Music Publishers Journal HarperCollins

In this second edition of *Orchestral "Pops" Music: A Handbook*, Lucy Manning brings forward to the present her remarkable compendium of information about this form of orchestral music. Since the appearance of the first edition in 2008, this work has proven critical to successful "pops" concert programming. With changes in publishers and agents, the discontinuation of certain original material or, worst of all, presses going out of business, music directors, orchestra conductors, and professional instrumentalists face formidable challenges in tracking down accurate information about this vast repertoire. This revised handbook alleviates the time-consuming task of researching these changes by offering a list of works for orchestral "pops" concerts that is comprehensive, informative, and current. Manning's emphasis on clarity and accuracy gives users an indispensable tool for gathering vital information on the style, instrumentation, and availability of the repertoire listed, as well as notes on its performance. The user-friendly appendices include expanded instrumentation choices, easy-to-find durations, and handy title cross-references. In addition to corrections and updates, this new edition of *Orchestral "Pops" Music* includes at least 1,000 new title listings. *Orchestral "Pops" Music: A Handbook* is the ideal tool for working conductors and orchestral librarians, as well as music program directors at colleges, conservatories, and orchestras.

More than any other person, Deke Sharon is responsible for the current success of pop a cappella. Founder of the House Jacks (the original "rock band without instruments"), Deke continues to influence through his work with The Sing-Off, Pitch Perfect, Pitch Perfect 2, and Vocalosity. Combine Deke's expertise with that of directors Ben Spalding and Brody McDonald, add a foreword by Ben Folds, throw in advice from contributors like Peter Hollens, and you have the most comprehensive volume ever created on the subject of contemporary a cappella singing. Sections include: * Setting the Stage * Getting the Band Together * Arranging * Preparing * Technology * Making a Name * and more!

Educational Music Magazine Schott Music

"This book challenges the status quo of the materiality of exhibited photographs, by considering examples from the early to mid-twentieth century, when photography's place in the museum was not only continually questioned, but also continually redefined. By taking this historical approach, Laurie Taylor demonstrates the ways in which materiality (as opposed to image) was used to privilege the exhibited photograph as either an artwork or as non-art information. Consequently, the exhibited photograph is revealed, like its vernacular cousins, to be a social object whose material form, far from being supplemental, is instead integral and essential to the generation of meaning. The book will be of interest to scholars working in art history, history of photography, theory of photography, curatorial studies, and museum studies"--

What choral conductor or soloist has not looked around for new ideas for warming up the voice? Here are 200 suggestions all at once! And these creative exercises do more than just warm up the voice: they help to relax the body, train the ear and develop an awareness of dynamics and rhythm. "Klaus Heizmann's collection is a wonderful new resource of ideas and techniques: practical, varied, challenging, relaxing and stimulating. I am always looking for new ideas, as I like to use a different set of warm-ups at every rehearsal with my choirs, and I tend to choose specific exercises to suit the repertoire for the day. This collection gives us 200 excellent "tools-of-the-trade"; they are clearly labeled, intelligently set out, well-designed and extremely useful." (Simon Carrington, Director of Choral Activities, New England Conservatory since 2001; Director of Choral Activities, The University

of Kansas 1994-2001; Founder and co-director of the King's Singers 1968-1993)

Great Piano Solos: The Christmas Book Hal Leonard

A new book from Benj Pasek and Justin Paul, the award-winning songwriters of the hit Broadway show Dear Evan Hansen. When Benj Pasek and Justin Paul set out to write a pivotal song for Dear Evan Hansen, a musical they had been working on for years, they knew it had to be big and emotional and genuine. So they tapped into their main character's loneliness and allowed him to sing his way out of it. The result was "You Will Be Found," a song that sets in motion a moment that goes viral in the world of the show and in turn helps Evan find connection. And then something happened in the world outside the show: Fans loved the song. It connected. It went viral. People who had never even seen Dear Evan Hansen found the song, and found comfort in its message of hope. This beautifully illustrated edition of the "You Will Be Found" lyrics is for them, and for anyone on the edge of a new chapter in life. It serves as a reminder to anyone who feels lost or uncertain that, as the song says, you are not alone.
