## ARNAV SHANIYA

*A Beautiful Funeral: A Novel (Maddox Brothers Book 5)* Jamie McGuire

It is enough to break any man: watching what could have been my future slip away before it was ever in my grasp. The possibility of losing someone I loved before she was even mine is something I never would have imagined--certainly nothing I'd ever wish on anyone. I went to her every day and waited. Waited for the impossible, for a sign, for her to look at me ... hoping sinners are granted miracles, too. Just one glimpse of him was all it took. In the next lane, at a stop light, was the man I would fall in love with and marry. People talk about love that takes time--the kind you fall in to. We were more like a crash and burn. When our lives intertwined, I knew I would never be the same. He was the man I would cherish the rest of my life, who would father my children. In an instant our life together began, and in an instant it would end. The late nights; the excuses; the lies. And in the blink of an eye, it was like we never were. .

*The Shock Doctrine* Jamie McGuire

Orange Is the New Black meets Jennifer Probst's New York Times bestselling Marriage to a Billionaire trilogy, featuring a strong-minded prison tutor who discovers that her sexy bad-boy student is far more than he appears to be. Haunted by nightmares of her father's street murder fifteen years ago, Kat Lane decides to face her fears and uphold his legacy of helping others by teaching inmates at a New York prison. There she meets arrogant Wesley Carter, who's as handsome as he is dangerous, as mysterious as he is quick-witted, and with a reputation that ensures people will

keep their distance. As teacher and student, Kat and Carter are forced to leave their animosities at the door and learn that one should never judge a book by its cover. As Carter's barriers begin to crumble, Kat realizes there's much more to her angry student than she thought, leaving them to face a new, perilous obstacle: their undeniable attraction to one another. When Carter is released and Kat continues to tutor him on the outside, the obstacles mount. Can they fight the odds to make their relationship work? Will Kat's family and friends ever accept her being with someone of his background? And will Kat's discovery of Carter's role on the night her father died force them apart forever...or unite them?

*Beautiful Disaster* John Wiley & Sons

"You know that Abby Abernathy unexpectedly became Mrs. Maddox. But what do you really know? Why did Abby pop the question? What secrets were shared before the ceremony? Where did they spend their wedding night? Who else knew about it . . . and didn't tell? Everything about Abby and Travis's elopement was top-secret . . . until now. Fans of "Beautiful Disaster" and "Walking Disaster" will get all of their questions answered in this whirlwind tale of the wedding day (and night)..."--Provided by publisher.

**Among Monsters: A Red Hill Novella** Atria Books

Losing has never been easy for a Maddox, but death always wins. Eleven years to the day after eloping with Abby in Vegas, Special Agent Travis Maddox delivers his own brand of vigilante justice to mob boss Benny Carlisi. Vegas's oldest and most violent crime family is now preparing for vengeance, and the entire Maddox family is a target. The secret Thomas and Travis have kept for a decade will be revealed to the rest of the family, and for the first time the Maddoxes will be at odds. While none of them are

strangers to loss, the family has grown, and the risk is higher than ever. With brothers against brothers and wives taking sides, each member will make a choice—let the fear tear them apart, or make them stronger.

*Reason to Breathe (The Breathing Series #1)* Jamie McGuire

From #1 New York Times bestselling author Jamie McGuire comes a riveting tale of first love that starts young but runs deep. The first time Elliott Youngblood spots Catherine Calhoun, he's just a boy with a camera, and he's never seen a sadder and more beautiful sight. Both Elliott and Catherine feel like outcasts, yet they find an easy friendship with each other. But when Catherine needs him most, Elliott is forced to leave town. Elliott finally returns, but he and Catherine are now different people. He's a star high school athlete, and she spends all her free time working at her mother's mysterious bed-and-breakfast. Catherine hasn't forgiven Elliott for abandoning her, but he's determined to win back her friendship...and her heart. Just when Catherine is ready to fully trust Elliott, he becomes the prime suspect in a local tragedy. Despite the town's growing suspicions, Catherine clings to her love for Elliott. But a devastating secret that Catherine has buried could destroy whatever chance of happiness they have left.

*A Pound of Flesh* HarperCollins

Can you love someone too much? Travis Maddox learned two things from his mother before she died: Love hard. Fight harder. His life is full of fast women, underground gambling, and violence. But just when he thinks he is invincible, Abby Abernathy brings him to his knees.

**Beautiful Redemption: A Novel** Simon and Schuster

"A highly personal, richly informed and culturally wide-ranging meditation on the loss of meaning in our times and on pathways

to rediscovering it.” —Gabor Maté, MD, author of *In The Realm of Hungry Ghosts: Close Encounters With Addiction* A neuroanthropologist maps out a revolutionary new practice—Hedonic Engineering—that combines the best of neuroscience and optimal psychology. It’s an intensive program of breathing, movement, and sexuality that mends trauma, heightens inspiration and tightens connections—helping us wake up, grow up, and show up for a world that needs us all. This is a book about a big idea. And the idea is this: Slowly over the past few decades, and now suddenly, all at once, we’re suffering from a collapse in Meaning. Fundamentalism and nihilism are filling that vacuum, with consequences that affect us all. In a world that needs us at our best, diseases of despair, tribalism, and disaster fatigue are leaving us at our worst. It’s vital that we regain control of the stories we’re telling because they are shaping the future we’re creating. To do that, we have to remember our deepest inspiration, heal our pain and apathy, and connect to each other like never before. If we can do that, we’ve got a shot at solving the big problems we face. And if we can’t? Well, the dustbin of history has swallowed civilizations older and fancier than ours. This book is divided into three parts. The first, *Choose Your Own Apocalypse*, takes a look at our current Meaning Crisis—where we are today, why it’s so hard to make sense of the world, what might be coming next, and what to do about it. It also makes a case that many of our efforts to cope, whether anxiety and denial, or tribalism and identity politics, are likely making things worse. The middle section, *The Alchemist Cookbook*, applies the creative firm IDEO’s design thinking to the Meaning Crisis. This is where the book gets hands on—taking a look at the strongest evolutionary drivers that can bring about inspiration, healing, and connection. From breathing, to movement, sexuality, music, and substances—these are the everyday tools to help us wake up, grow up, and show up. AKA—how to blow yourself sky high with household materials. And the best part? They’re accessible, by anyone anywhere, no middleman required. Transcendence democratized. The final third of the book, *Ethical Cult Building*, focuses on the tricky nature of putting these kinds of experiences into gear and into culture—because, anytime in the past when we’ve figured out combinations of peak states and deep healing, we’ve almost always ended up with problematic culty communities. Playing with fire has left a lot of people burned. This

section lays out a roadmap for sparking a thousand fires around the world—each one unique and tailored to the needs and values of its participants. Think of it as an open-source toolkit for building ethical culture. In *Recapture the Rapture*, we’re taking radical research out of the extremes and applying it to the mainstream—to the broader social problem of healing, believing, and belonging. It’s providing answers to the questions we face: how to replace blind faith with direct experience, how to move from broken to whole, and how to cure isolation with connection. Said even more plainly, it shows us how to revitalize our bodies, boost our creativity, rekindle our relationships, and answer once and for all the questions of why we are here and what do we do now? In a world that needs the best of us from the rest of us, this is a book that shows us how to get it done.

*The Evolution Of Sin* Taylor & Francis US

Being thirteen has pitfalls of its own, but growing up has never been this hard. Jenna had promised her mother that if the worst happened during her dad’s weekend, they would meet at Red Hill Ranch. When she finds seven words spray-painted on her dad’s wall the morning after a deadly outbreak, she makes a promise to herself: to get to the ranch with her seven-year-old sister, Halle, and to get them both there alive. Among Monsters is the companion novella to *Red Hill*, both exploring from different perspectives what many broken families experience every other weekend: What if your children aren’t with you when the world ends? What would you do to get to them? What would they go through to get to you? For Jenna, seeing her mother again is worth everything. Determined to keep her promise, she is faced with experiences and decisions that force her to leave her childhood behind.

*A Beautiful Wedding* Simon and Schuster

**Beautiful Disaster Signed Limited Edition** Penguin UK

In the old world shadows of Providence, Rhode Island, Nina Grey finds herself the center of a war between Hell and Earth. Struggling with her father’s recent death, Nina meets Jared Ryel by chance...or so she believes. Although his stunning good looks and mysterious talents are a welcome distraction, it soon becomes clear that Jared knows more about Nina than even her friends at Brown University. When questions outnumber answers, Jared risks everything to keep the woman he was born to

save—by sharing the secret he was sworn to protect. When her father’s former associates begin following her in the dark, Nina learns that her father is not the man she thought he was, but a thief who stole from demons. Searching for the truth behind her father’s death, Nina stumbles upon something she never expected—something Hell wants—and only she holds the key.

**Beautiful Disaster** Simon and Schuster

Offers beauty advice for women, including information on body care, nail care, medication, sun protection, health treatments, laser surgery, and face lifts.

*Walking Disaster Signed Limited Edition* Simon and Schuster

New York Times and USA Today bestseller! Fresh out of college, Ellison Edson has fallen through the cracks of rock bottom. While staying in her family’s vacation home in Colorado, her behavior has finally gained the attention of her parents—but not in the way she hoped. Cut off from the millions she’s always taken for granted, and left alone to fend for herself, Ellie spirals further out of control, making a mistake she can’t take back. Like his twin brother Taylor, Tyler Maddox is a member of the Alpine Hotshots, fighting wildland fires on the frontline. As arrogant as he is charming, Tyler’s nomadic lifestyle makes it easy to contain his relationships to one night. When he meets Ellie at a local party during off-season, her extreme personality and dismissive attitude fascinates him at first, but as his feelings deepen, Tyler realizes that the crippling inner demons of the woman he loves might be the strongest enemy any Maddox has ever faced. "Tyler Maddox will steal your heart -- and I promise you'll want to let him keep it." -- Kami Garcia, #1 New York Times, USA Today, and international bestselling coauthor of the *Beautiful Creatures* novels and author of *The Lovely Reckless*

**Providence** Pearson UK

The bestselling author of *No Logo* shows how the global "free market" has exploited crises and shock for three decades, from Chile to Iraq In her groundbreaking reporting, Naomi Klein introduced the term "disaster capitalism." Whether covering Baghdad after the U.S. occupation, Sri Lanka in the wake of the tsunami, or New Orleans post-Katrina, she witnessed something remarkably similar. People still reeling from catastrophe were being hit again, this time with economic "shock treatment," losing their land and homes to rapid-fire corporate makeovers. The *Shock Doctrine* retells the story of the most dominant ideology of

our time, Milton Friedman's free market economic revolution. In contrast to the popular myth of this movement's peaceful global victory, Klein shows how it has exploited moments of shock and extreme violence in order to implement its economic policies in so many parts of the world from Latin America and Eastern Europe to South Africa, Russia, and Iraq. At the core of disaster capitalism is the use of cataclysmic events to advance radical privatization combined with the privatization of the disaster response itself. Klein argues that by capitalizing on crises, created by nature or war, the disaster capitalism complex now exists as a booming new economy, and is the violent culmination of a radical economic project that has been incubating for fifty years.

**Beautiful Oblivion** Simon and Schuster

Read the chilling and completely heartwrenching story of a mother's worst nightmare: her child being stolen -- and what happens when he returns. Six years ago Megan waits at the school gates for her six-year-old son, Daniel. As the playground empties, panic bubbles inside her. Daniel is nowhere to be found. Her darling son is missing. Six years later After years of sleepless nights and endless days of missing her son, Megan finally gets the call she has been dreaming about. Daniel has walked into a police station in a remote town just a few miles away. Megan is overjoyed - her son is finally coming home. She has kept Daniel's room, with his Cookie Monster poster on the wall and a stack of Lego under the bed, in perfect shape to welcome him back. But when he returns, there is something different about Daniel...

According to the police, Daniel was kidnapped by his father. After his dad died in a fire, Daniel was finally able to escape. Desperate to find out the truth, Megan tries to talk to her little boy - but he barely answers her questions. Longing to help him heal, Megan tries everything - his favourite chocolate milkshake, a reunion with his best friend, a present for every birthday missed - but still, Daniel is distant. And as they struggle to connect, Megan begins to suspect that there is more to the story. Soon, she fears that her son is hiding a secret. A secret that could destroy her family...

**Walking Disaster** Simon and Schuster

One woman must decide whether she can trust a complete stranger to protect her and unborn child from the threats of her past in this "touching modern romance" from the author of the #1 New York Times bestseller Beautiful Disaster (Library Journal). Named one of the "Best Romance Books of 2018" by Bookbub! As

Darby Dixon sits in a tiny Texas church bathroom on her wedding day holding a positive pregnancy test, she realizes that marrying her fiance would be the worst decision of her life. She's never been very good at standing up for herself, but she'll sure as hell stand up for her baby. With very little cash and a ton of courage, she flees town to take a new name and start a new life. As a Marine, Scott "Trex" Trexler worked in the most treacherous, corrupt, war-torn places on earth. With his new top-secret security job, he finally has a chance to return to the one place he's felt at peace: Colorado Springs, Colorado. The moment Trex checks in at the hotel where she's working, Darby knows he's dangerous. He may want her to think he's another hotshot firefighter, along with all the others battling the nearby mountain blaze, but something doesn't add up. No way will she get involved with another man she can't fully trust - and Trex clearly isn't telling her everything. As Darby's ex gets closer and closer to finding her, both she and Trex will soon find out that what you don't know really can hurt you. "This love story is raw, brilliant, and gives women hope in the impossible. Nothing is more precious than that." --Audrey Carlan, #1 New York Times bestselling author "Jamie McGuire writes with no holds barred ... real and addictive." --USA Today "Heartfelt emotions, serious social concerns and exceptional character development result in a touching modern romance with inspirational overtones; a sure winner." --Library Journal **Hotel on the Corner of Bitter and Sweet** Delacorte Press

It started with an affair; a seven day long, no-strings-attached holiday affair on the beaches of Mexico. I'm trading in my bohemian artist life in Paris for the grit and glamor of New York City in a bid to reinvent my life for the second time and rejoin my fractured family. But before I jump into the deep end, I take a much needed vacation in Mexico. Where I meet the enigmatic, French billionaire, Sinclair. The last thing I need in my life is another complication. Sinclair is older, more experienced in every way, rich, sophisticated, and taken by another woman. He shouldn't want me. I shouldn't let myself want him. Yet, when he proposes a seven-day holiday affair, I can't resist the temptation. What follows is the most passionate week of my life, and despite my best intentions, he makes it impossible to walk away with my heart intact. The ramifications of that week follow me to New York City where, heartbroken but prepared to distract myself by reuniting with my family, Sinclair turns up in the last place I ever

expected to find him. My mother's kitchen. I'm faced with an impossible choice. Safeguard my reputation, career, and family by sacrificing the only man I've ever loved. Or follow my heart into the cold, dominating hands of the mysterious Frenchman I shouldn't have but crave with every inch of my soul, condemning those I love to misery as a consequence. \*The complete Evolution of Sin Trilogy re-released with bonus content\*

*Until the End of Time* Sristhi Publishers & Distributors

Intense. Dangerous. Addictive. Meet your next obsession... Abby Abernathy doesn't drink or swear and she works hard. Abby believes she has created enough distance between her and the darkness of her past, but when she arrives at college, her dreams of a new beginning are quickly challenged by the university's walking one-night stand. Bad Boy Travis Maddox, handsome, built, and covered in tattoos, is exactly what Abby needs - and wants - to avoid. He spends his nights winning money in a floating fight club, and his days as the notorious college Lothario. A disaster waiting to happen... Intrigued by Abby's resistance to his charms, Travis tricks her into his life with a simple bet. If he loses, he must remain celibate for a month. If Abby loses, she must live in Travis' apartment for the same amount of time. Or the start of something beautiful? Either way, Travis has no idea that he has met his match. Or that this is the start of an obsessive, intense relationship that will lead them both into unimaginable territory...

**Folk Devils and Moral Panics** Jamie McGuire

Now a major motion picture! The "deliciously intense" (USA TODAY) New York Times bestselling phenomenon follows a good girl drawn to a very bad boy... The new Abby Abernathy is a good girl. She doesn't drink or swear and has the appropriate number of cardigans in her wardrobe. With the darkness of her past behind her, she believes her freshman year at college is the start of a new beginning. But then she meets Travis Maddox. Lean, cut, and covered in tattoos, Eastern University's Walking One-Night Stand is exactly what Abby needs to avoid. Intrigued by her resistance to his appeal, Travis tricks her with a simple bet. If he loses, he must remain abstinent for a month. If Abby loses, she must live in his apartment for the same amount of time. Either way, Travis has no idea that he has met his match in this "beautifully sexy, beautifully intense, and beautifully perfect" (Jessica Park, New York Times bestselling author).

*A Beautiful Wedding* Simon and Schuster

Discover how the application of novel multidisciplinary, integrative approaches and technologies are dramatically changing our understanding of the pathogenesis of infectious diseases and their treatments. Each article presents the state of the science, with a strong emphasis on new and emerging medical applications. The Encyclopedia of Infectious Diseases is organized into five parts. The first part examines current threats such as AIDS, malaria, SARS, and influenza. The second part addresses the evolution of pathogens and the relationship between human genetic diversity and the spread of infectious diseases. The next two parts highlight the most promising uses of molecular identification, vector control, satellite detection, surveillance, modeling, and high-throughput technologies. The final part explores specialized topics of current concern, including bioterrorism, world market and infectious diseases, and

antibiotics for public health. Each article is written by one or more leading experts in the field of infectious diseases. These experts place all the latest findings from various disciplines in context, helping readers understand what is currently known, what the next generation of breakthroughs is likely to be, and where more research is needed. Several features facilitate research and deepen readers' understanding of infectious diseases: Illustrations help readers understand the pathogenesis and diagnosis of infectious diseases Lists of Web resources serve as a gateway to important research centers, government agencies, and other sources of information from around the world Information boxes highlight basic principles and specialized terminology International contributions offer perspectives on how infectious diseases are viewed by different cultures A special chapter discusses the representation of infectious diseases in art With its multidisciplinary approach, this encyclopedia helps point

researchers in new promising directions and helps health professionals better understand the nature and treatment of infectious diseases.

[Encyclopedia of Infectious Diseases](#) Jamie McGuire

In the horror show of gods and monsters, Eden Ryel was the star. Conceived of her mother, a Merovingian--a direct descendant of Christ--and her father, the half-human son of a fallen angel, Eden's very existence had prompted The Great War. Prophesied to be the Keeper of the Balance, she struggles to realize her purpose. Levi, the overconfident and charming half-human son of Lucifer takes nothing seriously. Not even when he finally meets the young woman who is destined to end his existence. A common bond is formed under the pressures they face from both sides, but their respective religious texts predict opposite outcomes. Either way, they must choose: war, death, or love.
