## MATHEWS SHANNON

---

### **The Montessori Method: My First Book of Numbers** Forever

I'm telling you why we broke up, Ed. I'm writing it in this letter, the whole truth of why it happened. Min Green and Ed Slaterton are breaking up, so Min is writing Ed a letter and giving him a box. Inside the box is why they broke up. Two bottle caps, a movie ticket, a folded note, a box of matches, a protractor, books, a toy truck, a pair of ugly earrings, a comb from a motel room, and every other item collected over the course of a giddy, intimate, heartbreaking relationship. Item after item is illustrated and accounted for, and then the box, like a girlfriend, will be dumped.

### **A Novel** Harper Collins

Flannery Culp wants you to know the whole story of her spectacularly awful senior year. Tyrants, perverts, tragic crushes, gossip, cruel jokes, and the hallucinatory effects of absinthe -- Flannery and the seven other friends in the Basic Eight have suffered through it all. But now, on tabloid television, they're calling Flannery a murderer,

which is a total lie. It's true that high school can be so stressful sometimes. And it's true that sometimes a girl just has to kill someone. But Flannery wants you to know that she's not a murderer at all -- she's a murderess.

### **It's Called a Breakup Because It's Broken** Why We Broke Up

One of this generation's hottest and boldest young comedians presents a transgressive and hilarious analysis of all of our dysfunctional relationships, and attempts to point us in the vague direction of sanity. Daniel Sloss's stand-up comedy engages, enrages, offends, unsettles, educates, comforts, and gets audiences roaring with laughter--all at the same time. In his groundbreaking specials, seen on Netflix and HBO, he has brilliantly tackled everything from male toxicity and friendship to love, romance, and marriage--and claims (with the data to back it up) that his on-stage laser-like dissection of relationships has single-handedly caused more than 300 divorces and 120,000 breakups. Now, in his first book, he picks up where his specials left off, and goes after every conceivable kind of relationship--with one's country (Sloss's is Scotland); with America; with lovers, ex-lovers, ex-lovers who you hate, ex-lovers who hate you;

with parents; with best friends (male and female), not-best friends; with children; with siblings; and even with the global pandemic and our own mortality. In *Everyone You Hate Is Going to Die*, every human connection gets the brutally funny (and unfailingly incisive) Sloss treatment as he illuminates the ways in which all of our relationships are fragile and ridiculous and awful--but also valuable and meaningful and important. *The Great American Whatever* Open Road + Grove/Atlantic

Now a Major Motion Picture From the internationally bestselling author of *Measuring the World* and *F*, an eerie and supernatural tale of a writer's emotional collapse A screenwriter, his wife, and their four-year old daughter rent a house in the mountains of Germany, but something isn't right. As he toils on a sequel to his most successful movie, the screenwriter notices that rooms aren't where he remembers them—and finds in his notebook words that are not his own. *Be Here to Love Me at the End of the World* Pan Australia

Jeane Smith's a blogger, a dreamer, a dare-to-dreamer, jumble sale queen, CEO of her own lifestyle brand and has half a million followers on Twitter.

Michael Lee's a star of school, stage and playing field. A golden boy in a Jack Wills hoodie. They have nothing in common but a pair of cheating exes. So why can't they stop snogging?

Why We Broke Up Bloomsbury Publishing USA

"When it comes to dating, I seem to be going around in a circle. The ones I want don't want me, and the ones who want me, I don't want." -Amelia "I don't know, I just think there's too much miscommunication between guys and girls. I mean, no one knows what the fuck is going on. We need to have the

discussion. We need to vent it and get it out in the open," I said, grabbing my drink from the bedside table. \_\_\_\_\_ sat on the edge of the bed and put his shirt back on. "What do you want to know?" "I just want to know what guys are thinking. I mean we have sex and stuff and nothing lasting ever comes of it," I said, taking a cigarette out and lighting it. I knew I shouldn't be smoking in the room, but I was too drunk to care. "I don't think I should say. We don't know everything girls are thinking. I think some things are better left unsaid." "I want to know. I'd prefer shit to be clearer, because I'm always confused," I replied. I could tell he was still a bit sexually frustrated, but he seemed okay to chat. "Go ahead then, ask what you want. I'll try give it to you as straight as I can. But don't hate the messenger,"

\_\_\_\_\_ responded, taking the champagne from my hand and having some. "I won't, promise. So why do guys act so interested and then not get in touch at all? ?" I asked. Excerpt taken from *The Modern Break-Up*.

*Adorkable* Simon and Schuster

Tolstoy wrote that happy families are alike and that each unhappy family is unhappy in a different way. In *Watch Your Mouth*, Daniel Handler takes "different" to a whole new level....

*Beethoven in America* Harper Collins

Sixteen-year-old Min Green writes a letter to Ed Slaterton in which she breaks up with him, documenting their relationship and how items in the accompanying box, from bottle caps to a cookbook, foretell the end.

*Lillian Boxfish Takes a Walk* Read Books Ltd

I'm telling you why we broke up, Ed. I'm writing it in this letter, the whole truth of why it happened. Min Green and Ed Slaterton are breaking up, so Min is

writing Ed a letter and giving him a box. Inside the box is why they broke up. Two bottle caps, a movie ticket, a folded note, a box of matches, a protractor, books, a toy truck, a pair of ugly earrings, a comb from a motel room, and every other item collected over the course of a giddy, intimate, heartbreaking relationship. Item after item is illustrated and accounted for, and then the box, like a girlfriend, will be dumped.

**And Other Comforting Thoughts on Family, Friends, Sex, Love, and More Things That Ruin Your Life**

Clarkson Potter

Min Green and Ed Slaterton have broken up, so Min is writing Ed a letter and giving him a box. Inside the box is why they broke up. A movie ticket from their first date, a comb from the motel room they shared and every other memento collected over the course of a giddy, intimate, heartbreaking relationship. Item after item is illustrated and accounted for, and then the box, like a girlfriend, will be dumped. *Why We Broke Up* is a sincere and moving portrait of first love, first heartbreak and all the firsts in between. Min's smart, sharp, devastatingly honest voice is one of the most memorable in contemporary young adult literature.

*Adverbs* Hachette UK

After becoming a rabbit, Haneru Sato gathers stars at an observatory, sails the sea in a watermelon, tastes the emotions captured in different colors of ice, and more.

*The Smart Girl's Breakup Buddy*

Undercover Publishing House

A humorous but helpful handbook offers survival strategies for women who are getting over Mr. Wrong and struggling to rebuild their lives, covering everything from ending a relationship permanently

to finding a brighter romantic future.

*Girls Standing on the Lawn* Harry N. Abrams

For Macallan and Levi, it was friends at first sight. Everyone says guys and girls can't be just friends, but these two are. They hang out after school, share tons of inside jokes, their families are super close, and Levi even starts dating one of Macallan's friends. They are platonic and happy that way. Eventually they realize they're best friends -- which wouldn't be so bad if they didn't keep getting in each other's way. Guys won't ask Macallan out because they think she's with Levi, and Levi spends too much time joking around with Macallan, and maybe not enough time with his date. They can't help but wonder . . . are they more than friends or are they better off without making it even more complicated? From romantic comedy superstar Elizabeth Eulberg comes a fresh, fun examination of a question for the ages: Can guys and girls ever really be just friends? Or are they always one fight away from not speaking again -- and one kiss away from true love?

*Mr. Eternity* Harper Collins

From the award-winning author of *Five, Six, Seven, Nate!* and *Better Nate Than Ever* comes "a Holden Caulfield for a new generation" (Kirkus Reviews, starred review). Quinn Roberts is a sixteen-year-old smart aleck and Hollywood hopeful whose only worry used to be writing convincing dialogue for the movies he made with his sister Annabeth. Of course, that was all before—before Quinn stopped going to school, before his mom started sleeping on the sofa...and before the car accident that changed everything. Enter: Geoff, Quinn's best friend who insists it's time that Quinn came out—at least from hibernation. One haircut later, Geoff

drags Quinn to his first college party, where instead of nursing his pain, he meets a guy—okay, a hot guy—and falls, hard. What follows is an upside-down week in which Quinn begins imagining his future as a screenplay that might actually have a happily-ever-after ending—if, that is, he can finally step back into the starring role of his own life story.

**A Novel** Harper Collins

A yet heartbreakingly honest, endearing memoir of incredible weight loss by a young food blogger who battles body image issues and overcomes food addiction to find self-acceptance. All her life, Andie Mitchell had eaten lustily and mindlessly. Food was her babysitter, her best friend, her confidant, and it provided a refuge from her fractured family. But when she stepped on the scale on her twentieth birthday and it registered a shocking 268 pounds, she knew she had to change the way she thought about food and herself; that her life was at stake. *It Was Me All Along* takes Andie from working class Boston to the romantic streets of Rome, from morbidly obese to half her size, from seeking comfort in anything that came cream-filled and two-to-a-pack to finding balance in exquisite (but modest) bowls of handmade pasta. This story is about much more than a woman who loves food and abhors her body. It is about someone who made changes when her situation seemed too far gone and how she discovered balance in an off-kilter world. More than anything, though, it is the story of her finding beauty in acceptance and learning to love all parts of herself.

**Watch Your Mouth** Little, Brown Books for Young Readers

Fall 2016 Library Journal Editors' Pick "In my reckless and undiscouraged youth,"

Lillian Boxfish writes, "I worked in a walnut-paneled office thirteen floors above West Thirty-Fifth Street..." She took 1930s New York by storm, working her way up writing copy for R.H. Macy's to become the highest paid advertising woman in the country. It was a job that, she says, "in some ways saved my life, and in other ways ruined it." Now it's the last night of 1984 and Lillian, 85 years old but just as sharp and savvy as ever, is on her way to a party. It's chilly enough out for her mink coat and Manhattan is grittier now—her son keeps warning her about a subway vigilante on the prowl—but the quick-tongued poetess has never been one to scare easily. On a walk that takes her over 10 miles around the city, she meets bartenders, bodega clerks, security guards, criminals, children, parents, and parents-to-be, while reviewing a life of excitement and adversity, passion and heartbreak, illuminating all the ways New York has changed—and has not. A love letter to city life in all its guts and grandeur, *Lillian Boxfish Takes a Walk* by Kathleen Rooney paints a portrait of a remarkable woman across the canvas of a changing America: from the Jazz Age to the onset of the AIDS epidemic; the Great Depression to the birth of hip-hop. Lillian figures she might as well take her time. For now, after all, the night is still young.

**Bottle Grove** Macmillan

In a fading town, far from anyone he knew or trusted, a young Lemony Snicket began his apprenticeship in an organization nobody knows about. He started by asking questions that shouldn't have been on his mind. Now he has written an account that should not be published, in four volumes that shouldn't be read. This is the first volume.

*And the Pursuit of Happiness*

Bloomsbury USA

Examines America's early reception to Beethoven, the use of his work and image in American music, movies, stage works, and other forms of popular culture, and related topics.

*Poison for Breakfast* Liveright Publishing

A razor-sharp tale of two couples, two marriages, a bar, and a San Francisco start-up from a best-selling, award-winning novelist. This is a story about two marriages. Or is it? It begins with a wedding, held in the small San Francisco forest of Bottle Grove--bestowed by a wealthy patron for the public good, back when people did such things. Here is a cross section of lives, a stretch of urban green where ritzy guests, lustful teenagers, drunken revelers, and forest creatures all wait for the sun to go down. The girl in the corner slugging vodka from a cough-syrup bottle is Padgett--she's keeping something secreted in the woods. The couple at the altar are the Nickels--the bride is emphatic about changing her name, as there is plenty about her old life she is ready to forget. Set in San Francisco as the tech-boom is exploding, Bottle Grove is a sexy, skewering dark comedy about two unions--one forged of love and the other of greed--and about the forces that can

drive couples together, into dependence, and then into sinister, even supernatural realms. Add one ominous shape-shifter to the mix, and you get a delightful and strange spectacle: a story of scheming and yearning and foibles and love and what we end up doing for it--and everyone has a secret. Looming over it all is the income disparity between San Francisco's tech community and . . . everyone else.

**A Novel** Sato the Rabbit

Learn about numbers the Montessori way with this line of board books following the world-leading educational approach, THE MONTESSORI METHOD! Montessori education values the development of the whole child--physically, socially, emotionally, cognitively. These books tap into the Montessori Method at home, allowing children to discover and engage with concepts in a holistic way that promotes a drive for knowledge and self-motivation.
