Popular progressive radio host and New York Times bestselling author Thom Hartmann reveals how and why attempts to implement affordable universal healthcare in the United States have been thwarted and what we can do to finally make it a reality. "For-profit health insurance is the largest con job ever perpetrated on the American people—one that has cost trillions of dollars and millions of lives since the 1940s," says Thom Hartmann. Other countries have shown us that affordable universal healthcare is not only possible but also effective and efficient. Taiwan's single-payer system saved the country a fortune as well as saving lives during the coronavirus pandemic, enabling the country to implement a nationwide coronavirus test-and-contact-trace program without shutting down the economy. This resulted in just ten deaths, while more than 500,000 people have died in the United States. Hartmann offers a deep dive into the shameful history of American healthcare, showing how greed, racism, and oligarchic corruption led to the current “sickness for profit” system. Modern attempts to create versions of government healthcare have been hobbled at every turn, including Obamacare.

Hidden Treasures Harper Collins

Twenty years ago, as a young Pagano Brothers soldier, Donnie Goretti was horribly injured on the job. The devastating scars of that attack led him to be known as "The Face."Since then, he's been alone, reminded daily that he's too ugly to look at, much less to love. He's devoted himself instead to his work, and he rose through the ranks to become the underboss of the Pagano Brothers family. Now, he is a man of wealth, influence, and respect. In the day, he's a powerful executive and philanthropist. In the night, he's the don's ruthless right hand. When he wants companionship, he has it; there will always be women attracted to his status. But he harbors no delusions that they care about him. How could they, when they can hardly bear to look at him?When he meets Arianna Luciano, a principal dancer with the Rhode Island Ballet, Donnie offers her the same arrangement he's offered many other women. He's armored his heart with cool reserve and an arsenal of iron-clad rules about what he expects, what he'll allow, and what he'll give in exchange.But Ari doesn't like rules, and she wants no part of Donnie's offer. She sees his scars as signs of his pain, markers of his history. They are nothing to be ashamed of. They don't diminish his worth. She wants the chance to fall in love.If only she could make him believe it.

Brothers Arcadia Publishing

Renowned biblical sleuth and scholar Richard Elliot Friedman reveals the first work of prose literature in the world-a 3000-year-old epic hidden within the books of the Hebrew Bible. Written by a single, masterful author but obscured by ancient editors and lost for millennia, this brilliant epic of love, deception, war, and redemption is a compelling account of humankind's complex relationship with God. Friedman boldly restores this prose masterpiece-the very heart of the Bible-to the extraordinary form in which it was originally written.

Hidden History of Kentucky Political Scandals Seven Stories Press

Of the Rosenbluth family, only the older children, Faiga and Luzer, had gone into hiding before the SS rounded up the Jews of Kanczuga, Poland. Hidden is Faiga and Luzer’s story, a memoir whose intimate and quiet particularity makes the incomprehensible enormity of the Holocaust immediate, human, and devastatingly real. In alternating first-person narratives, Faiga (Fay) and Luzer (Leo) take readers into their very different but inextricably linked experiences in Nazi-occupied Poland. Faiga, the once-dignified young lady from a good home with servants and a seat by the eastern wall of the synagogue, spends two years wandering the perilous countryside, hoping to be taken for a peasant. Mere miles away, knowing nothing of his sister’s fate, Luzer, the leather wholesaler’s only son, lies silent all day in the stifling dark corner of a barn, where the smell of the cows’ warm hides are a piquant reminder of his lost world. Hidden deftly summons that world, as the familiar comforts and squabbles of life in a well-to-do, religious Jewish family are slowly overwhelmed by the grim news coming out of Germany. We follow Faiga and Luzer through the early forebodings and deprivations of the war, into hiding among righteous Poles and erstwhile neighbors-turned-betrayers, and finally, at war’s end, back once more into the world—but not necessarily into safety. Told in a confident, clear, and unsentimental prose, this is a story of heroism and tragedy writ large and small, of two young people coming of age in a world in chaos and then trying to return to "normal" after experiences as unimaginable as they are unforgettable.

The Hidden Book in the Bible Harper Collins

America's most popular progressive radio host and New York Times bestselling author Thom Hartmann reveals how the government and corporate America misuse our personal data and shows how we can reclaim our privacy. Most Americans are worried about how companies like Facebook invade their privacy and harvest their data, but many people don't fully understand the details of how their information is being adapted and misused. In this thought-provoking and accessible book, New York Times bestselling author Thom Hartmann reveals exactly how the government and corporations are tracking our every online move and using our data to buy elections, employ social control, and score and monetize our lives. Hartmann uses extensive, vivid examples to highlight the consequences of Big Data on all aspects of our lives. Along with tracing the history of surveillance, he shows how we got to where we are today, how China-with its new Social Credit System-serves as a warning, and how we can and

must avoid a similarly dystopian future. By delving into the Constitutional right to privacy, Hartmann reminds us of our civil right and shows how we can restore it.

Amari and the Night Brothers Berrett-Koehler Publishers

How much insider trading occurred in the days leading up to 9-11? How compromised is the evidence against alleged hijackers? Why were there no military interceptions? To what extent does the testimony of more than five hundred firefighters differ from official reports of what happened at the World Trade Center buildings that day? How inseparably connected are Western covert operations to al-Qaeda? How is Islamophobia used to sustain US imperialism? What was the 9-11 Commission? With contributions from Nafeez Mosaddeq Ahmed, Four Arrows, David Ray Griffin, Jay Kolar, David MacGregor, Diana Ralph, Kevin Ryan, and Bryan Sacks, this path-breaking work examines 9-11 and its background, showing how much remains unknown and where further investigation and debate is needed.

Nineteen Eighty-Four Arcadia Publishing

While many know about Terre Haute's long-gone reputation as a "sin city," other stories include the city being home to a Confederate POW camp, druggist Jacob Baur discovering a way to liquefy carbon dioxide, and the hometown of 1930s and '40s child star Billy Lee.

The Sad Tale of the Brothers Grossbart epubli

In a country of junk-filled attics, yard sales, and flea markets frequented by millions of Antiques Roadshow viewers hoping to uncover a grungy chest of drawers worth millions, the Keno twins have become the Siskel and Ebert of antiques. Dapper, witty, and in their early forties (with nearly 60 years of combined experience between them), they symbolize the union of amateur enthusiasm and acute professionalism that has made their television program a cultural phenomenon. Now, in this fascinating collection of tales of their personal adventures hunting -- and discovering -- priceless "junk" (including some notable Roadshow success stories), readers will learn how to see the extraordinary in the mundane. "Hidden Treasures" is part history lesson and part treasure map for finding valuable antiques where they would be least expected.

A letter written by a seriously ill middle aged man facing the end of his life is found in a safety deposit box after he passes away. The document, immediately thought to be Jack Quinns last will and testament, sends his oldest friend on a quest to find his birth parents, his adoption only revealed to him shortly before he died. The search for the identity of the decedents birth parents takes Mark Purchell, a man who has been Quinns friend for over forty years, from his hometown of Ottawa to a small town on Cape Breton Island in Nova Scotia. Along the way, Purchell encounters and is assisted by a number of intriguing characters, including a seedy but well-meaning neighbour, a stern librarian, a retired police officer, members of the clergy, a newspaper editor, a haughty hotel maitre d and a spirited waitress named Elaine. His investigation of The Hidden History of Jack Quinn eventually leads to a newspaper archive and a surprising answer to a departed friends last request.

The Hidden History of Big Brother in America Simon and Schuster

With war looming on the horizon and winter setting in, can two children escape North Korea on their own? Winner of the Freeman Book Award! North Korea. December, 1950. Twelve-year-old Sora and her family live under an iron set of rules: No travel without a permit. No criticism of the government. No absences from Communist meetings. Wear red. Hang pictures of the Great Leader. Don't trust your neighbors. Don't speak your mind. You are being watched. But war is coming, war between North and South Korea, between the Soviets and the Americans. War causes chaos--and war is the perfect time to escape. The plan is simple: Sora and her family will walk hundreds of miles to the South Korean city of Busan from their tiny mountain village. They just need to avoid napalm, frostbite, border guards, and enemy soldiers. But they can't. And when an incendiary bombing changes everything, Sora and her little brother Young will have to get to Busan on their own. Can a twelve-year-old girl and her eight-year-old brother survive three hundred miles of warzone in winter? Haunting, timely, and beautiful, this harrowing novel from a searing new talent offers readers a glimpse into a vanished time and a closed nation. Hidden Arcadia Publishing

The thrilling illustrated biography of Major General Smedley Butler, the Devil Dog Marine who fought for America across the world, cleaned up the streets of Philadelphia, and foiled a plot to overthrow FDR. Devil Dog brings to life extraordinary feats of bravery, violence, and redemption that history has forgotten. These stories are so dramatic and thrilling they have to be true. Smedley Butler took a Chinese bullet to the chest at age eighteen, but that did not stop him from running down rebels in Nicaragua and Haiti, or from saving the lives of his men in France. But when he

learned that America was trading the blood of Marines to make Wall Street fat cats even fatter, Butler went on a crusade. He threw the gangsters out of Philadelphia, faced down Herbert Hoover to help veterans, and blew the lid off a plot to overthrow FDR.

[Hidden History of the Minnesota River Valley](#) National Geographic Books

The deeply reported story of identical twin brothers who escape El Salvador's violence to build new lives in California—fighting to survive, to stay, and to belong. “Impeccably timed, intimately reported, and beautifully expressed.”—The New York Times NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW • WINNER OF THE RIDENHOUR BOOK PRIZE • SILVER WINNER OF THE CALIFORNIA BOOK AWARD Growing up in rural El Salvador in the wake of the civil war, the United States was a distant fantasy to identical twins Ernesto and Raul Flores—until, at age seventeen, a deadly threat from the region’s brutal gangs forces them to flee the only home they’ve ever known. In this urgent chronicle of contemporary immigration, journalist Lauren Markham follows the Flores twins as they make their way across the Rio Grande and the Texas desert, into the hands of immigration authorities, and from there to their estranged older brother in Oakland, CA. Soon these unaccompanied minors are navigating school in a new language, working to pay down their mounting coyote debt, and facing their day in immigration court, while also encountering the triumphs and pitfalls of teenage life with only each other for support. With intimate access and breathtaking range, Markham offers an unforgettable testament to the migrant experience. FINALIST FOR THE LOS ANGELES TIMES BOOK PRIZE • SHORTLISTED FOR THE J. ANTHONY LUKAS BOOK PRIZE • LONGLISTED FOR THE PEN/BOGRAD WELD PRIZE FOR BIOGRAPHY “[This] beautifully written book . . . can be read as a supplement to the current news, a chronicle of the problems that Central Americans are fleeing and the horrors they suffer in flight. But it transcends the crisis. Markham’s deep, frank reporting is also useful in thinking ahead to the challenges of assimilation, for the struggling twins and many others like them. . . . Her reporting is intimate and detailed, and her tone is a special pleasure. Trustworthy, calm, decent, it offers refuge from a world consumed by Twitter screeds and cable news demagogues. . . . A generous book for an ungenerous age.”—Jason DeParle, The New York Review of Books “You should read The Far Away Brothers. We all should.”—NPR “This is the sort of news that is the opposite of fake. . . . Markham is our knowing, compassionate ally, our guide in sorting out, up close, how our new national immigration policy is playing out from a human perspective. . . . An important book.”—The Minneapolis Star Tribune

Two Brothers Simon and Schuster

Now a major motion picture starring Rooney Mara An epic story of family, love, and unavoidable tragedy from the two-time Booker Prize finalist and author of Old God's Time Sebastian Barry's novels have been hugely admired by readers and critics, and in 2005 his novel A Long Long Way was shortlisted for the Man Booker Prize. In The Secret Scripture, Barry revisits County Sligo, Ireland, the setting for his previous three books, to tell the unforgettable story of Roseanne McNulty. Once one of the most beguiling women in Sligo, she is now a resident of Roscommon Regional Mental Hospital and nearing her hundredth year. Set against an Ireland besieged by conflict, The Secret Scripture is an engrossing tale of one woman's life, and a poignant story of the cruelties of civil war and corrupted power. The Secret Scripture is now a film starring Rooney Mara, Eric Bana, and Vanessa Redgrave.

Hidden Gold Simon and Schuster

NATIONAL BESTSELLER ONE OF THE NEW YORK TIMES 10 BEST BOOKS OF THE YEAR Who are the immensely wealthy right-wing ideologues shaping the fate of America today? From the bestselling author of The Dark Side, an electrifying work of investigative journalism that uncovers the agenda of this powerful group. In her new preface, Jane Mayer discusses the results of the most recent election and Donald Trump's victory, and how, despite much discussion to the contrary, this was a huge victory for the billionaires who have been pouring money in the American political system. Why is America living in an age of profound and widening economic inequality? Why have even modest attempts to address climate change been defeated again and again? Why do hedge-fund billionaires pay a far lower tax rate than middle-class workers? In a riveting and indelible feat of reporting, Jane Mayer illuminates the history of an elite cadre of plutocrats—headed by the Kochs, the Scaifes, the Olins, and the Bradleys—who have bankrolled a systematic plan to fundamentally alter the American political system. Mayer traces a byzantine trail of billions of dollars spent by the network, revealing a staggering conglomeration of think tanks, academic institutions, media groups, courthouses, and government allies that have fallen under their sphere of influence. Drawing from hundreds of exclusive interviews, as well as extensive scrutiny of public records, private papers, and court proceedings, Mayer provides vivid portraits of the secretive figures behind the new American oligarchy and a searing look at the carefully concealed agendas steering the nation. Dark Money is an essential book for anyone who cares about the future of American democracy. National Book Critics Circle Award Finalist LA Times Book Prize Finalist PEN/Jean Stein Book Award Finalist Shortlisted for the Lukas Prize

My Ex Girlfriend's Brother Macmillan

"I peered out the second-floor window of my grandparents' villa. Through an early morning haze I saw men in German uniforms jumping off trucks. The Germans were carrying rifles and kicking in the doors of houses up and down the main street. Some of the men restrained big barking dogs on leashes. I heard people screaming and watched as men, women, and children scattered in all directions . . ." Fanya and her family run to their secret hiding place. But even if they survive this Nazi search, there will be others. How long can they survive? You will never forget Fanya's incredible story of courage and survival and she recounts the true story of how she survived the Holocaust.

[Hidden](#) HarperCollins

"Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.
