Spells, & Rituals*

Rockridge Press

The author of Book of Shadows digs deep into the practices and principles of Witchcraft to provide a comprehensive guidebook that anyone—novices and seasoned practitioners alike—can use to incorporate the beauty and power of Wicca into their own daily lives.

Phyllis Currott's first book, Book of Shadows, was an inspirational, spiritual memoir that chronicled her journey from Ivy League-educated, New

York City attorney to Wiccan High Priestess. By inviting readers of all faiths to share in her own personal transformation, Phyllis debunked many of the myths surrounding Wicca and revealed it for what it really is: a spiritual movement whose tenets of Goddess worship and reverence for Nature were a great deal more accessible and familiar than she'd ever expected. Far from being just another mechanical spell book, Witch Crafting is the first book to offer readers not only the how-to of Witchcraft, but also the why-to, explaining the profound spiritual tenets behind Wiccan techniques. Filled with both traditional and

innovative shamanic practices, Phyllis also provides an empowering new definition of magic and reexamines the ethics under which Witchcraft is practiced, offering a groundbreaking alternative to the Threefold Law. With enchanting stories from Currott's own experiences, Witch Crafting will also teach you how to:

- Master the secret arts of effective spellcasting
- Create sacred space and personal rituals
- Perform divinations for spiritual insight and earthly success
- Tap into the power of altered states, such as dreaming, meditation, prayer, and trance
- Keep a magical journal and create your

own Book of Shadows Rich with detailed advice for making magic, working with Nature, and finding the Divine within, as well as thought-provoking evaluations of this remarkable spirituality, *Witch Crafting* is the special volume that you've been searching for. Whether you are a beginner or have been practicing Witchcraft for years, whether you worship in a coven or on your own, *Witch Crafting* is the ideal handbook for you, or anyone seeking to unlock the divine power that makes real magic happen and experience the ecstasy, energy, and gifts of the Universe more fully.

The Junior Witch's

Handbook OUP Oxford

Everything You Need to Know to Start Practicing Magic and Witchcraft "Witchcraft" is a word that, for some, may inspire fantastical images of women flying through the night sky on broomsticks and shooting sparks out of a glimmering wand. Others mistakenly associate people who practice Witchcraft with the dark arts-believing that Witches go around hexing people, or use other "black magic" to cause trouble for people they dislike. The truth is, Witchcraft is not fantasy, and is not inherently malicious. It's a vibrant, nature-based spiritual practice that is alive and well in our modern times, just as it has been for longer than we've been recording history. Nonetheless, due to the persistence of these

misconceptions in mainstream society, some Wiccans do not consider themselves to be practitioners of Witchcraft, and don't identify as Witches. This is despite the fact that Gerald Gardner, the founder of what became known as Wicca, described the religious activities of his coven in exactly these terms-they were Witches practicing Witchcraft! Whether you choose to call yourself a Witch, a Wiccan, both, or neither, Witchcraft is an enormous topic that can be overwhelming for those who are just starting to explore it. There's so much to learn, and there are many differing perspectives on what is "correct" or "incorrect" in terms of knowledge and practice. Truly, it may be the one of the most confounding of all possible areas of spirituality! Modern Witchcraft and Magic for Beginners was created to provide a fact-based, neutrally-oriented context for launching you on your exploration. Whether you feel called to study Wicca with a practicing coven, learn as much as you can on your own about a branch of Traditional Witchcraft, or forge an eclectic practice that

combines several approaches, this book will help you navigate the various opinions, definitions, and perspectives you'll find in the wide, wide world of the Craft. Foundations of Western Witchcraft Wicca has become the most well-known form of the Craft, but it emerged in tandem with other forms. Many of these other traditions were influenced by, and had influence on, what we now know as Wicca. A basic understanding of the wider realm of Witchcraft allows you to broaden your knowledge and enhance your practice. In these pages, you'll find: An overview of the historical and cultural contexts in which contemporary Witchcraft has evolved A debunking of common misconceptions about Witchcraft as it is practiced today Core beliefs and practices found among a variety of forms of the Craft Clear distinctions between Wiccan, Traditional, and Eclectic paths Core concepts underlying the "why" and "how" of magic A brief look at a few common magical techniques-visualization, invocation, and candle magic Some example

workings for you to try, if you feel so inclined Suggested references for further reading for those who want to explore these topics further Whether your curiosity about the Craft is intellectual, spiritual, or both, you'll find plenty of useful information in Modern Witchcraft and Magic for Beginners. After reading this book, you should have a better grounding in this fascinating field, and hopefully a clearer sense of where you'd like to go next! If you're ready to learn about Witchcraft and start practicing magic, scroll to the top of the page and select the buy button. Readers will also be treated to an exclusive free gift! *Handbook of Magic & Witchcraft* Weiser Books A complete introduction to modern magic and witchcraft with spells and incantations for love, happiness, and success. The Practical Witch's Spell Book is an enchanting handbook for anyone with a penchant for the magical and who wants to add joy to their daily life. To practice witchcraft is to be purposeful whether it's to help heal, bring about prosperity, imbue your home with positivity, or even to fall in love. To be a practical witch is to tap

into an inner place of intention, energy, and magic to bring about positive change in your life and those of your loved ones. With life's increasingly frenetic pace, a magical approach to living is more important now than ever. In this must-have guide for spell-casters of all levels you will find hundreds of spells, blessings, and incantations for love and romance, contentment and happiness, success and prosperity, health and healing, work and vocation, and money and wealth, all to enrich your mind and spirit, and to improve your life and the world around you. Also included are ritual resources, magical correspondences, lucky colors and numbers, moon spells, and all the essential tools you need for making magic.

The Spell Book for New Witches Wellfleet Press Tap into the magic all around you with *Witchcraft*, an illustrated guide to ancient potions, spells, chants, rituals, and incantations from around the world. Learn how to form a spirit circle with coven members, what instruments you need for your craft, special conjurations for each day of the week, and

hundreds of crafty spells and potions. With stunning linoleum-cut illustrations by artist Melissa West that bring the magic of the past to life, this comprehensive compendium is also a delightful page-turner that's full of unexpected treasures. Place it in a sacred place in your home--and make sure no enemies find it to access its inestimable powers!

The Complete Book of Magic and Witchcraft

Wellfleet Press

A Book of 30 Spells Do you need a boost of self-esteem? Do you want more luck or financial success? Are you looking to add more magic into your life? Then this book is for you. This book will not only give you the spells that you need, but you'll find that it also gives you the reasons behind the ingredients and the best time to perform them. Most of the spells in this book will not require a lot of ingredients, but with witchcraft it is important to realize that the less ingredients you use, the more energy it will need. If you have a spell with more ingredients, it is a more basic spell, and

you'll find basic spells in this book as well. You'll find Spells For: - Finding Love - Increasing Beauty - Job Applications - Seven Days of Luck - Banishing Negative Energy - Cleansing & Purifying Items - Protection Against Spirits & Curses - Better Dreams - And Much, Much More! This book will help you to start casting spells with the right ingredients at the right time. There's no guess work. It's all about your power, your desires, and your needs. *Goddess Magic* Harmony Everything You Need to Know to Start Your Wiccan Journey Learn about the history and practice of the Wiccan tradition, discover the incredible power of spellcasting for health, wealth and happiness, and explore the magical side of herbs & plants to connect with nature, as the earliest shamans did in the ancient world. The world we live in today seems wholly distant from the one our ancestors lived in--a world where humans and Nature were at one, their existence intertwined in the natural cycles of life. Wicca teaches us to appreciate the Earth, celebrating the intricate changes in the seasons and everything they bring. As you'll discover in this book,

Wicca is a reincarnation of the very earliest religions, practiced for millennia before the advent of Christianity. Wiccans celebrate and share many of the same beliefs our ancestors held, with practices that honor the old ways while being compatible with contemporary life. For thousands of years, our ancestors believed that the Elements -- Earth, Air, Fire, and Water -- were the building blocks of the Universe, and their inherent properties and energies could be directed to manifest particular outcomes. Through ritual and magic, Wiccans interact with the primal forces of the Elements in a variety of ways, calling upon them for assistance in the transformation of their realities. Interest in Wicca, Witchcraft, and contemporary magic has increased exponentially over the past few decades. The dramatic rise of this Nature-based religion is due at least in part to the Internet--just twenty years ago, people curious about these subjects often had little access to credible information, especially those without a good New Age or Occult bookstore nearby. But the appeal of

Wicca is also growing in tandem with the increasing complexities of our modern, high-pressured mainstream society. You will discover:

- The origins and history of Wicca and Witchcraft -
- The Wiccan holidays of the Wheel of the Year: the Sabbats and the Esbats -
- Core elements of Wiccan ritual -
- Principles of magic--both ancient and modern -
- Choosing your Wiccan path -
- An overview of Wiccan covens, circles, and solitary practice -
- Magickal tools & how to use them -
- Tips & guidelines for successful spellcasting -
- The phases of the moon & their importance -
- Spells for abundance, wealth, health, love and happiness -
- And much more!

Whether you're just looking to learn more about the Wiccan way of life, or you want to start practicing Wicca yourself, you will have a solid understanding of the essence of Wicca after reading this book. Scroll up and click Buy Now to Start Practicing Witchcraft Today!

A Handbook of Spells, Charms, and Rituals Divine in Origin

Createspace Independent Publishing Platform
Buckland's Complete Book

of Witchcraft has influenced and guided countless students, coven initiates, and solitaires around the world. One of modern Wicca's most recommended books, this comprehensive text features a step-by-step course in Witchcraft, with photographs and illustrations, rituals, beliefs, history, and lore, as well as instruction in spellwork, divination, herbalism, healing, channeling, dreamwork, sabbats, esbats, covens, and solitary practice. The workbook format includes exam questions at the end of each lesson, so you can build a permanent record of your spiritual and magical training. This complete self-study course in modern Wicca is a treasured classic—an essential and trusted guide that belongs in every Witch's library. Praise: "A masterwork by one of the great Elders of the Craft. Raymond Buckland has presented a treasure trove of Wiccan lore. It is a legacy that will provide magic, beauty, and wisdom to future generations of those who seek the ancient paths of the Old Religion."—Ed Fitch, author of *Magical Rites from the Crystal Well* "I read Buckland's Complete Book of

Witchcraft with much pleasure. This book contains enough information and know-how for all approaches: the historical, the philosophical, and the pragmatic . . . quite entertaining, as much for the armchair enthusiast as for the practicing occultist."—Marion Zimmer Bradley, author of *The Mists of Avalon*

"Never in the history of the Craft has a single book educated as many people, spurred as many spiritual paths, or conjured as much personal possibility as Buckland's *Complete Book of Witchcraft*."—Dorothy Morrison, author of *The Craft*

[The Spell Book for New Witches](#) Mandrake of Oxford

According to ancient legends, thousands of years ago a mysterious being known as the Nine Tail Fox taught her devotees the secrets of witchcraft and alchemy. This witch cult survives to this day and is practiced in many Chinese and Japanese communities in relative secrecy. From her origins with the ancient Wu Shamans and the Tantric dakinis, the author explores this unique and often overlooked form of witchcraft. Learn the

history of the Fox Immortal and her influence on Asian politics and history. Investigate the Tantric origins of the Fox Goddess. Learn the secret rituals from the Chinese grimoires that invoke the help and aid of the Fox Immortal as a personal magical tutor. Learn the ways of glamour and fascination taught to devotees of the Fox Temple. Investigate the mysterious tantric rites of the Tachikawa Ryu. Investigate the Mysteries of the white branch of death and the red branch of sexuality. Learn some of the many spells used by the Fox cult of witches. ----- This may be a topic wholly new to the average western reader though it will have familiar elements, after all, all true Mysteries in the true sense of the word have a common thread. Some readers may be familiar with the Lady Fox from various pop-cultural references in Japanese anime or Hong Kong movies and even video games. It is Kitsune, the fox spirit of the west that is most accessible to the average western audience. However the cultus of the Fox goes far further back than her appearance in Japan and

Korea, her roots seemingly going as far back as the ancient tantric mysteries of India. I am a practitioner in the magical tradition of Taoism and it was in China that I learned the basics of the Fox Fairy as she is sometimes called. However China is a very conservative country and it seems obvious to me that a lot was implied but never spoken of, or perhaps even forgotten. I ventured into the depths of the mysteries of the Fox Lady and the path took me in many directions and through many synchronicities on that journey. While I preserve the fox tradition as passed to me, I do add some further material, also based on traditions that connect with her 'sadhana' [glossary]. I expect there will be an outcry from some Taoist and Shingon purists since in a sense I am resurrecting the heterodox Shingon cult of the Tachikawa. The logic of this decision will become clear. I am certain this is the correct move. In this way, we rise above the apparent shallowness of the Fox Temple as seen in contemporary Hong Kong for example, where the Fox Fairy has merely

become a means to become a more attractive person in the world of film and music. In this book, I am giving the keys to true gnosis of the Path of the Nine-Tailed Fox.

Love Spells Running Press Kids

Learn the importance of the moon's cycles and ways to tap into the rhythms of the natural world, and how to source your own ingredients. From love potions using candle magic and rituals for attracting prosperity, to charm bags for courage and incantations for lasting happiness, there is a spell for every occasion.

[White, Red and Black Magic Spells](#)

Independently Published
The essays in this Handbook, written by leading scholars working in the rapidly developing field of witchcraft studies, explore the historical literature regarding witch beliefs and witch trials in Europe and colonial America between the early fifteenth and early eighteenth centuries. During these years witches were thought to be evil people who used magical power to inflict

physical harm or misfortune on their neighbours. Witches were also believed to have made pacts with the devil and sometimes to have worshipped him at nocturnal assemblies known as sabbaths. These beliefs provided the basis for defining witchcraft as a secular and ecclesiastical crime and prosecuting tens of thousands of women and men for this offence. The trials resulted in as many as fifty thousand executions. These essays study the rise and fall of witchcraft prosecutions in the various kingdoms and territories of Europe and in English, Spanish, and Portuguese colonies in the Americas. They also relate these prosecutions to the Catholic and Protestant reformations, the introduction of new forms of criminal procedure, medical and scientific thought, the process of state-building, profound social and economic change, early modern patterns of gender relations, and the wave of demonic possessions that occurred in Europe at the same time. The essays survey the current state of knowledge in the field, explore the academic controversies that have arisen regarding witch

beliefs and witch trials, propose new ways of studying the subject, and identify areas for future research.

Handbook of Magic Spells Summersdale Publishers LTD - ROW

An empowering guide for young witches about the kinds of magic they can create for themselves every day. Intended for children between the ages of eight and twelve, who are curious about the possibility of "something more" in their lives, this handbook focuses on three major areas of the witch's life: friendship, personal fulfillment, and family. Each section includes spells, rituals, potions, and other useful information, such as tables about crystals, chakras, and herbs.

[The New Aradia](#) Penguin
Candles are an essential part of a witch's spiritual practice. Candle work is not only easy and accessible for witches across a variety of ages and levels of experience, but is also one of the most powerful tools in the realm of magic. Candle magic is special because it combines two essential elements: light and color. This makes them perfect for intention setting and divination, and they are also an essential for every

witch's altar display. This book, complete with spells, incantations, and rites, will consolidate the scope of magic that can be performed utilizing the wonders of candles and offer practical uses for readers--complete with knowledge and wisdom culled from Cerridwen's decades of experience in the magical arts. Some of the knowledge will include helping readers choose the perfect candles for their practice, considering the properties of various colors and shapes, as well as variety of spells and practices intended to enhance their lives--inviting in peace, love, and prosperity.
