Commonwealth Caribbean Business Law McGraw-Hill Education Dynamic Business Law: The Essentials is appropriate for the one-semester Business Law course. It contains the basics of business law but does not get bogged down in the kind of details that are more appropriate in an upper-level law class. The text provides an examination of the basic questions, concepts, and legal rules of business law. Emphasis on the BUSINESS in business law.

Dynamic Business Law: The Essentials emphasizes the tie of legal issues back to the core business curriculum. This will help both students and faculty. Faculty need to know how this is integrated as they are constantly 'defending' the inclusion of this course in the business curriculum. And students need to understand how the concepts tie to their future business careers. Emphasis on TEACHING. Many professors teaching this course are attorneys first and academics second. They do not have a lot of time to prepare or think about how to apply this information effectively for their business students. Dynamic Business Law: The Essentials contains a helpful instructor's manual, particularly for the many adjuncts teaching this course. Emphasis on CRITICAL THINKING. Neil Browne, one of the co-authors of this text, has written a successful text on critical thinking. His framework is included in Dynamic Business Law: The Essentials as well - to help students learn how to frame and reframe a question/issue. Critical thinking questions are also included at the end of each case, to tie in this component even further.

Law for Business and Personal Use Glencoe/McGraw-Hill Business law Business law (or the law of business organisations) is the area of law concerning companies and other business organisations. This includes corporations, partnerships and other associations which usually carry on some form of economic or charitable activity. If you are a law student or you have, or are thinking about, setting up your own business, this textbook will provide you with an essential grounding in company structure and law within Ireland. The structure of business and the legal requirements for partners, directors, shareholders and company secretaries are crucial in order to ensure that companies stay within the law and avoid costly and potentially devastating leadership mistakes. Legal writing in plain English. Law books using plain English which is easy to understand using clear concise plain wording. Welcome to my series of law textbooks for beginners.
