*Reclaiming Relationship in a Technological  
World* Random House

Is it possible to propose a world formed by love and interpreted from a feeling of wonder without falling into the doctrines inherent in the different religious languages?

Meditations Written by Members of  
Nicotine Anonymous HarperCollins

In *The Circle of Fire* (formerly published as *Prayers: A Communion With Our Creator*) Ruiz inspires us to enter into a new and loving relationship with ourselves, with our

fellow humans, and with all of creation. Through a selection of beautiful essays, prayers, and guided meditations, Ruiz prepares our minds for a new way of seeing life, and opens our hearts to find our way back to our birthright: heaven on earth. The result is a life lived in joy, harmony, and contentment. In my teachings, "The Circle of Fire" ceremony celebrates the most important day of our lives: the day when we merge with the fire of our spirit, and return to our own divinity. This is the day when we recover the awareness of what we really are, and make the choice to live in communion with that force of creation we call "Life" or "God." From that day forward, we live with

unconditional love in our hearts for ourselves, for life, for everything in creation. This book, first published in 2001 as "Prayers: A Communion with Our Creator," will remind you of what you really are. It has always been my favorite book, and now in honor of my favorite prayer, it has been appropriately renamed "The Circle of Fire." -- don Miguel Ruiz  
**Be Here Now** Harper Collins  
Bestselling author of *Return to Love* and *Law of Divine Compensation*, Marianne Williamson shows people how to live without fear or worry in *The Gift of Change*. The time in which we now live is more difficult and stressful than people are willing to admit. We live with an

abiding sense of collective anxiety. Williamson shows how we are paralyzed in our current state of fear and anger because we are not facing and dealing with the true causes of our anxieties and fears. Williamson reveals that fear and worry do not need to be the only tools in our tool box for dealing with problems in the world. As we learn to trust God and the love that surrounds us and guides us, we will see that what causes us pain is an opportunity for growth, healing, and miracles that can transform us and our world. Williamson delivers hope and healing as she illuminates ten basic changes that each of us can make as we learn to view the world through the eyes of love instead of fear.

*Enchanted Love* Convergent Books

In this stirring call to arms, the activist, spiritual leader, and New York Times bestselling author of the classic *A Return to Love* confronts the cancerous politics of fear and divisiveness threatening the United States today, urging all spiritually aware Americans to return to—and act out of—our deepest value: love. America's story is one of great social achievement. From the Abolitionists who fought to

outlaw slavery, to the Suffragettes who championed women's right to vote, to the Civil Rights proponents who battled segregation and institutionalized white supremacy, to the proponents of the women's movement and gay rights seeking equality for all, citizens for generations have risen up to fulfill the promise of our nation. Over the course of America's history, these activists have both embodied and enacted the nation's deepest values. Today, America once again is in turmoil. A spiritual cancer of fear threatens to undo the progress we have achieved. Discord and hatred are dissolving our communal bonds and undermining the spirit of social responsibility—the duty we feel toward one another. In this powerful spiritual manifesto, Marianne Williamson offers a tonic for this cultural malignancy. She urges us to imitate the heroes of our past and live out our deepest spiritual commitment: where some have sown hatred, let us now sow love. Williamson argues that we must do more than respond to external political issues. We must address the deeper, internal causes that have led to this current dysfunction.

We need a new, whole-person politics of love that stems not just from the head but from the heart, not just from intellectual understanding but from a genuine affection for one another. By committing to love, we will make a meaningful contribution to the joyful, fierce and disruptive energies that are rising at this critical point in time. In the words of Abraham Lincoln, "we must think anew, and act anew . . . and then we shall save our country."

*The Law of Divine Compensation* Random House Incorporated

Now updated with new material by #1 New York Times bestselling author and 2020 Democratic presidential candidate Marianne Williamson, the twentieth anniversary edition of *Healing the Soul of America* shares her timeless, visionary message of political healing. In the twentieth anniversary edition of *Healing the Soul of America*, Marianne Williamson reclaims her powerful voice for social conscience in American society. This is a time, according to Williamson, for Americans to return once again to our first principles, both politically and spiritually. Here, Williamson draws plans to transform

the American political consciousness and encourage powerful citizen involvement to heal our society. With updated material throughout, Williamson explores the current state of American politics, reminding us of her theory of holistic politics—the convergence of political activists looking toward spiritual wisdom and spiritual contemplatives extending their service into the political landscape. She believes that a morally concerned American must now take an active stand in turning this country away from its current identity as a nation obsessively in love with its money to a nation more seriously invested in all of its children and the potential brilliance of every citizen. “Marianne Williamson...is attempting to...help not only her followers but an entire nation” (People). In the wake of the current political dysphoria, with countless tragedies consistently on the nightly news, America is facing a time of immense division. Political parties that completely polarize friends and family, mass shootings, threats of nuclear war, and a lack of confidence in our governmental leaders show that the country is in desperate need of restoration. We need a

new paradigm of political understanding, a moral commitment to express it, and a new kind of activism to bring it forth. Healing the Soul of America is a blueprint for all three and there has never been a more urgent need.

*The Story of Edgar Cayce* Penguin  
Your guardian angels are continually giving you messages, frequently through signs, such as seeing rainbows, repetitive number sequences, finding coins or feathers, and hearing meaningful songs. In this fascinating book, Doreen Virtue and her son Charles teach you how to understand the signs that are always around you. You'll gain comfort from reading true stories of how angels have answered prayers by giving clear signs revealing their love and protection. You'll also learn how to ask the angels for signs, along with specific prayers for your relationships, career, health, and other vital areas of your life.

**Spiritual Guidance for Living Your Best Life** Simon and Schuster

Because Mommy teaches Emma that God is present in everyone in the world, Emma learns not to be afraid and even asks God to help Peter. Reprint.

*The Age of Miracles* Red Wheel/Weiser  
From activist, spiritual leader, New York Times-bestselling author, and 2020 presidential candidate Marianne Williamson comes a prayer for healing America Prayer is practical, Williamson tells us. “To look to God is to look to the realm of consciousness that can deliver us from the pain of living.” Illuminata delivers prayer into our daily lives with prayers on topics from releasing anger to finding forgiveness, from finding great love to achieving intimacy. There are prayers for couples, for parents, and for children, prayers to mend broken relationships and prayers to overcome obsessive and compulsive love. There are prayers to heal the soul, prayers to heal the body, and prayers for work and creativity. Williamson also gives us prayers for the healing of America, including a prayer of amends on behalf of European Americans to African Americans and one to Native Americans. How, Williamson asks, can we expect anyone to forgive when we have made no formal apology? “Read my prayers or someone else’s,” Williamson says. “By all means, create your own.” Illuminata brings prayer into practical use, creating a

sweeter, more abundant life. “No conventional therapy,” she says, “can release us from a deep and abiding psychic pain. Through prayer we find what we cannot find elsewhere: a peace that is not of this world.”

*A Year of Miracles* Harmony

Marianne Williamson is a bestselling author (*Return to Love, Healing the Soul of America*), a world-renowned teacher, and one of the most important inspirational thinkers of our time. In *The Law of Divine Compensation*, she reveals the spiritual principles that help us overcome financial stress and unleash the divine power of abundance. A guru to anyone interested in spirituality, Williamson's words ring with power and truth as she assures us that, with faith in God's promise of prosperity for all, we need never fear the future.

*The Mystical Power Of Intimate*

*Relationships* Hay House, Inc

Prayer is a powerful force that can lift spirits, guide journeys, and heal the heart. *Illuminated Prayer* is a small volume of spiritual wisdom to bring the power of prayer into our daily lives. Illustrated in the manner of an illuminated manuscript, *Illuminated Prayers* offers a treasured

keepsake of the power and enduring relevance of Williamson's message: Prayer illuminates our souls, and with prayer we can change the world.

*A Politics of Love* Amber-Allen Publishing

A social scientist recreates his search for expanded consciousness, through the psychedelia of LSD to the final calm and inner wisdom of Rajah Yoga

*Twenty-First-Century Judaism* Harper

Collins

From THE AGE OF MIRACLES Sometimes what we appear to have lost is simply something it was time to leave behind. Perhaps our system just lets something go, our having moved through the experience and now needing it no more. A friend of mine was sitting once with two of his best friends, a couple he'd partied long and hard with during the 1960s. At about ten in the evening, the couple's twentysomething daughter came home, saw them on the couch, and admonished them, "You guys are so boring! You never go out!" To which all three responded in unison, "We were out, and now we're in." The mind is its own kind of dance floor. If in fact the highest, most creative work is the work of consciousness, then in slowing

down we're not doing less; we're doing more. Having slowed down physically, we're in a better space to rev up psychically. We are becoming contemplative. We are shifting from the outer to the inner not in order to begin our demise, but to reseed and regreen the consciousness of the planet. And that's what is happening now: We're going slower in order to go deeper, in order to go faster in the direction of urgently needed change in the world. - Marianne Williamson

*God Is in the Crowd* Hay House, Inc

A deeply reflective primer on creating meaningful connections, rebuilding abundant communities, and living in a way that engages our full humanity in an age of unprecedented anxiety and loneliness—from the author of *The Tech-Wise Family* “Andy Crouch shows the path to reclaiming a life that restores the heart of what it means to thrive.”—Arthur C. Brooks, #1 New York Times bestselling author of *From Strength to Strength* Our greatest need is to be recognized—to be seen, loved, and embedded in rich relationships with those around us. But for the last century, we’ve displaced that

need with the ease of technology. We've dreamed of mastery without relationship (what the premodern world called magic) and abundance without dependence (what Jesus called Mammon). Yet even before a pandemic disrupted that quest, we felt threatened and strangely out of place: lonely, anxious, bored amid endless options, oddly disconnected amid infinite connections. In *The Life We're Looking For*, bestselling author Andy Crouch shows how we have been seduced by a false vision of human flourishing—and how each of us can fight back. From the social innovations of the early Christian movement to the efforts of entrepreneurs working to create more humane technology, Crouch shows how we can restore true community and put people first in a world dominated by money, power, and devices. There is a way out of our impersonal world, into a world where knowing and being known are the heartbeat of our days, our households, and our economies. Where our vulnerabilities are seen not as something to be escaped but as the key to our becoming who we were made to be together. Where technology serves us rather than masters us—and helps us

become more human, not less.

**On Work, Money, and Miracles** Amber-Allen Publishing

Presents a compilation of contemporary prayers and meditations for people of all faiths, covering such topics as business, friendship, reconciliation, and anger *Having Hope, Finding Forgiveness, and Making Miracles* Hay House, Inc  
 “This important guidebook shows in detail and with great humor and insight the way to practice the Buddha’s universal teachings here in the West. Jack Kornfield is a wonderful storyteller and a great teacher.”—Thich Nhat Hanh  
 “Jack is helping to pave the path for American Buddhism, bringing essential basics into our crazy modern lives. And the language he uses is as simple and as lovely as our breath.”—Natalie Goldberg  
 Perhaps the most important book yet written on meditation, the process of inner transformation, and the integration of spiritual practice into our American way of life, *A Path with Heart* brings alive one by one the challenges of spiritual living in the modern world. Written by a teacher, psychologist, and meditation master of international renown, this warm, inspiring,

and expert book touches on a wide range of essential issues including many rarely addressed in spiritual books. From compassion, addiction, and psychological and emotional healing, to dealing with problems involving relationships and sexuality, to the creation of a Zen-like simplicity and balance in all facets of life, it speaks to the concerns of many modern spiritual seekers, both those beginning on the path and those with years of experience. *A Path with Heart* is filled with practical techniques, guided meditations, stories, koans, and other gems of wisdom that can help ease your journey through the world. The author’s own profound—and sometimes humorous—experiences and gentle assistance will skillfully guide you through the obstacles and trials of spiritual and contemporary life to bring a clarity of perception and a sense of the sacred into your everyday experience. Reading this book will touch your heart and remind you of the promises inherent in meditation and in a life of the spirit: the blossoming of inner peace, wholeness, and understanding, and the achievement of a happiness that is not dependent on

external conditions. Sure to be a classic, *A Path with Heart* shows us how we can bring our spirituality to flower every day of our lives. It is a wise and gentle guidebook for an odyssey into the soul that enables us to achieve a deeper, more satisfying life in the world.

**Illuminated Prayers** Penguin

The internationally recognized teacher, speaker, and New York Times bestselling author of *A Return to Love* argues that our desire to avoid pain is actually detrimental to our lives, disconnecting us from our deepest emotions and preventing true healing and spiritual transcendence. Marianne Williamson is a bestselling author, world-renowned teacher, and one of the most important spiritual voices of our time. In *Tears to Triumph*, she argues that we—as a culture and as individuals—have learned to avoid facing pain. By doing so, we are neglecting the spiritual work of healing. Instead of allowing ourselves to embrace our hurt, we numb it, medicate it, dismiss it, or otherwise divert our attention so that we never have to face it. In refusing to acknowledge our suffering, we actually prolong it and deny ourselves the

opportunity for profound wisdom—ultimately limiting our personal growth and opportunity for enlightenment. Frozen by denial, we are left standing in the breach. Whole industries profit from this immobility, and while they have grown rich, we have become spiritually poorer. As Marianne makes clear, true healing and transcendence can only come when we finally face our pain and wrestle with what it has to teach us. Written with warm compassion and profound wisdom, *Tears to Triumph* offers us a powerful way forward through the pain, to a deeper awareness of our feelings, our lives, and our true selves.

**Inspiration and Guided Meditations for Living in Love and Happiness**

Simon & Schuster

Esther de Waal's classic guide to Celtic spirituality shows how its rich literary traditions and earthy realism can speak to the toughness and challenges of our own world. Avoiding sentimentality, she presents a spirituality that can be lived with honesty, commitment and truthfulness.

*Miracle Cards* Simon and Schuster

Prayers for when you're suffering, prayers

during a waiting season, prayers for when you seek growth and transformation--organized by occasion and need, *A Prayer for Every Occasion* offers abundant prayer examples to share with others or pray privately. God encourages us to approach Him with confidence. Yet often we don't know what to say. We wonder if we'll pray the "wrong" way--or we simply have no words at all. Including beloved prayers from Scripture as well as historical prayers, this lovely gift book teaches us how to pray with passion and joy. Written for veteran pray-ers as well as for those of us who find prayer intimidating, *A Prayer for Every Occasion* provides an overview of the most common elements found in well-known prayers--including the words of Jesus--to help us find new confidence in our prayer lives. This richly rooted book also includes original prayer prompts and inspiration about why prayer matters. With gentle invitations to rest in God and practical tips on how to pray, *A Prayer for Every Occasion* is an invaluable resource that you will turn to again and again as you draw near to a God who always welcomes you.

*A Return to Prayer* Random House

For so many people, whether your addiction is to a substance or merely to a certain way of thinking or acting, a profound humbling occurs when you realize that your problem is bigger than you are. The terror of realizing, even dimly, that you have no control over a self-destructive pattern of behavior that as much as you would want to, you simply cannot stop can mark a crucial turning point in your life. At that point, you go in one of two directions: either way, way down, or way, way up. . . . This book is for you if you know in your heart that you are an addict, and that you are powerless before your addictive behavior. As the title promises, Marianne Williamson looks at weight loss from a spiritual perspective, bringing you 30 lessons that can be done separately or in conjunction with any other serious spiritual path. These 30 lessons are completely separate from anything related to diet or exercise they will retrain your consciousness in the area of weight in order to break the cycle of overeating, dieting, and shame that rules so many lives. Finally, Marianne has brought you what you've been waiting for: help to heal your addiction once and for all!

**Embracing the New Midlife: Easyread Large Bold Edition** Image

“Enthralling, searching, profound, an extraordinarily powerful work on Jewish identity in the twenty-first century.”—Rabbi Lord Jonathan Sacks A bold proposal for discovering relevance in Judaism and ensuring its survival, from a pioneering social activist, business leader, and fighter pilot in the Israeli Air Force *God Is in the Crowd* is an original and provocative blueprint for Judaism in the twenty-first century. Presented through the lens of Tal Keinan’s unusual personal story, it a sobering analysis of the threat to Jewish continuity. As the Jewish people has become concentrated in just two hubs—America and Israel—it has lost the subtle code of governance that endowed Judaism with dynamism and relevance in the age of Diaspora. This code, as Keinan explains, is derived from Francis Galton’s “wisdom of crowds,” in which a group’s collective intelligence, memory, and even spirituality can be dramatically different from, and often stronger than, that of any individual member’s. He argues that without this code, this ancient people—and the civilization that it

spawned—will soon be extinct. Finally, Keinan puts forward a bold and original plan to rewrite the Jewish code, proposing a new model for Judaism and for community in general. Keinan was born to a secular Jewish family in Florida. His interest in Judaism was ignited by a Christian minister at his New England prep school and led him down the unlikely path to enlistment in the Israel Air Force. Using his own dramatic experiences as a backdrop, and applying lessons from his life as a business leader and social activist, Keinan takes the reader on a riveting adventure, weaving between past, present, and future, and fusing narrative with theory to demonstrate Judaism’s value to humanity and chart its path into the future. Advance praise for *God Is in the Crowd* “Beautifully written, brilliantly argued, this is a unique contribution to the conversation and a must read for anyone concerned with Jewish continuity.”—Yossi Klein Halevi, author of *Letters to My Palestinian Neighbor* “*God Is in the Crowd* blends social science, economics, religion, and national identity to help us see more clearly who we are as individuals, people, and a society.”—Dan Ariely, author of *The*

Upside of Irrationality “American, Israeli, entrepreneur, fighter pilot, and investor: Keinan’s diagnosis of Israel and the Jewish

Diaspora is provided through the lens of a rich and gripping life story. Keinan’s contribution is indispensable to the debate

about the future of the Jewish people.”—Dan Senor, co-author of Start-up Nation
