In the midst of life's challenges, so often our faith feels small and weak. In this book one of the world's premier Bible teachers, N. T. Wright, reminds us that what matters is not so much our faith itself as Who our faith is in. Faith, says Wright, is like a window. The point is not for part of the wall to be made of glass. The point of a window is to allow us to see through it - and let light into the room! Faith allows us to see our situation and our own weakness in light of God who is powerful, holy and loving. Wright also looks at the character of the faith God calls us to. He unfolds how dependence, humility and mystery all have a role to play. God beckons us to lean on him as we seek to be constructive citizens of the world, to speak truth in love without hypocrisy and to risk submitting to one another in love. Wright doesn't ignore the messiness and difficulties of life, when hard times come and the unexpected knocks us down. He opens to us what faith means in times of trial and even in the face of death. Through it all he reminds us, it's not great faith we need: it is faith in a great God.

As Hollywood entered the sound era, it was rightly determined that the same public fascinated by the novelty of the talkie would be dazzled by the spectacle of a song and dance film. In 1929 and 1930, film musicals became the industry's most lucrative genre--until the greedy studios almost killed the genre by glutting the market with too many films that looked and sounded like clones of each other. From the classy movies such as Sunnyside Up and Hallelujah! to failures such as The Lottery Bride and Howdy Broadway, this filmography details 171 early Hollywood musicals. Arranged by subgenre (backstagers, operettas, college films, and stage-derived musical comedies), the entries include studio, release date, cast and credits, running time, a complete song list, any recordings spawned by the film, Academy Award nominations and winners, and availability on video or laserdisc. These data are followed by a plot synopsis, including analysis of the film's place in the genre's history. Includes over 90 photographs.

On a cold April day, Ben Hylden tried on his suit coat for the upcoming spring prom, then sped toward nearby Park River, North Dakota, for an appointment. Running late and driving too fast, he lost control of his car on ice, flipped the car, and was thrown out the passenger's door, plunging face-first into an icy field. Ben's face and body were crushed, along with his dreams of being a basketball star. As his battered body lay in the field, Ben's life seemed to be coming to an end. However, it turned out to only be the beginning of a journey of faith that shoed him glimpses of life beyond this world, and gave him a new perspective on what matters most.

More relevant than ever, this seminal collection of essays encourages us to believe in the power of ordinary citizens to change the world In today's turbulent world it's hard not to feel like we're going backwards; after decades of striving, justice and equality still seem like far off goals. What keeps us going when times get tough? How have the leaders and unsung heroes of world-changing political movements persevered in the face of cynicism,

fear, and seemingly overwhelming odds? In The Impossible Will Take a Little While, they answer these questions in their own words, creating a conversation among some of the most visionary and eloquent voices of our times. Today, more than ever, we need their words and their wisdom. In this revised edition, Paul Rogat Loeb has comprehensively updated this classic work on what it's like to go up against Goliath -- whether South African apartheid, Mississippi segregation, Middle East dictatorships, or the corporations driving global climate change. Without sugarcoating the obstacles, these stories inspire hope to keep moving forward. Think of this book as a conversation among some of the most visionary and eloquent voices of our times -- or any time: Contributors include Maya Angelou, Diane Ackerman, Marian Wright Edelman, Wael Ghonim, Váav Havel, Paul Hawken, Seamus Heaney, Jonathan Kozol, Tony Kushner, Audre Lorde, Nelson Mandela, Bill McKibben, Bill Moyers, Pablo Neruda, Mary Pipher, Arundhati Roy, Dan Savage, Desmond Tutu, Alice Walker, Cornel West, Terry Tempest Williams, and Howard Zinn.

"Have a Little Faith is not merely a fan's notes; this is a riveting book that tells the stories of one of our greatest roots musicians and the tenacity that's grown out of his enduring passion for music." — No Depression A journey through an artist's quest for success, deep dive into substance abuse, family tragedy, and ultimate triumph By the mid-1980s, singer-songwriter John Hiatt had been dropped from three record labels, burned through two marriages, and had fallen deep into substance abuse. It took a stint in rehab and a new marriage to inspire him, then a producer and an A&R man to have a little faith. By February 1987, he was back in the studio on a shoestring budget with a hand-picked supergroup consisting of Ry Cooder on guitar, Nick Lowe on bass, and Jim Keltner on drums, recording what would become his masterpiece, Bring the Family. Based on author Michael Elliott's multiple extensive and deeply personal interviews with Hiatt as well as his collaborators and contemporaries, including Rosanne Cash, Bonnie Raitt, Ry Cooder, and many others, Have a Little Faithis the journey through the musical landscape of the 1960s through today that places Hiatt's long career in context with the glossy pop, college-alternative, mainstream country, and heartland rock of the last half-century. Hiatt's life both pre- and post-Family will be revealed, as well as the music loved by critics, fellow musicians, and fans alike.

The Gospel According to Matthew HarperOne

In this moving new novel from celebrated author Nickolas Butler, a Wisconsin family grapples with the power and limitations of faith when one of their own falls under the influence of a radical church Lyle Hovde is at the onset of his golden years, living a mostly content life in rural Wisconsin with his wife, Peg, daughter, Shiloh, and six-year old grandson, Isaac. After a troubled adolescence and subsequent estrangement from her parents, Shiloh has finally come home. But while Lyle is thrilled to have his whole family reunited, he’s also uneasy: in Shiloh’s absence, she has become deeply involved with an extremist church, and the devout pastor courting her is convinced Isaac has the spiritual ability to heal the sick. While reckoning with his own faith—or lack thereof—Lyle soon finds himself torn between his unease about the church and his desire to keep his daughter and grandson in his life. But when the church’s radical belief system threatens Isaac’s safety, Lyle is forced to make a decision from which the family may not recover. Set over the course of one year and beautifully evoking the change of seasons, Little Faith is a powerful and deeply affecting intergenerational novel about family and community, the ways in which belief is both formed and shaken, and the lengths we go to protect our own.

On the surface, Kaitlyn DuChamps is everything Grant Ashworth despises—a spoiled heiress with a bad attitude serving out her sentence on the farm as she tries to meet the terms of her uncle’s will. Brat or not, there’s no denying that she’s beautiful. Even as they snap at one another, he wants her, and it doesn’t take long for him to realize that there is far more to Kaitlyn than she wants the world to see. Kaitlyn wears her bad attitude like the armor that it is. She forged it herself from the ugliness, from the pain and betrayal of her past. No one gets in, no one sees the real her, and no one gets past her carefully constructed defenses. Even as she gives in to the heat between them, to a passion with Grant unlike anything she has ever experienced, Kaitlyn tries to keep her emotional distance. But Grant sees through her, digging at her secrets, chipping away at the walls... and when her past comes calling, she has to decide just how much she trusts him. This book is a contemporary romance that would appeal to readers of both Erotic Romance and New Adult Romance. The book is part of a series, and reading all three books certainly gives a more complete picture, but each book can be read as a stand alone novel.

A pioneering neuroscientist shows how the long-sought merger of brains with machines is about to become a paradigm-shifting reality Imagine living in a world where people use their computers, drive their cars, and communicate with one another simply by thinking. In this stunning and inspiring work, Duke University neuroscientist Miguel Nicolelis shares his revolutionary insights into how the brain creates thought and the human sense of self—and how this might be augmented by machines, so that the entire universe will be within our reach. Beyond Boundaries draws on Nicolelis's ground-breaking research with monkeys that he taught to control the movements of a robot located halfway around the globe by using brain signals alone. Nicolelis's work with primates has uncovered a new method for capturing brain function—by recording rich neuronal symphonies rather than the activity of single neurons. His lab is now paving the way for a new treatment for Parkinson's, silk-thin exoskeletons to grant mobility to the paralyzed, and breathtaking leaps in space exploration, global communication, manufacturing, and more. Beyond Boundaries promises to reshape our

concept of the technological future, to a world filled with promise and hope.

Charles Haddon Spurgeon (1834-1892) earned the title, "The Prince of Preachers" by his untiring pulpit work which produced many thousands of sermons in his 40+ years of preaching. This fine collection of Spurgeon's sermons on faith has twelve different sermons, variously displaying various kinds of faith. Sermon 1: Little Faith. Some born-again Christians have little, or weak, faith. Spurgeon points out first that it is a burden to have but little faith. Though Little-faith is quite sure of Heaven, Yet he suffers from lack of assurance. Unlike normal faith, it does not grow steadily from faith to faith. He quotes Bunyan as saying that one of little faith has a host of fears. "It has more lives than a cat, " if you kill it over and over, it still lives. He is always safe, but he seldom knows it. Sermon 2: Here the reader is instructed in "Seeing Jesus, " by faith. Faith is the eye of the soul. It alone will be "looking unto Jesus." Seeing Jesus is a continuous thing with faith. It is not just a now and then thing. It is current, not future. It never completely loses sight of the Savior as long as it is exercised. He is everywhere, therefore we can see Him everywhere we are, or where we go. Sermon 3: The difference between little faith and great faith is not such a great gulf as that between little faith and no faith. At times Jesus called the apostles "Little faiths" (Matt. 8:26; 16:8; Luke 12:28). Peter had faith to walk on the water until he looked at the wind instead of Jesus. Faith is never in danger as long as it has its eye on Jesus. Sermon 4: Faith is essential to please God. (Heb. 11:6). No invention of men can please God without faith. If God is pleased to give us everlasting life, it should be the object of our lives to please God. To faith, His commands will be precious, and the faithful will always be obeying. Sermon 5: There is a necessity of growing faith. The apostle was cheered that the Thessalonians had faith that grew exceedingly (2 Thess. 1:4). If we know our faith is growing, it is a subject for devout thanksgiving. Increased faith is of unspeakable value. Let us diligently pursue it. Sermon 6: Faith is a shield (Eph. 6:16). All Christians are born to be warriors, and faith is our shield to use against the world, the flesh, and the devil. The more the faith, the more the attacks, and the shield of faith receives many a blow. Christians should learn to wield the shield, and the lessons are all in the Bible. Christ used Scripture to fight off Satan's attempts to down him. Sermon 7: Increased faith increases peace. Sermon 8: Mature faith was illustrated by Abraham's offering up of Isaac. First there was the trial. He must lose the son of the promise by his own act. Abraham did not hesitate, he was quick to obey. He was careful to take everything necessary to do the deed. Lastly, he proceeded to very instant of putting the knife to the throat of his beloved son. Did this not display mature faith indeed? Sermons 9, 10, 11, 12 are equally precious and rewarding: Faith and Life; Faith's Dawn and Cloud; Faith and Its Privileges; and lastly, the Nobleman's Faith.
