Barbara McAfee identifies five distinct vocal tones or qualities—earth, fire, water, metal, and air—and explains how to cultivate each voice. You’ll also discover how to use your voice to convey authority, passion, compassion, and other essential leadership qualities—and how to choose the right voice to ensure your message and meaning are understood. McAfee’s approach offers much more than a minor cosmetic improvement. It enables you to use your voice to support your intentions and aspirations, express who you truly are, and bring your gifts to the world. As you become more aware of your own voice, you also become a better listener, more attuned to what people are saying underneath their words. You’ll discover how opening your full voice opens you to untapped potential, power, and aliveness as well. The Enhanced Edition includes six videos (15:15 minutes) and two audio (6:20 minutes) segments by the author. Part I, Understanding Voice, is supported by two songs, ‘Who You Gonna Be While You Do What You Do?’ and ‘Brain Rats,’ together with a breathing exercises video to fully utilize your Full Voice. The other five videos provide earth, fire, water, metal, and air practice lessons at the end of each chapter in Part II, The Five Elements Framework. Barbara McAfee is a musician, coach and consultant with over twelve years of experience in organizational change. DeVille Award-winning author Behcet Kaya has once again brought his PI protagonist Jack Ludefance to life in a novel of suspense and mystery, filled with indelible characters, and laced with threads of credible circumstances, in his latest book titled Body in the Woods. Set in the hills in Malibu, California, Jack is asked by his friend, a wealthy businessman in the military defense industry, to come to his aid to help solve a murder; because it seems his business partner’s body has turned up murdered and the police have pegged him as the prime suspect. Although not yet formally charged, he needs Jack’s help to find the real killer and thus secure his freedom, while solving the crime of who actually killed his partner. Jack obliges and travels from his home in Florida to Los Angeles to pick up the case. What begins as a step-by-step private investigation into the evidence surrounding the death of the notoriously cunning, smart and cleverly manipulating business partner of Jack’s client, turns into an international quagmire of intrigue, scientific secrets, and vast amounts of money. People with power, influence and fortunes are all jockeying for a once-in-a-lifetime business deal, while death surrounds the periphery of their involvement. Body in the Woods stands on its own merits as there is enough background to appease the fans of Kaya’s books without bogging down the plot with historical events. This book is impossible to put down; at first due to the character development, then again when readers hit the critical mass plot point. It will surprise the savviest of readers with its twists and turns of logic, morality, integrity, and honesty. <u>220 Lyrics from the Eighties</u> . Archie Comic Publications, Inc. To be a Synner is to join the online hardcore, an outlaw band of hackers, simulation pirates, and reality synthesizers hooked on artificial reality and virtual space. Now you can change yourself to suit the machines - all it costs you is your freedom, and your humanity. Synners shows us a world perilously close to our own. A constant stream of new technology spawns new crime before it hits the streets, and the human mind and the external landscape have fused to the point where any encounter with "reality" is incidental. Equal parts thrill-ride and cautionary tale, this classic novel by the Queen of Cyberpunk offers us a terrifying glimpse into the future of our race. Winner of the Arthur C. COHEN WEST

The Tip of the Spear John Wiley & Sons

When a mystifying explosion drags Misty and Melody Fairchild into Adam Rowan’s life, along with a trio of dangerous would-be kidnappers bent on hauling the girls back to the shady underground government facility they escaped from, the teens must join forces with Adam’s little brother Dylan and his cousin Jeremy to reunite the girls with their family and unravel the secrets of where the twins have been for the last five years. In Michael Dawn Brooks’ Misty Fairchild and the Heart of Alignment, readers will be taken on a thrilling urban fantasy adventure ride, filled with sci-fi and contemporary fantasy elements and a touch of paranormal romance that fans ofSupernatural and Vampire Diaries will love. With wit and humor, the action moves at a brisk clip with characters that are relatable and full of life. Follow Misty and the gang as they fight against nefarious forces trying to steal psychic kids for reprehensible purposes and find out if they can make it out alive. If you enjoyed books such as Anne Bishop’s The Others or Kate Griffin’s The Midnight Mayor, you’ll love Misty Fairchild and the Heart of Alignment. Buy now before the price changes and join the adventure! What folks are saying: ★★★★★ "I was hooked within the first few pages. Couldn't put it down. Characters are relatable with lots of wit. The writer has extensive knowledge of Ancient wisdom school teachings. From Law of Attraction to Law of One. Highly recommend. Can't wait for her next book!" --Good Reads Review ★★★★★ Urban Fantasy Adventure Ride "The action moves at a brisk clip... [and the] ... dialog is snappy." --Amazon Review ★★★★★ Beautifully Addictive "...it was a perfect pace increasing speed through intoxicating delicious, breathtaking suspense and orgasmic moments followed by an afterglow of contentment touched by a desire to follow this group wherever they’re adventures lead. I existed in their world, absorbed in their lives... I put [this] in the ranks of: Anne Bishop, Kate Griffin. Brandon Sanderson, Gordan Dahlquist, Michael Sullivan, and Pierce Brown." --Amazon Review ★★★★★ "...An adventurous read for anyone looking for a Stranger Things type vibe." --Amazon Review ★★★★★ "Misty Fairchild is a fun read, and like butter, just melts in your mind. Sparkling wit and nuggets of cultural references light the way on a delightful romp through a dark underworld peopled by young heroes and nefarious characters. Courage and love tempered with a dollop of sarcasm show the way. Action packed mysticism at its finest!" --Amazon Review ★★★★★ A breath of fresh air! “This book is pure gold! It had me laughing, crying, swooning and shaking in my boots the entire way through. Michael Dawn Brooks is a master at sucking you into her story. I literally binged it in three days (Mother of three, ya know, I don't have much time to read). I adored the homage to pop culture that all ages will pick up on. The storyline of light and dark, the potential of human consciousness and conjuring magick from within is one of the best I've ever read. If you like the Stranger Things vibe, you'll love this book.” --Amazon Review Content Warning: Misty Fairchild and the Heart of Alignment is recommended for readers age 15+ due to language, adult situations, moments of peril, traumatic death, self-harm, suicidal ideation, and sexual assault.

This collection of real-life racing stories is told through the eyes of mug punter David Atkinson as he embarks on a roller-coaster journey of discovery to the heart, soul and nether regions of horse racing. Along the way there is time to revel in the maelstrom of meetings at Cheltenham, Ascot and.....Towcester; and by turns be intoxicated by thrilling winners, spellbound by staying chasers and lubricated by real ale. The true spirit of racing is captured here in healthy dollops: sublime talent, Corinthian competition and touching naivety, as well as good humour, bad punting and worse hangovers all wrapped up in a parcel of rich history and friendship.

O'Brien has spent much of her life explaining her name and her family to strangers, but her more pressing problem is whether to carry on the PI agency that her dead boss unexpectedly left to her. Easing into middle age, Siobhan would generally rather have a donut than a romance, but when an old friend asks Siobhan to find her daughter who has disappeared from her dorm room, the rookie private detective's search begins in Llewellyn College. A private institution of higher learning in upstate New York, Llewellyn, for the first time in its two-hundred-year history, has opened its doors to men, causing a clash between the female students and their former fashion-model president. The financial reasons prompting the change seem like a ruse when fringe-group The Womyn of Llewellyn, aided by Siobhan, discover a newly built science center, which is under 24-hour surveillance. As Siobhan delves deeper into locating the missing girl and campus politics, she encounters vegan cooking that just might kill her, possibly deadly yoga poses, and politely dangerous billionaires. This first in a new series introduces an endearing PI heroine readers aren't going to want to put down.

This book explores why widespread predictions of the radical transformation in the recording industry did not materialise. Although the growing revenue generated from streaming signals the recovery of the digital music business, it is important to ask to what extent is the current development a response to digital innovation. Hyojung Sun finds the answer in the detailed innovation process that has taken place since Napster. She reassesses the way digital music technologies were encultured in complex music valorisation processes and demonstrates how the industry has become reintermediated rather than disintermediated. This book offers a new understanding of digital disruption in the recording industry. It captures the complexity of the innovation processes that brought about technological development, which arose as a result of interaction across the circuit of the recording business – production, distribution, valorisation, and consumption. By offering a more sophisticated account than the prevailing dichotomy, the book exposes deterministic myths surrounding the radical transformation of the industry.

25,000 copies sold in three languages! You see others who have the things you want money, joy, success and suppose that they were born with special talent or into a family which made these things easy to attain. They are just lucky. What you don't know is that there is a methodology to success. BE UNSTOPPABLE contains a system to gain this vital skillset. Alden Mills was an uncoordinated asthmatic who went on to become a national rowing champion, three time Navy SEAL Team Commander, inventor of over 20 fitness products and CEO of the #1 fastest growing consumer products company as identified by INC 500 magazine in 2009. Through his own journey to success, Mills identified Eight Actions proven to overcome the bad habits between you and getting your goals. Written in a story format that is easy to remember, BE UNSTOPPABLE opens with a parable of a young skipper who meets a remarkable, seasoned captain, changing the skipper's direction and setting him on a course to fulfill a larger destiny. The allegory, intertwined with Mills humorous, brutally honest personal stories, anchors tools like Plan in 3D, Exercise to Execute and Improvise to Overcome into your memory. You can start at any place in the program, because the momentum gained from using any of the tools will cause you to stop making excuses about why you can't have the life of your dreams, while the stories inspire you to do whatever it takes to ensure that you can. The goal-getting code embedded in BE UNSTOPPABLE will enable you to navigate around challenges, chart a course, and put you on a heading to achieving your dreams. However the past has shaped you, your future is yours to shape, and if you want to shape it for success, you'll find no better coach than Alden Mills. Using the power of a parable and his own experiences as a Navy SEAL and accomplished entrepreneur, Mills teaches you his proven framework for success. BE UNSTOPPABLE is the parable of a young skipper who meets a remarkable, seasoned captain, and this chance meeting changes the young skipper's direction in life, setting him on course for living his dreams. This charming tale illuminates the eight actions to take to succeed at anything in life, and makes BE UNSTOPPABLE a uniquely effective hybrid of Who Moved My Cheese and Vince Lombardi-style coaching.
