<b>CAROLYN BEST</b>	

**Big Magic** John Wiley & Sons  
NEW YORK TIMES BESTSELLER "A riveting book."—The Wall Street Journal "Essential reading."—David Brooks, New York Times From a former marine and Yale Law School graduate, a powerful account of growing up in a poor Rust Belt town that offers a broader, probing look at the struggles of America’s white working class Hillbilly Elegy is a passionate and personal analysis of a culture in crisis—that of white working-class Americans. The decline of this group, a demographic of our country that has been slowly disintegrating over forty years, has been reported on with growing frequency and alarm, but has never before been written about as searingly from the inside. J. D. Vance tells the true story of what a social, regional, and class decline feels like when you were born with it hung around your neck. The Vance family story begins hopefully in postwar America. J. D.’s grandparents were “dirt poor and in love,” and moved north from Kentucky’s Appalachia region to Ohio in the hopes of escaping the dreadful poverty around them. They raised a middle-class family, and eventually their grandchild (the author) would graduate from Yale Law School, a conventional marker of their success in achieving generational upward mobility. But as the family saga of Hillbilly Elegy plays out, we learn that this is only the short, superficial version. Vance’s grandparents, aunt, uncle, sister, and, most of all, his mother, struggled profoundly with the demands of their new middle-class life, and were never able to fully escape the legacy of abuse, alcoholism, poverty, and trauma so characteristic of their part of America. Vance piercingly shows how he himself still carries around the demons of their chaotic family history. A deeply moving memoir with its share of humor and vividly colorful figures, Hillbilly Elegy is the story of how upward mobility really feels. And it is an urgent and troubling meditation on the loss of the American dream for a large segment of this country.

*Priya's Mirror* Turtleback Books

Unmasking the lies behind porn as .just a bit of fun. Big Porn Inc reveals the truths of an industry that trades in violence, crime and degradation.

**The Republic of India** Harper Collins

NEW YORK TIMES BESTSELLER • More than 1 million copies in print! • The authors of No-Drama Discipline and The Yes Brain explain the new science of how a child’s brain is wired and how it matures in this pioneering, practical book. “Simple, smart, and effective solutions to your child’s struggles.”—Harvey Karp, M.D. In this pioneering, practical book, Daniel J. Siegel, neuropsychiatrist and author of the bestselling Mindsight, and parenting expert Tina Payne Bryson offer a revolutionary approach to child rearing with twelve key strategies that foster healthy brain development, leading to calmer, happier children. The authors explain—and make accessible—the new science of how a child’s brain is wired and how it matures. The “upstairs brain,” which makes decisions and balances emotions, is under construction until the mid-twenties. And especially in young children, the right brain and its emotions tend to rule over the logic of the left brain. No wonder kids throw tantrums, fight, or sulk in silence. By applying these discoveries to everyday parenting, you can turn any outburst, argument, or fear into a chance to integrate your child’s brain and foster vital growth. Complete with age-appropriate strategies for dealing with day-to-day struggles and illustrations that will help you explain these concepts to your child, The Whole-Brain Child shows you how to cultivate healthy emotional and intellectual development so that your children can lead balanced, meaningful, and connected lives. “[A] useful child-rearing resource for the entire family . . . The authors include a fair amount of brain science, but they present it for both adult and child audiences.”—Kirkus Reviews “Strategies for getting a youngster to chill out [with] compassion.”—The Washington Post “This erudite, tender, and funny book is filled with fresh ideas based on the latest neuroscience research. I urge all parents who want kind, happy, and emotionally healthy kids to read The Whole-Brain Child. This is my new baby gift.”—Mary Pipher, Ph.D., author of Reviving Ophelia and The Shelter of Each Other “Gives parents and teachers ideas to get all parts of a healthy child’s brain working together.”—Parent to Parent *Whiz Comics #2* Oxford University Press

One of the stars of this year’s highly anticipated action blockbuster takes aim at a shocking solo adventure in SUICIDE SQUAD MOST WANTED: DEADSHOT, from writer Brian Buccellato (THE FLASH) and artist Viktor Bogdanovic (BATMAN: ARKHAM KNIGHT) Ña high-octane thriller that will blow you away! SHOOT TO THRILL! Floyd Lawton is the deadliest marksman in the worldÑbut there are targets even the legendary mercenary known as Deadshot hasn’t been able to hit. As a longtime member of the Suicide Squad, he does the bidding of his ruthless supervisor Amanda Waller, killing whomever she says needs killing before heading back to Belle Reve Penitentiary to reload. And when the Squad saddles him with a new partner, the time to take the safety off has come. Now Deadshot’s on his most personal mission of all: he’s going to kill the parents who made him the manÑand the murdererÑhe is today. But Floyd’s far too valuable an asset to let loose, and the Suicide Squad will stop at nothing to put this lone gunman back in their arsenalÑincluding threaten the one person he truly cares about. Deadshot’s about to learn the hard way that when it comes to weapons, there’s always a bigger gunÉ Collects stories from SUICIDE SQUAD MOST WANTED: DEADSHOT 1-6.

*May the Best Man Win* Springer

Douglas uncovers the underlying reasons for lack of consistency and helps traders overcome the ingrained mental habits that cost them money. He takes on the myths of the market and exposes them one by one teaching traders to look beyond random outcomes, to understand the true realities of risk, and to be comfortable with the "probabilities" of market movement that governs all market speculation.

*Trading in the Zone* Dark Horse Books

The classic guide for dealing with grief and loss. Daily reflections to find solace in our own lives, and comfort in the connection of sharing these meditations with countless others. After the focus on planning and outpouring of love from family and friends in the immediate aftermath following the loss of a loved one, we are left to enter a new version of our lives where someone important is missing. For days, months, years, the pain of the loss can crash in all at once. It is tempting to push that wave of grief back and soldier on with our new lives, but the loss will never lose its controlling power if we don’t find the courage and love to face it. Meditating on the loss, along with the rush of love that comes with it, gives us a chance to rejoice in the life that was shared, and to look forward in which memories of our loved ones continue to bless us. The short, poignant meditations given here follow the course of the year, but it is not a necessity to follow them chronologically. They will strengthen, inspire, and give comfort for as long as they are needed.

*Hillbilly Elegy* DC Comics

This book presents a feminist mapping of the articulation and suppression of female desire in Hindi films, which comprise one of modern India’s most popular cultural narratives. It explores the lineament of evil and the corresponding closure of chastisement or domesticity that appear as necessary conditions for the representation of subversive female desire. The term ‘bad’ is used heuristically, and not as a moral or essential category, to examine some of the iconic disruptive women of Hindi cinema and to uncover the nexus between patriarchy and other hierarchies, such as class, caste and religion in these representations. The twenty-one essays examine the politics of female desire/s from the 1930s to the present day - both through in-depth analyses of single films and by tracing the typologies in multiple films. The essays are divided into five sections indicating the various gendered desires and rebellions that patriarchal society seeks to police, silence and domesticate.

**Spawn #327** Penguin

The instant #1 NEW YORK TIMES Bestseller "A must read for anyone hoping to live a creative life... I dare you not to be inspired to be brave, to be free, and to be curious." —PopSugar From the worldwide bestselling author of Eat Pray Love and City of Girls: the path to the vibrant, fulfilling life you’ve dreamed of. Readers of all ages and walks of life have drawn inspiration and empowerment from Elizabeth Gilbert’s books for years. Now this beloved author digs deep into her own generative process to share her wisdom and unique perspective about creativity. With profound empathy and radiant generosity, she offers potent insights into the mysterious nature of inspiration. She asks us to embrace our curiosity and let go of needless suffering. She shows us how to tackle what we most love, and how to face down what we most fear. She discusses the attitudes, approaches, and habits we need in order to live our most creative lives. Balancing between soulful spirituality and cheerful pragmatism, Gilbert encourages us to uncover the “strange jewels” that are hidden within each of us. Whether we are looking to write a book, make art, find new ways to address challenges in our work, embark on a dream long deferred, or simply infuse our everyday lives with more mindfulness and passion, Big Magic cracks open a world of wonder and joy.

*Big Porn Inc* DC Comics

In this linguistic study of law school education, Mertz shows how law professors employ the Socratic method between teacher and student, forcing the student to shift away from moral and emotional terms in thinking about conflict, toward frameworks of legal authority instead.

**Making Comics** HarperCollins

The war for control of the Dead Zone enters a new phase as a surprising faction emerges, one that threatens to destabilize Spawn's plans to rid the world of the forces of Heaven and Hell.

*Oglaf Book One* Penguin

South Asian Pornographies is the first consolidated volume that explores the relationships between pornography, obscenity, law and desire in South Asia. Focusing on case studies from India, Sri Lanka and Bangladesh while gesturing towards other countries in South Asia, the authors of this volume come from fields as varied as history, literature, media and communication, and the visual arts. The book proposes that as a geo-political location, South Asia has a unique relationship to pornography, given the multiplicity of cultural and legal-censorial regimes that define the obscene and the permissible. South Asian case studies can demonstrate how pornography in the region is often defined in oblique terms, finding reflection in various

modes of popular (and sometimes underground) culture, bypassing legal and censorial constraints. Like questions of identity that can only be answered in the plural (identities rather than identity), this book demonstrates how a range of pornographies constitutes the force field of sexualized media in South Asia. It will be of interest to researchers and advanced students of Communication Studies, Cultural Studies, Film Studies, History, Sociology, and Social and Cultural Anthropology. The chapters in this book were originally published in the journal *Porn Studies*.

[Exploring Indian Modernities](#) Baker Books

The author discusses his ideas and theories and provides instructions on the art of graphic storytelling.

**The Tiger** Archaia

Acclaimed artists Mark Chiarello and Todd Klein demystify these essential steps in traditional graphic storytelling. Chiarello explains the entire coloring process, from computer and software choice to creating color effects that give the action its maximum impact. Klein discusses whether to letter by hand or by computer—a hotly debated topic among working letterers—and demonstrates an array of techniques for creating word balloons, fonts, logos, and much more.

[Justice League \(2018-\) #59](#) Delacorte Press

Yeshua of Nazareth has two sisters: Damaris, married to a wealthy merchant's son, and Pheodora, married to a simple shepherd from Bethlehem.

When Pheodora's husband suffers an unexpected reversal of fortune and is thrown into debtor's prison, she returns to Nazareth, where she pins her hopes on two she-goats who should give birth to spotless white kids that would be perfect for the upcoming Yom Kippur sacrifice. In the eighteen months between the kids' birth and the opportunity to sell them and redeem her husband from prison, Pheodora must call on her wits, her family, and her God in order to provide for her daughters and survive. But when every prayer and ritual she knows is about God's care for Israel, how can she trust that God will hear and help a lowly shepherd's wife?
