Principles of Accounting Volume 1 - Financial Accounting Springer Science & Business Media Praise for How to Comply with Sarbanes-Oxley Section 404, Second Edition "In his Second Edition of How to Comply with Sarbanes-Oxley Section 404, Michael

Ramos incorporates new developments and lessons learned in the last two years into the definitive guide on SOX 404 implementation . . . An effective tool not just for consultants, this book is THE reference guide for every corporate manager facing SOX 404 implementation." —David W. Hinshaw Executive Vice President and Chief Financial Officer Southern Community Financial Corporation "Very informative . . . this is a book you can actually sit down and read . . .

Michael Ramos is extremely knowledgeable and insightful, and his level of detail related to proper documentation has been invaluable in helping me effectively perform Section 404 consulting engagements . . . This Second Edition contains the most pertinent updates and important PCAOB releases. Most importantly, Mr. Ramos has managed to effectively include real-world examples and lessons learned in the field over the last few years. This has saved me

countless hours of research and my clients countless dollars."

—Christina M. Wenk, CPA  
Director-Sarbanes-Oxley  
Compliance Grassi & Co.

"How to Comply with Sarbanes-Oxley Section 404, Second Edition brings practical clarity to this complex topic and guides the reader, step by step, through implementation. Mike Ramos draws on his deep understanding of the technical 404

requirements as well as his keen insights as a storyteller . . . Our firm has used Mike's guides over the years to understand and implement technical standards. This guide will be indispensable as we assist companies in the future." —Michael C.

Government Auditing Standards and Single Audits 2018 John Wiley & Sons

Ease the transition to the new COSO framework with practical strategy Internal Control Audit and Compliance provides complete guidance toward the latest framework established by the Committee of Sponsoring Organizations (COSO). With clear explanations and expert

advice on implementation, this helpful guide shows auditors and accounting managers how to document and test internal controls over financial reporting with detailed sections covering each element of the framework. Each section highlights the latest changes and new points of emphasis, with explicit definitions of internal controls and how they should be assessed and tested. Coverage includes easing the transition from older guidelines, with step-by-step instructions for implementing the new changes. The new framework identifies seventeen new principles, each of which are explained in detail to help readers understand the new and emerging best practices for efficiency and effectiveness. The revised COSO framework includes financial and non-financial reporting, as well as both internal and external reporting objectives. It is essential for auditors and controllers to understand the new framework and how to document and test under the new guidance. This book clarifies complex codification and provides an effective strategy for a more rapid

transition. Understand the new COSO internal controls framework Document and test internal controls to strengthen business processes Learn how requirements differ for public and non-public companies Incorporate improved risk management into the new framework The new framework is COSO's first complete revision since the release of the initial framework in 1992.

Companies have become accustomed to the old guidelines, and the necessary procedures have become routine – making the transition to align with the new framework akin to steering an ocean liner. Internal Control Audit and Compliance helps ease that transition, with clear explanation and practical implementation guidance. *Internal Control Strategies* Springer Science & Business Media

The text and images in this book are in grayscale. A hardback color version is available. Search for ISBN 9781680922929. Principles of Accounting is designed to meet the scope and sequence requirements of a two-semester accounting course that covers the fundamentals of financial

and managerial accounting. This book is specifically designed to appeal to both accounting and non-accounting majors, exposing students to the core concepts of accounting in familiar ways to build a strong foundation that can be applied across business fields. Each chapter opens with a relatable real-life scenario for today's college student.

Thoughtfully designed examples are presented throughout each chapter, allowing students to build on emerging accounting knowledge. Concepts are further reinforced through applicable connections to more detailed business processes. Students are immersed in the "why" as well as the "how" aspects of accounting in order to reinforce concepts and promote comprehension over rote memorization.

**Internal Control and State and Federal Compliance Audit Report for the Fiscal Year Ended June 30, 2009** DIANE Publishing  
 Sarbanes-Oxley Internal Controls: Effective Auditing with AS5, CobiT, and ITIL is essential reading for professionals facing the obstacle of improving internal controls in their businesses. This timely

resource provides at-your-fingertips critical compliance and internal audit best practices for today's world of SOx internal controls. Detailed and practical, this introductory handbook will help you to revitalize your business and drive greater performance.

**Executive Roadmap to Fraud Prevention and Internal Control** John Wiley & Sons

In Nov. 2009, a report was issued on the results of an audit of the financial statements of the IRS as of, and for the FY ending, Sept. 30, 2009, and 2008, and on the effectiveness of its internal controls as of Sept. 30, 2009. In March 2010, a report was issued on information security issues identified during a FY 2009 audit, along with associated recommendations. This report presents internal control and compliance issues identified during an audit of IRS's financial statements as of, and for the fiscal year ending, Sept. 30, 2009, for which there are no recommendations outstanding. The report provides 41 recommendations to address the internal control and compliance issues that have been identified. Charts and

tables.

Corruption, Crime and Compliance CRC Press

IT Compliance and Controls offers a structured architectural approach, a 'blueprint in effect,' for new and seasoned executives and business professionals alike to understand the world of compliance?from the perspective of what the problems are, where they come from, and how to position your company to deal with them today and into the future.

*Sarbanes-Oxley Internal Controls* John Wiley & Sons

Over the last few years, financial statement scandals, cases of fraud and corruption, data protection violations, and other legal violations have led to numerous liability cases, damages claims, and losses of reputation. As a reaction to these developments, several regulations have been issued: Corporate Governance, the Sarbanes-Oxley Act, IFRS, Basel II and III, Solvency II and BilMoG, to name just a few. In this book, compliance is understood as the process, mapped not only in an internal control system, that is intended to guarantee conformity with legal requirements but also

with internal policies and enterprise objectives (in particular, efficiency and profitability). The current literature primarily confines itself to mapping controls in SAP ERP and auditing SAP systems. Maxim Chuprunov not only addresses this subject but extends the aim of internal controls from legal compliance to include efficiency and profitability and then well beyond, because a basic understanding of the processes involved in IT-supported compliance management processes are not delivered along with the software. Starting with the requirements for compliance (Part I), he not only answers compliance-relevant questions in the form of an audit guide for an SAP ERP system and in the form of risks and control descriptions (Part II), but also shows how to automate the compliance management process based on SAP GRC (Part III). He thus addresses the current need for solutions for implementing an integrated GRC system in an organization, especially focusing on the continuous control monitoring topics. Maxim Chuprunov mainly targets compliance experts, auditors, SAP project managers and consultants

responsible for GRC products as readers for his book. They will find indispensable information for their daily work from the first to the last page. In addition, MBA, management information system students as well as senior managers like CIOs and CFOs will find a wealth of valuable information on compliance in the SAP ERP environment, on GRC in general and its implementation in particular. Internal Control Audit and Compliance Nomos Verlag This annual edition provides accountants and other financial professionals with assistance in understanding and applying the special considerations required in a single audit. It is an indispensable resource for auditors performing Yellow Book audits. This new edition provides up-to-date information and expert guidance on single audits and Uniform Guidance compliance audit requirements, including example auditor reports for both the reporting required under Government Auditing Standards and the Uniform Guidance compliance audit. *Audit of Internal Controls*

*and Fiscal Compliance, Business and Office Services Audit Report* John Wiley & Sons Designed to lead financial managers from initial compliance with the Sarbanes-Oxley Act, through ongoing maintenance and monitoring, *Beyond Sarbanes-Oxley Compliance* helps readers seize this opportunity to revitalize their business practice, drive greater performance, and transform their finance organization into a key contributor to the business. Focusing on the present and future financial road ahead, *Beyond Sarbanes-Oxley Compliance* explores how to implement enterprise risk management processes that comply with Sarbanes-Oxley 302/404/409 requirements, ways to build on initial compliance activities that will improve financial management processes and profitability, compliance and quarterly close checklists, timelines, and table summaries to help readers achieve their goals, and much more. *Assessing the Effectiveness of Internal Control* John Wiley & Sons Ease the transition to the new COSO framework

with practical strategy Internal Control Audit and Compliance provides complete guidance toward the latest framework established by the Committee of Sponsoring Organizations (COSO). With clear explanations and expert advice on implementation, this helpful guide shows auditors and accounting managers how to document and test internal controls over financial reporting with detailed sections covering each element of the framework. Each section highlights the latest changes and new points of emphasis, with explicit definitions of internal controls and how they should be assessed and tested. Coverage includes easing the transition from older guidelines, with step-by-step instructions for implementing the new changes. The new framework identifies seventeen new principles, each of which are explained in detail to help readers understand the new and emerging best practices for efficiency and effectiveness. The revised COSO framework includes financial and non-financial reporting, as well as both internal and external reporting

objectives. It is essential for auditors and controllers to understand the new framework and how to document and test under the new guidance. This book clarifies complex codification and provides an effective strategy for a more rapid transition. Understand the new COSO internal controls framework Document and test internal controls to strengthen business processes Learn how requirements differ for public and non-public companies Incorporate improved risk management into the new framework The new framework is COSO's first complete revision since the release of the initial framework in 1992. Companies have become accustomed to the old guidelines, and the necessary procedures have become routine - making the transition to align with the new framework akin to steering an ocean liner. Internal Control Audit and Compliance helps ease that transition, with clear explanation and practical implementation guidance. A Law and Economics Impact Analysis of the Mysteries of a German Aktiengesellschaft Listed on the NYSE John Wiley &

Sons Internal Control Audit and Compliance Documentation and Testing Under the New COSO Framework John Wiley & Sons Best Practices for Implementation John Wiley & Sons Step-by-step guidance on creating internal controls to manage risk Internal control is a process for assuring achievement of an organization's objectives in operational effectiveness and efficiency, reliable financial reporting, and compliance with laws, regulations, and policies. This is a "toolkit" approach that addresses a practical need for a series of standards of internal controls that can be used to mitigate risk within any size organization. Inadequate internal controls can cause a myriad of problems that adversely affect its ability to provide reliable, timely, and useful financial and managerial data needed to support operating, budgeting, and policy decisions. Reliable data is necessary to make sound business decisions. • Toolkit approach with detailed controls and risks outlined for key business processes • Foundational for SOX 404 initiatives •

Key material to improve internal control efforts • Guidance during M&A projects Poor controls over data quality can cause financial data to be unreliable, incomplete, and inaccurate—this book helps you control that quality and manage risk. *Internal Controls Policies and Procedures* Lulu.com Praise for Internal Control Strategies A Mid to Small Business Guide "Internal Control Strategies is an excellent field guide for the implementation and maintenance of efficient and effective internal control systems. The book provides a practical approach to interpreting guidance from oversight agencies and integrating it with industry practice in a real-world environment. This handbook is an essential tool for managers and professionals going through the day-to-day struggle of managing auditor expectations and permitting business to proceed in the most efficient manner." - Michael Rodriguez, former senior manager of finance, Qualcomm Incorporated "Internal Control Strategies is the clearest path forward for middle-market SEC registrants and their independent registered

public accounting firms as they streamline the SOX 404 compliance process in 2008 and beyond." - Stephen G. Austin, MBA, CPA, Managing Firm Partner, Swenson Advisors, LLP, Regional PCAOB Accounting Firm "Clearly written and practical, Internal Control Strategies is a must-read for every chief audit, finance, or compliance executive." - Jeff Miller, Partner-in-Charge, Business Risk Services, Squar, Milner, Peterson, Miranda & Williamson, LLP "As a CFO of small to mid-sized publicly traded and privately held companies, one is usually faced with the challenge of developing and implementing the right levels of internal controls and compliance within the restrictions of limited financial and human resources. Internal Control Strategies presents the relevant topics in a clear and concise manner, allowing the reader to understand the internal control framework and specific underlying requirements quickly. The author's vast experience with SOX compliance ensures a targeted and pragmatic approach for the successful implementation of internal controls. Her

recommendations are 'to the point' and eliminate some of the guesswork we all have experienced while working towards SOX compliance." -Robert S. Stefanovich, Chief Financial Officer, Novalar Pharmaceuticals, Inc. The SEC requires all publicly traded companies to attest to the effectiveness of their internal controls. Is your business ready? Internal Control Strategies: A Mid to Small Business Guide clearly explains the latest PCAOB, SEC, and COSO guidance, providing you with an effective tool and reference guide for successful implementation of sections 302 and 404 of the Sarbanes-Oxley Act. Extremely knowledgeable and insightful, author Julie Harrer brings practical clarity to this complex topic, leading you step by step in addressing the challenges associated in bringing your business in compliance with SOX. **Brink's Modern Internal Auditing** John Wiley & Sons Do you perform engagements in accordance with generally accepted government auditing standards (GAGAS) as presented in the Yellow Book? This book provides an

excellent baseline of information for accountants to better understand governmental auditing foundations, ethics, general audit standards, financial audit standards, attestation engagement standards, and fieldwork and reporting standards for performance audits. It is essential that all auditors planning and conducting audits in accordance with GAGAS understand and discern these concepts and standards in executing their responsibilities. In addition to a chapter covering the key points in a Uniform Guidance compliance audit, this book also includes content from AICPA Guide Government Auditing Standards and Single Audits related to a Uniform Guidance compliance audit, including appendixes for example auditor's reports and sampling guidance. This book will prepare you to do the following: Identify the types of engagements that are performed under Government Auditing Standards. Recognize Yellow Book requirements related to independence, peer review, and more. Identify the additional requirements for

performing a financial audit under GAGAS. Recognize the additional GAGAS reporting requirements for financial audits. Recall the requirements for performing attestation engagements and performance audits under the Yellow Book. *Government auditing standards guidance on GAGAS requirements for continuing professional education : by the Comptroller General of the United States.* DIANE Publishing  
Michael Volkov's career has spanned 30 years as an attorney in Washington, D.C. - as a federal prosecutor, a Chief Counsel on the Senate and House Judiciary Committees, a trial attorney in the Antitrust Division and in private practice. This book will help anyone better understand anti-bribery compliance in the U.S. and beyond. "Michael Volkov's book is a compilation of articles on a number of subjects important to lawyers advising clients how to stay out of trouble. He is a prolific writer and I can say without question, we have not heard the last of his musings. Simply put, his book contains important information

that should prove helpful to lawyers, particularly to those who practice in the white collar field." - Judge Stanley Sporkin, Former Director of the Division of Enforcement, U.S. Securities and Exchange Commission.  
*IT Auditing and Sarbanes-Oxley Compliance* John Wiley & Sons  
Information technology auditing and Sarbanes-Oxley compliance have several overlapping characteristics. They both require ethical accounting practices, focused auditing activities, a functioning system of internal control, and a close watch by the board's audit committee and CEO. Written as a contribution to the accounting and auditing professions as well as to IT practitioners, *IT Auditing and Sarbanes-Oxley Compliance: Key Strategies for Business Improvement* links these two key business strategies and explains how to perform IT auditing in a comprehensive and strategic manner. Based on 46 years of experience as a consultant to the boards of major corporations in manufacturing and banking, the author addresses objectives, practices, and business

opportunities expected from auditing information systems. Topics discussed include the concept of internal control, auditing functions, internal and external auditors, and the responsibilities of the board of directors. The book uses several case studies to illustrate and clarify the material. Its chapters analyze the underlying reasons for failures in IT projects and how they can be avoided, examine critical technical questions concerning information technology, discuss problems related to system reliability and response time, and explore issues of compliance. The book concludes by presenting readers with a "what if" scenario. If Sarbannes-Oxley legislation had passed the U.S. Congress in the late 1990s or even 2000, how might this have influenced the financial statements of Enron and Worldcom? We can never truly know the answer, but if companies make use of the procedures in this book, debacles such as these – and those which led to the 2007-2008 credit and banking crisis – will remain a distant memory. Standards for Internal Control in the Federal Government :. John Wiley

& Sons  
How-to, authoritative guidance for creating a best-in-class fraud prevention and compliance program in any organization Now in a Second Edition, this practical book helps corporate executives and managers understand the full ramifications of good corporate governance and compliance. It covers best practices for establishing a unit to protect the financial integrity of a business; theories and models on how and why fraud occurs in an organization; importance of strong internal controls; major compliance and corporate governance initiatives and milestones since 1985; and more. Complete coverage includes implementation guidance for a robust fraud prevention and compliance program, including sample policies, best practice examples, and a 14-point management antifraud program. Covers fraud risk assessment and prevention guidance Looks at global risk issues, including the Foreign Corrupt Practices Act (FCPA) and UK Bribery Act Examines amendments to the Federal Sentencing Guidelines for

Organizational Crime Discusses Dodd-Frank Whistleblower Provisions Explores enterprise risk management key program elements Offers coverage of how fraud and compliance failures contributed to the financial crisis Includes enhanced principles for fraud data mining Presents new cases, checklists and real-world examples, expanded international coverage, and the latest technological tools Shows executives and managers what their responsibilities are regarding fraud prevention, internal controls, and compliance Provides an instructor's website, including a test bank Other titles by Biegelman: Building a World-Class Compliance Program and Foreign Corrupt Practices Act Compliance Guidebook Completely revised and updated, Executive Roadmap to Fraud Prevention and Internal Control, Second Edition is every manager's best resource for understanding all the complex issues and responsibilities associated with fraud and compliance. Praise for Executive Roadmap to Fraud Prevention and Internal Control: Creating

a Culture of Compliance "Martin Biegelman and Joel Bartow convert their lifelong experiences and unparalleled knowledge into a concise, well-written book. They provide the essential tools to take aspirational goals for fraud prevention and compliance and build them into concrete and effective programs." —From the Foreword by Bradley J. Bondi, Partner, Caldwater, Wickersham & Taft LLP "Executive Roadmap touches all the bases on corporate fraud. The authors - both experienced fraud investigators and federal law enforcement agents - lay out the history and major milestones of corporate fraud, and discuss with precision the key issues facing today's executives and compliance leaders. The book provides a valuable overview for business leaders looking to develop and implement effective compliance programs and instill a culture of integrity in order to help their organizations defeat the challenges posed by today's sophisticated fraudsters." —Jeffrey Eglash, Senior Counsel, Litigation & Legal Policy, GE "Biegelman and Bartow provide great insight into not just how

fraud occurs inside of companies, but why. Preventing fraud requires a solid understanding of both, making this book a must read for any executive who is serious about creating the compliance mechanisms and the corporate culture needed for effective fraud prevention." —Aaron G. Murphy, Partner, Latham & Watkins LLP "Business leaders would be wise to follow the recommendations in this book. Fraud prevention is more than just creating a set of policies. As the subtitle indicates, it is essential to create a culture of compliance. Empty words accomplish nothing. The authors, both experienced fraud examiners, have spent decades investigating fraud, as well as developing strategies to prevent it. This book is an essential tool in creating an anti-fraud environment in any company." —James D. Ratley, CFE, President & CEO, Association of Certified Fraud Examiners "Biegelman and Bartow's Executive Roadmap to Fraud Prevention and Internal Control is an essential guide for all who have an interest in eradicating corporate or institutional fraud. Written by experts in detecting

and preventing fraud in its myriad forms, this book is a handy source for those who hope to avoid the predicaments that the authors have seen or in managing the crises that arise when the problems cannot be avoided. The new second edition is an indispensable addition to the libraries of internal compliance and legal officers, and forensic accountants." —Joel M. Cohen, Partner, Gibson Dunn & Crutcher, former New York federal prosecutor and liaison to the French Ministry of Justice and OECD "Biegelman & Bartow's book offers expert guidance to anyone tasked with understanding and tackling fraud in the workplace. Their straightforward approach informs the reader and provides a roadmap and guidance for implementation of an effective fraud mechanism within any organization - small or large. I plan to provide a copy of the book to my Board of Directors and executive members of management." —Lisanne E. S. Cottington, Compliance Officer, Insight Enterprises, Inc. "This next edition is extremely timely. It

covers key topics that any management member needs to know in today's regulatory climate. These authors have used their extensive corporate and government experience to create a practical and easy to understand compliance guide. A superb resource for any executive." —Karen Popp, Partner at Sidley Austin LLP and former federal prosecutor and Associate Counsel to President Clinton "With executives increasingly on the hot seat when corporate compliance issues arise, clear guidance regarding risk areas and best practices is invaluable. Executive Roadmap to Fraud Prevention and Internal Control contains a timely combination of illustrative stories and practice tips regarding hazards in this complex area. It is a good resource for both corporate executives and the many professionals assisting corporations to prevent or detect fraud and build a culture of legal compliance." —Barb Dawson, partner with focus on internal investigations and business litigation, Snell & Wilmer LLP "Executive Roadmap to Fraud Prevention and Internal Control: Creating a

Culture of Compliance is a truly phenomenal book. Martin Biegelman and Joel Bartow have accomplished an incredible achievement: they have flawlessly bridged the chasm between the theoretical/academic and practical/tangible. This is a volume that should not be on the bookshelf of every manager interested in compliance and fraud prevention (which should be every manager); it should be dog-eared and open on the desktop of every such manager! Kudos to Messrs. Biegelman and Bartow!" —William J. Kresse, M.S., J.D., CPA, CFF, CFE; Associate Professor, Graham School of Management; Director, Center for the Study of Fraud and Corruption, Saint Xavier University, Chicago "Biegelman and Bartow have again provided an invaluable resource for leaders in the corporate world who have responsibility for fraud, integrity, and compliance. They send a clear message that addressing fraud is a two part process- establishing robust controls and detection measures; and creating a culture of compliance and integrity. This work provides a

detailed tour through the world of fraud controls while keeping the importance of culture at the forefront." —Ronald C. Petersen, Executive Director, Global Security, Ally Financial "From the perspective of an ethics and compliance practitioner, Martin Biegelman's and Joel Bartow's new offering is a Thanksgiving feast. Too often, companies and organizations get caught up in the moment, and don't stand back to examine the cultural, organizational and historic reasons that fraud exists. Biegelman and Bartow plow that road, and use their insights to offer invaluable tips in the design of effective anti-fraud programs." —James D. Berg, Vice President, Chief Ethics and Compliance Officer, Apollo Group Inc. "Biegelman and Bartow have indeed produced a functional roadmap for the executive to follow in fraud prevention and internal control. This book is a great asset for those engaged in the seemingly endless struggle to control fraud. A 'must read' for the industry." —Raymond L. Philo, MPA, Executive Director, Economic Crime Institute, Utica College "As if

Executive Roadmap to Fraud Prevention and Internal Control wasn't a powerful enough tool for fraud fighters, now Biegelman and Bartow have added fresh insight and advice to the second edition. With compelling updates on costly internal and external fraud and corruption, together with easy-to-read descriptions of latest fraud-fighting technologies, this is a must-read for fraud examiners, auditors, attorneys and others—whether they've read the first edition or not." —Peter Goldmann, President, White-Collar Crime 101 LLC/FraudAware "Fraud borders on the ubiquitous in contemporary corporate culture. This book provides a rich and comprehensive guide to crafting a state of the art fraud deterrence program. While the book is sure to better equip corporate executives and directors in their fight against fraud, I intend to draw heavily upon its content in educating accounting students who represent the CEO's and CFO's of the future." —Ingrid E. Fisher, PhD, CPA, Associate Professor and Chair of the Department of Accounting and Law, The University

at Albany-SUNY "The book's exploration of fraud theories ranging from 'rotten apple' to the 'potato chip' (can't eat just one!), provides useful examination of the psychology of corporate fraud that explains its recurring nature and offers clues to creating a fraud resistant culture." —Zachary W. Carter, Partner and head of the Trial Group, Dorsey & Whitney LLP and former United States Attorney for the Eastern District of New York John Wiley & Sons Essential guidance on the revised COSO internal controls framework Need the latest on the new, revised COSO internal controls framework? Executive's Guide to COSO Internal Controls provides a step-by-step plan for installing and implementing effective internal controls with an emphasis on building improved IT as well as other internal controls and integrating better risk management processes. The COSO internal controls framework forms the basis for establishing Sarbanes-Oxley compliance and internal controls specialist Robert Moeller looks at topics including the importance of effective systems on

internal controls in today's enterprises, the new COSO framework for effective enterprise internal controls, and what has changed since the 1990s internal controls framework. Written by Robert Moeller, an authority in internal controls and IT governance Practical, no-nonsense coverage of all three dimensions of the new COSO framework Helps you change systems and processes when implementing the new COSO internal controls framework Includes information on how ISO internal control and risk management standards as well as COBIT can be used with COSO internal controls Other titles by Robert Moeller: IT Audit, Control, and Security, Executives Guide to IT Governance Under the Sarbanes-Oxley Act, every corporation has to assert that their internal controls are adequate and public accounting firms certifying those internal controls are attesting to the adequacy of those same internal controls, based on the COSO internal controls framework. Executive's Guide to COSO Internal Controls thoroughly considers improved risk

management processes as part of the new COSO framework; the importance of IT systems and processes; and risk management techniques. *Creating a Culture of Compliance* John Wiley & Sons

Controllers and document program managers need sample documents to be personalized and customized for efficient operation of their company. *Internal Controls Policies and Procedures Manual* is a complete collection of documents that summarize the regulations that are part of corporate governance. Praise for Sarbanes-Oxley Guide for Finance and Information Technology Professionals "Effective SOX programs enlist the entire organization to build and monitor a compliant control environment. However, even the best SOX

programs are inefficient at best, ineffective at worst, if there is a lack of informed, competent finance and IT personnel to support the effort. This book provides these important professionals a needed resource for and road map towards successfully implementing their SOX initiative." —Scott Green Chief Administrative Officer, Weil, Gotshal & Manges LLP and author, *Sarbanes-Oxley and the Board of Directors* "As a former CFO and CIO, I found this book to be an excellent synopsis of SOX, with impressive implementation summaries and checklists." —Michael P. Cangemi CISA, Editor in Chief, *Information Systems Control Journal* and author, *Managing the Audit Function* "An excellent introduction to the Sarbanes-Oxley Act from the perspective of the financial and IT professionals that are on the front lines of establishing compliance in

their organizations. The author walks through many areas by asking 'what can go wrong' types of questions, and then outlines actions that should be taken as well as the consequences of noncompliance. This is a good book to add to one's professional library!" —Robert R. Moeller Author, *Sarbanes-Oxley and the New Internal Auditing Rules* "Mr. Anand has compiled a solid overview of the control systems needed for not only accounting systems, but also the information technologies that support those systems. Among the Sarbanes books on the market, his coverage of both topics is unique." —Steven M. Bragg Author, *Accounting Best Practices* "An excellent overview of the compliance process. A must-read for anyone who needs to get up to speed quickly with Sarbanes-Oxley." —Jack Martin Publisher, *Sarbanes-Oxley Compliance Journal*
