A child is mercilessly

abandoned for he is
thought to be responsible
for his mother's death.
He's alone in a dark,
forbidden forest suffering
with grief. Sobbing,
terrified and awaiting
death, that's when life

played a game of dice and
destiny decided that it
had something in store for
him much more powerful
than death.

Warriors Harper Collins
The world prepares for war. Creatures out of a nightmare press south. And only a few will be able to stop it. Roelle

leads the Magi north to discover the secrets of the northern warriors known as the Antrilii. What she discovers forces her to question the role the Magi play in the world as she begins to realize how far they have drifted from their Founders. Rumors out of the north are much worse than she could ever imagine and her Mage Warriors might be key to stopping a threat the world hasn't seen in a thousand years. Jakob has reached Avaneam with the mysterious trunk only to learn that his journey

has just begun. What he discovers in the Unknown Lands will be the key to the upcoming battle, if only he can survive it. His visions continue and Jakob learns there is more to them-and him-than he had known. Can he understand his growing abilities in time?

Warriors: A Shadow in RiverClan Harper Collins
The warrior cats leap off the page in this full-color graphic novel adventure—a stand-alone story set in the world of Erin Hunter's #1 bestselling Warriors

series. Forced out of the forest that had been their home for generations, the four warrior Clans are about to settle into their new homes around the lake. Some cats see their new beginning as a chance for the Clans to live together in peace and friendship, but WindClan's deputy Mudclaw believes the other Clans cannot be trusted. And as he prepares to take the ailing Tallstar's place as leader, he is determined to do whatever it takes to secure the future of his Clan—no matter the cost.

Set during the events of *Warriors: The New Prophecy*, this action-packed, stand-alone adventure is perfect for longtime Erin Hunter fans and new readers alike. [A Clan in Need](#) Turtleback Books
Ravenpaw has settled into life on the farm, away from the forest and Tigerstar's evil eye. He knows that leaving the warrior clans was the right choice, and he appreciates his quiet days and peaceful nights with his best friend, Barley. But when five rogue cats from

Twolegplace come to the barn seeking shelter, Ravenpaw's new life is threatened. He and Barley must try to find a way to overpower the rogues—before they lose their home for good.
The Lost Warrior Notion Press
#1 IN A NEW EPIC FANTASY SERIES from Monster Hunter series creator and New York Times best-selling author, Larry Correia! After the War of the Gods, the demons were cast out and fell to the world. Mankind was nearly eradicated by

the seemingly unstoppable beasts, until the gods sent the great hero, Ramrowan, to save them. He united the tribes, gave them magic, and drove the demons into the sea. Ever since the land has belonged to man and the oceans have remained an uncrossable hell, leaving the continent of Lok isolated. It was prophesized that someday the demons would return, and only the descendants of Ramrowan would be able to defeat them. They became the first kings, and all men served those

who were their only hope for survival. As centuries passed, the descendants of the great hero grew in number and power. They became tyrannical and cruel, and their religion nothing but an excuse for greed. Gods and demons became myth and legend, and the people no longer believed. The castes created to serve the Sons of Ramrowan rose up and destroyed their rulers. All religion was banned and replaced by a code of unflinching law. The surviving royalty and their priests were made

casteless, condemned to live as untouchables, and the Age of Law began. Ashok Vadal has been chosen by a powerful ancient weapon to be its bearer. He is a Protector, member of an elite militant order of roving law enforcers. No one is more merciless in rooting out those who secretly practice the old ways. Everything is black or white, good or evil, until he discovers his entire life is a fraud. Ashok isn't who he thinks he is, and when he finds himself on the wrong side of the law, the

consequences lead to rebellion, war—and destruction. About *Son of the Black Sword*: "This book has everything I like in fantasy: intense action scenes, evil in horrifying array, good struggling against the darkness, and most of all people—gorgeously flawed human beings faced with horrible moral choices that force them to question and change and grow."—Jim Butcher, creator of the New York Times best-selling Dresden Files "Best-selling fantasy author

Correia casts a compelling spell with this India-influenced series opener. . . Correia skillfully sets in motion this story of plots within plots, revealing complex, sympathetic characters and black-hearted villains with equal detail and insight. Full of action, intrigue, and wry humor, this exciting series launch promises many more thrills to come."—Publishers Weekly (starred review) "Fans who like Correia's fast-moving style will be pleased with the plethora of action scenes, and epic

fantasy readers interested in delving into a new universe should be equally satisfied. A solid choice for admirers of Brent Weeks and Brandon Sanderson's *Mistborn* series."—Library Journal "Correia is, above all, a storyteller, and he weaves a unique and entertaining tale. Without question, his action sequences pop on the page, his magic system has a nice wrinkle, and he has the foundations laid out for some excellent character growth as the series continues. . . . [A] definite

hit."—Bookreporter "The lore here is fascinating and well told. I enjoyed learning the history of the world and the legend of Ramrowan. The politics are just complicated enough to feel real without being too difficult to follow. Where the book truly shines, however, is in the characters. All are well drawn and distinctively voiced."—SFCrowsnest "I loved the book, it was great, fast paced, with wonderful characters, and also a lot of wonderful scenes that screamed to

be painted."—Larry Elmore, legendary, award-winning artist, and cover artist for *Son of the Black Sword*. "Son of the Black Sword: Saga of the Forgotten Warrior tells of what happens after the war with the gods, when demons were cast out and fell to the world to nearly destroy these unstoppable beasts until the gods sent a hero to save them. Centuries have passed since this event and the people have regulated these events to legend. One Ashok has been chosen to

be a protector with a powerful weapon in hand, uncovering those who still practice old ways and are potential dangers to the order - but when he discovers all his efforts have been based on a lie, everything's about to change. A powerful epic fantasy evolves into a solid, compelling read."—Midwest Book Reivew About the Urban Fantasy of Larry Correia: "[A] no-holds-barred all-out page turner that is part science fiction, part horror, and an absolute blast to

read.”—Bookreporter.com
 “If you love monsters and action, you’ll love this book. If you love guns, you’ll love this book. If you love fantasy, and especially horror fantasy, you’ll love this book.”—Knotclan.com
 “A gun person who likes science fiction—or, heck, anyone who likes science fiction—will enjoy [these books]. . . The plotting is excellent, and Correia makes you care about the characters...I read both books without putting them down except for work . . . so whaddaya

waitin’ for? Go and buy some . . . for yourself and for stocking stuffers.”—Massad Ayoob
 “This lighthearted, testosterone-soaked sequel to 2009’s *Monster Hunter International* will delight fans of action horror with elaborate weaponry, hand-to-hand combat, disgusting monsters, and an endless stream of blood and body parts.”—Publishers Weekly on *Monster Hunter Vendetta*

SELLING EPIC FANTASY SERIES, SAGA OF THE FORGOTTEN WARRIOR, CONTINUES. Ashok Vadal was once a member of the highest caste in all of Lok. As a Protector, he devoted his life to upholding the Law, rooting out those who still practiced the old ways and delivering swift justice with his ancestor blade Angruvad. None was more merciless than he in stamping out the lingering belief in gods and demons among the casteless. His brutality was legendary and

celebrated. But soon Ashok learned that his life to that point had been a lie. He himself, senior member of the Protector Order, was casteless. He had been nothing more than an unwitting pawn in a political game. His world turned upside down and finding himself on the wrong side of the Law, he began a campaign of rebellion, war, and destruction unlike any Lok had ever seen. Thera had been first daughter of Vane. A member of the Warrior Order, she had spent her life training for

combat. Until a strange sight in the heavens appeared one day. Thera was struck by lightning and from that day forward she heard the Voice. A reluctant prophet with the power to see into the future, she fought alongside Ashok Vadal and his company of men known as the Sons of the Black Sword until a shapeshifting wizard with designs on her powers of precognition spirited her away. He holds her prisoner in the House of Assassins. Ashok Vadal and the Sons of the Black

Sword march to rescue Thera. With his sword Angruvadal, Ashok was unstoppable. But Angruvadal is gone, shattered to pieces on the demon possessed husk of a warrior. Now, Ashok must fight without the aid of the magic blade for the first time. Thera's life depends on it. But there is much more at risk in the continent of Lok. Strange forces are working behind the scenes. Ashok Vadal and the Sons of the Black Sword are caught up in a game they do not fully understand, with powerful

forces allied against them. Ashok no longer knows what to believe. He is beginning to think perhaps the gods really do exist. If so, he's warned them to stay out of his way. They would do well to listen. At the publisher's request, this title is sold without DRM (Digital Rights Management). About House of Assassins: "Correia piles on the intrigue, action, and cliffhangers in the invigorating second Saga of the Forgotten Warrior epic fantasy. . . . Correia

also weaves in elements that question the value of belief and the cost of giving authority to those who find more profit in preying on the weak. . . . Brisk fight scenes, lively characters, and plenty of black humor continue to make this series a real pleasure."—Publishers Weekly

Warriors: The New Prophecy #5: Twilight

BrainSwell Publishing

In a world without political freedom, personal freedom and precious little faith in anything comes a mysterious man in a white porcelain mask who fights political oppressors through terrorism and seemingly absurd acts. It's a gripping tale of the blurred lines between ideological good and evil. The inspiration for the hit 2005 movie starring Natalie Portman

and Hugo Weaving, this amazing graphic novel is packaged with a collectable reproduction of the iconic V mask.
