Turning forty-five isn't an issue for Everly Popa--it's everything else in her life that's gone to hell in a handbasket.It's bad enough

that Everly's husband is in jail and her adult daughter blames her for the situation, but now the FBI wants her to turn witness, while her husband's criminal friends, really, really want her to keep her mouth shut. With no other safe haven, Everly decides to return to her hometown. A place she hasn't visited in twenty-seven years.It's not that Everly has a problem with her mother, but when your hometown sits next to the Gate to Hell, the rules set by the angels and demons who run the town are tedious and annoying. But with a choice between celestial politics or getting gunned down by a drug cartel, Everly decides to chance a visit home. For the first five minutes, things are great. Everly's mom hasn't started nagging her and she has a whole bottle of wine to herself. Then Everly gets bitten by a hellhound, faints in front of her high school boyfriend, and is informed she's accidentally been made the Gatekeeper to Hell. A job she never wanted, isn't trained for, but can't shake off like gum stuck to her shoe. Before Everly can figure a way out of this mess, an angel gets killed, humans go missing and the town shuts its magical borders. Now

Everly is trapped inside with a handful of humans, dying angels, rampaging demons, and a witch with a murderous agenda. The only way out is for Everly to figure out how to use her newly acquired Gatekeeper powers. But she has a snowball's chance in hell of figuring them out in time.

Gatekeeper's Saga, Book One Tu Books

For the first time in its one-hundred-and-twenty-five-year history, the Arthur Conan Doyle Estate has authorized a new Sherlock Holmes novel. Once again, The Game's Afoot... London, 1890. 221B Baker St. A fine art dealer named Edmund Carstairs visits Sherlock Holmes and Dr John Watson to beg for their help. He is being menaced by a strange man in a flat cap - a wanted criminal who seems to have followed him all the way from America. In the days that follow, his home is robbed, his family is threatened. And then the first murder takes place. Almost unwillingly, Holmes and Watson find themselves being drawn ever deeper into an international conspiracy connected to the teeming criminal underworld of Boston, the gaslit streets of London, opium dens and much, much more. And as they dig, they begin to hear the whispered phrase-the House of Silk-a mysterious entity that connects the highest levels of government to the deepest depths of criminality. Holmes begins to fear that he has uncovered a conspiracy that threatens to tear apart the very fabric of society. The Arthur Conan Doyle Estate chose the celebrated, #1 New York Times bestselling author Anthony Horowitz to write *The House of Silk* because of his proven ability to tell a transfixing

story and for his passion for all things Holmes. Destined to become an instant classic, *The House of Silk* brings Sherlock Holmes back with all the nuance, pacing, and almost superhuman powers of analysis and deduction that made him the world's greatest detective, in a case depicting events too shocking, too monstrous to ever appear in print...until now.

After Jack becomes apprenticed to a Druid bard, he and his little sister Lucy are captured by Viking Berserkers and taken to the home of King Ivar the Boneless and his half-troll queen, leading Jack to undertake a vital quest to Jotunheim, home of the trolls. A Myths, Legends, and Monsters Paranormal Romance She Writes Press

"Like the druidic life force Jack taps, this hearty adventure, as personal as it is epic, will cradle readers in the 'hollow of its hand' (Booklist, starred review). Jack has caused an earthquake. He was trying to save his sister Lucy from being thrown down a well, but sometimes the magic doesn't quite work out. Not only does Jack demolish a monastery, but Lucy is carried off by the Lady of the

Lake, and Jack has to follow her through the Hollow Road, which lies underground. Aided by Pega, a slave, and the berserker Thorgil, Jack encounters hobgoblins, kelpies, yarthkins, and elves—not the enchanted sprites one would expect, but fallen angels who steal human children for pets. In the eighth century, the world is caught between belief in the Old Gods and Christianity, and what Jack and his companions do will decide the fate of both religions. From National Book Award winner Nancy Farmer, this second book in the Sea of Trolls trilogy brilliantly enlarges the world of the first story. Look for the conclusion in *The Islands of the Blessed*.
