Polonaises (Complete) Indiana University Press
American composer Abram Chasins became well known for his solo piano suite Three Chinese Pieces (1926). Each movement sounds out the mood implied by its title: sorrow ("A Shanghai Tragedy"), romance ("Flirtation in a Chinese Garden"), and breathtaking frenzy ("Rush Hour in Hong Kong"). Tempos and technical demands fluctuate from Lento through Presto agitato. Titles: * A Shanghai Tragedy * Flirtation in a Chinese Garden (for the White Keys Only) * Rush Hour in Hong Kong
Three Chinese Pieces University of North Texas Press
High Fidelity is Nick Hornby's hilarious and heart-breaking first novel bestseller Do you know your desert-island, all-time, top five most memorable split-ups? Rob does. He keeps a list, in fact. But Laura isn't on it - even though she's just become his latest ex. He's got his life back, you see. He can just do what he wants when he wants: like listen to whatever music he likes, look up the girls that are on his list, and generally behave as if Laura never mattered. But Rob finds he can't move on. He's stuck in a really deep groove - and it's called Laura. Soon, he's asking himself some big questions: about love, about life - and about why we choose to share ours with the people we do. A million-copy bestseller, and adapted into a 2000 film starring John Cusack, High Fidelity explores the world of break-ups, make-ups and what it is to be in love. This astutely observed and wickedly funny book will be enjoyed by readers of David Nicholls and William Boyd, and by generations of readers to come. 'It will give enormous pleasure at the same time as expanding in a small but worthwhile way, the range of English literature' Independent on Sunday 'Leaves you believing not only in the redemptive power of music but above all the redemptive power of love. Funny and wise, sweet and true' Independent 'A triumphant first novel. True to life, very funny and moving' Financial Times
Quiero Tocar el Acordeon Penguin UK
Once the most popular form of Spanish entertainment short of the bullfight, the zarzuela boasts a long history of bridging the categories of classical and popular art. It is neither opera nor serious drama, yet it requires both trained singers and good actors. The content is neither purely folkloric nor high art; it is too popular for some and too classical for others. In Zarzuela, Janet L. Sturman assesses the political as well as the musical significance of this chameleon of music-drama. Sturman traces the zarzuela's colorful history from its seventeenth-century origins as a Spanish court entertainment to its adaptation in Spain's colonial outposts in the New World. She examines Cuba's pivotal role in transmitting the zarzuela to Latin America and the Caribbean and draws distinctions among the ways in which various Spanish-speaking communities have reformulated zarzuela, combining elements of the Spanish model with local characters, music, dances, and political perspectives. The settings Sturman considers include Argentina, Mexico, Puerto Rico, and the U.S. cities of El Paso, Miami, Chicago, New York, and Napa, California. Sturman also demonstrates how the zarzuela plays a role in defining American urban ethnicity. She offers a glimpse into two longstanding theaters in New York, Repertorio Espanol and the Thalia Spanish Theatre, that have fostered the tradition of zarzuela, mounting innovative productions and cultivating audiences. Sturman constructs a profile of the audience that supports modern zarzuela and examines the extensive personal network that sustains it financially. Just as the zarzuela afforded an opportunity in the past for Spaniards to assert their individualityin the face of domination by Italian and central European musical standards, it continues to stand for a distinctive Hispanic legacy. Zarzuela provides a major advance in recognizing the enduring cultural and social significance of this resilient and adaptable genre.

Music for More than One Piano Alfred Music
A Flute solo with Piano Accompaniment composed by Franz Joseph Haydn.

Essential Keyboard Duets, Volume 1 Rowman & Littlefield
Volume III is the first educational product to tackle the complex subject of Timba, the new musical genre which has been played in Cuba since 1989. Timba represents a quantum leap for all the instruments of the rhythm section and especially the congas. The recordings of Toms Cruz are considered the most advanced examples of Timba conga-playing and so fascinated the three coauthors that they sought out Toms Cruz and spent a year and a half studying his style and meticulously documenting it before even considering the idea of publishing it. After many hundreds of hours of passionate research, this "labor of love" eventually reached fruition as Volume III. Volumes II & I were then written to trace the roots of the style and to understand the path Toms took to arrive at his phenomenal level of technical mastery and rhythmic creativity. Much more than a collection of patterns or exercises, Volume III analyzes Timba arrangements from beginning to end, explaining the role of the congas in each section, the relationship to the "clave," and Tomasito's creative process, including an exercise which teaches the reader to invent his own Timba conga parts. It was the intricacies of the material of Volume III which inspired the creation of the Step by Step DVD Method, which enables the reader to learn these exciting new rhythms in a fraction of the time it would take working with only written music and audio recordings.
An Annotated Catalog of Twentieth-Century Art Songs for Voice and Piano Cherry Lane Music Company
An exciting new series of guitar ensemble music. Each title includes a full score and parts for four guitars and optional bass guitar. Teacher and

student performance notes and a listening CD are included. The hauntingly beautiful "Europa (Earth's Cry Heaven's Smile)" is one of Carlos Santana's most popular instrumentals. In addition to Santana's own classic recording, this song was a huge instrumental hit for tenor saxman Gato Barbeiri. This arrangement will make a great final concert selection. Intermediate/advanced level: appropriate for high school students in Levels 2 and 3 of the Method.
I Will Be Here Sheet Music ABRSM Scales & Arpeggios
In 1720, Antonio Stradivari crafted an exquisite work of art—a cello known as the Piatti. Over the next three centuries of its life, the Piatti cello left its birthplace of Cremona, Italy, and resided in Spain, Ireland, England, Italy, Germany, and the United States. The Piatti filled sacred spaces, such as the Santa Cueva de Cádiz, with its incomparable voice. It also spent time in more profane places, including New York City bars, where it served as a guarantee for unpaid liquor tabs. The Piatti narrowly escaped Nazi Germany in 1935 and was once even left lying in the street all night. In 1978, the Piatti became the musical soul mate of world-renowned cellist Carlos Prieto, with whom it has given concerts around the world. In this delightful book, Mr. Prieto recounts the adventurous life of his beloved "Cello Prieto," tracing its history through each of its previous owners from Stradivari in 1720 to himself. He then describes his noteworthy experiences of playing the Piatti cello, with which he has premiered some eighty compositions. In this part of their mutual story, Prieto gives a concise summary of his own remarkable career and his relationships with many illustrious personalities, including Igor Stravinsky, Dmitry Shostakovich, Pablo Casals, Mstislav Rostropovich, Yo-Yo Ma, and Gabriel García Márquez. To make the story of his cello complete, Mr. Prieto also provides a brief history of violin making and a succinct review of cello music from Stradivari to the present. He highlights the work of composers from Latin America, Spain, and Portugal, for whose music he has long been an advocate and principal performer. Thus,The Adventures of a Cellooffers not only the first biography of a musical instrument but also an inviting overview of cello music and its preeminent composers and performers.
Selected Works for Piano Hal Leonard Corporation
Bartók wrote these one-to three-page intermediate-level works "to supply piano students with easy contemporary pieces." Each selection, including the familiar Evening in the Country and Bear Dance, explores a different technique such as modal scales, tritones, repeated notes, changing meters, folk melodies and rhythms.
para clarinete y piano Hal Leonard Corporation
"... a work of major importance..." —Choice The scores and recordings at the Latin American Music Center at Indiana University constitute the world's largest and most important collection in this field.
The Most Requested Christmas Songs Alfred Music

For Flute Solo University of Illinois Press
This guide to the concerto consists of four parts corresponding to the major periods of music-baroque, classical, romantic and 20th century-through which the concerto evolved. Within these sections, attention is given to geographical regions where different approaches to concerto style are found.
P/V/G Mel Bay Publications
A Flute solo with Piano Accompaniment composed by Phillippe Gaubert.
A History of the Concerto Alfred Music
The Other Toscanini is the only book in English about the Argentine conductor and composer Héctor Panizza (1875-1967). Known all over the world by his Italian name —Ettore— the maestro was in fact born in Buenos Aires and developed an astonishing international career, becoming music director of, successively, Covent Garden, la Scala (where he conducted alongside Arturo Toscanini), Teatro Colón, and the New York Metropolitan Opera. At the Met between 1934 and 1942, he was in charge of the Italian repertoire and started the first radio broadcasts, whose recordings are his most well-known. He conducted widely in Europe and the Americas and devoted part of his energies to composing, recording, and organizing musical institutions. Now virtually forgotten, Panizza’s name is being revived in this definitive biography, which describes both his life and his legacy, strongly associated with that of the great Arturo Toscanini. The book also describes Panizza’s important accomplishments as a composer. In his native Argentina, he is known for the patriotic “Canción de la Bandera,” based on a text by Luigi Illica, Puccini’s librettist. But Panizza also wrote operas, orchestral works, chamber music, and songs, widely performed in their day and still worthy of frequent revivals.
Tu Sandunga Mel Bay Publications
Contemporary Guitar Composers of the Americas is a unique collection of 51 solo works representing 17 composers from the American continents. This anthology addresses continental guitar music; music from North, Central and South America.It features many composers who have helped to enrich its repertoire, giving rise to a diverse palette of styles, textures, rhythms, moods and melodies. A worthwhileaddition to the library of any classical guitarist.
Catalog of Copyright Entries Alfred Music

This study of the Latin American art song and its development in the context of musical nationalism shows how the song is a mirror in which the processes of conformation to Latin American national identity are reflected.

There are many books written for the Piano, Violin, etc., entirely devoted to Technic. This Work is especially written to enable the Student, by practice and application, to overcome any obstacle which may occur in musical passages written for the Cornet. By controlling the Wind Power to play these Exercises as written, in one breath, the Student will acquire ENDURANCE without strain or injury. Train the Muscles which control the Lips, to make them elastic and strong, as only a slight pressure is necessary, and not brute force. The highest as well as the lowest notes can be played with equal tone quality if practiced according to the instructions that precede each Study. Every Cornet Player should have reached a degree of excellence before attempting to play these Exercises. To become an Expert on the Cornet, one should be familiar with as many Cornet Methods as possible, and so gain the experience of each. Every Exercise in this Book is possible, and not so very difficult if practiced slowly at first, and not too long at a time. I have used them for my daily practice for years, and they have been the means of my reaching the highest notes after playing a two-hour Concert, also of preserving my lips so that they never tire, and what has been a help to me is surely good for other Cornet Players. You cannot expect to attain the highest point of excellence without hard work and perseverance. Never be perfectly satisfied with yourself. Try to make some improvement each day, feeling that it is a pleasure to have conquered that which seemed an impossibility at first. Do not neglect to correct immediately the least fault you make. Bad habits are easily formed, but are difficult to remedy. There are few Celebrated Cornet Soloists, although thousands play the instrument. Most players abuse their practicing by not knowing the proper way, and neglecting to pay more attention to the elementary work. These Studies have been found to be excellent for Clarinet Players as well as Cornet Players. The Clarinet being a Wind Instrument also, all these Exercises will appeal to the Player of that Instrument by following the same instructions.
