CONOR KIRSTEN

The Rinse Dragon Tree Books
From the former heavyweight champion and New York Times bestselling author comes a powerful look at the life and leadership lessons of Cus D'Amato, the legendary boxing trainer and Mike Tyson's surrogate father. "[Iron Ambition] spells out D'Amato's techniques for building a champion from scratch." - Wall Street Journal When Cus D'Amato first saw thirteen-year-old Mike Tyson spar in the ring, he proclaimed, "That's the heavyweight champion of the world." D'Amato, who had previously managed the careers of world champions Floyd Patterson and José Torres, would go on to train the young Tyson and raise him as a son. D'Amato died a year before Tyson became the youngest heavyweight champion in history. In Tyson's bestselling memoir *Undisputed Truth*, he recounted the role D'Amato played in his formative years, adopting him at age sixteen after his mother died and shaping him both physically and mentally after Tyson had spent years living in fear and poverty. In

Iron Ambition, Tyson elaborates on the life lessons that D'Amato passed down to him, and reflects on how the trainer's words of wisdom continue to resonate with him outside the ring. The book also chronicles Cus's courageous fight against the mobsters who controlled boxing, revealing more than we've ever known about this singular cultural figure. *Raw* National Geographic Books
The true and shocking crime story of the Italian Mob in Miami, the Columbian cartel's cocaine trade, corrupt feds in the 1990s...and one man's determination to keep his freedom with a code of honor--no matter what the cost.

Ten years ago, Mark Anthony Neal's *New Black Man* put forth a revolutionary model of Black masculinity for the twenty-first century—one that moved beyond patriarchy to embrace feminism and combat homophobia. Now, Neal's book is more vital than ever, urging us to imagine a New Black Man whose strength resides in family, community, and diversity. Part memoir, part manifesto, this book celebrates the Black man of our times in all his vibrancy and virility. The tenth anniversary edition of this classic text includes a new foreword by Joan Morgan and a new introduction and postscript from Neal, which bring the issues in the book up to the present day.

What does the popularity of the Creation Museum tell us about the appeal of the Christian right? On May 28, 2007, the Creation Museum opened in Petersburg, Kentucky. Aimed at scientifically demonstrating that the universe was created less than ten thousand years ago by a Judeo-Christian god, the museum is hugely popular, attracting millions of visitors over the past eight years. Surrounded by themed topiary gardens and a petting zoo with camel rides, the site conjures up images of a religious Disneyland. Inside, visitors are met by dinosaurs at every turn and by a replica of the Garden of Eden that features the Tree of Life, the serpent,

and Adam and Eve. In *Righting America* at the Creation Museum, Susan L. Trollinger and William Vance Trollinger, Jr., take readers on a fascinating tour of the museum. The Trollingers vividly describe and analyze its vast array of exhibits, placards, dioramas, and videos, from the Culture in Crisis Room, where videos depict sinful characters watching pornography or considering abortion, to the Natural Selection Room, where placards argue that natural selection doesn't lead to evolution. The book also traces the rise of creationism and the history of fundamentalism in America. This compelling book reveals that the Creation Museum is a remarkably complex phenomenon, at once a "natural history" museum at odds with contemporary science, an extended brief for the Bible as the literally true and errorless word of God, and a powerful and unflinching argument on behalf of the Christian right.

The son of a strange woman Penguin
Rio's personality and flair instantly gain him popularity in Baltimore, but violence erupts, and all eyes are on him. Now he's got a target on his back. Did he inherit any of the ruthless traits of the other Duncan men? Will the most colorful Duncan son get out of Baltimore and back home safe and sound now that he's on his own? Rio Duncan is one of the youngest children of the infamous Duncan clan. With no solid position in the family business like his other siblings, he has been feeling out of place and decides to disappear. His destination is Baltimore, and he's sure to find what he's looking for in the city with a community like no other. There, he finds new friends, a new love interest, and he also finds unexpected trouble. Corey Grant has his hands full with an inherited drug empire, a complicated relationship

with his incarcerated father, and secret desires that could make him appear weak to his enemies. Someone has declared a street war, and he's at odds with his business partner, Dre, on how to handle it. Could it be Pierre, their client-turned-competition? Does this have anything to do with the sudden appearance of the mysterious newcomer named Rio? Diana Black is Corey's girlfriend-for-hire, and although she has a taste for bad boys, someone else has her attention. She is loyal to Corey's cause, but how long will that last?

Just as I Am Penguin

Raised dirt poor in one of the worst parts of town, La-La is determined not end up like the generations of her family before her: a mother when she's barely in her teens, getting caught up in the drug game, or just plain stuck living hand-to-mouth in the projects for the rest of her life. She's got big dreams, not to mention the rare combination of a sharp mind, runway model looks, and a killer

body, all of which she plan on using to get the hell out of the ghetto. But even the best laid plans have a habit of going to pieces - especially in the hood. La-La finds that out firsthand when her ambitions cause her to cross paths with Dre, a much more worldly (and older) man than the scrubs she's used to dealing with. Showered with gifts and attention, La-La consciously chooses to overlook the strings that come attached to Dre's affection - namely, that he is a man with dangerous ties and associates. Forced outside her comfort zone, La-La finds herself getting caught up in Dre's world. Even worse, her normally good judgment is being impaired by both her desire for the finer things in life and her growing physical needs as she struggles to answer one question: is what she and Dre have real and worth risking everything for, or is he simply using her the way she had planned on using him?
