The Carpenter's Gift Thomas Nelson Inc

The powerful, dramatic story of how a successful Hollywood set designer whose identity was deeply rooted in his homosexuality came to be suddenly and utterly transformed by the power of the gospel. When Becket Cook moved from Dallas to Los Angeles after college, he discovered a socially progressive, liberal town that embraced not only his creative side but also his homosexuality. He devoted his time to growing his career as a successful set designer and to finding "the one" man who would fill his heart. As a gay man in the entertainment industry, Cook centered his life around celebrity-filled Hollywood parties and traveled to society hot-spots around the world--until a chance encounter with a pastor at an LA coffee shop one morning changed everything. In *A Change of Affection*, Becket Cook shares his testimony as someone who was transformed by the power of the gospel. Cook's dramatic conversion to Christianity and subsequent seminary training inform his views on homosexuality--personally, biblically, theologically, and culturally--and in his new book he educates Christians on how to better understand this complex and controversial issue while revealing how to lovingly engage with those who disagree. *A Change of Affection* is a timely and indispensable resource for anyone who desires to understand more fully one of the most common and difficult stumbling blocks to faithfully following Christ today.

Don't Check Your Brains at the Door Baker Books

That first lie Satan told in Eden--the one that said God was actually a selfish liar--has spawned a multitude of untruths about who God is and what His feelings toward us really are. The human perception of God has been askew ever since, and we've struggled to relate to this God we don't really (want to) know. Naturally, since our view of God is distorted, our attitudes and behavior are rebellious--perceptions change our thoughts, thoughts influence our feelings, and feelings determine attitudes and behavior. Herb Montgomery goes straight to the root of the problem and sweeps aside the misperceptions of God and His character that cause us to spurn the only one who truly loves us. Some of Christianity's long-held, though biblically unfounded, views are confronted--God's true attitude toward pain and suffering, where guilt comes from, and what His forgiveness accomplishes. And the question that plagues every human heart is irrevocably resolved: If God really loves us, why does He allow horrible things to happen?

Family, friendship, and the spirit of giving are at the heart of this inspiring picture book. Opening in Depression-era New York, *The Carpenter's Gift* tells the story of eight-year-old Henry and his out-of-work father selling Christmas trees in Manhattan. They give one of their leftover trees to construction workers building Rockefeller Center. That tree becomes the first Rockefeller Center Christmas Tree, the finest Henry has seen when adorned with homemade decorations. Henry wishes on the tree for a nice, warm house to replace his family's drafty, one-room shack. Through the kindness of new friends and old neighbors, Henry's wish is granted, and he plants a pinecone to commemorate the event. As an old man, Henry repays the gift by donating to Rockefeller Center the enormous tree that has grown from that pinecone. After bringing joy to thousands as a beautiful Christmas tree, its wood will be used to build a home for a family in need. Written by children's nonfiction author David Rubel, in collaboration with Habitat for Humanity, *The Carpenter's Gift* features charming, full-color illustrations by Jim LaMarche.

It's never too late to be a better father Jim Daly, president and CEO of Focus on the Family, is an expert in fatherhood--in part because his own "fathers" failed him so badly. His biological dad was an alcoholic. His stepfather deserted him. His foster father accused Jim of trying to kill him. All were out of Jim's life by the time he turned 13. Isn't it odd--and reminiscent of the hand of God--that the director of the leading organization on family turned out to be a guy whose own background as a kid and son were pretty messed up? Or could it be that successful parenting is discovered not in the perfect, peaceful household but in the midst of battles and messy situations, where God must constantly be called to the scene? That is the mystery unraveled in this book.

Using his own expertise, humor, and inexhaustible wealth of stories, Jim will show you that God can make you a good dad, a great dad, in spite of the way you've grown up and in spite of the mistakes you've made. Maybe even because of them. It's not about becoming a perfect father. It's about trying to become a better father, each and every day. It's about building relationships with your children through love, grace, patience, and fun--and helping them grow into the men and women they're meant to be. *Children Demand a Verdict* Walter Foster

A modern classic on father-child relationships is revised and redesigned, continuing its legacy of helping dads to lovingly raise their kids based on God's teaching.

Hope Carpenter opens up about her personal struggles that nearly destroyed her family, her church, and her ministry, but then God did something miraculous--out of her brokenness, He made something beautiful. As co-pastor of one of the nation's largest megachurches, Hope Carpenter had perfected the roles of supportive wife, good mother, devoted worship leader, and dutiful homemaker. But inside, she was secretly ashamed, sad, and afraid. She didn't know who she was, and she didn't know how to ask for help without bringing down the whole façade. A series of bad choices led to multiple affairs; her husband kicked her out and announced from the pulpit of their church that their marriage was over. Hope was sure her life was done. But in her lowest moments, something beautiful happened. God met her there, and, with a lot of hard work, time, and mountains of therapy, she started to understand the pain that had caused her to act out. She and her family faced their brokenness together, and in powerful acts of forgiveness only God could have arranged, they all found real breakthrough and healing. Ron and Hope rebuilt their marriage and their family, and their ministry thrives today. In *The Most Beautiful Disaster*, Hope helps readers understand the lasting impact of childhood trauma and gives readers practical steps to uncovering the root of pain in their own lives. She shows how small decisions can lead to big changes, and

helps readers find healing and wholeness in Scripture and prayer. Ultimately, readers will be led to hope, reconciliation, and true freedom.

If the church doesn't act now, we will lose a whole generation to postmodernism. Most young people believe that truth is relative to individual beliefs. McDowell insists that truth matters, and that truth changes who we are and how we act. McDowell introduces "relational apologetics," proving that objective truth is founded on a relationship with Jesus Christ.

More Than a Carpenter Panegyric Publishing

The name Josh McDowell promises real-life, on-the-street Christian apologetics. In his first Harvest House book, Josh joins his son Sean to draw on his life's work and comprehensively address a vital issue: why an entire generation of young Christians--and millions of older believers--is confused about what they believe, why they believe it, and how it's relevant. *The Unshakable Truth* is uniquely positioned for younger Christians because it presents apologetics relationally, focusing on how Christianity's doctrines affect relationships. The authors... ground every assertion in the overarching story of creation, incarnation, and re-creation. distill 12 crucial "faith statements"--for example, "A personal Creator God exists." explain why each statement is trustworthy, how it applies to real life, and--using examples, stories, and experiences--what its relevance is. A spiritual gold mine for parents, youth workers, pastors--anyone wanting to reveal Christianity's relevance to today's life and culture.

Sex is everywhere. And misunderstandings about it are even more pervasive. Whether you have questions of your own and don't know who to ask, or you are being asked questions and don't know where to turn--this small book has the answers. Bestselling author and speaker, Josh McDowell believes that no question is off limits and that knowledge, not ignorance, is the key to youthful purity and a fulfilling marriage and family. This book builds on that approach with relevant, pertinent statistics, entertaining anecdotes, and real stories. This little book will be a very practical tool in the hands of anyone who is struggling, anyone who is curious, anyone who is nervous about asking a "dumb question," and most importantly, anyone who desires to learn how to honor God with his or her body. The Bible is clear on a lot of these issues and Josh's candor (and respect for young people) shines through as he shares these truths about sex. Much like Josh's apologetics books, this book will help equip a skeptical generation with the facts they are sorely missing.
