SHERLYN SCHMITT

Dark Mirror Macmillan

Life and Other Shortcomings is a collection of linked short stories that takes the reader from New Orleans to New York City to Madrid, and from 1970 to the present day. The women in these twelve stories make a number of different choices: some work, others don't; some stay married, some get divorced; others never marry at all. Through each character's intimate journey, specific truths are revealed about what it means to be a woman—in relationship with another person, in a particular culture and era—and how these conditions ultimately affect her relationship with herself. The stories as a whole depict patriarchy, showing what still might be, but certainly what was, for some women in this country before the #MeToo movement. Both a cautionary tale and a captivating window into women's lives, Life and Other Shortcomings is required reading for anyone interested in an honest, incisive, and compelling portrayal of the female experience.

The Mother Mirror Random House Trade Paperbacks

"American Mirror is award-winning photographer Philip Montgomery's dramatic chronicle of the United States at a time of profound change. Through his intimate and powerful reporting and a signature black-and-white style, Montgomery reveals the fault lines in American society, from police violence and the opioid addiction crisis to the COVID-19 pandemic and the demonstrations in support of Black lives"--

The Mirror Test Sourcebooks, Inc.

In the mixed days of happiness and sadness, life and death, an African-American woman guides her children to avoid the pitfalls of their hardship environment and leap over the systematic roadblocks that confine many to juvenile delinquency. This riveting tale of faith and perseverance leads to intrigue when her spiritually inclined and ambitious son, Derrick, attempts to build a civic-minded conglomerate that undercuts the retail and gas prices set by a group of avaricious businessmen led by the narcissistic and callous, Erich Hornsby. Surrounded by fierce opposition that includes people of his race, can Derrick prevail against the powers that be? And if so, how? This God-centered adult/literary novel engages the reader with drama, familial love, romance, suspense, and philosophy.

The evolving technology of the looking glass -- First glimpses : mirrors in seventeenth-century New England -- Looking glass ownership in early America -- Reliable mirrors and troubling visions : nineteenth-century white -- Understandings of sight -- Fashioning whiteness -- Mirrors in black and red -- Epilogue

In the Looking Glass Simon and Schuster

Eric is not racist—or at least he thought he wasn't. That would be tested on the night he went out to celebrate becoming partners with one of the most prestigious law firms in Mississippi. While out with his friends William and Sean, Eric has an encounter with a cabdriver. This leads to one of the most extraordinary events of his life. Follow Eric as he goes through decade after decade of American history with one exception: everything is exactly the same except that the skin tones are reversed. This will be one of the most talked-about books in a long time, along with an ending that will leave you in awe.

Barnum Roberts Rinehart Pub

The famed photographer, film director, writer, and composer recounts the dramatic story of his life, from his poor Kansas origins, through his breaking of racial barriers, to his triumph in America and abroad. Reprint. 12,500 first printing.

Trident K9 Warriors Andrews McMeel Publishing

"In this book, Roberto Saba investigates how the antislavery struggle led Brazil and the United States to cooperate, and how this dynamic collaboration helped establish capitalism and free wage labor as the norm in the Western world. Drawing on overlooked writings from entrepreneurs, scientists, planter, Confederate refugees in Brazil, and journalists, Saba's extensive research reveals that while United States Southerners terrified Brazil with aggressive projects to perpetuate and expand slave labor, reform-minded Brazilians—including slaveholders looked to the American North as a powerful instrument of state- and nation-building. They welcomed advocates from the northern United States who helped them to spread labor-saving machinery, expand large-scale coffee production, advance technical education, diversify economic activities, develop urban centers, and expand transportation infrastructure. Saba shows that the binational collaboration of radical modernizers in the United States and Brazil transformed the political economy of both countries, consolidated wage labor as the dominant production system in the Western hemisphere, and laid the groundwork for the demise of Brazilian slavery and the expansion of American capitalism"--

American Mirror: The Life and Art of Norman Rockwell Macmillan

Mirror to America Penguin

A globetrotting, time-bending, wildly entertaining masterpiece hailed by the New York Times Book Review as "Audaciously well written...the book I was raving about to my friends before I'd even finished it." Publishers Weekly raved that "with near-universal appeal . . . Seay's debut novel is a true delight, a big, beautiful cabinet of wonders that is by turns an ominous modern thriller, a supernatural mystery, and an enchanting historical adventure story." Set in three cities in three eras, The Mirror Thief calls to mind David Mitchell and Umberto Eco in its mix of entertainment and literary bravado. The core story is set in Venice in the sixteenth century, when the famed makers of Venetian glass were perfecting one of the old world's most wondrous inventions: the mirror. An object of glittering yet fearful fascination—was it reflecting simple reality, or something more spiritually revealing?—the Venetian mirrors were state of the art technology, and subject to industrial espionage by desirous sultans and royals world-wide. But for any of the development team to leave the island was a crime punishable by death. One man, however—a world-weary war hero

with nothing to lose—has a scheme he thinks will allow him to outwit the city's terrifying enforcers of the edict, the ominous Council of Ten . . . Meanwhile, in two other Venices—Venice Beach, California, circa 1958, and the Venice casino in Las Vegas, circa today—two other schemers launch similarly dangerous plans to get away with a secret . . . All three stories will weave together into a spell-binding tour-de-force that is impossible to put down—an old-fashioned, stay-up-all-night novel that, in the end, returns the reader to a stunning conclusion in the original Venice . . . and the bedazzled sense of having read a truly original and thrilling work of art.

Life Through the Rear View Mirror Broadway Books

Covering more than one hundred years of American history, Walls and Mirrors examines the ways that continuous immigration from Mexico transformed—and continues to shape—the political, social, and cultural life of the American Southwest. Taking a fresh approach to one of the most divisive political issues of our time, David Gutiérrez explores the ways that nearly a century of steady immigration from Mexico has shaped ethnic politics in California and Texas, the two largest U.S. border states. Drawing on an extensive body of primary and secondary sources, Gutiérrez focuses on the complex ways that their pattern of immigration influenced Mexican Americans' sense of social and cultural identity—and, as a consequence, their politics. He challenges the most cherished American myths about U.S. immigration policy, pointing out that, contrary to rhetoric about "alien invasions," U.S. government and regional business interests have actively recruited Mexican and other foreign workers for over a century, thus helping to establish and perpetuate the flow of immigrants into the United States. In addition, Gutiérrez offers a new interpretation of the debate over assimilation and multiculturalism in American society. Rejecting the notion of the melting pot, he explores the ways that ethnic Mexicans have resisted assimilation and fought to create a cultural space for themselves in distinctive ethnic communities throughout the southwestern United States.

The Mirror and the Palette Vintage

An unbelievably believable story about the afterlife, with documenting photographs from the former publisher of a major metropolitan newspaper. In 2004, Janis Heaphy Durham's husband, Max Besler, died of cancer at age 56. The daughter of a Presbyterian minister, she practiced her faith as she struggled with her loss. Soon she began encountering phenomena unlike anything she'd ever experienced: lights flickering, doors opening and closing, clocks stopping at 12:44, the exact time of Max's death. But then something startling happened that changed Heaphy Durham's life forever. A powdery handprint appeared on her bathroom mirror on the first anniversary of Max's death. This launched Heaphy Durham on a journey that transformed her spiritually and altered her view of reality forever. She interviewed scientists and spiritual practitioners along the way, as she discovered that the veil between this world and the next is thin and it's love that bridges the two worlds.

Utopia Parkway American Mirror: The Life and Art of Norman Rockwell

In this sweeping survey of intellectual and musical history, David C. Paul tells the new story of how the music of American composer Charles Ives (1874–1954) was shaped by shifting conceptions of American identity within and outside of musical culture. Paul focuses on the critics, composers, performers, and scholars whose contributions were most influential in shaping the critical discourse on Ives, many of them marquee names of American musical culture themselves, including Henry Cowell, Aaron Copland, Elliott Carter, and Leonard Bernstein. Paul explores both how Ives positioned his music amid changing philosophical and aesthetic currents and how others interpreted his contributions to American music. Although Ives's initial efforts to find a public in the early twenties attracted a few devotees, the resurgence of interest in the American literary past during the thirties made a concert staple of his "Concord" Sonata, a work dedicated to nineteenth-century transcendentalist writers. Paul shows how Ives was subsequently deployed as an icon of American freedom during the early Cold War period and how he came to be instigated at the head of a line of "American maverick" composers. Paul also examines why a recent cadre of scholars has beset the composer with Gilded Age social anxieties.

A Different Mirror AuthorHouse

Instant #1 International Bestseller "Cue greed, lust, secrets, and serious suspense. Count us in."—theSkimm "An insanelly plotted book...riveting."—The New York Times Book Review Written with the chilling, twisty suspense of *The Wife Between Us* and *Something in the Water*, a seductive thriller about identical twins, greed, lust, secrets, and deadly lies. Twin sisters Iris and Summer are startlingly alike, but beyond what the eye can see lies a darkness that sets them apart. Cynical and insecure, Iris has long been envious of Summer's seemingly never-ending good fortune. When Summer calls Iris to Thailand to help her sail the family yacht to the Seychelles, Iris has secret hopes for what might happen on the journey. But after a disturbing incident in the middle of the Indian Ocean, everything changes. Now Iris has the chance to step into the golden life she's always envied—and get one step closer to the hundred-million-dollar inheritance left by her manipulative father. All Iris would need to do is ensure she's the first of his seven children to fulfill the strange conditions of his will. But Iris soon discovers that her twin was keeping more than one secret, and Iris's life lurches between glamorous dream and paranoid nightmare. In a family in which the winner takes all, whom can she trust? And how far will she go to get the life she's always dreamed about? "Ferociously entertaining. A novel like a triathlon: part evil-twin thriller, part howdunit (or did-she-do-it?), part juicy family drama. Drop Knives Out and Double Indemnity into the blender, shake some Dead Calm over the froth, power it on, and you've got a cocktail like *The Girl in the Mirror*—fresh, flavorful, and utterly intoxicating." —AJ Finn, #1 New York Times bestselling author of *The Woman in the Window*

The Man in the Mirror of the Book W. W. Norton & Company

"The long-awaited biography of the defining illustrator of the twentieth century by a celebrated art critic"--

The Daily Show (The Book) HarperCollins

Five twists on classic fairy tales from five mesmerizing authors—including "Taken in Death," a Lieutenant Eve Dallas story from #1 New York Times bestselling author J. D. Robb. Once upon a time, in a world far removed from the days when fairy tales were new, five bestselling authors spin versions that take the classic stories into a new dimension. You'll recognize Hansel and Gretel, Cinderella, Sleeping Beauty, and other enduring characters, but they'll exist in realms beyond your imagination, where the familiar is transformed into the extraordinary and otherworldly. Find happily ever after with... MIRROR, MIRROR

The distinguished journalist, W. C. Heinz, portrays the personalities and experiences of American soldiers in World War II, boxers, and baseball players

Mirror in the Shrine Simon & Schuster

In *The Mirror of Antiquity*, Caroline Winterer uncovers the lost world of American women's classicism during its glory days from the eighteenth through the nineteenth centuries. Overturning the widely held belief that classical learning and political ideals were relevant only to men, she follows the lives of four generations of American women through their diaries, letters, books, needlework, and drawings, demonstrating how classicism was at the center of their experience as mothers, daughters, and wives. Importantly, she pays equal attention to women from the North and from the South, and to the ways that classicism shaped the lives of black women in slavery and freedom. In a strikingly innovative use of both texts and material culture, Winterer exposes the neoclassical world of furnishings, art, and fashion created in part through networks dominated by elite women. Many of these women were at the center of the national experience. Here readers will find Abigail Adams, teaching her children Latin and signing her letters as Portia, the wife of the Roman senator Brutus; the Massachusetts slave Phillis Wheatley, writing poems in imitation of her favorite books, Alexander Pope's *Iliad* and *Odyssey*; Dolley Madison, giving advice on Greek taste and style to the U.S. Capitol's architect, Benjamin Latrobe; and the abolitionist and feminist Lydia Maria Child, who showed Americans that modern slavery had its roots in the slave societies of Greece and Rome. Thoroughly embedded in the major ideas and events of the time—the American Revolution, slavery and abolitionism, the rise of a consumer society—this original book is a major contribution to American cultural and intellectual history.

A Distant Mirror University of Illinois Press

Written to coincide with a large-scale 60 Minutes feature, an insider's account of the world of elite Navy SEAL military canines traces the author's international search for eligible dog combat unit candidates with whom SEAL handlers eventually forged close bonds and saved countless lives.

American Mirror Univ of California Press

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of *The Daily Show*'s most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, *The Daily Show* has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.
