HORTON HULL	

Psychos: A White Girl Problems Book CreateSpace
A wildly charming and fast-paced mystery written with all the panache of the hardboiled classics, Fortune Favors the Dead introduces Pentecost and Parker, an audacious new detective duo for the ages. “Razor-sharp style, tons of flair, a snappy sense of humor, and all the most satisfying elements of a really good noir novel, plus plenty of original twists of its own.”—Tana French, bestselling author of The Searcher It's 1942 and Willowjean "Will" Parker is a scrappy circus runaway whose knife-throwing skills have just saved the life of New York's best, and most unorthodox, private investigator, Lillian Pentecost. When the dapper detective summons Will a few days later, she doesn't expect to be offered a life-changing proposition: Lillian's multiple sclerosis means she can't keep up with her old case load alone, so she wants to hire Will to be her right-hand woman. In return, Will is to receive a salary, room and board, and training in Lillian's very particular art of investigation. Three years later, Will and Lillian are on the Collins case: Abigail Collins was found bludgeoned to death with a crystal ball following a big, boozy Halloween party at her home—her body slumped in the same chair where her steel magnate husband shot himself the year before. With rumors flying that Abigail was bumped off by the vengeful spirit of her husband (who else could have gotten inside the locked room?), the family has tasked the detectives with finding answers where the police have failed. But that's easier said than done in a case that involves messages from the dead, a seductive spiritualist, and Becca Collins—the beautiful daughter of the deceased, who Will quickly starts falling for. When Will and Becca's relationship dances beyond the professional, Will finds herself in dangerous territory, and discovers she may have become the murderer's next target.
The Day of the Triffids HarperCollins
Alexandra Robbins wanted to find out if the stereotypes about sorority girls were actually true, so she spent a year with a group of girls in a typical sorority. The sordid behavior of sorority girls exceeded her worst expectations -- drugs, psychological abuse, extreme promiscuity, racism, violence, and rampant eating disorders are just a few of the problems. But even more surprising was the fact that these abuses were inflicted and endured by intelligent, successful, and attractive women. Why is the desire to belong to a sorority so powerful that women are willing to engage in this type of behavior -- especially when the women involved are supposed to be considered 'sisters'? What definition of sisterhood do many women embrace? Pledged combines a sharp-eyed narrative with extensive reporting and the fly-on-the-wall voyeurism of reality shows to provide the answer.
Lucky T Harper Collins
This anthology of contemporary American poetry, short fiction, and nonfiction, explores issues of identity, oppression, injustice, and social change. Living American writers produced each piece between 1980 and the present; works were selected based on literary merit and the manner in which they address one or more pressing social issues. William Reichard has assembled some of the most respected literary artists of our time, asking whose voices are ascendant, whose silenced, and why. The work as a whole reveals shifting perspectives and the changing role of writing in the social justice arena over the last few decades.
Football's Second Season Penguin
Booklist, Top 10 Women's Fiction of 2016 Goodreads Best Romance of August Redbook.com's "20 Books by Women You Must ReadThis Fall" Popsugar's "21 Fiction Reads to Add to Your Fall Reading List" Bustle's "11 New Romance Books Perfect for Summer Beach Reading" Brit+Co's "16 Must-Read Adult Books Out in August" Sunset magazine's "Bookmark this: Your ultimate summer reading list" From USA TODAY bestselling author Renée Carlino (Before We Were Strangers), a warm and witty novel about a struggling writer who must come to grips with her past, present, and future after she discovers that she's the inspiration for a pseudonymously published bestselling novel. When a bestselling debut novel from mysterious author J. Colby becomes the literary event of the year, Emiline reads it reluctantly. As an adjunct writing instructor at UC San Diego with her own stalled literary career and a bumpy long-term relationship, Emiline isn't thrilled to celebrate the accomplishments of a young and gifted writer. Yet from the very first page, Emiline is entranced by the story of Emerson and Jackson, two childhood best friends who fall in love and dream of a better life beyond the long dirt road that winds through their impoverished town in rural Ohio. That's because the novel is patterned on Emiline's own dark and desperate childhood, which means that "J. Colby" must be Jase:

the best friend and first love she hasn't seen in over a decade. Far from being flattered that he wrote the novel from her perspective, Emiline is furious that he co-opted her painful past and took some dramatic creative liberties with the ending. The only way she can put her mind at ease is to find and confront "J. Colby," but is she prepared to learn the truth behind the fiction?
American Tensions HarperCollins
Five Finger Death Punch Front Man Ivan Moody teams with watercolor illustrator Blake Armstrong to bring Ivan's twisted poetry to life! Ever wondered what really lies beyond "where the sidewalk ends?" From the wonderfully twisted mind of the front man of Five Finger Death Punch; Ivan Moody's Dirty Poetry is a book of original poems punctuated with dark art that's guaranteed to inspire upside-down dreamscapes in the minds of its readers. Written by Ivan Moody himself, with beautifully haunting ink and watercolor illustrations by Blake Armstrong, Z2 Comics offers this Halloween treat to readers everywhere this October!
Dirty Poetry From Mind of Ivan L. Moody Simon and Schuster
The winner of the Man Booker Prize, this "expertly written, perfectly constructed" bestseller (The Guardian) is now a Starz miniseries. It is 1866, and Walter Moody has come to stake his claim in New Zealand's booming gold rush. On the stormy night of his arrival, he stumbles across a tense gathering of 12 local men who have met in secret to discuss a series of unexplained events: a wealthy man has vanished, a prostitute has tried to end her life, and an enormous cache of gold has been discovered in the home of a luckless drunk. Moody is soon drawn into a network of fates and fortunes that is as complex and exquisitely ornate as the night sky. Richly evoking a mid-nineteenth-century world of shipping, banking, and gold rush boom and bust, The Luminaries is at once a fiendishly clever ghost story, a gripping page-turner, and a thrilling novelistic achievement. It richly confirms that Eleanor Catton is one of the brightest stars in the international literary firmament.
Slack Vintage Crime/Black Lizard
In this shockingly true-to-life novel written by an all-star team of Internet phenoms from the Total Frat Move generation, you'll get the first true glimpse of "real" sorority life in all its f**ked up glory. Dirty Rush by Taylor Bell is what happens when you take the creative minds behind Babe Walker (author of the New York Times bestselling White Girl Problems series) and add Rebecca Martinson to the mix. Rebecca Martinson—yes, that bitch—the former Delta Gamma sister responsible for the scathing, expletive-filled email that verbally assaulted her entire chapter for being “so f**king boring” at social functions, and threatened to “c*nt punt” every last one of them if their behavior didn’t shape up. Dirty Rush is a no-holds-barred look at what really happens when you “go Greek.” Taylor Bell comes from a long line of Beta Zeta sorority sisters, who all expect her to pledge upon starting at the university. But Taylor has other plans: she’s determined to give her family the proverbial middle finger and destroy the rich tradition they hold so dear by eschewing sorority life altogether. However, Taylor’s resolve soon melts when she falls in with a group of hilarious, ultra-saucy girls, who introduce her to all things Greek and soften her to the idea of joining. Resigned to the fate the Greek gods have dealt her, Taylor pledges Beta Zeta and embarks on a collegiate career filled with the kind of carousing sure to make any sorority sister proud. Soon, Taylor’s experience as a BZ starts to feel like a jacked-up, drug-infused, and X-rated fairy tale—especially when reality comes crashing down and a rather lewd sex tape is leaked. The girl in the video looks a lot like Taylor. Has Taylor gone off the deep end? Or is someone trying to frame her? Unless she can prove her innocence and re-ingratiate herself with the sisters who’ve accused her of leaking the video in a Kim Kardashian-style bid for attention, Taylor is at risk of losing everything she’s fought (partied) so hard for.
Glory Days Illinois Sports Publishing LLC
A missing child is every parent's nightmare. What comes next is even worse in this riveting thriller from the bestselling and award-winning author of Bring Her Home. Tom and Abby Stuart had everything: a perfect marriage, successful careers, and a beautiful twelve-year-old daughter, Caitlin. Then one day Caitlin vanished without a trace. For a while they grasped at every false hope and followed every empty lead, but the tragedy ended up changing their lives, overwhelming them with guilt and dread, and shattering their marriage. Four years later, Caitlin is found alive but won't discuss where she was or what happened. And when the police arrest a suspect connected to her disappearance, she refuses to testify. Taking matters into his own hands, Tom tries to uncover the truth—and finds that nothing that has happened yet can prepare him for what he is about to discover.
City of Ghosts Vintage Crime/Black Lizard

Green Grows the City Macmillan + ORM
"I absolutely adored The Little White Horse."--J.K. Rowling, creator of the Harry Potter series Winner of the Carnegie Medal When orphaned young Maria Merryweather arrives at Moonacre Manor, she feels as if she's entered Paradise. Her new guardian, her uncle Sir Benjamin, is kind and funny; the Manor itself feels like home right away; and every person and animal she meets is like an old friend. But there is something incredibly sad beneath all of this beauty and comfort--a tragedy that happened years ago, shadowing Moonacre Manor and the town around it--and Maria is determined to learn about it, change it, and give her own life story a happy ending. But what can one solitary girl do?
The Seven Deaths of Evelyn Hardcastle Hachette UK
If your company’s goal is to become fast, responsive, and agile, more efficiency is not the answer--you need more slack. Why is it that today’s superefficient organizations are ailing? Tom DeMarco, a leading management consultant to both Fortune 500 and up-and-coming companies, reveals a counterintuitive principle that explains why efficiency efforts can slow a company down. That principle is the value of slack, the degree of freedom in a company that allows it to change. Implementing slack could be as simple as adding an assistant to a department and letting high-priced talent spend less time at the photocopier and more time making key decisions, or it could mean designing workloads that allow people room to think, innovate, and reinvent themselves. It means embracing risk, eliminating fear, and knowing when to go slow. Slack allows for change, fosters creativity, promotes quality, and, above all, produces growth. With an approach that works for new- and old-economy companies alike, this revolutionary handbook debunks commonly held assumptions about real-world management, and gives you and your company a brand-new model for achieving and maintaining true effectiveness.
Behind the Bell Penguin
The influential masterpiece of one of the twentieth century’s most brilliant—and neglected—science fiction and horror writers, whom Stephen King called “the best writer of science fiction that England has ever produced.”—now in development as a miniseries directed by Johan Renck. “[Wyndham] avoids easy allegories and instead questions the relative values of the civilisation that has been lost, the literally blind terror of humanity in the face of dominant nature. . . . Frightening and powerful, Wyndham’s vision remains an important allegory and a gripping story.”—The Guardian What if a meteor shower left most of the world blind—and humanity at the mercy of mysterious carnivorous plants? Bill Masen undergoes eye surgery and awakes the next morning in his hospital bed to find civilization collapsing. Wandering the city, he quickly realizes that surviving in this strange new world requires evading strangers and the seven-foot-tall plants known as truffids—plants that can walk and can kill a man with one quick lash of their poisonous stingers.
Disloyal: A Memoir Crown Currency
Along the way, somebody invented the jump shot and the crossover dribble and added a three-point line. Times changed, the game was integrated, players grew taller and more wildly athletic. That evolution is chronicled in Glory Days, as 50 of the state's best high school basketball players from the past five decades sit down to chat with longtime prep basketball scribe Taylor Bell. Every last one of the featured players was an all-state selection. Some led their teams to state titles; others were chosen as Illinois' Mr. Basketball; many were named McDonald's All-Americans.Glory Days pulls its roster from all regions of the state: from southern Illinois (Edwardsville, Centralia, Mount Vernon) to the state's waist (Galesburg, Peoria, Decatur) to north of I-80 (Rockford, Evanston, and many Chicago schools).Each player on the roster relives his time on the high school hardwood, but also reveals what happened after he walked down the aisle in his cap and gown. Bell catches up with greats like Mannie Jackson, Dave Downey, Jay Shidler, Jack Sikma, Rashard Griffith, Cazzie Russell, Kiwane Garris, Cuonzo Martin, and Billy Ridley, and discovers what happened to these legends later in life, after their hops deserted them. Their Chuck Taylors may be a distant memory, but for each of these former stars, basketball has continued to hold a special place in their heart.
White Girl Problems Minotaur Books
In this hysterical follow-up to the New York Times bestseller White Girl Problems, Babe Walker travels the globe as she tries to figure

out the answer to the question foremost on everyone's mind—including hers: Who is Babe Walker? If you're one of the hundreds of thousands who devoured Babe Walker's New York Times bestselling novel *White Girl Problems* or one of the million people who read her blog or follow her on Twitter daily, then you've obviously been waiting with bated breath for her hilarious follow-up novel, *Psychos*. Fresh from a four-month stint in rehab for her "alleged" shopping addiction, Babe Walker returns home to Bel Air ten pounds lighter (thanks to a stomach virus), having made amends (she told a counselor with bad skin she was smart) and confronted her past (after meeting her birth mother for the first time—a fashion model turned farmer lesbian). Although delighted to be home and determined to maintain her hard-won inner peace, Babe now faces a host of outside forces seemingly intent on derailing her path to positive change. Not only is she being trailed by an anonymous stalker, but she's also reunited with the love of her life, a relationship that she cannot seem to stop self-sabotaging. Babe's newfound spirituality, coupled with her faith in the universe and its messages, leads her all over the world: shoulder dancing in Paris, tripping out in Amsterdam, and hooking up in the Mediterranean, only to land her back in New York City, forced to choose between a man who is perfect in every way (except for one small detail) and a man who could be The One if only he didn't drive Babe to utter insanity. Unapologetic and uproarious, *Psychos* is the send-up of the season—already as timeless as vintage Dior.

Let the Great World Spin Hachette Books
A special edition of the iconic first novel from crime fiction master Raymond Chandler, featuring Philip Marlowe, the "quintessential urban private eye" (Los Angeles Times). Featuring an introduction by James Ellroy. A dying millionaire hires private eye Philip Marlowe to handle the blackmailer of one of his two troublesome daughters, and Marlowe finds himself involved with more than extortion. Kidnapping, pornography, seduction, and murder are

just a few of the complications he gets caught up in. A Vintage Crime/Black Lizard Special Edition.
Cemetery Girl Transit Publishing
Subject: "During the decades that have passed since the end of the history-altering geopolitical event known as World War II, only a single narrative of the great conflict in which tens of millions perished has ever been heard. It is a story which has been scripted by the victors and implanted, no, pounded, into the minds of subsequent generations. Every medium of mass indoctrination has been harnessed to the task fo training the obedient masses as to what the proper view of this event should be. Academia, news media, public education, book publishing, TV documentaries, Hollywood films, clergymen and political whores of every stripe all sing the same dreadful anthem of lies, ignorance, and hundreds of 'missing notes.' World War 2 was a cataclysm of unparalleled human suffering, but we don't have to be victimized and

Tom Lemming wasnt college footballs first recruiting analyst, but he definitely perfected the role. Since 1978, Lemming has become the most celebrated, controversial, and influential recruiter in the business. This book chronicles his journey and his passion for his profession, warts and all.
The Bad War Timber Press
The Routledge Dictionary of Modern American Slang offers the ultimate record of modern, post WW2 American Slang. The 25,000 entries are accompanied by citations that authenticate the words as well as offer examples of usage from popular literature, newspapers, magazines, movies, television shows, musical lyrics, and Internet user groups. Etymology, cultural context, country of origin and the date the word was first used are also provided. In terms of content, the cultural transformations since 1945 are astounding. Television, computers, drugs, music, unpopular wars, youth movements, changing racial sensitivities and attitudes towards sex and sexuality are all substantial factors that have

shaped culture and language. This new edition includes over 500 new headwords collected with citations from the last five years, a period of immense change in the English language, as well as revised existing entries with new dating and citations. No term is excluded on the grounds that it might be considered offensive as a racial, ethnic, religious, sexual or any kind of slur. This dictionary contains many entries and citations that will, and should, offend. Rich, scholarly and informative, The Routledge Dictionary of Modern American Slang and Unconventional English is an indispensable resource for language researchers, lexicographers and translators.
The Little White Horse Hyperion Books
Miranda Corbie's back. Noir will never be the same. And Kelli Stanley will once again mesmerize readers with the most thrilling novel yet in her award-winning series. June, 1940. For the United States, war is on the horizon. For Miranda Corbie, private investigator and erstwhile escort, there are debts to be paid and memories—long-suppressed and willfully forgotten—to be resurrected. Enter the U.S. State Department and the man who helped Miranda get her PI license. A man she owes. A man who asks her to track a chemistry professor here in San Francisco whom he suspects is a spy for the Nazis. Playing along may get Miranda a ticket to Blitz-bombed England and answers about her past...if she survives. Through sordid back alleys and art gallery halls, from drag dress nightclubs to a Nazi costume ball, Miranda's journey into fear takes her on the famed City of San Francisco streamliner and to Reno, Nevada, the Biggest Little City in the World...where she finds herself framed for a murder she never anticipated. Forced to go underground, Miranda soldiers on alone, determined to find the truth about a murder, a Nazi spy, and her own troubling past. But Miranda will have to learn the difference between reality and illusion, from despair to deceit and factual to fake, as she tries to get her life back...and navigates a City of Ghosts.
