"Child's best for some time...with detective-story and romcom elements (even sly humour) on top of the psychological duels and set-piece

violence." (Sunday Times) Jack Reacher has no place to go, and all the time in the world to get there. A remote railroad stop on the prairie with the curious name of Mother's Rest seems perfect for an aimless one-day stopover. He expects to find a lonely pioneer tombstone in a sea of nearly-ripe wheat. Instead there is a woman waiting for a missing colleague, a cryptic note about two hundred deaths, and a small town full of silent, watchful people. Reacher's one-day stopover turns into an open-ended quest leading to the most hidden reaches of the internet, and right into the nightmare heart of darkness. _____ Although the Jack Reacher novels can be read in any order, *Make Me* is 20th in the series. Be sure not to miss Reacher's newest adventure, no.29, *In Too Deep!*

Don't miss the hit streaming series *Reacher!* "The best one yet."—Stephen King
 Someone has tried to kill the French president. How many snipers can shoot from three-quarters of a mile with total confidence? John Kott—a U.S. Army marksman gone bad—is one of them. After fifteen years in prison, he's out . . . and there's a G8 summit coming up, packed with enough world leaders to tempt any assassin. If anyone can stop Kott, it's the man who beat him before: Jack Reacher. And though he'd rather work alone, Reacher is teamed with rookie analyst Casey Nice. They're facing a rough road, full of local thugs, double-crosses, and no backup if things go

wrong. Reacher never gets too close. But this time it's personal. This edition includes the bonus short story "Not a Drill."

Better Off Dead Simon and Schuster
It had never been attempted before, and might never be done again. One man watching another man write a novel from beginning to end. On September 1, 2014, in an 11th floor apartment in New York, Lee Child embarked on the twentieth book in his globally successful Jack Reacher series. Andy Martin was there to see him do it, sitting a couple of yards behind him, peering over his shoulder as the writer took another drag of a Camel cigarette and tapped out the first sentence: "Moving a guy as big as Keever wasn't easy." Miraculously, Child and Martin stuck with it, in tandem, for

the next 8 months, right through to the bitter-sweet end and the last word, "needle". Reacher Said Nothing is a one-of-a-kind meta-book, an uncompromising account in real time of the genesis, evolution and completion of a single work, Make Me. While unveiling the art of writing a thriller Martin also gives us a unique insight into the everyday life of an exemplary writer. From beginning to end, Martin captures all the sublime confidence, stumbling uncertainty, omniscience, cluelessness, ecstasy, despair, and heart-thumping suspense that go into writing a number-one bestseller.

 “The truth about Reacher gets better and better. . . . This series [is] utterly addictive.”—Janet Maslin, *The New York Times*
 Jack Reacher was alone, the way he liked it, soaking up the hot, electric New York City night, watching a man cross the street to a parked Mercedes and drive it away. The car contained one million dollars in ransom money because Edward Lane, the man who paid it, would do anything to get his family back. Lane runs a highly illegal soldiers-for-hire operation. He will use any tool to find his beautiful wife and child. And Jack Reacher is the best manhunter in the world. On the trail of vicious kidnapers, Reacher learns the chilling secrets of his employer’s past . . . and of a horrific

drama in the heart of a nasty little war. He knows that Edward Lane is hiding something. Something dirty. Something big. But Reacher also knows this: He’s already in way too deep to stop now. And if he has to do it the hard way, he will. This edition contains an excerpt from Lee Child’s *Bad Luck and Trouble*.

 Jack Reacher’s Rules is the ultimate fan’s guide to the World of Reacher! Featuring selections from all seventeen electrifying Jack Reacher novels and an introduction from Lee Child himself, this one-of-a-kind book compiles timeless advice from maverick former army cop Jack Reacher, the hero of Lee Child’s blockbuster thrillers and now the star of a major motion picture. My name is Jack Reacher. No middle name, no address.

I've got a rule: People mess with me at their own risk. You don't have to break the rules if you make the rules. Case in point: Jack Reacher, the two-fisted, quick-witted, "current poster-boy of American crime fiction" (Los Angeles Times). The brainchild of #1 New York Times bestselling author Lee Child, Reacher is a freelance troubleshooter with a mysterious past—and a serious passion for justice. Now the hard-won knowledge and hard-hitting strategies of fiction's toughest tough guy are within every thriller reader's reach—in a rapid-fire rundown of the trade secrets, tried-and-true tricks, and time-honored tactics that separate the man in the street from the man to beat. Rule 1. When in doubt, drink coffee. Rule 2. Never volunteer for anything. Rule 3. Don't break the

furniture. Rule 4. Only one woman at a time. Rule 5. Show them what they're messing with. Please note: Jack Reacher's Rules is a compilation of advice, wisdom, and facts from the Jack Reacher series of novels by #1 New York Times bestselling author Lee Child. It features an introduction by Lee Child, but is not a Jack Reacher novel.

[Gone Tomorrow](#) HarperCollins

Don't miss a thrilling preview of Lee Child's highly anticipated new Jack Reacher novel, *Make Me!* The telex is brief and to the

point: One active-duty personnel found shot to death ten miles north of Fort Smith. Circumstances unknown. Found in a silver Porsche along an isolated forest road in Georgia, the victim was shot twice in the chest and once in the head. A professional hit. Clean. The crime scene suggests an ambush. Military police officer Jack Reacher is given the case. He calls his older brother, Colonel Joe Reacher, at the Pentagon for intel and taps Sergeant Frances Neagley to help him answer the big question: Who would kill a brilliant officer on the fast-track to greatness? For Jack Reacher, the answer hits home. Praise for #1 bestselling author Lee Child and his Reacher series “Welcome to the relentless world of Jack Reacher and his impressive tendency to be in the wrong

The most hotly anticipated thriller of 2018 follows our hero Jack Reacher on a quest into his father's past, and climaxes in the most stomach-clenching, hair-raising, blood-curling ticking-time-bomb of an adventure yet. Jack Reacher plans to follow the autumn sun on an epic road trip across America, from Maine to California. He doesn't get far. On a country road deep in the New England woods, he sees a sign to a place he has never been - the town where his father was born. He thinks, what's one extra day? He takes the detour. At the very same moment, close by, a car breaks down. Two young Canadians are trying to get to New York City to sell a treasure. They're stranded at a lonely motel in the middle of nowhere. It's a strange place ... but it's all there is. The next morning

in the city clerk's office, Reacher asks about the old family home. He's told no one named Reacher ever lived in that town. He knows his father never went back. Now he wonders, was he ever there in the first place? So begins another nailbiting, adrenaline-fuelled adventure for Reacher. The present can be tense, but the past can be worse. That's for damn sure.

"We are all doing math all the time, from the way we communicate with each other to the way we travel, from how we work to how we relax. Many of us are aware of this. But few of us really appreciate the full power of math - the extent to which its influence is not only in every office and every home, but also in every courtroom and hospital ward. In

this eye-opening and extraordinary book, Kit Yates explores the true stories of life-changing events in which the application - or misapplication - of mathematics has played a critical role: patients crippled by faulty genes and entrepreneurs bankrupted by faulty algorithms; innocent victims of miscarriages of justice and the unwitting victims of software glitches. We follow stories of investors who have lost fortunes and parents who have lost children, all because of mathematical misunderstandings. Along the way, Yates arms us with simple mathematical rules and tools that can help us make better decisions in our increasingly quantitative society"--

THE #1 NEW YORK TIMES BESTSELLING JACK REACHER SERIES • Don't miss the hit streaming series Reacher! The

ultimate Jack Reacher experience: a thrilling new novella and eleven previously published stories, together for the first time in one pulse-pounding collection from Lee Child. *No Middle Name* begins with “Too Much Time,” a brand-new work of short fiction that finds Reacher in a hollowed-out town in Maine, where he witnesses a random bag-snatching but sees much more than a simple crime. “Small Wars” takes readers back to 1989, when Reacher is an MP assigned to solve the brutal murder of a young officer found along an isolated forest road in Georgia—and whose killer may be hiding in plain sight. In “Not a Drill,” Reacher tries to take some downtime, but a pleasant hike in Maine turns into a walk on the wild side—and perhaps something far more

sinister. “High Heat” time-hops to 1977, when Reacher is a teenager in sweltering New York City during a sudden blackout that awakens the dark side of the city that never sleeps. Okinawa is the setting of “Second Son,” which reveals the pivotal moment when young Reacher’s sharp “lizard brain” becomes just as important as his muscle. In “Deep Down,” Reacher tracks down a spy by matching wits with four formidable females—three of whom are clean, but the fourth may prove fatal. Rounding out the collection are “Guy Walks into a Bar,” “James Penney’s New Identity,” “Everyone Talks,” “The Picture of the Lonely Diner,” “Maybe They Have a Tradition,” and “No Room at the Motel.” No suitcase. No destination. No middle name. No matter how far

Reacher travels off the beaten path, trouble always finds him. Feel bad for trouble. Praise for *No Middle Name* "Captivating . . . classic [Lee] Child . . .
