 Simon and Schuster

Muslim women have mostly been discussed and studied as passive victims who have no agency. Muslim Women Speak seeks to correct this by traversing an expansive canvas of dreams, aspirations, memory and everyday lives of both the 'researcher' and the 'researched' in an extensive study conducted in several states of India. Through a presentation and analysis of Indian Muslim women's narratives about their own situation, the book

challenges the image of Muslim women as historic victims of Islam and Muslim men. The book includes insights on the agency of young Muslim women and the impact of violence on their everyday lives after a violent 'event' or 'episode' passes into history and memory. It brings forth not only the 'voices' that have long been considered 'silent' but also dwells upon the epistemological and socio-political concerns of this 'silencing'. In doing so, this book confronts the

fault lines within the Indian feminist sisterhood and offers a considered critique of the women's movement in India from within. The book will be mandatory reading for activists, government departments, policy planners, and students and scholars of gender studies and sociology.

Hindutva icon or secular nationalist? Feudal potentate or peasants' king? Protector of cows and brahmans or shudra ruler? Medieval marauder or builder of an empire?//Who was

Shivaji?//This punchy, readable book provides a new perspective on a popular hero of Indian history. After this, Shivaji will never be the same again.//Govind Pansare was one of Maharashtra's most prominent public intellectuals. And among the bravest. He was felled by an assassin. But his rationalist view of human history is impossible to kill. This book is testimony to the power of ideas.

Writers clamor to get into the Best Gay Erotica series because it sets the

bar for the highest quality of sexy, gay stories. Richard Labonté is an icon in the field of erotic and romantic writing who has a knack for finding seductive, literary talent. Blair Mastbaum, author, editor, producer, and actor, selected this year's crop, picking top-notch stories that are unparalleled in hotness and excellence. Best Gay Erotica 2010 is the biggest page-turner of them all, with stories running the gamut of gay male sexual experiences, from first times to one-

night stands, from long-time lovers to explosive group get-togethers. In "A Beautiful Place," a young male ingenue brings Hollywood to its knees, literally. "The Suburban Boy" reveals that the real magic kingdom in central Florida, where every erotic wish comes true. Contributors include Simon Sheppard, Rachel Kramer Bussel, David Holly, Nick Hudson, Marvin Partridge, Thom Wolf, and Jamie Freeman. **Recht, Staat und Verwaltung im klassischen Indien**

Springer Nature Ptolemy's Almagest is one of the most influential scientific works in history. A masterpiece of technical exposition, it was the basic textbook of astronomy for more than a thousand years, and still is the main source for our knowledge of ancient astronomy. This translation, based on the standard Greek text of Heiberg, makes the work accessible to English readers in an intelligible and reliable form. It contains numerous corrections derived from

medieval Arabic translations and extensive footnotes that take account of the great progress in understanding the work made in this century, due to the discovery of Babylonian records and other researches. It is designed to stand by itself as an interpretation of the original, but it will also be useful as an aid to reading the Greek text.

Seasons of Fun: Winter De Gruyter Oldenbourg
Throughout its long history, Japan had no concept of what we call "religion." There was no corresponding Japanese word, nor anything close to its meaning. But when American warships appeared off the coast of Japan in 1853 and forced the Japanese government to sign treaties demanding, among other things, freedom of

religion, the country had to contend with this Western idea. In this book, Jason Ananda Josephson reveals how Japanese officials invented religion in Japan and traces the sweeping intellectual, legal, and cultural changes that followed. More than a tale of oppression or hegemony, Josephson's account demonstrates that the process of articulating religion offered the Japanese state a valuable opportunity. In addition to carving out space for belief in

Christianity and certain forms of Buddhism, Japanese officials excluded Shinto from the category. Instead, they enshrined it as a national ideology while relegating the popular practices of indigenous shamans and female mediums to the category of “superstitions”—and thus beyond the sphere of tolerance. Josephson argues that the invention of religion in Japan was a politically charged, boundary-drawing exercise that not only extensively reclassified

the inherited materials of Buddhism, Confucianism, and Shinto to lasting effect, but also reshaped, in subtle but significant ways, our own formulation of the concept of religion today. This ambitious and wide-ranging book contributes an important perspective to broader debates on the nature of religion, the secular, science, and superstition. *Aseptolin* University of Michigan Press
For years, Class Comics has been creating and publishing amazing gay erotic comics that touch

readers on many levels. Each title is brimming with exciting stories, lovable characters, and incredible art. PUBLISHERS WEEKLY
BEST BOOK OF THE YEAR
In "one of the most sensitive, nuanced examinations of father and son relationships" (The Boston Globe), award-winning writer Chris Offutt struggles to understand his recently deceased father, based on his reading of the 400-plus novels his father—a well-known writer of pornography in the 1970s and 80s—left him in his will. Andrew Offutt was

considered the "king of twentieth-century smut," with a writing career that began as a strategy to pay for his son's orthodontic needs and soon took on a life of its own, peaking during the 1970s when the commercial popularity of the erotic novel reached its height. With his dutiful wife serving as typist, Andrew wrote from their home in the Kentucky hills, locked away in an office no one dared intrude upon. In this fashion he wrote more than four hundred novels,

including pirate porn, ghost porn, zombie porn, and secret agent porn. The more he wrote, the more intense his ambition became and the more difficult it was for his children to be part of his world. Over the long summer of 2013, his son, Chris, returned to his hometown to help his now widowed mother move out of his childhood home. As he began to examine his father's manuscripts and memorabilia, journals, and letters, he realized he finally had an opportunity to gain insight

into the difficult, mercurial, sometimes cruel man he'd loved and feared in equal measure. Only in his father's absence could he truly make sense of the man and his legacy. In *My Father, the Pornographer*, Offutt takes us on the journey with him, reading his father's prodigious literary output as both a critic and as a son seeking answers. He "enters the darkest and most mysterious of places—the cave of a monstrous enigma named Andrew J. Offutt—armed with

nothing but his own restless curiosity. Spoiler alert: He makes it out alive, walking into the daylight to bring us a deeper, funnier, more tender and more heartbroken truth—and his masterpiece" (Michael Chabon).

Memories of a City
Westland

Have you ever imagined living in a fantasy world? Beautiful castles, islands floating in the air, a ride on an airship or resting with the fairies under a mushroom umbrella? Then this book is for you.

Beautiful Scenes from a Fantasy World is the second title in the Everyday Scenes from Parallel Worlds series. It showcases background artworks featuring fantasy worlds: celestial castles, pirate ships sailing through the clouds, retro-futuristic inventions, deserted architectural spaces, towns that have sunk under the ocean, an enchanted forest, and a space locomotive that runs in a neo-futuristic world. Featuring only a few anthro angels, dragons and other

imaginary animals, attention is focused primarily on the beauty of the illustrated backgrounds from popular anime, manga and game creators. The fantasy illustrations in this collection are beyond your wildest imaginings and will surprise and inspire all kinds of art lovers. It might even make you look at the world differently.
Dark Side Knowledge from the Skywalker Saga, The Clone Wars, Star Wars Rebels, and More (Children's Book, Star Wars Gift)

NTC/Contemporary Publishing Company
 Doomed to Fail explores the heaviest music the world has ever heard, tracing doom, sludge, and post-metal as their own distinct (and incredibly loud) traditions. Anselmi covers the bands and musicians that have impacted those styles most--Black Sabbath, Candlemass, Melvins, Eyehategod, Godflesh, Neurosis, Saint Vitus, and many others--while diving into the cultural doom that has spawned such music, from the bombing

of Birmingham and hurricane devastation of New Orleans to glaring economic inequality, industrial alienation, climate change, and widespread addiction. Along the way, Anselmi interweaves the musical experiences that have led him to proudly identify as one of the doomed.

Gender and Ethnicity in the Hindukush Random House India

This book deals with the rise of Lucknow to grandeur during the Nawab days, the trials and tribulations of its

populace during the mutiny, and the conflicts which emerged as part of Lucknow's transformation into a colonial city. Its rise to political pre-eminence after independence, the large-scale influx of refugees and migrants, and the changing fortunes of its erstwhile elite are also covered.

Troubleshooting Manufacturing Processes Astrotech Lab

This book presents a feminist mapping of the articulation and suppression of female desire in Hindi films,

which comprise one of modern India's most popular cultural narratives. It explores the lineament of evil and the corresponding closure of chastisement or domesticity that appear as necessary conditions for the representation of subversive female desire. The term 'bad' is used heuristically, and not as a moral or essential category, to examine some of the iconic disruptive women of Hindi cinema and to uncover the nexus between patriarchy and other

hierarchies, such as class, caste and religion in these representations. The twenty-one essays examine the politics of female desire/s from the 1930s to the present day - both through in-depth analyses of single films and by tracing the typologies in multiple films. The essays are divided into five sections indicating the various gendered desires and rebellions that patriarchal society seeks to police, silence and domesticate.

SAGE Publishing India

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of

January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt Kundan Jewellery Oxford University Press, USA
 Trotz seiner Beschränkung auf Recht, Staat und Verwaltung spiegelt der Band etwas von der Vielfalt der gegenwärtigen Forschung zur älteren indischen Geschichte wider. Dem hinduistischen Indien fehlt ja die indigene

Historiographie. Das Gerüst aus Fakten und Ideen hat man aus disparaten Quellen zusammensetzen - und für lange Perioden, für ganze Regionen fehlen auch die. Man ist auf beiläufige Erwähnungen, auf Rituale, Sprachgeschichte, Dialektgeographie angewiesen. Deutlich später setzt der breite Strom der mit grossem Prestige ausgestatteten Rechts- oder Moralliteratur ein, der - wiederum beiläufig - ein in seinen Grundzügen

kohärentes Bild vom Königtum, von Recht und Staat vermittelt. Dessen Realität ist jedoch immer wieder in Zweifel gezogen worden - nicht zuletzt durch die Texte selbst. Obwohl sie sich normierend geben, reden sie gelegentlich der Pluralität, den Lokaltraditionen das Wort. Die seit dem Mittelalter reichlicher fließenden inschriftlichen Quellen zeigen dann auch regional unterschiedliche Systeme - kaum verwunderlich angesichts der Ausdehnung und

kulturellen Vielfalt des Subkontinents. Dazu kommen Partikularrechte einzelner religiöser Gruppen, und die Akkulturation durch den sich ausbreitenden Hinduismus in mannigfachen Mischformen. All das dokumentiert den mühseligen Prozeß der Auseinandersetzung zwischen "Lokalbrauch" und der Begrifflichkeit der Orthodoxie.
