Do It Yourself Cool Springs Press  
Love all of your masonry and concrete projects--knowing that you did them yourself!--with help from our experts. No

projects offer more aesthetic or financial satisfaction than DIY concrete and masonry projects. Homeowners can routinely save thousands of dollars in labor costs by buying and installing materials that are readily available. This updated 4th edition of Black & Decker The Complete Guide to Concrete & Masonry includes traditional techniques for laying concrete, adapted to make them easy for ordinary homeowners, and also features completely modern

materials and techniques, such as tumbled concrete pavers, acid-etching for colored concrete slabs, and important green paving options, such as rain-garden arroyos and permeable pavers. Several cutting-edge projects, like polished concrete countertops and stamped concrete walkways, are included in this book. An exposed aggregate patio, a reinforced concrete block wall, and the latest tools and materials for handling new products are featured. A completely new section on foundation walls shows you all the options, including the latest structural insulated panels, that are now more DIY friendly than ever. No homeowner or do-it-yourselfer will want to miss this chance to master the best methods to create lasting beauty around the house.

*Black & Decker The Complete Photo Guide to Home Repair, 4th Edition* Cool Springs Press

Be inspired by new design and follow the latest codes as you custom build the deck of your dreams! Architecture, building codes, and design are not static; they change constantly. That's why

there's a new edition of the bestselling Black & Decker: The Complete Guide to Decks, incorporating updates to national building codes, as well as new developments in building materials and design. Calling attention to composite deckboards and railings, as well as other PVC products made from recycled plastic, the new materials systems featured in this book are environmentally friendly, easy to work with, rot resistant, and very low maintenance. Whether you opt for manufactured deck products or wood, the success of your project depends upon a sturdy deck undercarriage. Accomplishing this isn't difficult, but building the framework requires that you have the latest information on building codes. In recent years, these codes have

changed significantly, affecting everything from post diameter to allowable joist hangers to railing height and even the size of concrete footings. Black & Decker: The Complete Guide to Decks is the only DIY deck book that's fully updated to conform to the latest codes. Chapters covered in the book include: Deck Planning & Design Deck Materials & Tools Structural Support Decking Stairs Railings Accessories Finishing & Maintaining Your Deck Custom Deck Projects Gallery of Inspiring Decks Black & Decker: The Complete Guide to Decks offers complete step-by-step photos and instructions, so even homeowners with limited DIY experience are assured of a deck that meets their needs. So, don't wait any longer; build the deck of your dreams and start

enjoying it!

*Black & Decker Advanced Home Wiring, 5th Edition* Cool Springs Press

The Complete Guide to Landscape Projects is a hardworking, comprehensive manual for renovating, building, and "greening up" your landscape. Inside you'll find complete directions for time-tested landscape building projects as well as new environmentally sustainable projects. From designing your landscape to putting the finishing touches on an arbor or custom gate, everything you need for landscaping success is right here. Learn how to make and install: compost bins, water management systems, dry beds, rain gardens, efficient irrigation, soil management programs, permeable patios & walkways, reclaimed fences,

and more. You can build a sustainable, low-cost yard with the most efficient, cost-effective methods and products with the help of this book.

Dazzling Upgrades & Hardworking Improvements You Can Do Yourself Cool Springs Press

Confidently tackle--and accomplish--any wall or ceiling project yourself, with our help! Walls and ceilings are vital to the structural integrity and the overall appearance of any home, so they are worth your time and care. Black & Decker The Complete Guide to Walls & Ceilings gives you all the information you need to understand and maintain structural integrity, while reimagining and remodeling visible surfaces to meet your home decor needs. When you decide to remove a wall and open up the

space or create a new wall and a new room, you'll see for yourself how great the impact of walls and ceilings is. All the essentials of framing walls and ceilings are shown with beautiful step-by-step photos in exhaustive detail, including framing window and door openings. You'll also learn the tips and techniques for hanging and finishing drywall on horizontal and vertical surfaces. If you've ever taped and mudded drywall in the past, you'll be amazed to see how much less labor and mess it involves when it's done the correct way. Choosing and applying wallcoverings is also covered in this new book from the experts at BLACK+DECKER, as is the final step in your wall or ceiling project: installing trimwork. Baseboard, crown molding, door and window trim, and much more

are explained with color photos and easy-to-follow instructions.

This book shows dozens of different uses for basement spaces, then shows readers exactly how to accomplish each task. Painstakingly clear photos leave nothing to the imagination, as they teach consumers exactly how to handle modern materials and tools to add an extra bathroom, a family room, bedroom, home office, or game room to their homes. *Projects and Practical Solutions for Converting Basements Into Livable Space* Black & Decker Complete Guide This exciting new 3rd edition of the bestselling title, *Black & Decker Complete Guide to Sheds* has the perfect

plan for anyone who is building his or her own backyard shed. The most popular plans from previous editions are preserved, from small garage-style sheds with overhead doors, to kit sheds, to contemporary utility sheds with a dramatic flair. This new edition delves into new styles that are drawing strong interest today, including tiny sheds, miniature tool sheds, and even small habitable sheds that are designed to function mostly as a quiet retreat for practicing a particular hobby or activity. As with all of the hardworking, practical sheds from earlier editions, the new varieties include full-color step by step photos, complete building plan drawings with cutting lists, and clear how-to instructions. Shed-building, like any other building process, starts with good

techniques. That's why the general skills section has been updated and improved. With this complete guide, you can build just about any shed you dream of. Plus, you'll find information on new tools and products that will make your project go faster and more smoothly. Rounded out with helpful information on important considerations like siting and zoning, *Black & Decker Complete Guide to Sheds 3rd Edition* truly is a complete guide to this very popular DIY activity.

The Complete Guide to Home Plumbing  
Black & Decker Complete Guide  
Everything you need to know about plumbing. Everything. Fresher and more complete than ever, this edition includes new material and revised information and is completely current with the 2006 Universal Plumbing Code. From basic repairs to advanced renovations, this is the only plumbing reference book a homeowner needs. And now, for the first time, Black & Decker The Complete Guide to Plumbing includes a

comprehensive section on working with gas pipe. No other big book of plumbing for DIYers covers this important subject. Also new to this 4th edition is expansive coverage of PEX (cross-linked polyethylene), the bendable supply tubing that's taking over a major portion of the DIY market. And with the current popularity of outdoor kitchens, we've expanded our coverage of outdoor plumbing as well. Now, we'll show you every step of the process to supply and drain an outdoor sink.

[Black & Decker The Complete Guide to Decks 6th Edition](#) Cool Springs Press
