Get these two great books in one convenient ebook bundle! The only book dedicated to helping Canadians write winning business plans, newly revised and updated Packed with everything you need to get your business moving in the right direction—whether you're part of a large corporation or a one-person show—*Business Plans For Canadians For Dummies, Second Edition* is the ultimate guide to building a better, more productive, and more profitable business. Accessible and comprehensive, the book walks you through every milestone in business planning, including creating a right-on mission statement; pinpointing the needs of your customers; scoping out the competition; simplifying all the financial stuff; staying on top of trends, and fostering a winning atmosphere for your staff. Fully revised and updated, this new edition offers information anyone starting a business in Canada needs to know. Author and small-business expert Nada Wagner presents invaluable resources to help you write a plan, examines how government policies affect business, and looks at business trends unique to Canada. With inspiring—and cautionary—anecdotes about Canadian businesses, *Business Plans For Canadians For Dummies, Second Edition* is a fun and informative read for any entrepreneur. Newly revised edition of the only book that helps Canadians write better business plans, loaded with all-new content Covers the key milestones in business planning at every stage Filled with anecdotes about real businesses to bring the concepts described vividly to life Includes a brand new sample business plan, complete with financial documents An invaluable resource for entrepreneurs and business owners across the country, *Business Plans For Canadians For Dummies, Second Edition* is the definitive book on building a business plan, and creating a better business. The fastest, easiest way for small business owners to master the art and science of bookkeeping This updated and expanded second edition of *Bookkeeping For Canadians For Dummies* gets small business owners and managers up and running with the knowledge and skills you need to keep your books balanced, your finances in order, and the CRA off your back. From tracking transactions and keeping ledgers to producing balance sheets and year-end reports, you'll master all the important terms, procedures, forms, and processes more quickly and easily than you ever thought possible. Features approximately 25 percent new and updated content tailored for Canadians—the only Canada-specific guide to bookkeeping Includes clear and concise instructions on keeping the books, tracking transactions, recognizing assets and liabilities, and keeping ledgers and journals Packed with up-to-date tax information, including complete coverage of recent changes to the tax codes most important to small businesses Serves as an indispensable resource for small business owners who keep their own books, as well as those interested in a career as a bookkeeper Provides small business owners with highly-accessible, step-by-step guidance on creating professional financial statements and operating business accounts
