Bossa Nova Irmãos Vitale

Global Suburbs: Urban Sprawl from the Rio Grande to Rio de Janeiro offers a critical new perspective on the emerging phenomenon of the global suburb in the western hemisphere. American suburban sprawl has created a giant human habitat stretching from Las Vegas to San Diego, and from Mexico to Brazil, presented here in a clear and comprehensive style with in depth descriptions and images. Challenging the ecological problems that stem from these flawed suburban developments, Herzog targets an often overlooked and potentially disastrous global shift in urban development. This book will give depth to courses on suburbs, development, urban studies, and the environment.

A Life Taylor Trade Publications

Jazz is one of America's greatest gifts to the arts, and native Texas musicians have played a major role in the development of jazz from its birth in ragtime, blues, and boogie-woogie to its most contemporary manifestation in free jazz. Dave Oliphant began the fascinating story of Texans and jazz in his acclaimed book *Texan Jazz*, published in 1996. Continuing his riff on this intriguing musical theme, Oliphant uncovers in this new volume more of the prolific connections between Texas musicians and jazz. *Jazz Mavericks of the Lone Star State* presents sixteen published and previously unpublished essays on Texans and jazz. Oliphant celebrates the contributions of such vital figures as Eddie Durham, Kenny Dorham, Leo Wright, and Ornette Coleman. He also takes a fuller look at Western Swing through Milton Brown and his Musical Brownies and a review of Duncan McLean's *Lone Star Swing*. In addition, he traces the relationship between British jazz criticism and Texas jazz and defends the reputation of Texas folklorist Alan Lomax as the first biographer of legendary jazz pianist-composer Jelly Roll Morton. In other essays, Oliphant examines the links between jazz and literature, including fiction and poetry by Texas writers, and reveals the seemingly unlikely connection between Texas and Wisconsin in jazz annals. All the essays in this book underscore the important parts played by Texas musicians in jazz history and the significance of Texas to jazz, as also demonstrated by Oliphant's reviews of the Ken Burns PBS series on jazz and Alfred Appel Jr.'s *Jazz Modernism*.

A Cultural History of Rio de Janeiro after 1889 Springer

Tom Jobim foi mais que um nome da música popular. Ao compositor, músico e orquestrador, reconhecido mundialmente, somava-se uma personalidade tão fascinante e multifacetada como sua obra. De sua atilada inteligência saíram observações definitivas sobre o Brasil e seus costumes. Nesta biografia de Antonio Carlos Jobim, seu amigo e jornalista Sérgio Cabral aproxima o leitor do universo desse 'maestro soberano'.

The Life of Nelson Riddle Book Venture Publishing LLC

From the gospel music of slavery in the antebellum South to anti-apartheid freedom songs in South Africa, this two-volume work documents how music has fueled resistance and revolutionary movements in the United States and worldwide.

Jazz Mavericks of the Lone Star State Schirmer Trade Books

Music of Latin America and the Caribbean, Second Edition is a comprehensive textbook for undergraduate students, which covers all major facets of Latin American music, finding a balance between important themes and illustrative examples. This book is about enjoying the music itself

and provides a lively, challenging discussion complemented by stimulating musical examples couched in an appropriate cultural and historical context—the music is a specific response to the era from which it emerges, evolving from common roots to a wide variety of musical traditions. Music of Latin America and the Caribbean aims to develop an understanding of Latin American civilization and its relation to other cultures. NEW to this edition A new chapter overviewing all seven Central American countries An expansion of the chapter on the English- and French-speaking Caribbean An added chapter on transnational genres An end-of-book glossary featuring bolded terms within the text A companion website with over 50 streamed or linked audio tracks keyed to Listening Examples found in the text, in addition to other student and instructors' resources Bibliographic suggestions at the end of each chapter, highlighting resources for further reading, listening, and viewing Organized along thematic, historical, and geographical lines, *Music of Latin America and the Caribbean* implores students to appreciate the unique and varied contributions of other cultures while realizing the ways non-Western cultures have influenced Western musical heritage. With focused discussions on genres and styles, musical instruments, important rituals, and the composers and performers responsible for its evolution, the author employs a broad view of Latin American music: every country in Latin America and the Caribbean shares a common history, and thus, a similar musical tradition.

South American Cinema Irmãos Vitale

This book is based on various cases whose common factor is how the psychoanalytic setting is created: the internalization and realization inside the patient's mind: with the feeling of fixed hours and the transference relation with the psychoanalyst. Referring to the great masters of psychoanalysis, the author guides us step by step through the mysterious terrain of the mind, especially in its most regressive, primitive and psychotic aspects. Thomas Ogden, commenting on the papers collected here, wrote that 'they represent two of the most important contributions of the past decade to the understanding of the psychoanalytic treatment of psychotic patients'. This book is intended to be felt and thought about. The reader is asked to read between the lines, to imagine and feel beyond the words on the page. It will appeal to psychoanalysts, psychotherapists and students.

Samba, Bossa Nova, and the Popular Music of Brazil Routledge

The first-ever biography of the highly respected arranger in the history of American popular music. Base on more than 200 interviews with his closest friends, family, and colleagues.

Bossa Nova Hal Leonard

This collection provides readers with a diverse and contemporary overview of research in the field. Drawing upon scholarly writing from a range of disciplines and approaches, it provides case studies from a wide range of 'non Western' musical contexts. In so doing the volume attends to the central themes that have emerged in this area of popular music studies; cultural politics, identity and the role of technology. This collection does not seek to establish a new theoretical paradigm, but being primarily aimed at researchers and students, offers as comprehensive a view of the research that has been carried out over the last few decades as possible, given the global scope of the subject. Inevitably, the experience of globalisation itself runs through many of the contributions, not only because musicians find themselves part of an immense flow of international culture, technology and finance, but also because Western scholarship can also be considered an aspect of such a flow. The articles selected for the volume take different disciplinary approaches; many are close ethnographic descriptions of musical practices whilst others take a more historical view of a musical 'scene' or even a single musician. Some essays consider the effects of emerging technologies upon the production, dissemination and consumption of music, whilst the political context is central to other authors. The collection as a whole serves as a resource for those who wish to be better acquainted with the diversity of research that has been carried out into non-western pop, whilst also highlighting the broader themes that have, so far, shaped academic approaches to the subject.

[The Story of the Brazilian Music That Seduced the World](#) Routledge

This book studies architecture and literature of Rio de Janeiro, the “Marvellous City,” from the revolution of 1889 to the Olympics of 2016, taking the reader on a journey through the history of the city. This study offers a wide-ranging and thought-provoking insight that moves from ruins to Modernism, from the past to the future, from futebol to fiction, and from beach to favela, to uncover the surprising feature—decadence—at the heart of this unique and seemingly timeless urban world. An innovative and in-depth study of buildings, books, and characters in the city's modern history, this fundamental new work sets the reader in the glorious world of Rio de Janeiro.

[Christgau's Consumer Guide: Albums of the '90s](#) Routledge

Bossa nova is one of the most popular musical genres in the world. Songs such as “The Girl from Ipanema” (the fifth most frequently played song in the world), “The Waters of March,” and “Desafinado” are known around the world. Bossa Nova—a number-one bestseller when originally published in Brazil as *Chega de Saudade*—is a definitive history of this seductive music. Based on extensive interviews with Antonio Carlos Jobim, Jo+o Gilberto, and all the major musicians and their

friends, Bossa Nova explains how a handful of Rio de Janeiro teenagers changed the face of popular culture around the world. Now, in this outstanding translation, the full flavor of Ruy Castro's wisecracking, chatty Portuguese comes through in a feast of detail. Along the way he introduces a cast of unforgettable characters who turned Gilberto's singular vision into the sound of a generation.

Some Summer Morning Editora Lazuli LTDA

"Revised and updated edition of the 1991 publication (see item #bi 98010688#). Welcome additions are an expanded coverage of axê music and other musical styles from Bahia, and information on recent Brazilian artists and musical styles"--Handbook of Latin American Studies, v. 58.

Recording the Classical Guitar Routledge

(P/V/G Composer Collection). This Grammy-winning bossa nova proponent has been hailed as the "Gershwin of Brazil." João Gilberto and Stan Getz's Getz/Gilberto Canongate Books

"First Published in 2002, Routledge is an imprint of Taylor & Francis, an informa company."

Antonio Carlos Jobim Hal Leonard Corporation

Most die-hard Brazilian music fans would argue that Getz/Gilberto, the iconic 1964 album featuring "The Girl from Ipanema," is not the best bossa nova record. Yet we've all heard "The Girl from Ipanema" as background music in a thousand anodyne settings, from cocktail parties to telephone hold music. So how did Getz/Gilberto become the Brazilian album known around the world, crossing generational and demographic divides? Bryan McCann traces the history and making of Getz/Gilberto as a musical collaboration between leading figure of bossa nova João Gilberto and Philadelphia-born and New York-raised cool jazz artist Stan Getz. McCann also reveals the contributions of the less-understood participants (Astrud Gilberto's unrehearsed, English-language vocals; Creed Taylor's immaculate production; Olga Albizu's arresting, abstract-expressionist cover

art) to show how a perfect balance of talents led to not just a great album, but a global pop sensation. And he explains how Getz/Gilberto emerged from the context of Bossa Nova Rio de Janeiro, the brief period when the subtle harmonies and aching melodies of bossa nova seemed to distill the spirit of a modernizing, sensuous city. 33 1/3 Global, a series related to but independent from 33 1/3, takes the format of the original series of short, music-based books and brings the focus to music throughout the world. With initial volumes focusing on Japanese and Brazilian music, the series will also include volumes on the popular music of Australia/Oceania, Europe, Africa, the Middle East, and more.

Intellect Books

The SAGE Encyclopedia of Music and Culture presents key concepts in the study of music in its cultural context and provides an introduction to the discipline of ethnomusicology, its methods, concerns, and its contributions to knowledge and understanding of the world's musical cultures, styles, and practices. The diverse voices of contributors to this encyclopedia confirm ethnomusicology's fundamental ethos of inclusion and respect for diversity. Combined, the multiplicity of topics and approaches are presented in an easy-to-search A-Z format and offer a fresh perspective on the field and the subject of music in culture. Key features include: Approximately 730 signed articles, authored by prominent scholars, are arranged A-to-Z and published in a choice of print or electronic editions Pedagogical elements include Further Readings and Cross References to conclude each article and a Reader's Guide in the front matter organizing entries by broad topical or thematic areas Back matter includes an annotated Resource Guide to further research (journals, books, and associations), an appendix listing notable archives, libraries, and museums, and a detailed Index The Index, Reader's Guide themes, and Cross References combine for thorough search-and-browse capabilities in the electronic edition

September in the Rain Routledge

Explores the ways that music has been used in the cinemas of various understudied countries in Australasia, Africa, Latin America and Europe.
