Pierre is a veteran bartender in a café in the outskirts of Paris. He observes his customers as they come and go – the young man who drinks beer as he reads Primo Levi, the fellow who from time to time strips down and plunges into the nearby Seine, the few regulars who eat and drink there on credit – sizing them up with great accuracy and empathy. Pierre doesn’t look outside more than necessary; he prefers to let the world come to him. Soon, however, the café must close its doors, and Pierre finds himself at a loss. As we follow his stream of thoughts over three days, Pierre’s humanity and profound solitude both emerge. The Waitress Was New is a moving portrait of human anguish and weakness, of understated nobility and strength. Lire est un plaisir describes Dominique Fabre as a "magician of the everyday."

The ideal introduction to the genius of Ernest Hemingway, The Snows of Kilimanjaro and Other Stories contains ten of Hemingway's most acclaimed and popular works of short fiction. Selected from Winner Take Nothing, Men Without Women, and The Fifth Column and the First Forty-Nine Stories, this collection includes “The Killers,” the first of Hemingway's mature stories to be accepted by an American periodical; the autobiographical “Fathers and Sons,” which alludes, for the first time in Hemingway's career, to his father's suicide; “The Short Happy Life of Francis Macomber,” a “brilliant fusion of personal observation, hearsay and invention,” wrote Hemingway's biographer, Carlos Baker; and the title story itself, of which Hemingway said: “I put all the true stuff in,” with enough material, he boasted, to fill four novels. Beautiful in their simplicity, startling in their originality, and unsurpassed in their craftsmanship, the stories in this volume highlight one of America's master storytellers at the top of his form.

Fobbit \ˈfɑ-bīt), noun. Definition: A U.S. soldier stationed at a Forward Operating Base who avoids combat by remaining at the base, esp. during Operation Iraqi Freedom (2003-2011). Pejorative. In the satirical tradition of Catch-22 and M*A*S*H, Fobbit takes us into the chaotic world of Baghdad's Forward Operating Base Triumph. The Forward Operating base, or FOB, is like the back-office of

the battlefield – where people eat and sleep, and where a lot of soldiers have what looks suspiciously like a desk job. Male and female soldiers are trying to find an empty Porta Potty in which to get acquainted, grunts are playing Xbox and watching NASCAR between missions, and a lot of the senior staff are more concerned about getting to the chow hall in time for the Friday night all-you-can-eat seafood special than worrying about little things like military strategy. Darkly humorous and based on the author's own experiences in Iraq, Fobbit is a fantastic debut that shows us a behind-the-scenes portrait of the real Iraq war.

DIVWith an Overview by Paul Smith and a Checklist to Hemingway Criticism, 1975–1990 New Critical Approaches to the Short Stories of Ernest Hemingway is an all-new sequel to Benson’s highly acclaimed 1975 book, which provided the first comprehensive anthology of criticism of Ernest Hemingway’s masterful short stories. Since that time the availability of Hemingway’s papers, coupled with new critical and theoretical approaches, has enlivened and enlarged the field of American literary studies. This companion volume reflects current scholarship and draws together essays that were either published during the past decade or written for this collection. The contributors interpret a variety of individual stories from a number of different critical points of view—from a Lacanian reading of Hemingway’s “After the Storm” to a semiotic analysis of “A Very Short Story” to an historical-biographical analysis of “Old Man at the Bridge.” In identifying the short story as one of Hemingway’s principal thematic and technical tools, this volume reaffirms a focus on the short story as Hemingway’s best work. An overview essay covers Hemingway criticism published since the last volume, and the bibliographical checklist to Hemingway short fiction criticism, which covers 1975 to mid-1989, has doubled in size. New York Times bestselling author of The Wordy Shipmates and contributor to NPR’s This American Life Sarah Vowell embarks on a road trip to sites of political violence, from Washington DC to Alaska, to better understand our nation’s ever-evolving political system and history. Sarah Vowell exposes the glorious conundrums of American history and culture with wit, probity, and an irreverent sense of humor. With Assassination Vacation, she takes us on a road trip like no other—a journey to the pit stops of American political murder and through the myriad ways they have been used for fun and profit, for political and cultural advantage. From Buffalo to Alaska, Washington to the Dry Tortugas, Vowell visits locations immortalized and influenced by the spilling of politically important blood, reporting as she goes with her trademark blend of wisecracking humor, remarkable honesty, and thought-provoking criticism. We learn about the jinx that was Robert Todd Lincoln (present at the assassinations of Presidents Lincoln, Garfield, and McKinley) and witness the politicking that went into the making of the Lincoln Memorial. The resulting narrative is much more than an entertaining and informative travelogue—it is the disturbing and fascinating story of how American death has been manipulated by popular culture, including

literature, architecture, sculpture, and—the author’s favorite—historical tourism. Though the themes of loss and violence are explored and we make detours to see how the Republican Party became the Republican Party, there are all kinds of lighter diversions along the way into the lives of the three residents and their assassins, including mummies, show tunes, mean-spirited totem poles, and a nineteenth-century biblical sex cult.

Excerpt: "Big Two-Hearted River" is a two-part short story written by

American author Ernest Hemingway, published in the 1925 Boni & Liveright edition of *In Our Time*, the first American volume of Hemingway's short stories. It features a single protagonist, Hemingway's recurrent autobiographical character Nick Adams, whose speaking voice is heard just twice. The story explores the destructive qualities of war which is countered by the healing and regenerative powers of nature. When it was published, critics praised Hemingway's sparse writing style and it became an important work in his canon. The story is one of Hemingway's earliest pieces to employ his Iceberg Theory of writing; a modernist approach to prose in which the underlying meaning is hinted at, rather than explicitly stated. "Big Two-Hearted River" is almost exclusively descriptive and intentionally devoid of plot. Hemingway was influenced by the visual innovations of Cezanne's paintings and adapted the painter's idea of presenting background minutiae in lower focus than the main image. In this story, the small details of a fishing trip are explored in great depth, while the landscape setting, and most obviously...

An award-winning journalist's voyage into her family history and her quest to face the storms she encounters there. In *August Gale*, Pulitzer Prize-winning journalist Barbara Walsh—who has interviewed killers, bad cops, and crooked politicians in the course of her career—faces the most challenging story of her lifetime: asking her father about his childhood pain. In the process, she takes us on two heartrending odysseys: one into a deadly Newfoundland hurricane and the lives of schooner fishermen who relied on God and the wind to carry them home; the other, into a squall stirred by a man with many secrets: a grandfather who remained a mystery until long after his death. Sixty-eight years after the hurricane that claimed several of her ancestors, Walsh searches for memories of the August gale and the grandfather who abandoned her dad as a young boy. Together, she and her father journey to Newfoundland to learn about the 1935 storm, and along the way her dad begins to talk about the man he cannot forgive. As she recreates the scenes of the violent hurricane and a small boy's tender past, she holds onto a hidden desire: to heal her father and redeem the grandfather she has never met.

In *Experiencing Fiction*, James Phelan develops a provocative and engaging affirmative answer to the question, "Can we experience narrative fiction in similar ways?" Phelan grounds that answer in two elements of narrative located at the intersection between authorial design and reader response: judgments and progressions. Phelan contends that focusing on the three main kinds of judgment—interpretive, ethical, and aesthetic—and on the principles underlying a narrative's movement from beginning to end reveals the experience of reading fiction to be potentially

sharable. In Part One, Phelan skillfully analyzes progressions and judgments in narratives with a high degree of narrativity: Jane Austen's *Persuasion*, Toni Morrison's *Beloved*, Edith Wharton's "Roman Fever," and Ian McEwan's *Atonement*. In Part Two, Phelan turns his attention to the different relationships between judgments and progressions in hybrid forms—in the lyric narratives of Ernest Hemingway's "A Clean, Well-Lighted Place," Sandra Cisneros's "Woman Hollering Creek," and Robert Frost's "Home Burial," and in the portrait narratives of Alice Munro's "Prue" and Ann Beattie's "Janus." More generally, Phelan moves back and forth between the exploration of theoretical principles and the detailed work of interpretation. As a result, *Experiencing Fiction* combines Phelan's fresh and compelling readings of numerous innovative narratives with his fullest articulation of the rhetorical theory of narrative.

Ernest Hemingway's first new book of fiction since the publication of "A Farewell to Arms" in 1929 contains fourteen stories of varying length. Some of them have appeared in magazines but the majority have not been published before. The characters and backgrounds are widely varied. "A Clean, Well-Lighted Place" is about an old Spanish Beggar. "Homage to Switzerland" concerns various conversations at a Swiss railway-station restaurant. "The Gambler, the Nun, and the Radio" is laid in the accident ward of a hospital in Western United States, and so on. Ernest Hemingway made his literary start as a short-story writer. He has always excelled in that medium, and this volume reveals him at his best.
