## MOYER LIZETH

Human Sexuality in a Changing World Pearson College Division

Human Sexuality: Biological, Psychological, and Cultural Perspectives is a unique textbook that provides a complete analysis of this crucial aspect of life around the world. Utilizing viewpoints across cultural and national boundaries, and deftly weaving evolutionary and psychological perspectives, Bolin and Whelehan go beyond the traditional evolution and primatology to address cross-cultural and contemporary issues, as well as anthropological contributions and psycho-social perspectives. Taking into account the evolution of human anatomy, sexual behavior, attitudes, and beliefs, this far-reaching text goes beyond what is found in traditional books to present a wide diversity of beliefs, attitudes, and behaviors found globally. In addition to providing a rich array of photographs, illustrations, tables, and a glossary of terms, this extraordinary textbook explores: pregnancy and childbirth as a bio-cultural experience life-course issues related to gender identity, sexual orientations, behaviors, and lifestyles socioeconomic, political, historical, and ecological influences on sexual behavior early childhood sexuality, puberty and adolescence birth control, fertility, conception, and sexual differentiation HIV infection, AIDS, AIDS globalization and sex work Fusing biological, socio-psychological, and cultural influences to offer new perspectives on understanding human sexuality, its development over millions of years of evolution, and how sexuality is embedded in specific socio-cultural contexts, this is the text for educators and students who wish to understand human sexuality in all of its richness and complexity.

*Sexuality in World History* Prentice Hall

Human Sexuality Allyn & Bacon

This book examines sexuality in the past, and explores how it helps explain sexuality in the present. The subject of sexuality is often a controversial one, and exploring it through a world history perspective emphasizes the extent to which societies, including our own, are still reacting to historical change through contemporary sexual behaviors, values, and debates. This new edition examines these issues on a global scale, with attention to anthropological insights on sexuality and their relationship to history, the dynamics between sexuality and imperialism, sexuality in industrial society, and trends and conflicts surrounding views of sex and sexuality in the contemporary world.

Evolution and Human Sexual Behavior Allyn & Bacon

Anthropology, Sexual Studies, Psychology, Sociology, Gender and Cultural Studies

**Human Sexuality in a World of Diversity** Pearson

Presents a selected group of influential articles dealing specifically with the social aspects of sexuality, topics covered include differences between male and female sexuality, virginity, harassment, rape and coercion and jealousy.

**New Myspsychlab Without Pearson Etext -- Standalone Access Card -- For Human Sexuality in a World of Diversity** Kregel Publications

Canada in the twenty-first century is rapidly evolving with respect to human sexuality. Underlying this change is a growing recognition and acceptance of diversity with respect to many aspects of sexuality. Human Sexuality in a World of Diversity fully embraces and affirms this diversity, especially within Canadian society. The authors made every effort to provide a textbook that is clear and succinct but also embodies the highest standards of academic rigor. In addition to emphasizing theory and up-to-date research, practical applications that are relevant to students' lives are included.

**Sanctified Sexuality** Pearson Educacion

[The International Encyclopedia of Human Sexuality, 3 Volume Set](#) Pearson

For survey courses in Human Sexuality A contemporary overview of human sexuality that fosters personal reflection and critical thinking *Human Sexuality in a Changing World* provides a clear overview of this diverse field, aimed at helping students see the effects of both biology and culture upon human sexuality. In order to foster a more personal and impactful learning experience, authors Spencer Rathus, Jeffrey Nevid, and Lois Fichner-Rathus encourage students to reflect upon their own beliefs and experiences as they proceed through the text. In addition to the latest research, the Tenth Edition has been updated with new content on the ways in which the Internet and digital devices have impacted sexuality in many contemporary societies. *Human Sexuality in a Changing World*, Tenth Edition is also available via Revel(tm), an interactive learning environment that enables students to read, practice, and study in one continuous experience.

**Sex Around the World** Prentice Hall

Balancing biological coverage with an insightful exploration of social and cultural issues, this Canadian contributed text helps students understand human sexuality from a variety of

interdisciplinary perspectives. Incorporating the latest research, clinical practice, and up-to-date developments, this second edition opens students' eyes to the richness and diversity of human sexual expressions and experiences in Canada and around the world.

[Human Sexuality in a World of Diversity](#) Allyn & Bacon

New edition of an authoritative guide to human sexual behavior from a biopsychosocial perspective The thoroughly revised and updated second edition of *The Psychology of Human Sexuality* explores the roles that biology, psychology, and the social and cultural context play in shaping human sexual behavior. The author – a noted authority on the topic and an affiliate of the acclaimed Kinsey Institute – puts the spotlight on the most recent research and theory on human sexuality, with an emphasis on psychology. The text presents the major theoretical perspectives on human sexuality, and details the vast diversity of sexual attitudes and behaviors that exist in the modern world. The author also reviews the history of sexology and explores its unique methods and ethical considerations. Overall, this important and comprehensive text provides readers with a better understanding of, and appreciation for, the science of sex and the amazing complexity of human sexuality. Features broad coverage of topics including anatomy, gender and sexual orientation, sexual behaviors, sexual difficulties and solutions, prostitution, and pornography Offers more in-depth treatment of relationships than comparable texts, with separate chapters dealing with attraction and relationship processes Includes cutting-edge research on the origins of sexual orientation and gender identity, as well as new treatments for sexually transmitted infections and sexual dysfunctions Is written from a sex-positive perspective, with expanded coverage of cross-cultural research throughout and material that is inclusive and respectful of a diverse audience Includes numerous activities to facilitate dynamic, interactive classroom environments Written for students of human sexuality and anyone interested in the topic, *The Psychology of Human Sexuality* offers a guide to the psychology of human sexual behavior that is at once inclusive, thorough, and authoritative in its approach.

*A Secret World* Taylor & Francis

Jack and Judith Balswick investigate how human sexuality originates both biologically and socially, lay groundwork for a normative Christian interpretation of sexuality, show how authentic sexuality is necessarily grounded in relationships, and explore forms of "inauthentic sexuality" such as sexual harassment, pornography and rape.

*Understanding Human Sexuality* Harvard University Press

Few things come more naturally to us than sex—or so it would seem. Yet to a chimpanzee, the sexual practices and customs we take for granted would appear odd indeed. He or she might wonder why we bother with inconveniences like clothes, why we prefer to make love on a bed, and why we fuss so needlessly over privacy. *Evolution and Human Sexual Behavior* invites us into the thought-experiment of imagining human sex from the vantage point of our primate cousins, in order to underscore the role of evolution in shaping all that happens, biologically and behaviorally, when romantic passions are aroused. Peter Gray and Justin Garcia provide an interdisciplinary synthesis that draws on the latest discoveries in evolutionary theory, genetics, neuroscience, comparative primate research, and cross-cultural sexuality studies. They are our guides through an exploration of the patterns and variations that exist in human sexuality, in chapters covering topics ranging from

the evolution of sex differences and reproductive physiology to the origins of sexual play, monogamous unions, and the facts and fictions surrounding orgasm. Intended for generally curious readers of all stripes, this up-to-date, one-volume survey of the evolutionary science of human sexual behavior explains why sexuality has remained a core fascination of human beings throughout time and across cultures.

**NEW MyDevelopmentLab with Pearson EText -- Standalone Access Card -- for Human Sexuality in a World of Diversity (hardcover)** Routledge

Learn before you love! Rathus, Human Sexuality in a World of Diversity 4ce now has more coverage of sex education, new critical thinking questions, and online self-assessment evaluations. Human Sexuality examines the psychology and science of sexuality, emphasizing diversity, critical thinking, responsible decision-making, and sexual health, all in a uniquely Canadian context. It draws upon the work of scholars in such fields as psychology, sociology, medicine, anthropology, theology, and philosophy and incorporates a multicultural, multiethnic perspective. Concise and clear without sacrificing scholastic rigour, it emphasizes theory and research as well as practical applications that are relevant to students' lives. Human Sexuality in a World of Diversity 's distinctive approach differs from other texts in its full embrace and affirmation of diversity of human sexuality within Canada and society in general. The new edition has been refined to feature a more inviting, inclusive, and positive writing style that better encompasses sexual diversity. Expanded coverage of sex education continues the book's strong emphasis on sexual health issues and encourages students to take an active role in health promotion. MySearchLab is not included with the purchase of this product.

**Sexual Conduct** Jones & Bartlett Learning

Expert biblical and practical advice for handling today's most challenging sexual issues Although modern culture constantly changes its views on sexuality, God's design for sexuality remains the same. Bringing together twenty-five expert contributors in relevant fields of study, Gary Barnes and Sandra Glahn address the most important and controversial areas of sexuality that Christians face today. From a scriptural perspective and with an irenic tone, the contributors address issues such as:

- The theology of the human body
- Male and female in the Genesis creation accounts
- Abortion
- Celibacy
- Sexuality in marriage
- Contraception
- Infertility
- Cohabitation
- Divorce and remarriage
- Same-sex attraction
- Gender dysphoria

An ideal handbook for pastors, counselors, instructors, and students, Sanctified Sexuality provides solid answers and prudent advice for the many questions Christians encounter on a daily basis.
