Illegal, unreported and unregulated (IUU) fishing is increasing in world fisheries and is proving to be a major obstacle in the achievement of long term sustainability and enhanced responsibility in fisheries. The model national plan of action to prevent, deter and eliminate illegal, unreported and unregulated fishing outlined in this document seeks to facilitate the wider implementation of the 2001 FAO International Plan of Action to Prevent, Deter and Eliminate Illegal, Unreported and Unregulated Fishing (IPOA-IUU) in the Pacific Islands region. Action towards this end is consistent with the large number of calls that have been made in international fora for states, industry and other stakeholders to take steps to implement the IPOA-IUU.

The inspiring story of a young man whose wisdom and strength can teach us all how to live life to the fullest, no matter what it throws at us. Sixteen-year-old Alex Noble was a high school rugby star with a promising sporting career ahead of him when an on-field injury left him fighting for his life in the ICU. Following a four-day coma and a diagnosis of C4 quadriplegia, Alex's first words to his brother Zac were, 'If I fight, you fight.' These words became a war cry as Alex's friends, family and community rallied around him, watching in awe as he fought to regain control over his body and defy his diagnosis. From learning to breathe and move again to travelling the world, starting his own business, and even going skydiving, Alex's story is about the power of mastering your own

mind, finding happiness and taking risks to achieve your goals - no matter how out of reach they may seem. Full of warmth, humour and insight, this is a book that will teach you principles to live your life by, written by a young man who has put them into practice. I Fight, You Fight is so much more than an inspiring memoir - it's a philosophy for finding happiness and reaching your true potential.

Who hasn't had a wild dream about finding treasure? Bobby Wright, Charter Boat Captain and expert Scuba diver, touched that dream, only to have it turn into a nightmare. Four divers find a chest of old gold coins in a sea cave, and everyone wants their share. Well, maybe some of them want part of someone else's share, too. They might have worked out their differences, but things swiftly become more complicated when word of the discovery reaches the family who originally lost the coins in a shipwreck. Intrigue and betrayal ensue as everyone fights for a share of the coins. As euphoria dissolves into disappointment and greed, the characters are forced to cope with their own personal shortcomings and motivations, but a few discover a different sort of treasure. The ending isn't what you'd expect.....or would you?

The brunt of taxation in the UK is borne by owner-managed trading and investment businesses. For many of these, tax is by far their biggest overhead. On top of this, taxation is becoming ever more complex: never has it been more important for businesspeople to have access to sound tax advice from an acknowledged specialist. Tax expert Alan Pink offers a comprehensive set of strategies to

reduce tax liabilities on businesses. He considers the full range of types of tax - taxes on profits (such as income tax, corporation tax and National Insurance contributions); capital taxes (such as capital gains tax and inheritance tax); and VAT. Throughout the book handy lists of action points are provided for practical tax planning. Current rates of tax and allowances are also listed. The rewards of tax planning are huge. This book will help hard-pressed businesses and investors play the tax game by the rules - and still win.
