[February, 1898]

Harper Collins
With the development of mobile internet technology, people's lifestyle and consumer behavior are changing rapidly. Nowadays, the products on the market are updating more and more frequently, and the traditional marketing theory and brand theory fail to get with the mobile internet. So, what's the innovative marketing to take in the new era? Since 2012, China has entered into the mobile era, and became a major country of mobile internet application. The book summarizes the experience of the author accumulated from many trials and errors in management and marketing innovation, so as to form the pattern of management and

marketing for the next 30 years. Mobile Marketing Management lays the foundation for the new era with four pillars: service, substance, superuser, space, known as 4S theory for short. In view of the concept of customer-first, it is all about service, and products become productized service concepts. In view of the failure of mass communication, the competition among all services becomes the competition of substance differentiation. Regarding the popularity of self-organization, it becomes a trend to cooperate with people rather than the company to develop the market. In view of the principle of fuzzy market boundary, the

enterprises shall optimize their living space and evolve their development space. This book contains numerous case studies along with analysis and creates the discipline of mobile marketing management, providing innovative theories, methods and tools for the marketing of enterprises. Through this book, readers can master the marketing methods of the mobile internet era. They can apply the marketing theory in this book to guide the marketing practice, thus improving marketing efficiency and reducing marketing costs. In the follow-up to his New York Times bestseller *Antoni in the Kitchen*, Queer Eye star

Antoni Porowski shares exuberantly easy dinners for every night of the week. *Let's Do Dinner* is an invitation into Antoni's easy kitchen. Dinner with Antoni means satisfying meals full of clean protein and loads of vegetables, with splurges of carbs and decadence. Simple, yes, but always special. Antoni keeps shopping lists short and steps and pans to a minimum. Pulled chicken nachos, pasta carbonara with scallions and peas, or pan-seared steak with harissa butter and crispy potatoes - it's all good for post-work evenings or casual entertaining. Antoni shows how to crank up the flavor, make exciting suppers from pantry staples, create new takes on classics

by swapping in one surprising ingredient, and build a rousingly flavored vegan grain bowl. Plus, he lets you in on the secret weapons in every kitchen that get great food on the table fast.

The Science That Is Transforming How the World Learns, Motivates and Changes Behaviors

HarperCollins

The ultimate red carpet companion, *Beyond the Best Dressed* is an illustrated, personality-filled romp through more than 90 years of Oscar fashion, from the elegant to the absurd. From the show-stoppingly elegant (Halle Berry winning the award for *Monster's Ball* in a breathtaking Elie Saab) to the decidedly kooky (Adam Rippon in a formal harness), the

Academy Awards Telecast is one of the few nights of the year devoted entirely to glamor (in all its forms). Even in the age of streaming, millions upon millions of people sit down at the same time, turn on their televisions, and watch celebrities strut down the red carpet (and, sure, win some awards). Now fans can relive the glamor, drama, and lasting legacy of some of the most influential outfits from more than ninety years of the Oscar in *Beyond the Best Dressed: A Cultural History of the Most Glamorous, Radical, and Scandalous Oscar Fashion*. In twenty-five essays, culture writer Esther Zuckerman romps through the iconic fashion choices that made history on

the most elegant stage of all, and analyzes the cultural impact of wardrobe decisions both absurd and wonderful. Beginning with Hattie McDaniel's historic and trendsetting turquoise gown in 1940 (worn at a table segregated from her white agent), Zuckerman goes beyond the "best of" lists to shine a deserved spotlight on the truly unforgettable outfits—and deciphers what those outfits represented. Beyond the Best Dressed is a first-of-its-kind commemoration of Oscar fashion that perfectly captures the glitz and the glamor for anyone who has ever been to an Oscar watch party (or texted their friends while they watched alone). Fully illustrated with

whimsical interpretations of the outfits—including Michelle Williams' golden Versace, Sharon Stone's iconic Gap t-shirt, and Rita Moreno's groundbreaking dress worn in both 1962 and 2018—this book is a joyful and vivid odyssey that doesn't stop at the hem of the dress, delving deeper into the cultural effect of these fashion flash points with research and original reporting. *Cracking the Learning Code* Diversion Books Ukulele for Beginners in easy steps shows the reader everything they need to know to get started playing a ukulele, including:

- Choosing, buying, tuning, and looking after a ukulele.
- Learning chords and how to read chord

charts. • Writing and reading tablature, and basic music reading. • Strumming patterns and fingerpicking techniques. • Scales and practising. • Understanding different musical styles. • Writing songs. • How to find a teacher and groups to join to take playing further. Includes over 30 exercises to develop the reader's playing, and over 40 pieces of music to practice with. Ideal for the novice musician!

Stevens Point Brewing Company John Wiley & Sons

From packing the right equipment to keeping enough gas in the tank to get home, every aspect of making a successful tour with a band is addressed in this comprehensive guide. More than 100

luminaries and leading organizations from the world of touring-- among them Chris Connelly, Henry Rollins, the House of Blues, and the Vans Warped Tour, as well as club owners, tour managers, and even sex advisors--provide handy insider know-how along with insight on mistakes commonly made by novice bands. Chapters address the nitty-gritty of touring, with instructions on how to secure venues and publicity, how to stay healthy on the road, and how to keep the budget in the black. Loaded with hundreds of years' worth of collective hands-on experience from those steeped in the music business, this is a must-have resource for creating an unforgettable tour.

Case Studies from Successful Practices

Penguin

Lisa Sugar has an amazing job. She spends her days at POPSUGAR creating content about pop culture, must-have handbags and makeup, healthy recipes, and Instagram-worthy sweets. She manages an enormously successful, growing company with employees who love what they do. And her life is just as great at home. She and her husband have three daughters and she's the number one soccer mom who loves reading bedtime stories every night. How did she do it? By figuring out what her dream job was, taking risks, and believing in herself. And now she wants to motivate

others to do the same. She wants to show them how to live colorful, interesting lives where every second counts. She'll do so by sharing her personal and business story. Lisa knows that creating your dream job requires hard work, patience, and experience. She'll give advice, in big and small ways, about exactly how to do that, from starting a company to ditching a relationship that isn't working to becoming a fabulous boss. And with the great, accessible writing style that has made PopSugar such a hit, she'll make it fun! *The Great Conspiracy (Civil War Classics)* Weinstein Books "Sometimes all you need is for someone else to believe in you, before you can believe

in yourself". Justine Whitchurch THE VIBRANT WOMAN I am today is in stark contrast to the woman I was 15 years ago-a lost and much defeated alcoholic mum of two who was knocking on death's door. In 2012, at the age of 39, I almost lost my life to alcohol addiction. It was the grand finale to years of self-medicating to cope with anxiety, depression, a highly toxic first marriage, subsequent divorce, great financial loss, the diagnosis of my daughter with type 1 diabetes and, to a lesser degree, life's everyday challenges. Healthwise, my liver was failing, my platelet count was dangerously low, and I had excessively high triglyceride levels. Not

to mention side effects like hair loss, no menstrual cycle for nine months, unexplained broken bones, and daily bouts of diarrhoea. All of these physical symptoms were unforgivingly being carried by a 47kg skeletal body. My life was hanging on by a thread. But I survived. I recovered. In fact, I thrived. In this life-changing book by Justine Whitchurch, you'll discover that you too can escape the clutches of alcoholism. This inspirational book holds a message for those caught in the battle, that their divine purpose is waiting for them on the other side...you are stronger than you think. "Justine emerged from detox as a confident, articulate lady with a

purpose. Her emotional metamorphosis has been phenomenal. She has endless drive and focus, bounds with energy and with the support of her husband and children, has completely changed her life around. She is an inspiration for anybody overcoming similar obstacles." -Dr Paul Fisser B.Pharm (RSA), MBCh(RSA), MRCGP (UK), FRACGP, Diploma in Family Planning.

Mrs. Amazing and the Seed Chicago Review Press

Barry Joe McDonagh ("Joe Barry"), a native of Ireland, developed his anti-anxiety plan while studying at the University College of Dublin (UCD). His thoughts on anxiety and panic disorders were first published in 2001. Based on hard

science and years of experience helping people who suffer from anxiety, Barry McDonagh has perfected the way to overcome anxiety and get people back to living life to the fullest. You will not only learn how to end your anxiety problem, but you will also discover how to turn this problem into personal triumph. Barry says "I teach people how to heal their anxiety so they can get back to living their life again to the fullest."

A Cultural History of the Most Glamorous, Radical, and Scandalous Oscar Fashion Bloomsbury Publishing

Become an empowered skincare consumer and uncover your best skin. SkInformation is a must-have handbook

for the skin-savvy woman who wants to cut through the hype and choose the best for her skin. Cosmetics companies will tell you anything to convince you to buy their latest skincare lines. Millions of women fall for these marketing campaigns designed to look like science – potentially to the detriment of their skin (not to mention bank accounts!). Cosmetic chemist and educator Terri Vinson exposes the misinformation and ‘white noise’ about miracle products and ingredients, debunks current skin ‘mythology’ and empowers you to make your own smart skin choices. If you have an interest in skin health and want to understand the science behind the cosmetics

you purchase, this book will take you to the next level of understanding and make you a truly informed consumer. SkInformation is written in an easy to digest manner so you don't need to be a science graduate to understand it. From sunscreen and mineral formulas to skin-friendly nutrition and lifestyle tips, SkInformation covers everything you need to know about your skin. You'll also find special sections on the skin issues that matter most to you. Terri Vinson covers acne, skin aging, enlarged pores and many other concerns, teaching you the scientific explanations of these phenomena and explaining which skincare products

really work – and why they work. Use this new knowledge to amp up your skincare regime and cut out the products that don't serve you. Familiarise yourself with the basic science of skin, including how essential skincare products work. Become an empowered reader of labels to avoid harmful ingredients and marketing hype. Improve your skin and guard against aging with diet and lifestyle tips from a cosmetic chemist. Discover the skincare routine that will work best for your unique skin challenges. For ladies (and gents) who love to learn, this book goes beyond the average beauty and skincare advice guide, diving into skin conditions and concerns in a way that

anyone can appreciate and enjoy!

Work Hard, Play Nice & Build Your Dream Life Penguin

"If you read one debut novel in 2022, this should be it." —Los Angeles Times
 Named a Most Anticipated Book of the Year by Entertainment Weekly, Vulture, Harper's Bazaar, BuzzFeed, Ms. Magazine, Lit Hub, The Millions, and Electric Literature
 In the bustling streets and cloistered homes of Lagos, a cast of vivid characters—some haunted, some defiant—navigate danger, demons, and love in a quest to lead true lives. As in Nigeria, vagabonds are those whose existence is literally outlawed: the queer, the poor, the displaced, the footloose and rogue

spirits. They are those who inhabit transient spaces, who make their paths and move invisibly, who embrace apparitions, old vengeance and alternative realities. Eloghosa Osunde's brave, fiercely inventive novel traces a wild array of characters for whom life itself is a form of resistance: a driver for a debauched politician with the power to command life and death; a legendary fashion designer who gives birth to a grown daughter; a lesbian couple whose tender relationship sheds unexpected light on their experience with underground sex work; a wife and mother who attends a secret spiritual gathering that shifts her world. As their lives

intertwine—in bustling markets and underground clubs, churches and hotel rooms—vagabonds are seized and challenged by spirits who command the city's dark energy. Whether running from danger, meeting with secret lovers, finding their identities, or vanquishing their shadowselves, Osunde's characters confront and support one another, before converging for the once-in-a-lifetime gathering that gives the book its unexpectedly joyous conclusion. Blending unvarnished realism with myth and fantasy, *Vagabonds!* is a vital work of imagination that takes us deep inside the hearts, minds, and bodies of a people in duress—and

in triumph.

Band:smart Phaidon Press

This book provides insights into an understanding of disruptive leadership. It explores the key success factors for digital transformation of organizations in the highly disruptive, increasingly VUCA-driven era of the Fourth Industrial Revolution. Disruption is happening everywhere and in every aspect of our lives. It is happening at a scale and speed that is unprecedented in modern history, impacting diverse industries, from financial services to retail, media, logistics and supply chain, manufacturing, education, professional services, and life sciences. Leaders are

finding it challenging to navigate the near-insurmountable challenges resulting from the impact of these disruptive events on their organizations. The right leadership is critical for organizations to thrive in a disruptive business environment. How should we define leadership in such an environment? Are the current leadership practices and competencies still relevant in the face of such disruption? What are the attributes of a “disruptive digital leader”? How can leaders set themselves up not only to survive but also to thrive in navigating the challenges of disruptive events and crises? This book provides insights into an understanding of

disruptive leadership. It explores the key success factors for digital transformation of organizations in the highly disruptive, increasingly VUCA-driven era of the Fourth Industrial Revolution (also known as Industry 4.0). The book also examines the fundamental qualities of disruptive leadership that would distinguish successful leaders as they guide their organizations through the impact of the COVID-19 pandemic and the digital transformation at the workplace.

AN INSTANT NEW YORK TIMES BESTSELLER *A PUBLISHERS WEEKLY

BESTSELLER* Shady Baby keeps it real in this picture book collaboration by New York Times bestselling duo actress and producer Gabrielle Union and NBA superstar and businessman Dwyane Wade. Based on their famous baby girl, Kaavia James: After a long morning of being fabulous, Shady Baby heads to the park for a relaxing play session. But what does she find?! Some not-so-nice kids picking on others. Shady flashes them a look—her famous side eye—and teaches them that it's better to play nice. But when her feelings are hurt, will anyone stand (or crawl) by her side? Find out in this upbeat picture book that teaches kids to speak their minds and stand

up for what they believe in. Perfect for fans of The Boss Baby and Feminist Baby! *The Fashion Book* Arcadia Publishing

Throughout history, fashion models have occupied a curious position: while their faces were instantly familiar, virtually nothing else was known about them. But their impression upon Vogue's readership has always been considerable -- they reflect and represent the ever-changing ideal of beauty. It was models such as Barbara Goalen and Fiona-Campbell Walter in Britain and Lisa Fonssagrives and Dorian Leigh in the US, in the 1950s, who were the first to become household names and to achieve the glamour and prestige that came

with world fame. The supermodels of the 1990s turned the profession into a billion-dollar industry, and today models like Kate Moss, Claudia Schiffer and Gisele Bundchen are brand names. Our fascination with these sublime creatures never seems to wane. Shining a light on these women's lives, Vogue Model uses photographs and illustrations from more than ninety years of Vogue's history to tell the fascinating story of the real faces of fashion.

A Is for Armbar

Hachette UK

Inspired by the history of Britain, from the tree under which the first trade union was formed to the branches from which outlaws were hanged, The Great British Tree

Biography details the fascinating stories associated with trees throughout the history of the British Isles. How much did you know about the Glastonbury Hawthorn? A tree on the site of Glastonbury Abbey that flowers on Christmas Day, and is believed to descend from an original thorn planted on the grounds by Joseph of Arimathea. And then there's Oswald's Tree where the dismembered body of Oswald, the Christian King of Northumbria was said to have been hung by Penda, King of Mercia, as a warning to others - and from where the town of Oswestry takes its name. There is the lime that grows stubbornly on a cricket pitch in Kent, the ash tree surrounded by

19th-century gravestones in St Pancras churchyard and the Knole Oak, immortalised on the page in Virginia Woolf's Orlando and in the video for The Beatles song Strawberry Fields Forever. From the oak on Isle Maree in Scotland said to provide release from madness to visitors who offer coins to the tree, to the beeches in Wiltshire that inspired Tolkien, and the sycamore in London where Marc Bolan met his untimely fate, this beautifully illustrated book tells the unique history of the British Isles through its diverse collection of trees and forests. Journalist Mark Hooper also investigates the influence of British trees in folklore, art, literature, music,

legend and myth, weaving a fascinating tale of Britain's woodlands through the stories of the individual trees.

A Clean Science Guide to Beautiful Skin

"O'Reilly Media, Inc."

In this prequel to the bestselling *Tour:Smart*, label owner, speaker, entrepreneur, drummer, and producer Martin Atkins has collected advice and contributions from more than 200 industry professionals covering everything a person needs to know about being in a band and succeeding on their own terms. Topics range from starting and naming a new band, recording, packaging, social media, local scenes, event management, and more. The book's illustrations and highly

readable, down-to-earth style make it essential for any artist in any genre.

Dare People Pty
Limited

Want to learn how to program and think like a computer scientist?

This practical guide gets you started on your programming journey with the help of Perl 6, the younger sister of the popular Perl programming language. Ideal for beginners, this hands-on book includes over 100 exercises with multiple solutions, and more than 1,000 code examples so you can quickly practice what you learn. Experienced programmers—especially those who know Perl 5—will also benefit. Divided into two parts, *Think Perl 6* starts with basic concepts that

every programmer needs to know, and then focuses on different programming paradigms and some more advanced programming techniques. With two semesters' worth of lessons, this book is the perfect teaching tool for computer science beginners in colleges and universities. Learn basic concepts including variables, expressions, statements, functions, conditionals, recursion, and loops Understand commonly used basic data structures and the most useful algorithms Dive into object-oriented programming, and learn how to construct your own types and methods to extend the language Use grammars and regular expressions to

analyze textual content Explore how functional programming can help you make your code simpler and more expressive

Power Your Happy

Bis Pub

A comprehensive overview of the strategy, operations and vessels of the United States Navy from 1941 to 1945. Although slowly building its navy while neutral during the early years of World War II, the US was struck a serious blow when its battleships, the lynchpin of US naval doctrine, were the target of the dramatic attack at Pearl Harbor. In the Pacific Theatre, the US was thereafter locked into a head to head struggle with the impressive Imperial Japanese Navy, fighting

a series of major battles in the Coral Sea, at Midway, the Philippine Sea, Leyte Gulf and Okinawa in the struggle for supremacy over Japan. Having avoided the decisive defeat sought by the IJN, the US increased industrial production and by the end of the war, the US Navy was larger than any other in the world. Meanwhile in the west, the US Navy operated on a second front, supporting landings in

North Africa, Sicily, and Italy, and in 1944 played a significant part in the D-Day landings, the largest and most complex amphibious operation of all time. Written by an acknowledged expert and incorporating extensive illustrations including photographs, maps and colour artwork, this book offers a detailed look at the strategy, operations and vessels of the US Navy in World War II.
