BURNS JAMAL

The Lemon Table Vintage Canada
From a writer who's on a roll, fourteen stories that range freely through the historical past and contemporary life, touching on longing and love, loss and friendship, and a great many passions in between. It's the strongest collection yet from Julian Barnes. From an imperial capital in the eighteenth century to Garibaldi's adventures in the nineteenth, from the vineyards of Italy to the English seaside in our time, Julian Barnes finds the "stages, transitions, arguments" that define us. A newly divorced real estate

agent can't resist invading his reticent girlfriend's privacy, but the information he finds reveals only his callously shallow curiosity. A couple comes together through an illicit cigarette and a song shared over the din of a Chinese restaurant. A widower revisiting the Scottish island he'd treasured with his wife learns how difficult it is to purge oneself of grief. And throughout, friends gather regularly at dinner parties and perfect the art of cerebral, sometimes bawdy banter about the world passing before them. Whether domestic or extraordinary, each story pulses with the resonance, spark and poignant humor for which Barnes is justly heralded.

A Corpus Stylistic Analysis Vintage

From the Man Booker Prize-winning author of *The Sense of an Ending* and one of Britain's greatest writers: a brilliant collection of essays on the books and authors that have meant the most to him throughout his illustrious career. In these seventeen essays (plus a short story), Julian Barnes examines the British, French and American writers who have shaped his writing, as well as the cross-currents and overlappings of their different cultures. From the deceptiveness of Penelope Fitzgerald to the directness of Hemingway, from Kipling's view of France to the French view of Kipling, from the many translations of *Madame Bovary* to the fabulations of Ford Madox Ford, from the National Treasure status of George Orwell to the

despair of Michel Houellebecq, Julian Barnes considers what fiction is, and what it can do. As he writes, "Novels tell us the most truth about life: what it is, how we live it, what it might be for, how we enjoy and value it, and how we lose it."

Keeping an Eye Open John Wiley & Sons
This monumental novel, divided into four separate books, celebrates the end of an era, the irrevocable destruction of the comfortable, predictable society that vanished during World War I.
The Porcupine Grand Central Publishing
Julian Barnes, author of the Man Booker Prize-winning novel *The Sense of an Ending*, gives us his most powerfully moving book yet, beginning in the nineteenth century and leading seamlessly into an entirely personal account of loss—making *Levels of Life* an immediate classic on the subject of grief. *Levels of Life* is a book about ballooning, photography, love and loss; about putting two things, and two people, together, and about tearing them apart. One of the judges who awarded Barnes the 2011 Booker Prize described him as “an unparalleled magus of the heart.” This book confirms that opinion. “Spare and

beautiful...a book of rare intimacy and honesty about love and grief. To read it is a privilege. To have written it is astonishing.” —Ruth Scurr, *The Times of London* “A remarkable narrative that is as raw in its emotion as it is characteristically elegant in its execution.” —Eileen Battersby, *The Irish Times* This ebook edition includes a reading group guide.
The Sense of an Ending Vintage
An extraordinary collection—hawk-eyed and understanding—from the Man Booker Prize-winning, best-selling author of *The Sense of an Ending* and *Levels of Life*. As Julian Barnes notes: “Flaubert believed that it was impossible to explain one art form in terms of another, and that great paintings required no words of explanation. Braque thought the ideal state would be reached when we said nothing at all in front of a painting . . . But it is a rare picture that stuns, or argues, us into silence. And if one does, it is only a short time before we want to explain and understand the very silence into which we have been plunged.” This is the exact dynamic that informs his new book. In his 1989 novel *A History of the World in 10½ Chapters*, Barnes had a chapter on

Géricault’s *The Raft of the Medusa*, and since then he has written about many great masters of nineteenth- and twentieth-century art, including Delacroix, Manet, Fantin-Latour, Cézanne, Degas, Redon, Bonnard, Vuillard, Vallotton, Braque, Magritte, Oldenburg, Lucian Freud and Howard Hodgkin. The seventeen essays gathered here help trace the arc from Romanticism to Realism and into Modernism; they are adroit, insightful and, above all, a true pleasure to read.

The Wiley Blackwell Companion to Contemporary British and Irish Literature Vintage

From the winner of the 2011 Man Booker Prize for Fiction comes a novel of profound insight and comic flare. Shy, sensible banker Stuart has trouble with women; that is, until a fortuitous singles night, where he meets Gillian, a picture restorer recovering from a destructive affair. Stuart’s best friend Oliver is his complete opposite - a language teacher who ‘talks like a dictionary’, brash and feckless. Soon Stuart and Gillian are married, but it is not long before a tentative friendship between the three evolves into something far different. *Talking it Over* is a brilliant and

intimate account of love's vicissitudes. It begins as a comedy of errors, then slowly darkens and deepens, drawing us compellingly into the quagmires of the heart.

The Only Story Vintage

Barnes's prize-winning novel has charmed readers since its first publication in 1984 - 'A tour de force' Germaine Greer; 'A book to revel in' Joseph Heller; 'A delight' John Fowles; 'An intricate and delightful novel' Graham Greene - and has become a classic. Our narrator is Geoffrey Braithwaite, a retired doctor with a passion for Flaubert. As he leads us on an investigative trip through France and through the past, we are offered a glimpse of the writer who so fascinates him. At the same time the layers of Braithwaite's own past are peeled away to reveal someone infinitely more troubled than he first seemed.

Talking It Over Vintage

"I don't believe in God, but I miss him." So begins Julian Barnes's brilliant new book that is, among many things, a family memoir, an exchange with his brother (a philosopher), a meditation on mortality and the fear of death, a celebration of art,

an argument with and about God, and a homage to the writer Jules Renard. Barnes also draws poignant portraits of the last days of his parents, recalled with great detail, affection and exasperation. Other examples he takes up include writers, "most of them dead and quite a few of them French," as well as some composers, for good measure. The grace with which Barnes weaves together all of these threads makes the experience of reading the book nothing less than exhilarating. Although he cautions us that "this is not my autobiography," the book nonetheless reveals much about Barnes the man and the novelist: how he thinks and how he writes and how he lives. At once deadly serious and dazzlingly playful, *Nothing to Be Frightened Of* is a wise, funny and constantly surprising tour of the human condition.

Talking It Over Simon and Schuster

In this powerfully affecting *Flaubert's Parrot* gives readers a brilliant take on the deceptions that make up the quivering substrata of erotic love. "An interplay of serious thought and dazzling wit. . . . It's moving, it's funny, it's frightening . . . fiction at its best." --New York Times Book

Review.

Flaubert's Parrot Simon and Schuster

Only the author of *Flaubert's Parrot* could give us a novel that is at once a note-perfect rendition of the angsts and attitudes of English adolescence, a giddy comedy of sexual awakening in the 1960s, and a portrait of the accommodations that some of us call "growing up" and others "selling out."

Essays on Art Vintage

Grotesque visionary Sir Jack Pitman has an idea. Since most people are too lazy to travel from landmark to landmark, why not simplify things and create a new England on the Isle of Wight? Unfortunately, his idea is a huge success, and the resulting theme park threatens to supersede the original. Called *England, England*, it has all the elements of "Old England" in one convenient location. Wander into the new Sherwood Forest and you may spot Robin Hood and his now sexually ambiguous Merrie Men. Or take a stroll to see Stonehenge and Anne Hathaway's Cottage, enjoy a ploughman's lunch atop the White Cliffs of Dover, then pop over to see the Royals, now on contract to Sir Jack, in their scaled-down version of

Buckingham Palace. Every detail has been considered: even the postcards come pre-stamped! Julian Barnes' first novel in six years is a ferociously funny examination of the search for authenticity and truth in a fabricated world.

Arthur & George MacMillan

With the same brilliant style and idiosyncratic intelligence that have marked all his novels--and with a bold grasp of intricate political realities--Julian Barnes's ironic glance turns home. Letters from London takes in everything from Lloyd's of London's demise to Maggie's majesty to Salman Rushie's death sentence. Formidably articulate and outrageously funny, Letters from London is international voyeurism at its best--a peek into the British mindset from the vantage point of one of the most erudite and witty British minds.

England, England Vintage Canada

****THE INSTANT #1 NEW YORK TIMES**

BESTSELLER** "An unforgettable—and Hollywood-bound—new thriller... A mix of Hitchcockian suspense, Agatha Christie plotting, and Greek tragedy."

—Entertainment Weekly The Silent Patient is a shocking psychological thriller of a

woman's act of violence against her husband—and of the therapist obsessed with uncovering her motive. Alicia Berenson's life is seemingly perfect. A famous painter married to an in-demand fashion photographer, she lives in a grand house with big windows overlooking a park in one of London's most desirable areas. One evening her husband Gabriel returns home late from a fashion shoot, and Alicia shoots him five times in the face, and then never speaks another word. Alicia's refusal to talk, or give any kind of explanation, turns a domestic tragedy into something far grander, a mystery that captures the public imagination and casts Alicia into notoriety. The price of her art skyrockets, and she, the silent patient, is hidden away from the tabloids and spotlight at the Grove, a secure forensic unit in North London. Theo Faber is a criminal psychotherapist who has waited a long time for the opportunity to work with Alicia. His determination to get her to talk and unravel the mystery of why she shot her husband takes him down a twisting path into his own motivations—a search for the truth that threatens to consume him....

Something to Declare Vintage Canada
Brilliantly imagined and irresistibly readable, *Arthur & George* is a major new novel from Julian Barnes, a wonderful combination of playfulness, pathos and wisdom. Searching for clues, no one would ever guess that the lives of Arthur and George might intersect. Growing up in shabby-genteel nineteenth-century Edinburgh, Arthur is saddled with a dad who is a disgrace and a mum he wishes to protect, and is propelled into a life of action. To his astonishment, his career as a self-made man of letters brings him riches and fame and, in the world at large, he becomes the perfect picture of the honourable English gentlemen. George is irredeemably an outsider, and has no hope of becoming such a picture. Though he's dogged and logical, a vicar's son from rural Staffordshire, he is set apart, and he and his family are targeted in his boyhood by a poison-pen campaign. George finds safe harbour in the reliability of rules, and grows up to become a solicitor, putting his faith in the insulating value of British justice. Then crisis upsets the uneasy equilibrium of both men's lives. Arthur is knocked for a loop by guilt and other

dishonourable emotions. George is put to the sorest test, accused of a horrible crime. And from that point on their lives weave together in the most profound and surprising way, as each man becomes the other's salvation. *Arthur & George* is a masterful novel about low crime and high spirituality, guilt and innocence, identity, nationality and race. Most of all, it's a profound and witty meditation on the fateful differences between what we believe, what we know and what we can prove. George and his father pray together, kneeling side by side on the scrubbed boards. Then George climbs into bed while his father locks the door and turns out the light. As he falls asleep, George sometimes thinks of the floor, and how his soul must be scrubbed just as the boards are scrubbed. Father is not an easy sleeper, and has a tendency to groan and wheeze. Sometimes, in the early morning, when dawn is beginning to show at the edges of the curtains, Father will catechize him. "George, where do you live?" "The Vicarage, Great Wyrley." "And where is that?" "Staffordshire, Father." "And where is that?" "The centre of England." "And what is England, George?" "England is the

beating heart of the Empire, Father." "Good. And what is the blood that flows through the arteries and veins of the Empire to reach even its farthest shore?" "The Church of England." "Good, George." And after a while Father will begin to groan and wheeze again. George watches the outline of the curtain harden. He lies there thinking of arteries and veins making red lines on the map of the world, linking Britain to all the places coloured pink: Australia and India and Canada and islands dotted everywhere. He thinks of blood bubbling through these tubes and emerging in Sydney, Bombay, the St. Lawrence Waterway. Bloodlines, that is a word he has heard somewhere. With the pulse of blood in his ears, he begins to fall asleep again. —excerpt from *Arthur & George*

Staring At The Sun Random House
In his latest novel, Julian Barnes, author of *Talking It Over* and *A History of the World in 10 1/2 Chapters*, trains his laser-bright prose on the collapse of Communism in Eastern Europe. Stoyo Petkanov, the deposed Party leader, is placed on trial for crimes that range from corruption to political murder. Petkanov's guilt -- and

the righteousness of his opponents -- would seem to be self-evident. But, as brilliantly imagined by Barnes, the trial of this cunning and unrepentant dictator illuminates the shadowy frontier between the rusted myths of the Communist past and a capitalist future in which everything is up for grabs.

A New American Journey Vintage Canada
At the start of this fiendishly comic and suspenseful novel, a mild-mannered English academic chuckles as he watches his wife commit adultery. The action takes place before she met him. But lines between film and reality, past and present become terrifyingly blurred in this sad and funny tour de force from the author of *Flaubert's Parrot*.

Julian Barnes from the Margins Vintage
From the Man Booker Prize-winning author of *The Sense of an Ending*—a rich, witty, revelatory tour of Belle Époque Paris, via the remarkable life story of the pioneering surgeon, Samuel Pozzi. In the summer of 1885, three Frenchmen arrived in London for a few days' intellectual shopping: a prince, a count, and a commoner with an Italian name. In time, each of these men would achieve a certain level of renown,

but who were they then and what was the significance of their sojourn to England? Answering these questions, Julian Barnes unfurls the stories of their lives which play out against the backdrop of the Belle Époque in Paris. Our guide through this world is Samuel Pozzi, the society doctor, free-thinker and man of science with a famously complicated private life who was the subject of one of John Singer Sargent's greatest portraits. In this vivid tapestry of people (Henry James, Sarah Bernhardt, Oscar Wilde, Proust, James Whistler, among many others), place, and time, we see not merely an epoch of glamour and pleasure, but, surprisingly, one of violence, prejudice, and nativism—with more parallels to our own age than we might imagine. *The Man in the Red Coat* is, at once, a fresh portrait of the Belle Époque; an illuminating look at the longstanding exchange of ideas between Britain and

France; and a life of a man who lived passionately in the moment but whose ideas and achievements were far ahead of his time.

Parade's End Vintage Canada

BOOKER PRIZE NOMINEE • The literary detective story of a retired doctor who is obsessed with the 19th century French author Flaubert—and with tracking down a stuffed parrot that once inspired him • From the internationally bestselling author of *The Sense of an Ending* Julian Barnes playfully combines a detective story with a character study of its detective, embedded in a brilliant riff on literary genius. A compelling weave of fiction and imaginatively ordered fact, *Flaubert's Parrot* is by turns moving and entertaining, witty and scholarly, and a tour de force of seductive originality.

The Silken Web Talking It Over

It's a hilariously revisionist account of Noah's ark, narrated by a passenger who

doesn't appear in *Genesis*. It's a sneak preview of heaven. It encompasses the stories of a cruise ship hijacked by terrorists and of woodworms tried for blasphemy in sixteenth-century France. It explores the relationship of fact to fabulation and the antagonism between history and love. In short, *A History of the World in 10½ Chapters* is a grandly ambitious and inventive work of fiction, in the traditions of Joyce and Calvino, from the author of the widely acclaimed *Flaubert's Parrot*.

Vintage Canada

Combining the intellectual audacity of *A History of the World in 10 1/2 Chapters* with the francophilia of the acclaimed *Flaubert's Parrot*, Julian Barnes explores the English experience of France over the centuries with dazzling wit and sophistication. This is Barnes's first collection of stories.
