POWER Living Through Roundtables is the third book in the Applied Business Ethics series. Roundtables have been viewed most often as relating to King Arthur and the Knights of the Roundtable. You will discover the actual meaning of the Roundtable, and why it is far more than a round table. You will learn how a Roundtable is the best methodology for networking. Networking skills will enhance your potential for building your business. Specific networking tools are presented in the book to assist you in growing your

business. Utilizing the scientifically-verifiable data you can start through knowing whether your business is really a micro-, small-, medium-, or large-business. Many business owners, especially small business owners, think that they have small-businesses when they really are a micro-business. For people interested in a new profession observe the benefits of the CGE professional designation. CGEs can assist your business to grow.
