XIMENA JAELYN

Worser Bird Upstairs

"A sexy NHL player, a sassy heroine, and a heartfelt romance that kept me engaged from beginning to end!" — NYT bestseller Mia Sheridan Hockey is my life. And it's a great one. There's an endless line of women, and I get to hang with my best friend Oli. Everything is perfect until she shows up. Oli's twin sister, Flynn—who hates my guts. I don't blame her. I'm part of one of the worst nights of her life. Now she's next door and seeing her every day is slowly killing me. I wonder if we can ever get back to being the friends we used to be. The way she looks at me sometimes...well, let's just say my hockey stick isn't the only thing that's feeling hard these days. But if she finds out the secrets I'm keeping, forgiveness will be the last thing on her mind.

Seeing Science HarperCollins

There are lots of books about discovering or developing a vision for your organization, but this one is about making that vision endure the corrosion of time and complexity--how to make your vision stick. Influential author and pastor Andy Stanley reveals the reasons why leaders' visions often falter, and he

delivers 5 in-depth strategies so that you can dodge the pitfalls: How to state your vision simply. How to cast your vision convincingly. How to repeat your vision regularly. How to celebrate your vision systematically. How to embrace your vision personally. Many of us have good ideas, even great ones. The difficult part is putting them into practice and keeping that vision clear and visible to your organization--whether that's a business or a church--when there are so many things in the day-to-day living of that vision that can distract from it. Making Vision Stick offers valuable, practical tips and case studies. This is a book you'll want to highlight and dog-ear and pass around as you learn how to propel your organization toward the vision God has granted you. Vision is about what could be and should be, but life is about right this minute. The test of a true leader is in keeping that vision on track, day in and day out.

Stories That Stick Stick Boy

To most of us, learning something "the hard way" implies wasted time and effort. Good teaching, we believe, should be creatively tailored to the different learning styles of students and should use strategies that make learning easier. Make It Stick turns fashionable ideas like these on their head. Drawing on recent discoveries in cognitive psychology and

other disciplines, the authors offer concrete techniques for becoming more productive learners. Memory plays a central role in our ability to carry out complex cognitive tasks, such as applying knowledge to problems never before encountered and drawing inferences from facts already known. New insights into how memory is encoded, consolidated, and later retrieved have led to a better understanding of how we learn. Grappling with the impediments that make learning challenging leads both to more complex mastery and better retention of what was learned. Many common study habits and practice routines turn out to be counterproductive. Underlining and highlighting, rereading, cramming, and single-minded repetition of new skills create the illusion of mastery, but gains fade quickly. More complex and durable learning come from self-testing, introducing certain difficulties in practice, waiting to re-study new material until a little forgetting has set in, and interleaving the practice of one skill or topic with another. Speaking most urgently to students, teachers, trainers, and athletes, *Make It Stick* will appeal to all those interested in the challenge of lifelong learning and self-improvement.

Stick Together and Come Back Home
Simon and Schuster

In *Stick Together and Come Back Home*, Patrick Lopez-Aguado examines how what happens inside a prison affects what happens outside of it. Following the experiences of seventy youth and adults as they navigate juvenile justice and penal facilities before finally going back home, he outlines how institutional authorities structure a “carceral social order” that racially and geographically

divides criminalized populations into gang-associated affiliations. These affiliations come to shape one’s exposure to both violence and criminal labeling, and as they spill over the institutional walls they establish how these unfold in high-incarceration neighborhoods as well, revealing the insidious set of consequences that mass incarceration holds for poor communities of color.

Seeing Strangers Scholastic Inc.

Winner of the 2014 Newbery Medal *Holy Unanticipated Occurrences!* A cynic meets an unlikely superhero in a genre-breaking new novel by master storyteller Kate DiCamillo. It begins, as the best superhero stories do, with a tragic accident that has unexpected consequences. The squirrel never saw the vacuum cleaner coming, but self-described cynic Flora Belle Buckman, who has read every issue of the comic book *Terrible Things Can Happen to You!*, is just the right person to step in and save him. What neither can predict is that Ulysses (the squirrel) has been born anew, with powers of strength, flight, and misspelled poetry — and that Flora will be changed too, as she discovers the possibility of hope and the promise of a capacious heart. From #1 New York Times best-selling author Kate DiCamillo comes a laugh-out-loud story filled with eccentric, endearing characters and featuring an exciting new format — a novel interspersed with comic-style graphic sequences and full-page illustrations, all rendered in black-and-white by up-and-coming artist K. G. Campbell.

Making Vision Stick Macmillan

“...*The Stick Chair Book*” is divided into three sections. The first section, “Thinking About Chairs,” introduces you to the world of common stick chairs, plus

the tools and wood to build them. The second section - "Chairmaking Techniques" - covers every process involved in making a chair, from cutting stout legs, to making curved arms with straight wood, to carving the seat. Plus, you'll get a taste for the wide variety of shapes you can use. The chapter on seats shows you how to lay out 14 different seat shapes. The chapter on legs has 16 common forms that can be made with only a couple handplanes. Add those to the 11 different arm shapes, six arm-joinery options, 14 shapes for hands, seven stretcher shapes and 11 combs, and you could make stick chairs your entire life without ever making the same one twice. The final section offers detailed plans for five stick chairs, from a basic Irish armchair to a dramatic Scottish comb-back. These five chair designs are a great jumping-off point for making stick chairs of your own design. Additional chapters in the book cover chair comfort, finishing and sharpening the tools. From the author: "When I first wrote 'The Stick Chair Book' in 2021, I was also fighting cancer. So I hammered out the text with urgency and the desire to record every fragment of information I knew about chairmaking. "To be fair, that's usually how I go about writing all my books. But then I typically take a couple months off, put the manuscript aside, then revisit it with fresh eyes and a sharpened pen. My final revisions remove about 10-20 percent of the original material. The stuff I cut is usually chapters that don't match the tone of the rest of the text. Or I snip sections that aren't as relevant as when I first wrote them. I also smooth out the writing and add bits of information I'd forgotten during the first brain-to-fingers dump. "And that's exactly what I've done for this revised edition. As a result, the

text is 10.1 percent shorter than the first edition. It's more to the point. And it's where the manuscript would have ended up under normal conditions..."-- Publisher's website.

Stick Kid Entangled: Embrace

A bullied 12-year-old boy must find a new normal after his mother has a stroke and his life is turned upside down. William Wyatt Orser, a socially awkward middle schooler, is a wordsmith who, much to his annoyance, acquired the ironically ungrammatical nickname of "Worser" so long ago that few people at school know to call him anything else. Worser grew up with his mom, a professor of rhetoric and an introvert just like him, in a comfortable routine that involved reading aloud in the evenings, criticizing the grammar of others, ignoring the shabby mess of their house, and suffering the bare minimum of social interactions with others. But recently all that has changed. His mom had a stroke that left her nonverbal, and his Aunt Iris has moved in with her cats, art projects, loud music, and even louder clothes. Home for Worser is no longer a refuge from the unsympathetic world at school that it has been all his life. Feeling lost, lonely, and overwhelmed, Worser searches for a new sanctuary and ends up finding the Literary Club--a group of kids from school who share his love of words and meet in a used bookstore--something he never dreamed existed outside of his home. Even more surprising to Worser is that the key to making friends is sharing the thing he holds dearest: his Masterwork, the epic word notebook that he has been adding entries to for years. But relationships can be precarious, and it is up to Worser to turn the page in his own story to make something that endures so that he is no longer seen as Worser and earns a new

nickname, Worder. A New York Times Best Children's Book of the Year A Kirkus Reviews Best Book of the Year A Booklist Editors' Choice Selection

Seeing with the Hands Penguin

Don't Throw Away Your Stick Till You Cross the River Penguin

For young adults and people who want help achieving their goals, Wes's advice based on his life experiences as the "Godfather of Canadian Hip Hop" will guide them on the right path. As someone who has experienced the highs and lows that come with being a performer, Wes "Maestro" Williams has had to overcome many challenges in his life. These are also the same challenges that we all face on the way to where we want to be, and Wes's practical and empowering strategies will help you get there. Sometimes these obstacles come from within, whether it's a fear of failure or low self-esteem. Sometimes they come from your circumstances; perhaps there are people around you who are keeping you down or "in your place," even if they don't mean to. In *Stick to Your Vision*, Wes shows you how to define your vision, how to achieve it, and what to do once you're there. He offers useful tips and advice, as well as inspirational stories and quotes, and exercises that will keep you moving towards your own vision. From the Hardcover edition.

NAMED ONE OF CRIMEREADS' MOST ANTICIPATED CRIME NOVELS OF 2022

NAMED TO THE MOST ANTICIPATED ADULT FICTION OF 2022 BY LGBTQ

READS NAMED BEST BOOKS OF THE YEAR, NOTABLE SELECTION,

CRIMEREADS A stylish novel of obsession and social satire set in a world where sex is just a swipe away. Life is going well for Greg Kelly. He's married to the handsome and kind Cristian, a Spanish-born artist who is also a talented cook.

Greg's work as a translator for an IT startup allows them to live comfortably in a stylish Bushwick two bedroom and enjoy just about all NYC has to

offer—including sleeping with other men, since Greg and Cristian’s marriage has been open for the past few years. This arrangement has been particularly appealing to Greg and his exceptional sexual appetite. Now approaching their mid-thirties, fatherhood calls and they enlist a friend to act as surrogate. In order to focus on building a family, Greg and Cristian decide to close up the marriage when the baby arrives. Greg is going to miss his hookups, but at least he has the summer for one last hurrah. He methodically plans his hookups via Grindr and Tinder, carefully coordinates train routes for quick lunchtime hookups, and scouts potential candidates anywhere, anytime, like an old time Hollywood casting director. As their baby’s due date draws closer, anxiety sets in over Greg’s impending parental responsibilities, the loss of his sexual freedom, and even his marriage to Cristian. But before he can sort out his feelings, a spurned hook-up reappears—Russell, an arrogant tv producer, who had wanted a relationship with Greg. And the problem is, Russell just won’t go away, infiltrating himself into Greg’s life in the worst ways possible, threatening his marriage and sanity. Greg is left asking, what does it mean to find happiness but still crave more?

Daddies and Daughters Stick Together
Penguin Random House New Zealand Limited

Vincent Beach has crossed many rivers, beginning in 1944 when he left his rural Jamaican home and enlisted in the Royal Air Force. He dreamed of becoming a jazz musician and without any musical background, bought an old clarinet and began to practice. He emigrated to the United States and, with little education and even less money, joined the United

States Air Force and completed a 22-year career as a military bandsman. In his autobiography Vincent shares the intimate details of his inspiring life. An ordinary man by his own description he has experienced a lot—from war, to racism, to love found, lost, and rediscovered, to the birth of his children, and the tragic deaths of two of them from Lupus. Vincent’s heartwarming story will engender hope and optimism in readers everywhere. Book jacket.

Make It Stick Chronicle Books

"Terheyden's narration makes the characters come alive. A truly delightful addition to any collection." - School Library Journal

Pick-up Sticks Candlewick Press
Perfect for fans of Big Nate, Diary of a Wimpy Kid, and the previous Stick Dog books, Tom Watson’s hilarious series continues with Stick Dog Crashes a Party—a festive adventure complete with cake, ribs, fireworks, and very special guests! IT’S TIME TO PARTY—STICK DOG STYLE! Stick Dog and his hungry pals have found plenty of tasty treats at Picasso Park before. But it’s never looked like it does on this dark, dark night. Strings of white lights, colorful fireworks, and an endless buffet of amazing food have transformed the park into a food-snatching wonderland. There’s a party going on, and Stick Dog, Mutt, Poo-Poo, Stripes, and Karen are ready to crash it. But how will they do it? It will take a top-notch strategy, some good luck, and a little help from two charming cats to complete their mission. It’s another smart, hilarious romp for Stick Dog and his team of strays. Other favorites in the series include Stick Dog Wants a Hot Dog, Stick Dog Chases a Pizza, and many more!

Stick With Me Harper Collins

What if every successful start-up

followed a predictable pattern, and by knowing that pattern ahead of time, you could be more successful? In *The Hockey Stick Principles*, business consultant Bobby Martin shares his study of more than 100 new businesses, from Lending Tree to Under Armour to iContact, to show that every one of them has had a "hockey stick" growth history, starting with a tinkering period, moving through the daunting "blade years" before finally making it to the crucial inflection point that precedes surging growth. In this simple but incredibly helpful book, Martin takes us through each of those four stages of the hockey stick pattern, giving us a road map that will help any entrepreneur navigate the inevitable ups and downs of their business's early years.

As We Speak Polis Books

From an illustrator for San Francisco's Exploratorium, a visual journey that shows how beautiful science really is. With original illustrations that deftly explain the strange-but-true world of science, *Seeing Science* offers a curated ride through the great mysteries of the universe. Artist and lay scientist Iris Gottlieb explains among other things: neap tides, naked mole rats, whale falls, the human heart, the Uncertainty Principle, the ten dimensions of string theory, and how glaciers are like Snickers bars. With quirky visual metaphors and concise factual explanations, she offers just the right amount of information to stoke the curious mind with a desire to know more about the life forces that animate both the smallest cell and the biggest black hole. *Seeing Science* illustrates, explicates, and celebrates the marvels of science as only art can.

Anansi and the Magic Stick HarperCollins
For college sophomore Mitch Greyson,

determination and persistence are the name of the game if he wants to make it as a professional hockey player. A busy schedule of practices, games, classes, homework, two part-time jobs--and now, working with a tutor to help him pass the class he's failing so that he can keep his scholarship--shouldn't leave him with enough time to flirt with the NHL player in town. But that doesn't stop him. Placed on the injured reserve list until his broken arm heals, NHL defenseman Alex Dean is using the time off to be with his ailing grandfather and get a head start on the book he's been commissioned to write. He doesn't expect to get roped into a tutoring gig, especially not for cocky, smart-ass Mitch. But Alex soon discovers that there's more to Mitch than meets the eye...and he really likes what he sees. Only Alex doesn't dare risk his NHL career by coming out, and a relationship between them would jeopardize Mitch's chances with the organization too. It looks impossible. Then again, the best things usually do...

The Seeing Stick HarperCollins

A collection of the second half of the mega-popular webcomic series of the same name, *Check, Please!: Sticks and Scones* is the last in Ngozi Ukazu's hilarious and stirring two-volume coming-of-age story about hockey, bros, and trying to find yourself during the best four years of your life. Perfect for fans of the hit series *Heartstopper*! Eric Bittle is heading into his junior year at Samwell University, and not only does he have new teammates—he has a brand new boyfriend! Bitty and Jack must navigate their new, secret, long-distance relationship, and decide how to reveal their relationship to friends and teammates. And on top of that, Bitty's time at Samwell is quickly coming to an end...It's two full hockey seasons packed

with big wins and high stakes!
