The Model Rules of
Professional Conduct
provides an up-to-date

resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the

courts.

Text, Cases and

Materials

This edition of Importing Into the United States contains material pursuant to the Trade Act of 2002 and the Customs Modernization Act, commonly referred to as the Mod Act. Importing Into the United States provides wide-ranging information about the importing process and import requirements. We have made every effort to include essential requirements, but it is not possible for a book this size to cover all import laws and regulations. Also, this publication does not supersede or modify any provision of those laws and regulations. Legislative and administrative changes are always under consideration and can occur at any

time. Quota limitations on commodities are also subject to change. Therefore, reliance solely on the information in this book may not meet the "reasonable care" standard required of importers.

"To facilitate the location of references in the Harmonized System (HS) Nomenclature or in the Explanatory Notes to any of the products or articles mentioned therein, the Council has published an Index. This Index is an alphabetical list (Column 1) of the articles and products mentioned in the HS and its Explanatory Notes. The references against each article or product listed in Column 1 show: in Column 2, the legal

Section, Chapter or Subheading Note or the heading or subheading in which that article or product is cited; in Column 3, the pages of the Explanatory Notes in which the article or product is mentioned. This publication has been completely revised following the amendments made to the HS on 1 January 2007 and it reflects the update of the Explanatory Notes on 1 February 2007. " -- Editor.
