The McFarland/Wise: Essentials of Anatomy & Physiology Laboratory Manual is intended for the one-semester A&P Laboratory course, which is often taken by allied health students. It may be used with the Saladin/McFarland: Essentials of Anatomy & Physiology textbook, or as stand-alone essentials of anatomy & physiology manual in conjunction with any one-semester A&P textbook. This full-color manual is designed for students with minimal backgrounds in science who are pursuing careers in allied health fields. It includes 25 exercises that support most areas covered in a one-semester A&P course, allowing instructors the flexibility to choose those exercises best suited to meet their particular instructional goals. Each exercise is based on established Learning Outcomes and contains hands-on activities with the essentials-level student in mind.

Fundamentals of Anatomy and Physiology McGraw-Hill Education Packed with vivid illustrations, best-selling FUNDAMENTALS OF ANATOMY AND PHYSIOLOGY, 4E is written specifically for learners in a one-semester introductory A&P course in the allied health field who have little or no previous knowledge of anatomy and physiology. Known for its clear approach to teaching, the text is widely praised for its ability to break A&P down into very simple, easy to understand language. Content is organized according to body systems and focuses on the body working together to promote homeostasis. Improving both the quality and quantity of text illustrations, the Fourth Edition's new art program brings text concepts to life with new figures throughout. Sir Geoffrey Lloyd presents a cross-disciplinary exploration of the unity and diversity of the human mind. He discusses cultural variations with regard to ideas of colour, emotion, health, the self, agency and causation, reasoning, and other fundamental aspects of human cognition. He draws together scientific, philosophical,

anthropological, and historical arguments in showing how our evident psychic diversity can be reconciled with our shared humanity.
