is a wild, gorgeous, and rich coming-of-age story about complicity, female camaraderie, and power.” —Sarah Gailey, author of *River of Teeth* “An eerie, atmospheric assertion of female strength.” —Mindy McGinnis, author of *The Female of the Species* FIVE STARRED REVIEWS NAMED ONE OF YALSA’S 2019 BEST FICTION FOR YOUNG ADULTS A BRAM STOKER AWARD NOMINEE A LAMBDA LITERARY AWARD NOMINEE From the New York Times bestselling author of *Furyborn* comes a breathtaking and spine-tingling novel about three teenage girls who face off against an insidious monster that preys upon young women. Perfect for fans of

Victoria Schwab and *Stranger Things*. Who are the Sawkill Girls? Marion: The newbie. Awkward and plain, steady and dependable. Weighed down by tragedy and hungry for love she’s sure she’ll never find. Zoey: The pariah. Luckless and lonely, hurting but hiding it. Aching with grief and dreaming of vanished girls. Maybe she’s broken—or maybe everyone else is. Val: The queen bee. Gorgeous and privileged, ruthless and regal. Words like silk and eyes like knives; a heart made of secrets and a mouth full of lies. Their stories come together on the island of Sawkill Rock, where gleaming horses graze in rolling pastures and cold waves crash against black cliffs.

Where kids whisper the legend of an insidious monster at parties and around campfires.

Where girls have been disappearing for decades, stolen away by a ravenous evil no one has dared to fight...until now.

This cutting-edge edited collection brings together 17 scholarly essays on two of cinema and television's most enduring and powerful themes: law and crime. With contributions by many of the most prominent scholars in law, sociology, criminology, and film, *Framing Law and Crime* offers a critical survey of a variety of genres and media, integrating descriptions of technique with critical analysis, and incorporating historical and socio-political critique. The first set of essays brings together accounts of the history of the Law and Cinema Movement; the groundbreaking genre of "post-apocalyptic fiction;" and the policy-setting genesis of a Canadian

documentary. The second section of the book turns to the examination of a range of international or global films, with an eye to assessing the strengths, frailties, and possible functions of law, as depicted in fictional cinema. After an international focus in the second section, the third section focuses on law and crime in American film and television, inclusive of both fictional and documentary modes of narration. This section's expansion beyond film narratives to include television series attempts to broaden the scope of the edited collection, in terms of media discussed; it is also a nod to how the big screen, although still a dominant force in

American popular culture, now has to compete, to some extent, with the small screen, for influence over the collective American popular cultural imaginary. The fourth section, titled brings together various chapters that attempt to instantiate how a “Gothic Criminology” could be useful, as an interpretative framework in analyzing depictions of law and crime in film and television. The fifth and final section covers issues of pedagogy, epistemology, and ethics in relation to moving images of law and crime. Merging wide-ranging analyses with nuanced scholarly interpretations, Framing Law and Crime examines key concepts and showcases original

research reflecting the latest interdisciplinary trends in the scholarship of the moving image. It addresses, not only scholars, but also fans, and will heighten the appreciation of connoisseurs and newcomers to these topics alike.

A pioneering, dazzling satire about a biracial black girl from Philadelphia searching for her Jewish father in New York City Oreo is raised by her maternal grandparents in Philadelphia. Her black mother tours with a theatrical troupe, and her Jewish deadbeat dad disappeared when she was an infant, leaving behind a mysterious note that triggers her quest to find him. What ensues

is a playful, modernized parody of the classical odyssey of Theseus with a feminist twist, immersed in seventies pop culture, and mixing standard English, black vernacular, and Yiddish with wisecracking aplomb. *Oreo*, our young hero, navigates the labyrinth of sound studios and brothels and subway tunnels in Manhattan, seeking to claim her birthright while unwittingly experiencing and triggering a mythic journey of self-discovery like no other.

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. *I Know Why the Caged Bird Sings* captures the longing of lonely

children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her

own strong spirit, and the ideas of great authors (“I met and fell in love with William Shakespeare”) will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. “*I Know Why the Caged Bird Sings* liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity.”—James Baldwin From the Paperback edition. *A Book of Luminous Things* Pantheon Twenty-First Century Science Fiction is an enormous anthology of short stories—close to 250,000 words—edited by two of the most

prestigious and award-winning editors in the SF field and featuring recent stories from some of science fiction's greatest up-and-coming authors. David Hartwell and Patrick Nielsen Hayden have long been recognized as two of the most skilled and trusted arbiters of the field, but *Twenty-First Century Science Fiction* presents fans' first opportunities to see what their considerable talents come up with together, and also to get a unique perspective on what's coming next in the science fiction field. The anthology includes authors ranging from bestselling and established favorites to incandescent new talents including Paolo Bacigalupi, Cory Doctorow, Catherynne

M. Valente, John Scalzi, Jo Walton, Charles Stross, Elizabeth Bear, and Peter Watts, and the stories selected include winners and nominees of all of the science fiction field's major awards. A gargantuan, mind-altering comedy about the Pursuit of Happiness in America Set in an addicts' halfway house and a tennis academy, and featuring the most endearingly screwed-up family to come along in recent fiction, Infinite Jest explores essential questions about what entertainment is and why it has come to so dominate our lives; about how our desire for entertainment affects our need to connect with other people; and about what the pleasures we choose say about who we are. Equal parts

philosophical quest and screwball comedy, Infinite Jest bends every rule of fiction without sacrificing for a moment its own entertainment value. It is an exuberant, uniquely American exploration of the passions that make us human - and one of those rare books that renew the idea of what a novel can do.  NEW YORK TIMES BESTSELLER • A moving memoir about the legendary author's relationship with her own mother. Emma

Watson's Our Shared Shelf Book Club Pick! The story of Maya Angelou's extraordinary life has been chronicled in her multiple bestselling autobiographies. But now, at last, the legendary author shares the deepest personal story of her life: her relationship with her mother. For the first time, Angelou reveals the triumphs and struggles of being the daughter of Vivian Baxter, an indomitable spirit whose petite size belied her larger-than-life presence—a presence absent during much of Angelou's early life. When her marriage began to crumble, Vivian famously sent three-year-old Maya and her older brother away from their California home to live with their

grandmother in Stamps, Arkansas. The subsequent feelings of abandonment stayed with Angelou for years, but their reunion, a decade later, began a story that has never before been told. In *Mom & Me & Mom*, Angelou dramatizes her years reconciling with the mother she preferred to simply call "Lady," revealing the profound moments that shifted the balance of love and respect between them. Delving into one of her life's most rich, rewarding, and fraught relationships, *Mom & Me & Mom* explores the healing and love that evolved between the two women over the course of their lives, the love that fostered Maya Angelou's rise from immeasurable depths

to reach impossible heights. Praise for *Mom & Me & Mom* "Mom & Me & Mom is delivered with Angelou's trademark good humor and fierce optimism. If any resentments linger between these lines, if lives are partially revealed without all the bitter details exposed, well, that is part of Angelou's forgiving design. As an account of reconciliation, this little book is just revealing enough, and pretty irresistible."—The Washington Post "Moving . . . a remarkable portrait of two courageous souls."—People "[The] latest, and most potent, of her serial autobiographies . . .
