Hillman mounts a compelling argument that, rather than locking them away in some inner asylum or subjecting them to daily self-treatment, man's "peculiarities" can become an

integral part of a rich and fulfilling daily life. Originally published by Northwestern University Press in 1972, this work had a profound impact on a nation emerging self-aware from the 1960s, as well as on the era's burgeoning feminist movement. It remains a profound critique of therapy and the psychological viewpoint, and it is one of Hillman's most important and enduring works.

**Albanian Literature** Legare Street Press  
Written by experts on the frontlines, Investigating Internet Crimes provides seasoned and new investigators with the background and tools they need to investigate crime occurring in the online world. This invaluable guide provides step-by-step instructions for investigating Internet crimes, including locating, interpreting, understanding, collecting, and documenting online electronic evidence to benefit investigations. Cybercrime is the fastest growing area of crime as more criminals seek to exploit the speed, convenience and anonymity that the Internet provides to commit a diverse range of criminal activities. Today's online crime includes attacks against computer data and systems,

identity theft, distribution of child pornography, penetration of online financial services, using social networks to commit crimes, and the deployment of viruses, botnets, and email scams such as phishing. Symantec's 2012 Norton Cybercrime Report stated that the world spent an estimated \$110 billion to combat cybercrime, an average of nearly \$200 per victim. Law enforcement agencies and corporate security officers around the world with the responsibility for enforcing, investigating and prosecuting cybercrime are overwhelmed, not only by the sheer number of crimes being committed but by a lack of adequate training material. This book provides that fundamental knowledge, including how to properly collect and document online evidence, trace IP addresses, and work undercover. - Provides step-by-step instructions on how to investigate crimes online - Covers how new software tools can assist in online investigations - Discusses how to track down, interpret, and understand online electronic evidence to benefit investigations - Details guidelines for collecting and documenting online evidence that can be presented in court

LIBRASHQIP me anë te gamës Klasikët Shqiptarë, sjell kryeveprat e letërsisë së Rilindjes dhe Pavarësisë. Vëllimi i tetë do të sjell "Kenget e Milosaos" nga Jeronim De Rada. Një vepër e përkryer e letërsisë shqiptare që kap lexuesit me poezinë e saj të shkëlqyer dhe temat e thella. E botuar për herë të parë në vitin 1860, ky koleksion epik i poezive ka rezistuar nëpër shekuj, duke rezonuar me brezat e lexuesve. De Rada, një figurë e njohur në romantizmin shqiptar, rrymon një tapiseri të emocioneve, historisë dhe folklorit në "Kenget e Milosaos". Poezitë janë të ngarkuara me një ndjenjë krenarie kombëtare dhe një përkëdhelje për lirinë, duke reflektuar frymën e popullit shqiptar gjatë një periudhe zgjimi kulturor dhe politik. Nga baladat e dashurisë pasionante deri te refleksionet thelbësore mbi luftën për pavarësinë, çdo poezi mban një zë dhe një narrativë unike. "Kenget e Milosaos" nuk është vetëm një koleksion poezie; është një udhëtim në shpirtin e një kombi. Fjalët e De Radës eksplorojnë tema identiteti, sakrificës dhe përpjekjes për liri. Poezitë jehojnë aspiratat kolektive të një populli, duke kapur gjithashtu përvojat

intime të individëve që luftojnë me dashurinë, humbjen dhe shpresën.

**The Bruiser** Simon and Schuster  
"Edited by Paul J. Bauer and Mark Dawidziak."

*The Fall of the Stone City* Newnes  
Emphasizing the political nature of Greek tragedy, as theatre of, by and for the polis, Rush Rehm characterizes Athens as a performance culture; one in which the theatre stood alongside other public forums as a place to confront matters of import. In treating the various social, religious and practical aspects of tragic production, he shows how these elements promoted a vision of the theatre as integral to the life of the city - a theatre focussed on the audience.

*The Bread of Those Early Years* Routledge  
A penetrating analysis of the dark corners of human deception, enlivened by intriguing case histories and experiments.  
*Histori e shtypit shqiptar, 1848-1996*  
Catapult

It's the late 1940s in Skopje, Yugoslavia, in the critical year leading to Tito's break with Stalin. Pushed to leave mountain villages to become the new proletariat in urban factories, a flood of peasants crowds

into Skopje—and with them, all of their goats. Suffering from hunger, Skopje’s citizens welcome the newcomers. But municipal leaders are faced with a dilemma when the central government issues an order calling for the slaughter of the country’s goat population. With food so scarce, will they hide the outlawed animals? Or will they comply with the edict and endure the bite of hunger? *The Time of the Goats* is the second novel in Luan Starova’s acclaimed multivolume Balkan saga. It follows the main characters from *My Father’s Books* and the tragicomic events of their lives in Skopje as the narrator’s intellectual father and the head goatherd become friends. As local officials clumsily carry out absurd policies, Starova conveys the bonds of understanding and mutual support that form in Skopje’s poorest neighborhoods. At once historical and allegorical, folkloric and fantastic, *The Time of the Goats* draws lyrically on Starova’s own childhood.

[The Palace of Dreams](#) Skyhorse Publishing Inc.

NATIONAL BESTSELLER • Senator John McCain tells the story of his great American journey, from the U.S. Navy to

his electrifying campaign for the presidency in 2000, interwoven with heartfelt portraits of the mavericks who have inspired him through the years. After five and a half years as a prisoner of war in Vietnam, naval aviator John McCain returned home a changed man. Regaining his health and flight-eligibility status, he resumed his military career, commanding carrier pilots and serving as the navy’s liaison to what is sometimes ironically called the world’s most exclusive club, the United States Senate. Accompanying Senators John Tower and Henry “Scoop” Jackson on international trips, McCain began his political education in the company of two masters, leaders whose standards he would strive to maintain upon his election to the U.S. Congress. There, he learned valuable lessons in cooperation from a good-humored congressman from the other party, Morris Udall. In 1986, McCain was elected to the U.S. Senate, inheriting the seat of another role model, Barry Goldwater. During his time in public office, McCain has seen acts of principle and acts of craven self-interest. He describes both extremes in these pages, with his characteristic

straight talk and humor. He writes honestly of the lowest point in his career, the Keating Five savings and loan debacle, as well as his triumphant moments—his return to Vietnam and his efforts to normalize relations between the U.S. and Vietnamese governments; his fight for campaign finance reform; and his galvanizing bid for the presidency in 2000. Writes McCain: “A rebel without a cause is just a punk. Whatever you’re called—rebel, unorthodox, nonconformist, radical—it’s all self-indulgence without a good cause to give your life meaning.” This is the story of McCain’s causes, the people who made him do it, and the meaning he found. *Worth the Fighting For* reminds us of what’s best in America, and in ourselves. Praise for *Worth the Fighting For* “When [John] McCain writes of people and patriotism, his pages shine with a devotion, a loving awe, that makes *Worth the Fighting For* worth the shelling out for. . . . McCain the man remains one of the most inspiring public figures of his generation.”—Jonathan Rauch, *The Washington Post* “[An] unpredictable, outspoken memoir . . . a testimonial to heroism from someone who has first-hand

knowledge of what it takes.”—The New York Times  
The Myth of Analysis Presses Universitaires de France - PUF  
 In this, his last significant work, an admired French philosopher provides extraordinary meditations on the relations between the imagining consciousness and the world, positing the notion of reverie as its most dynamic point of reference. In his earlier book, *The Poetics of Space*, Bachelard considered several kinds of "praiseworthy space" conducive to the flow of poetic imagery. In *Poetics of Reverie* he considers the absolute origins of that imagery: language, sexuality,

childhood, the Cartesian ego, and the universe. Approaching the psychology of wonder from the phenomenological viewpoint, Bachelard demonstrates the aurgentative potential of all that awareness. Thus he distinguishes what is merely a phenomenon of relaxation from the kind of reverie which "poetry puts on the right track, the track of expanding consciousness"

**The Poetics of Reverie** Canongate Books

An old woman is awoken in the dead of night by knocks at her front door. The woman opens it to find her daughter, Doruntine, standing there alone in the darkness. She has been brought home

from a distant land by a mysterious rider she claims is her brother Konstandin. But unbeknownst to her, Konstandin has been dead for years. What follows is chain of events which plunges a medieval village into fear and mistrust. Who is the ghost rider?
