Constraints in Achieving Sustainability of India EduGorilla Community Pvt. Ltd.

India imposes stringent criminal penalties, including life imprisonment in some states, for cow slaughter, based on a Hindu ethic of revering the cow as sacred. And yet India is among the world's leading producers of beef, leather, and milk, industries sustained by the mass slaughter of bovines. What is behind this seeming contradiction? What do bovines, deemed holy in Hinduism, experience in the Indian milk and beef industries? Yamini Narayanan asks and answers these questions, introducing cows and buffaloes as key subjects in India's cow protectionism, rather than their treatment hitherto as mere objects of political analysis. Emphasizing human-animal hierarchical relations, Narayanan argues that the Hindu framing of the cow as "mother" is one of human domination, wherein bovine motherhood is simultaneously capitalized for dairy production and weaponized by right-wing Hindu nationalists to violently oppress Muslims and Dalits. Using ethnographic and empirical data gathered across India, this book reveals the harms caused to buffaloes, cows, bulls, and calves in dairying, and the exploitation required of the diverse, racialized labor throughout India's dairy production continuum to obscure such violence. Ultimately, Narayanan traces how the unraveling of human domination and exploitation of farmed animals is integral to progressive multispecies democratic politics, speculating on the real possibility of a post-dairy society, based on vegan agricultural policies for livelihoods and food security.

Guide to SSC CPO Sub-Inspector SI (CAPF/ Delhi Police/ CISF/ BSF/ ITBP) Paper 1 & 2 Recruitment Exam with Previous Year Questions 8th Edition Disha Publication

The Armed Conflict Survey 2023 provides an exhaustive review of the political, military and humanitarian dimensions of active armed conflicts globally in the period from 1 May 2022–30 June 2023. The review is complemented by a strategic analysis of regional and global drivers and conflict outlooks, providing unique insights into the geopolitical and geo-economic threads linking conflicts regionally and globally, as well as into emerging flashpoints and political risks to monitor. This edition's regional-focused approach also includes Regional Spotlight chapters on selected key conflict trends of regional and global importance. Reflecting the growing significance of geopolitical factors in shaping current conflict trends across the world, The Armed Conflict Survey 2023 features the third edition of the IISS Armed Conflict Global Relevance Indicator, which compares the global relevance of armed conflicts in terms of their geopolitical impact, as well as their human impact and intensity. This edition also includes maps, infographics, key statistics and the accompanying Chart of Armed Conflict.

World Report 2019 EduGorilla Community Pvt. Ltd.

This handbook offers a comprehensive overview of the international relations of South Asia. South Asia as a region is increasingly assuming greater significance in global politics for a host of compelling reasons. This volume offers the most comprehensive collection of perspectives on the international politics of South Asia, and it covers an extensive range of issues spanning from inter-state wars to migration in the region. Each contribution provides a careful discussion of the four major theoretical approaches to the study of international politics: Realism, Constructivism, Liberalism, and Critical Theory. In turn, the chapters discuss the relevance of each approach to the issue area addressed in the book. The volume offers coverage of the key issues under four thematic sections: - Theoretical Approaches to the Study of the International Relations of South Asia - Traditional and Emerging Security Issues in South Asia - The International Relations of South Asia - Cross-cutting Regional Issues Further, every effort has been made in the chapters to discuss the origins, evolution and future direction of each issue. This book will be of much interest to students of South Asian politics, human security, regional security, and International Relations in general.

UP Police Workshop Staff Recruitment Exam 2024 (English Edition) | 10 Practice Mock Tests (2000 Solved MCQs) with Free Access to Online Tests EduGorilla Community Pvt. Ltd.

The Gig Economy in India explores the topic of gig work in India's digital political economy, and the relationship between key factors such as start-ups, state governments, and platform providers. The book begins by placing the gig economy in context, defining the platform ecosystem and the Indian government's perception of its problems and opportunities. Thomas then examines the critical dimensions of the gig economy in India, from its data infrastructure capabilities, the enabling role of venture capitals and FinTech, to government regulations. Attention is paid to the precarity of gig labour, the vagaries of algorithmic management, and the minimal legal support available for workers. The book also includes chapters on labour resistance and highlights some of the issues related to the ethics of artificial intelligence. Given the limited research on India as a case study, this volume fills a crucial gap in the literature. It will interest scholars in diverse fields such as business management, digital media, and communication studies.

Politics And Governance In Indian States: Bihar, West Bengal And Tripura Disha Publications

[THE MEGA YEARBOOK 2019 - Current Affairs & General Knowledge for Competitive Exams - 4th Edition](#) EduGorilla Community Pvt. Ltd.

This introductory volume studies the challenges faced by the transgender community in India. It traces the history of the representation of the community in Hindu texts to understand the evolution of their status within Indian society. The book looks at various themes such as the concept of establishing identity through the processes of 'coming out' and 'transitioning' and analyses how race, ethnicity, sexual orientation, class, nation, religion, and ability have cross-influenced to shape the transgender experience and trans culture across and beyond the binary. Lucid and topical, the book debunks myths and critiques the stigma and discrimination surrounding the transgender community. It will be an essential read for scholars and researchers of gender studies, queer studies, exclusion and discrimination studies, political science, sociology, social anthropology, and South Asian studies.

Delhi Police Constable Recruitment Exam | 10 Full-length Mock Tests (Solved) Taylor & Francis

How, when, and why has the Pacific been a locus for imagining different futures by those living there as well as passing through? What does that tell us about the distinctiveness or otherwise of this “sea of islands”? Foregrounding the work of leading and emerging scholars of Oceania, Pacific Futures brings together a diverse set of approaches to, and examples of, how futures are being conceived in the region and have been imagined in the past. Individual chapters engage the various and sometimes contested futures yearned for, unrealized, and even lost or forgotten, that are particular to the Pacific as a region, ocean, island network, destination, and home. Contributors recuperate the futures hoped for and dreamed up by a vast array of islanders and outlanders—from Indigenous federalists to Lutheran improvers to Cantonese small business owners—making these histories of the future visible. In so doing, the collection intervenes in debates about globalization in the Pacific—and how the region is acted on by outside forces—and postcolonial debates that emphasize the agency and resistance of Pacific peoples in the context of centuries of colonial endeavor. With a view to the effects of the “slow violence” of climate change, the volume also challenges scholars to think about the conditions of possibility for future-thinking at all in the midst of a global crisis that promises cataclysmic effects for the region. Pacific Futures highlights futures conceived in the context of a modernity coproduced by diverse Pacific peoples, taking resistance to categorization as a starting point rather than a conclusion. With its hospitable approach to thinking about history making and future thinking, one that is open to a wide range of methodological, epistemological, and political interests and commitments, the volume will encourage the writing of new histories of the Pacific and new ways of talking about history in this field, the region, and beyond.

Haryana Police Constable Commando Wing Recruitment Exam | 10 Full-length Mock Tests (Solved 1000+ Questions) Disha Publication Inc

This book develops the idea that since decolonisation, regional patterns of security have become more prominent in international politics. The authors combine an operational theory of regional security with an empirical application across the whole of the international system. Individual chapters cover Africa, the Balkans, CIS Europe, East Asia, EU Europe, the Middle East, North America, South America, and South Asia. The main focus is on the post-Cold War period, but the history of each regional security complex is traced back to its beginnings. By relating the regional dynamics of security to current debates about the global power structure, the authors unfold a distinctive interpretation of post-Cold War international security, avoiding both the extreme oversimplifications of the unipolar view, and the extreme deterritorialisations of many globalist visions of a new world disorder. Their framework brings out the radical diversity of security dynamics in different parts of the world.
