Pope Francis proclaims a new 'Time of Mercy' opening up before humanity, a cultural revolution to displace the all-pervasive indifference of modern society: a new and joyful 'culture of mercy'. Here is a clear and prophetic roadmap for our future, for individuals, communities, societies and the human family itself. New initiatives and points of emphasis are proposed to open up our hearts to the all-loving God and, in turn, to each other - to build our lives on mercy.

Islamisasi Jawa? Mengapa tema ini sangat penting? Antara lain karena suku Jawa merupakan salah satu kelompok etnis terbesar di dunia muslim. Dengan sekitar 100 juta dari hampir 250 juta penduduk Indonesia, etnis Jawa sekaligus merupakan suku terbesar di Indonesia. Karena itu, etnis Jawa memainkan peran penting dalam berbagai dinamika Indonesia sejak dari sosial, budaya, agama, ekonomi, dan politik dalam periodisasi sejarah nusantara. Meski demikian, banyak kalangan, di dalam maupun luar negeri, melihat sebagian besar Muslim Jawa hanyalah abangan atau "Islam KTP". Masih absahkah anggapan tersebut? Sejarahwan terkemuka Ricklefs membantah anggapan itu secara meyakinkan dalam karya mutakhirnya ini. Islamisasi

masyarakat Jawa terus berlanjut sejak kemunculan Islam dalam masyarakat Jawa pada abad ke-14. Ia menunjukkan bahwa tanah Jawa kini makin “hijau”: Islamisasi mengalami pendalaman dan proses ini tak bisa dibalikkan. Buku kaya data (dari beragam literatur, primer dan sekunder, juga wawancara, sensus dan survei) ini mengupas bagaimana masyarakat Muslim Jawa melewati masa sulit sejak awal penyebaran Islam, penjajahan kolonialisme Belanda dan Jepang, periode kemerdekaan, pemerintahan Presiden Soekarno yang kacau, totalitarianisme Presiden Soeharto, dan demokrasi kontemporer. Bagaimana masyarakat Muslim Jawa menempuh berbagai perubahan itu, kini menjadi contoh luar biasa dalam hal peningkatan religiositas keislaman. Tentu saja, proses Islamisasi itu tidak bergerak lurus (linear), tapi panjang dan berliku. Selamat menikmati kisah tentang terang-pudar Islam di Tanah Jawa sejak abad ke-14 sampai sekarang. The author of *Desiring God* reveals the biblical evidence to help us see and savor what the pleasures of God show us about Him. Includes a study guide for individual and small-group use. Isn't it true—we really don't know someone until we understand what makes that person happy? And so it is with God! What does bring delight to the happiest Being in the universe? John Piper writes, that it's only when we know what makes God glad that we'll know the greatness of His glory. Therefore, we must comprehend “the pleasures of God.” Unlike so much of what is written today, this is not a book about us. It is about the One we were made for—God Himself. In this theological masterpiece—chosen by World

Magazine as one of the 20th Century's top 100 books, John Piper reveals the biblical evidence to help us see and savor what the pleasures of God show us about Him. Then we will be able to drink deeply—and satisfyingly—from the only well that offers living water. What followers of Jesus need now, more than anything else, is to know and love—behold and embrace—the great, glorious, sovereign, happy God of the Bible. “This is a unique and precious book that everybody should read more than once.” —J.I. PACKER, Regent College, Vancouver, British Columbia

Knowledgeable, accessible answers to these provocative questions: What is spiritual warfare? Can a Christian be demon-possessed? Are we called to engage territorial spirits?

There is an appetite for God. And it can be awakened. I invite you to turn from the dulling effects of food and the dangers of idolatry, and to say with some simple fast: "This much, O God, I want you." Our appetites dictate the direction of our lives - whether it be the cravings of our stomachs, the passionate desire for possessions or power, or the longings of our spirits for God. But for the Christian, the hunger for anything besides God can be an arch-enemy. While our hunger for God - and Him alone - is the only thing that will bring victory. Do you have that hunger for Him? As John Piper puts it: "If we don't feel strong desires for the manifestation of the glory of God, it is not because you have drunk deeply and are satisfied. It is because we have nibbled so long at the table of the world. Our soul is stuffed with small

things, and there is no room for the great." If we are full of what the world offers, then perhaps a fast might express, or even increase, our soul's appetite for God. Between the dangers of self-denial and self-indulgence is this path of pleasant pain called fasting. It is the path John Piper invites you to travel in this book. For when God is the supreme hunger of your heart, He will be supreme in everything. And when you are most satisfied in Him, He will be most glorified in you.

Why must humanity suffer? In this elegant and thoughtful work, C. S. Lewis questions the pain and suffering that occur everyday and how this contrasts with the notion of a God that is both omnipotent and good. An answer to this critical theological problem is found within these pages.

Meditations on God's Delight in Being God InterVarsity Press

If God is in control of everything, can Christians sit back and not bother to evangelize? Or does active evangelism imply that God is not really sovereign at all? J. I. Packer shows in this classic study how both of these attitudes are false.

For those friends and acquaintances, who have expressed a wish to read the complete story of my life, from my childhood to the present time, I have undertaken the writing of this book. By including even some incidents that, in themselves, may seem trivial, I have tried to make this account a full and accurate autobiography. In modesty, however, I have also desired to render my story as simple as possible, in fact, to give a vivid picture of my work, my opinions and my aspirations, not only as a teacher but also as a writer of sacred songs; and if I have spoken with a frankness that may seem akin to egotism, I hope that I

may be pardoned; for I am fully aware of the immense debt I owe to those numberless friends, only a few of whom I have been able to mention, and especially to that dear Friend of us all, who is our light and life.

In a world filled with ambiguity, we want faith to act like an orderly set of truth-claims to solve the problems that life throws at us. While there are certainties in Christian faith, at the heart of the Christian story is also paradox, and Jen Pollock Michel helps readers imagine a Christian faith open to mystery. Jesus invites us to abandon the polarities of either and or in order to embrace the difficult, wondrous dissonance of and.

The Catechism of the Council of Trent was directed to all priests. The recently released Catechism of the Catholic Church was directed to all bishops. The Catechism of Pope St. Pius X is that pope's partial realization of a simple, plain, brief, popular Catechism for uniform use throughout the whole world. In other words it is directed to the layman . It was used in the ecclesiastical province of Rome and for some years in other parts of Italy. It was not, however, prescribed for use throughout the universal church. Aeterna Press

In this highly controversial and explosive book, archaeologist, historian, mythologist and linguist Acharya S. marshals an enormous amount of startling evidence to demonstrate that Christianity and the story of Jesus Christ were created by members of various secret societies, mystery schools and religions in order to unify the Roman Empire under one state religion. In developing such a fabrication, this multinational cabal drew upon a multitude of myths and rituals that existed long before the Christian era, and reworked them for centuries into

the religion passed down to us today. Contrary to popular belief, there was no single man who was at the genesis of Christianity; Jesus was many characters rolled into one. These characters personified the ubiquitous solar myth, and their exploits were well known, as reflected by such popular deities as Mithras, Heracles/Hercules, Dionysos and many others throughout the Roman Empire and beyond. The story of Jesus as portrayed in the Gospels is revealed to be nearly identical in detail to that of the earlier savior-gods Krishna and Horus, who for millennia preceding Christianity held great favor with the people. The Christ Conspiracy shows the Jesus character as not unique or original, not “divine revelation.” Christianity reinterprets the same extremely ancient body of knowledge that revolved around the celestial bodies and natural forces. The result of this myth making has been “The Greatest Conspiracy Ever Sold.” .

Starting Right: Thinking Theologically About Youth Ministry is the first academic textbook that introduces youth ministry students

(whether undergraduate or graduate level) to a marriage of solid research, real life, and accessible design. Whereas most college-level texts may reflect a thorough (though impenetrable) mastery of the field, they tend to expect readers to plow through unnecessarily thick prose and bland design because “it’s good for them.” Youth Specialties doesn’t agree. In this debut title to a continuing academic book line, college and seminary students will be introduced to real-life research, real-life youth ministry dilemmas, and real-life solutions. Contributing writers represent a spectrum of Christian Education thought and practice, as well as widespread recognition in their field...transdenominational, yet the perfect background to ministry in any denomination or ministry organization. This text includes thorough indexes, design, and graphics that compel readers from page to page (now that’s a first for a college text!); organization that permits professors to use any part of the text, in any order, rather than plod through the entire book from beginning to end; a perfect primary text that gives students a rich, academic, and readable (though not “popular”) grasp of every aspect of youth ministry a typical Intro course touches, while also serving as an ideal secondary text.
