Penguin Readers is an ELT graded reader series. Please note that the eBook edition does NOT include access to the audio edition and digital book. Written for learners of English as a foreign language, each title includes carefully adapted text, new illustrations and language learning exercises. Titles include popular classics, exciting contemporary fiction, and thought-provoking non-fiction, introducing language learners to bestselling authors and compelling content. The eight levels of Penguin Readers follow the Common European Framework of Reference for language learning (CEFR). Exercises at the back of each Reader help language learners to practise grammar, vocabulary, and key exam skills. Before, during and after-reading questions test readers' story comprehension and develop vocabulary. *Pride and Prejudice*, a Level 4 Reader, is A2+ in the CEFR framework. The text is made up of sentences with up to three clauses, introducing more complex uses of present perfect simple, passives, phrasal verbs and simple relative clauses. It is well supported by illustrations, which appear regularly. Elizabeth Bennet, the daughter of an English country gentleman, meets Mr Darcy, a rich man who owns land. At first, Elizabeth hates him and thinks he is proud, but slowly her feelings start to change. Can she fight her own pride and find happiness? Visit the Penguin Readers website Register to access online resources including tests, worksheets and answer keys. Exclusively with the print edition, readers can unlock a digital book and audio edition (not available with the eBook).

"Fierro doesn't just observe, she knows. Like all great novelists, she gives us the world." - Amy Bloom, bestselling author of *Away and Lucky Us* It is the summer of 1992 and a gypsy moth invasion blankets Avalon Island. Ravenous caterpillars disrupt early summer serenity on Avalon, an islet off the coast of Long Island--dropping onto novels left open on picnic blankets, crawling across the T-shirts of children playing games of tag and capture the flag in the island's leafy woods. The caterpillars become a relentless topic of island conversation and the inescapable soundtrack of the season. It is also the summer Leslie Day Marshall—only daughter of Avalon's most prominent family—returns with her husband, a botanist, and their children to live in "The Castle," the island's grandest estate. Leslie's husband Jules is African-American, and their children bi-racial, and islanders from both sides of the tracks form fast and dangerous opinions about the new arrivals. Maddie Pencott LaRosa straddles those tracks: a teen queen with roots in the tony precincts of East Avalon and the crowded working class corner of West Avalon, home to Grudder Aviation factory, the island's bread-and-butter and birthplace of generations of bombers and war machines. Maddie falls in love with Brooks, Leslie's and Jules' son, and that love feels as urgent to Maddie as the questions about the new and deadly cancers showing up across the island. Could Grudder Aviation, the pride of the island—and its patriarch, the Colonel—be to blame? As the gypsy moths burst from cocoons in flocks that seem to eclipse the sun, Maddie's and Brooks' passion for each other grows and she begins planning a life for them off Avalon Island. Vivid with young lovers, gangs of anxious outsiders; a plotting aged matriarch and her husband, a demented military patriarch; and a troubled young boy, each seeking his or her own refuge, escape and revenge, *The Gypsy Moth Summer* is about love, gaps in understanding, and the struggle to connect: within families; among friends; between neighbors and entire generations.

Redefining the Modern spans nearly a century and a half in a series of essays that capture the crucial shifts and transformations marking the change from the Victorian to the Modern period. At the center of the collection is the understanding that literature responds to, as well as initiates, social, intellectual, and sometimes political change. It also recognizes that historical categories, like genres, need to be realigned. The diverse material ranges from Jane Austen's laughter to female detectives and black fiction. It coheres, however, through its focus on the interaction of language and society and the way language and culture maintain a persistent and dynamic exchange. Rather than deny links between one period and another, this collection argues for continuity and development, emphasizing revision and renewal rather than rejection and refusal. No longer do critics accept fierce divides or unbridgeable paths between the work of the Victorians and

moderns. Recent approaches to the period, reflecting gender, cultural studies, and new historicism, provide fresh means of assessment. Central to this reconception is the recognition that if the Victorians invented us, we, in turn, h

Investigating the relationship between ethnic pride and prejudice in the divided community of Cyprus, this book focuses on the ethnic stereotypes that Greek and Turkish Cypriot secondary school students develop of each other and other ethnic groups in Cyprus.

Books in Print Multilingual Matters

This book provides a critical understanding of Europeanization and statebuilding in the Western Balkans, using the notion of everyday practices. This volume argues that it is everyday and mundane events that provide the entry points to showcase a broader set of practices of Europeanization in countries outside the EU. It does this by tracing notions of Europeanization in the everyday statebuilding of Kosovo, Europe Day celebrations in Bosnia and Herzegovina, urban politics in Tirana, and space and place making in Skopje. In doing so, the book shows that everyday events tell us that as much as it is about changing structures, institutions, and economic models, Europeanization is also about changing behaviours and ideas in populations at large. At the same time, the work shows that countries outside the EU use everyday events to perform their belonging to Europe. This book will be of much interest to students of European Studies, Balkan politics, statebuilding, and International Relations generally.

If I Can't Have You Fairleigh Dickinson Univ Press

The testing and assessment of language competence continues to be a much debated issue in foreign language teaching and research. This book is the first one to address the testing of four important dimensions of foreign language education which have been left largely unconsidered: learner autonomy, intercultural competence, literature and literary competence, and the integration of content and language learning. Each area is considered through a theoretical framework, followed by two empirical studies, raising questions of importance to all language teachers: How can one test literary competence? Can intercultural competence be measured? What about the integrated assessment of content-and-language in CLIL and teaching? Is progress in autonomous learning skill gaugeable? The book constitutes essential reading for anyone interested in the testing and assessment of seemingly largely untestable aspects of foreign language competence.

'One of the best books I've ever read' - Ruth Jones 'This is superb . . . and compulsive and disturbing and very well done indeed' - Harriet Tyce, author of *Blood Orange*

_____ If I Can't Have You by Charlotte Levin is an all-consuming novel about loneliness, obsession and how far we go for the ones we love. My name is Constance Little. This is my love story. But this isn't the way it was supposed to end. After fleeing Manchester for London, Constance attempts to put past tragedies behind her and make a fresh start. When she embarks on a relationship with the new doctor at the medical practice where she works, she's convinced she's finally found the love and security she craves. Then he ends it. But if life has taught her anything, it's that if you love someone, you should never let them go. That's why for Constance Little, her obsession is only just beginning . . .

_____ 'An exceptionally raw and visceral and painfully funny novel' - Emma Flint, author of *Little Deaths* 'Brilliant. A perfect and completely terrifying depiction of heartbreak and obsession' - Sarah Powell 'A blackly comic but heartfelt story of love and loneliness, with an endearing and damaged heroine' - Sunday Mirror 'A darkly comic and beautifully written debut novel' - Woman 'Blackly comic, heartrendingly sad - a brilliant debut novel' - Best 'Compulsively readable and darkly funny with pin-sharp characterisation' - Laura Marshall, author of *Friend Request*

Jane Austen the Reader explains Austen's excellence and endurance by showing how her writing developed as a response to the writing of others: as parody, satire, criticism and even, on occasion, homage. Seeing Austen as a critic offers new insights into her creativity, and new interpretations of her novels.

Testing Mexican American Youth Routledge

From 1809 until just before her death, Jane Austen lived in a small, all-female household at Chawton, where reading aloud was the evening's entertainment and a crucial factor in the way Austen formed and modified her writing. This book looks in detail at Jane Austen's style. It discusses her characteristic abstract

vocabulary, her adaptations of Johnsonian syntax and how she came to make her most important contribution to the technique of fiction, free indirect discourse. The book draws extensively on historical sources, especially the work of writers like Johnson, Hugh Blair and Thomas Sheridan, and analyses how Austen negotiated her path between the fundamentally masculine concerns of eighteenth-century prescriptivists and her own situation of a female writer reading her work aloud to a female audience.

A NPR CONCIERGE BEST BOOK OF THE YEAR "Jane fans rejoice! . . . Exceptional storytelling and a true delight." —Helen Simonson, author of the New York Times bestselling novels *Major Pettigrew's Last Stand* and *The Summer Before the War* Mary, the bookish ugly duckling of *Pride and Prejudice*'s five Bennet sisters, emerges from the shadows and transforms into a desired woman with choices of her own. What if Mary Bennet's life took a different path from that laid out for her in *Pride and Prejudice*? What if the frustrated intellectual of the Bennet family, the marginalized middle daughter, the plain girl who takes refuge in her books, eventually found the fulfillment enjoyed by her prettier, more confident sisters? This is the plot of *Janice Hadlow's The Other Bennet Sister*, a debut novel with exactly the affection and authority to satisfy Jane Austen fans. Ultimately, Mary's journey is like that taken by every Austen heroine. She learns that she can only expect joy when she has accepted who she really is. She must throw off the false expectations and wrong ideas that have combined to obscure her true nature and prevented her from what makes her happy. Only when she undergoes this evolution does she have a chance at finding fulfillment; only then does she have the clarity to recognize her partner when he presents himself—and only at that moment is she genuinely worthy of love. Mary's destiny diverges from that of her sisters. It does not involve broad acres or landed gentry. But it does include a man; and, as in all Austen novels, Mary must decide whether he is the truly the one for her. In *The Other Bennet Sister*, Mary is a fully rounded character—complex, conflicted, and often uncertain; but also vulnerable, supremely sympathetic, and ultimately the protagonist of an uncommonly satisfying debut novel.

Most observers who follow nuclear history agree on one major aspect regarding Israel's famous policy of nuclear ambiguity; mainly that it is an exception. More specifically, it is largely accepted that the 1969 Nixon-Meir understanding, which formally established Israel's policy of nuclear ambiguity and transformed it from an undeclared Israeli strategy into a long-lasting undisclosed bilateral agreement, was in fact a singularity, aimed at allowing Washington to turn a blind eye to the existence of an Israeli arsenal. According to conventional wisdom, this nuclear bargain was a foreign policy exception on behalf of Washington, an exception which reflected a relationship growing closer and warmer between the superpower leading the free world and its small Cold War associate. Contrary to the orthodox narrative, this research demonstrates that this was not the case. The 1969 bargain was not, in fact, an exception, but rather the first of three Cold War era deals on nuclear tests brokered by Washington with its Cold War associates, the other two being Pakistan and South Africa. These two deals are not well known and until now were discussed and explored in the literature in a very limited fashion. *Bargaining on Nuclear Tests* places the role of nuclear tests by American associates, as well as Washington's attempts to prevent and delay them, at the heart of a new nuclear history narrative.

With subsections for further reading, comprehensive subject index and a bibliographical

survey, this dictionary of women's biography is an invaluable reference source.

Sense and Sensibility Henry Holt and Company

Recent research findings have challenged the idea that creativity is domain-general. Domain Specificity of Creativity brings together the research information on domain specificity in creativity -- both the research that supports it and answers to research arguments that might seem to challenge it. The implications for domain specificity affect how we move forward with theories of creativity, testing for creativity, and teaching for

creativity. The book outlines what these changes are and how creativity research and applications of that research will change in light of these new findings. Summarizes research regarding domain specificity in creativity Outlines implications of these findings for creativity theory, testing, and teaching Identifies unanswered questions and new research opportunities
