THE NEW YORK TIMES BEST-SELLER Put simply, it's time for a national update on college fraternities. Greek life today makes Animal House look like a Pixar movie. The amount of alcohol that is being consumed, promiscuous sex that is being enjoyed, and intense drug-induced raging that is taking place on campuses across the country has quietly reached ridiculous new heights. Written with the goal of being the most fun you've ever had reading a book, TOTAL FRAT MOVE pulls back the curtain on this world of hard-partying American decadence. The stories are unabashed. They are hilarious. And they are going to blow you away. You're welcome, world.

WINNER OF THE RBC TAYLOR PRIZE "Every day on a bike trip is like the one before--but it is also completely different, or perhaps you are different, woken up in new ways by the mile." As a teenager, Kate Harris realized that the career she most craved--that of a generalist explorer, equal parts swashbuckler and philosopher--had gone extinct. From her small-town home in Ontario, it seemed as if Marco Polo, Magellan and their like had long ago mapped the whole earth. So she vowed to become a scientist and go to Mars. To pass the time before she could launch into outer space, Kate set off by bicycle down a short section of the fabled Silk Road with her childhood friend Mel Yule, then settled down to study at Oxford and MIT. Eventually the truth dawned on her: an explorer, in any day and age, is by definition

the kind of person who refuses to live between the lines. And Harris had soared most fully out of bounds right here on Earth, travelling a bygone trading route on her bicycle. So she quit the laboratory and hit the Silk Road again with Mel, this time determined to bike it from the beginning to end. Like Rebecca Solnit and Pico Iyer before her, Kate Harris offers a travel narrative at once exuberant and meditative, wry and rapturous. Weaving adventure and deep reflection with the history of science and exploration, *Lands of Lost Borders* explores the nature of limits and the wildness of a world that, like the self and like the stars, can never be fully mapped.

His best friend's sister is rocking his boat. In the best way possible. Brody What's a bad boy doing hosting a book club on his boat? Excellent question. All I can tell you is, it's not going well. The only way to dig myself out of this hole is to redeem myself by offering the best girls' nights out in town. Enter my best friend's sister. I've gone out of my way to avoid Rachel, since despite her good-girl rep, I can't seem to get her out of my head. Now she's in my boat... and if I don't watch myself, soon she'll be in my bed. Things are going surprisingly well between us... but I know myself, and I'm not this guy. I'm the guy you want for fantasy fulfillment, not the guy you want for forever. When does becoming part of the team go too far? For decades, young men and women endured degrading and dangerous rituals in order to join sororities and fraternities while college administrators blindly accepted their consequences. In recent years, these practices have spilled over into the mainstream, polluting military organizations, sports teams, and even secondary schools. In *Destroying Young Lives: Hazing in Schools and the Military*, Hank Nuwer assembles an extraordinary cast of analysts to catalog the evolution of this dangerous practice, from the first hazing death at Cornell University in 1863 to present day tragedies. This hard-hitting compilation addresses the numerous, significant, and often overlooked impacts of hazing, including

including sexual exploitation, mental distress, depression, and even suicide. *Destroying Young Lives* is a compelling look at how universities, the military, and other social groups can learn from past mistakes and protect their members going forward.

SHORTLISTED for the 2011 Man Booker Prize for Fiction An intense psychological drama that echoes sophisticated entertainments like *Gorky Park* and *The Talented Mr. Ripley*. Nick Platt is a British lawyer working in Moscow in the early 2000s—a place where the cascade of oil money, the tightening grip of the government, the jostling of the oligarchs, and the loosening of Soviet social mores have led to a culture where corruption, decadence, violence, and betrayal define everyday life. Nick doesn't ask too many questions about the shady deals he works on—he's too busy enjoying the exotic, surreally sinful nightlife Moscow has to offer. One day in the subway, he rescues two willowy sisters, Masha and Katya, from a would-be purse snatcher. Soon Nick, the seductive Masha, and long-limbed Katya are cruising the seamy glamour spots of the city. Nick begins to feel something for Masha that he is pleased to think is love. Then the sisters ask Nick to help their aged aunt, Tatiana, find a new apartment. Of course, nothing is as it seems—including this extraordinary debut novel. The twists in the story take it far beyond its noirish frame—the sordid and vivid portrayal of Moscow serves as a backdrop for a book that examines the irresistible allure of sin, featuring characters whose hearts are as cold as the Russian winter.

In this hysterical follow-up to the New York Times bestseller *White Girl Problems*, Babe Walker travels the globe as she tries to figure out the answer to the question foremost on everyone’s mind—including hers: Who is Babe Walker? If you’re one of the hundreds of thousands who devoured Babe Walker’s New York Times bestselling novel *White Girl Problems* or one of the million people who read her blog or follow her on Twitter daily, then you’ve obviously been waiting with bated breath for her hilarious follow-up novel, *Psychos*. Fresh from a four-month stint in rehab for her “alleged” shopping addiction, Babe Walker returns home to Bel Air ten pounds lighter (thanks to a stomach virus), having made amends (she told a counselor with bad skin she was smart) and confronted her past (after meeting her birth mother for the

first time—a fashion model turned farmer lesbian). Although delighted to be home and determined to maintain her hard-won inner peace, Babe now faces a host of outside forces seemingly intent on derailing her path to positive change. Not only is she being trailed by an anonymous stalker, but she’s also reunited with the love of her life, a relationship that she cannot seem to stop self-sabotaging. Babe’s newfound spirituality, coupled with her faith in the universe and its messages, leads her all over the world: shoulder dancing in Paris, tripping out in Amsterdam, and hooking up in the Mediterranean, only to land her back in New York City, forced to choose between a man who is perfect in every way (except for one small detail) and a man who could be The One if only he didn’t drive Babe to utter insanity. Unapologetic and uproarious, *Psychos* is the send-up of the season—already as timeless as vintage Dior.

Definition: Jock n. (informal): A pilot or astronaut, an abbreviation of jockey as in throttle jockey or jet jockey. "Once a Jock . . . Always a Jock" is a compilation of three hundred stories written by the first postwar generation of Naval Aviators who began their training in late 1945 as teenagers fresh out of high school. A 16 week Pre-Flight school started the clock running on a two year contract where each future Navy pilot held the rank of Aviation Midshipman, USN. The clock was still running when they earned their gold wings and were assigned to fleet squadrons. These Flying Midshipmen flew every aircraft in the Navy's arsenal. Eventually they were sworn in as commissioned officers and went

on to participate in every major aviation event from the Berlin Airlift, the Korean War, and the Cold War to the conflict in Vietnam. Readers of these stories will discover what motivated 3,000 high school kids to fly for the Navy. They will learn what it was like to be a Flying Midshipman at the bottom of the pecking order aboard ship or as a pilot in an aircraft squadron. Today's young pilots will gain some useful knowledge about training mishaps and accidents that could have been avoided. They will be thrilled by accounts of *My First Corsair Flight* or *My First Jet Flight* or *My First Cat Shot*. They might reflect on the sobering story of Jesse Brown, the African American who broke the color barrier in Naval Aviation the same year that Jackie Robinson broke the color barrier in major league baseball. Those who have flown as civilian or military pilots will find themselves in the narrow escapes and the humor in the aftermath of bad judgment, and above all, in their great love of flying. They will learn what it is like to land a battle damaged fighter on an aircraft carrier in bad weather or how a pilot blinded by enemy flak was guided by his friend to successful wheels-up landing. Reading these stories, veteran flyers may remember the long monotonous anti-submarine and maritime patrols that ended in moments of stark terror. Anyone who never sat in the left seat of a flying boat may be surprised to know that seaplane pilots had to supplement their flying skills with a firm knowledge of seamanship. They can read about it in Chapter 16, *Flying Boat Jocks*. Of course the book has stories for helicopter jocks and transport pilots and instrument pilots and flying in all kinds of climate from the arctic to the tropics. For the poetry minded, there are some of those too. These stories should appeal to anyone who has ever dreamed about flying. And most important, 100% of the proceeds from sales of the book will be directed to the Flying Midshipmen Endowment Fund for support of the Youth Aviation Training Program aboard the USS Midway Museum in San Diego.

So she heads out on a quest to petition the queen to keep the tavern in her name—dodging unscrupulous guards, a band of thieves, and a powerful, enchanted feather that seems drawn to her. His grandfather left him with one task. Destroy a map that had been kept hidden for centuries. He could never imagine the journey it would lead him on and the secrets he would discover. This action adventure novel has a dose of historical fiction to keep the reader glued to the page and is the first in a trilogy.
