Future Hal Leonard Publishing Corporation
Ever since Patty Farmer was a little girl, she dreamed of living at the Plaza--just like Eloise of storybook fame. Decades later, she realized that dream when she moved into an apartment on the eighth floor of the famed hotel and became more passionate than ever about immersing herself in its history. She soon discovered that one of the most magical places within the Plaza now exists only in memory: the nightclub known as

the Persian Room. For more than forty years, from 1934 to 1975, the Persian Room was the place to be in New York City. An unparalleled array of performers graced its stage--everyone from the incomparable Hildegard and Kay Thompson to Julie Wilson, Andy Williams, Lainie Kazan, and Michelle Lee. And, though more than three decades have passed since the final ovation, there are many from both sides of the footlights who remember this extravagant nightclub

with great fondness. To create this unique and memorable oral history, Farmer traveled far and wide to meet the Persian Room's most popular stars and collect their precious memories. Over the course of three years, these idols of the past and present opened their homes and hearts to her, relishing the opportunity to share cherished moments from their long careers. Many contributed photos and memorabilia from their personal collections as well, making The Persian Room

Presents... a vivid journey through the stars elegant history. Among the many stars who generously gave their time are Andy Williams, Marge Champion, Polly Bergen, Diahann Carroll, Connie Stevens, Lesley Gore, Patti Page, Carol Lawrence, Michelle Lee, Lainie Kazan, Julie Wilson, Tony Butala, Tony Sandler, Celeste Holm, Kaye Ballard, Jack Jones, and Roslyn Kind. Don Dellair shared funny and touching tales of both Hildegard and Liberace. Hilary Knight--the

legendary illustrator who brought Eloise to life--spoke wistfully of Kay Thompson and Lisa Kirk. Each offered his or her own perspective on the club, but they all agreed on one thing: There was no place on Earth like the Persian Room and there never will be.

Movie Duets Macmillan Hollywood legend, Academy Award-winning actor, and recipient of the Golden Globe Award for lifetime achievement in film, Frank Sinatra carved out one of the biggest careers in the history of Hollywood, yet paradoxically his screen legacy has been overshadowed by his extraordinary achievements as a singer and recording artist. Until

now. With the publication of Sinatra in Hollywood, an analytical yet deeply personal look at the screen legend of Frank Sinatra, Sinatra's standing as a significant, indeed legendary, screen actor has now been placed in full perspective.

Examining each of Sinatra's seventy film appearances in depth, Tom Santopietro traces the arc of his astonishing six-decade run as a film actor, from his rise to stardom in "boy next door" musical films like Anchors Aweigh and On

the Town, through his fall from grace with legendary flops like *The Kissing Bandit*, to the near-mythic comeback with his Oscar-winning performance in *From Here to Eternity*. Laced throughout with Sinatra's own observations on his film work, Sinatra in Hollywood deals head-on with his tumultuous marriages to Ava Gardner and Mia Farrow and directly addresses the rumors of Mob involvement in Sinatra's Hollywood career. Ranging from the specifics of his

controversial acting nickname of One Take Charlie to the iconic Rat Pack film *Ocean's Eleven*, from the groundbreaking performance in *The Manchurian Candidate* to the moving and elegiac late-career roles as tough yet vulnerable detectives, the myths and personal foibles are stripped away, placing the focus squarely on the work. Oftentimes brilliant, occasionally off-kilter, but always compelling, Frank Sinatra, the film icon who registered as nothing less than emblematic of "The

American Century," here receives his full due as the serious artist he was, the actor about whom director Billy Wilder emphatically stated, "Frank Sinatra is beyond talent."

Carol Lawrence Alfred Music (Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part as well as in the vocal line.

Harper Paperbacks

"This colorful and dramatic saga is based on the classic film. A strong-willed Virginia farmer is trying to keep his family neutral as the Civil War rages. Union forces and the Confederates see things only in shades of Blue or Grey, so the family is inevitably swept up in the conflict, against all odds. Their story is a heartwarming and heart-rending portrayal of the upheaval that left wounds on the land and its people for generations to come."

The Complete Book of 1940s Broadway Musicals

Simon and Schuster

Glasgow band Del Amitri have sold more than six million albums. Their 1995 single Roll To Me cracked the Top 10 in the US, and five of their albums went Top 10 in the UK. But as yet there hasn't been anything substantial

written about the band...until now! From ambition to success, this is the complete story of Del Amitri's rise from initial formation through six albums that took them to global recognition. From early Peel sessions, to touring with Morrissey; to appearing on Letterman and cracking the US, the book follows every up and down of the band's incredible career, as well as providing unique and original insights into their personalities and music. *German Operetta on*

Broadway and in the West End, 1900-1940 Rowman & Littlefield

A revolution is under way. Within a generation, more households will be supported by women than by men. In this book the author takes us to the frontier of this new economic order. She shows us why this flip is inevitable, what painful adjustments will have to be made along the way, and how both men and women will feel surprisingly liberated in the end. Couples today are debating who must

assume the responsibility of primary earner and who gets the freedom of being the slow track partner. With more men choosing to stay home, she shows how that lifestyle has achieved a higher status, and the ways males have found to recover their masculinity. And the revolution is global: she takes us from Japan to Denmark to show how both sexes are adapting as the marriage market has turned into a giant free-for-all, with men and women at different stages of this

transformation finding partners who match their expectations. This book is an analysis of the most important cultural shift since the rise of feminism: the coming era in which women will earn more than men, and how this will change work, love, and sex.

The Complete Book of 2010s Broadway Musicals John Wiley & Sons
Academic attention has focused on America's influence on European stage works, and yet dozens of operettas from Austria and Germany

were produced on Broadway and in the West End, and their impact on the musical life of the early twentieth century is undeniable. In this groundbreaking book, Derek B. Scott examines the cultural transfer of operetta from the German stage to Britain and the USA and offers a historical and critical survey of these operettas and their music. In the period 1900-1940, over sixty operettas were produced in the West End, and over seventy on Broadway. A study of these stage

works is important for the light they shine on a variety of social topics of the period - from modernity and gender relations to new technology and new media - and these are investigated in the individual chapters. This book is also available as Open Access on Cambridge Core. *Starlight Express* Hal Leonard Publishing Corporation

Sinatra in Hollywood Urbane Publications
This hugely successful Off Broadway show played for almost three years at New York's Orpheum Theatre, winning an Obie award as the Best of the Season. Billed as "a musical about an old operetta"-Little Mary Sunshine gently spoofs such old-time favorites like "Rose Marie" and "Naughty Marietta"-but has a personality all

its own. The plot is a little bit of everything: Colorado Rangers led by stalwart Captain Jim; the lovely Mary Sunshine, her 'naughty' maid Nancy; a chorus of gigling schoolgirls and the ominous but benevolent Indian chief. Hearts are won and lost and won again, in this delightful, laugh-filled and charming show. -- Publisher's description.
