The Second Time Around Simon and Schuster  
Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

NATIONAL BESTSELLER LONGLISTED FOR THE 2021 BOOKER PRIZE NAMED A BEST BOOK OF THE YEAR BY THE GLOBE AND MAIL, CBC BOOKS AND THE DAILY TELEGRAPH "I've been telling everyone I know about Mary Lawson . . . Each of her novels is just a marvel!" —Anne Tyler New York Times bestselling author Mary Lawson, acclaimed for digging into the "wilderness of the human heart", is back after almost a decade with a fresh and timely novel that is different in subject but just as emotional and atmospheric as her beloved earlier work. A Town Called Solace, the brilliant and emotionally radiant new novel from Mary Lawson, her first in nearly a decade, opens on a family in crisis. Sixteen-year-old Rose is missing. Angry and rebellious, she had a row with her mother, stormed out of the house and simply disappeared. Left behind is seven-year-old Clara, Rose's

adoring little sister. Isolated by her parents' efforts to protect her from the truth, Clara is bewildered and distraught. Her sole comfort is Moses, the cat next door, whom she is looking after for his elderly owner, Mrs. Orchard, who went into hospital weeks ago and has still not returned. Enter Liam Kane, mid-thirties, newly divorced, newly unemployed, newly arrived in this small northern town, who moves into Mrs. Orchard's house—where, in Clara's view, he emphatically does not belong. Within a matter of hours he receives a visit from the police. It seems he is suspected of a crime. At the end of her life, Elizabeth Orchard is also thinking about a crime, one committed thirty years previously that had tragic consequences for two families, and in particular for one small child. She desperately wants to make amends before she dies. Told through three distinct, compelling points of view, the novel cuts back and forth among these unforgettable characters to uncover the layers of grief, remorse, and love that connect them. A Town Called Solace is a masterful, suspenseful, darkly funny and deeply humane novel by one of our great storytellers.

Despite her stepfather's claim that it was a deliberate act, the Juvenile Court ruled the death an accident. Many people, however, agreed with Foster and tabloids compared Liza to the infamous murderess, Lizzie Borden, pointing even to the similarity in name. Aged 25, a successful interior designer, she marries a childless sixty-year old widower and they have a son. Before their marriage, she had confided her earlier life to her husband. Two years on, on his deathbed, he tells her that he would want her to re-marry, but makes her swear never to reveal her past to anyone, so that their son would not carry the burden of this family tragedy - a promise that plunges her into a new cycle of violence.
