**A Powerful Practice for Finding the Love of Your Life and the Life You Love** Simon and Schuster

Jay Shetty, social media superstar and host of the #1 podcast *On Purpose*, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you'll understand: -How to overcome negativity -How to stop overthinking -Why comparison kills love -How to use your fear -Why you can't find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts -How to find your purpose -Why kindness is crucial to success -And much more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After

three years, one of his teachers told him that he would have more impact on the world if he left the monk's path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his résumé, he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world's largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world's most popular influencers. In 2017, he was named in the *Forbes* magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, *On Purpose*, is consistently ranked the world's #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and

power. Combining ancient wisdom and his own rich experiences in the ashram, *Think Like a Monk* reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk.

From Sia to Elton John, from Billie Holiday to David Bowie, LGBT musicians have changed the course of modern music. But before their music—and the messages behind it—gained understanding and a place in the mainstream, how did the queer musicians of yesteryear fight to build foundations for those who would follow them? David Bowie Made Me Gay is the first book to cover the breadth of history of recorded music by and for the LGBT community. Darryl W. Bullock reveals

the stories of both famous and lesser-known LGBT musicians, whose perseverance against the threat of persecution during decades of political and historical turmoil—including two world wars, Stonewall, and the AIDS crisis—has led to some of the most significant and soul-searching music of the last century. Bullock chronicles these struggles through new interviews and archival reports, dating from the birth of jazz in the red-light district of New Orleans, through the rock 'n' roll years, Swinging Sixties, and disco days of the '70s, right up to modern pop, electronica, and reggae. An entertaining treasure-trove of untold history for all music lovers, David Bowie Made Me Gay is an inspiring, nostalgic, and provocative story of right to be heard and the need to keep the fight for equality in the spotlight.
