 THE INSTANT NEW YORK TIMES BESTSELLER!
 Starred reviews from Kirkus Reviews * Publishers Weekly * Library Journal
 Named a "Must-Read" by TODAY, Us Weekly, Bustle, BuzzFeed, Goodreads, Entertainment Weekly, Publishers Weekly, Southern Living, Book Riot, Woman's Day, The Toronto Star, and more! For two sworn

enemies, anything can happen during the Hawaiian trip of a lifetime—may be even love—in this romantic comedy from the New York Times bestselling authors of *Roomies*. Olive Torres is used to being the unlucky twin: from inexplicable mishaps to a recent layoff, her life seems to be almost comically jinxed. By contrast, her sister Ami is an eternal champion...she even managed to

finance her entire wedding by winning a slew of contests. Unfortunately for Olive, the only thing worse than constant bad luck is having to spend the wedding day with the best man (and her nemesis), Ethan Thomas. Olive braces herself for wedding hell, determined to put on a brave face, but when the entire wedding party gets food poisoning, the only people who aren't affected are Olive and

Ethan. Suddenly there's a free honeymoon up for grabs, and Olive will be damned if Ethan gets to enjoy paradise solo. Agreeing to a temporary truce, the pair head for Maui. After all, ten days of bliss is worth having to assume the role of loving newlyweds, right? But the weird thing is...Olive doesn't mind playing pretend. In fact, the more she pretends to be the luckiest woman alive, the more it

feels like she might be. With Christina Lauren's "uniquely hilarious and touching voice" (Entertainment Weekly), *The Unhoneymooners* is a romance for anyone who has ever felt unlucky in love.

The Unhoneymooners Simon and Schuster The seventh work in the New York Times and #1 internationally bestselling series that started with the *Beautiful Bastard*, *Beautiful*

Stranger, and *Beautiful Player* novels. Featuring all the *Beautiful* characters...plus one tiny new addition to the group. In *Beautiful Stranger*, finance whiz Sara Dillon met the irresistibly sexy Brit, Max Stella, at a New York City club. Through the series we've watched them learn to balance commitment with their less than private brand of playfulness. In *Beautiful Beloved*, Max and Sara take

it to the next step. But the question is: Will they be able to find a balance between the wild sexcapades they aren't ready to retire, and the demands of parenthood that come along with their new Beautiful bundle of joy? Parenthood: it's not for the weak of heart. Love and Other Words Simon and Schuster Book 3 in the Wild Seasons series that began with New York Times

bestseller Sweet Filthy Boy. When three besties meet three hot guys in Vegas, anything could-and does-happen. Moving from college into the real world has never been so crazy . . . or fun. Let the Wild Seasons begin. In Dark Wild Night, now that they're only friends, kissing Lola is all Oliver can think about. Trying to forget her with a wild, anonymous hookup, he's simultaneousl

y thrilled and torn: Is this his chance to get over her? Or will this new stranger only pull him in deeper?

Autoboyography Penguin Everyone knows that all's fair in love and war. But these two will learn that sabotage is a dish best served naked. A sexy, compulsively readable romantic comedy that dives headlong into the thrill and doubt of modern love, Dating You/Hating You by New

York Times bestselling author Christina Lauren is the story of what two high-powered agents will—and won't—do to get everything they ever wanted. Despite the odds against them from an embarrassing meet-awkward at a mutual friend's Halloween party, Carter and Evie immediately hit it off. Even the realization that they're both high-powered agents at competing	firms in Hollywood isn't enough to squash the fire. But when their two agencies merge—causing the pair to vie for the same position—all bets are off. What could have been a beautiful, blossoming romance turns into an all-out war of sabotage. Carter and Evie are both thirtysomethings professionals—so why can't they act like it? Can Carter stop trying to please everyone and	see how their mutual boss is really playing the game? Can Evie put aside her competitive nature long enough to figure out what she really wants in life? Can their actor clients just be something close to human? Whether these two Hollywood love/hatebirds get the storybook Hollywood ending, or just a dramedy of epic proportions, you get to enjoy Christina Lauren's

His employer, Captain Morvath, who possesses a gothic abbey bristling with cannons and an unbridled hate for the world, intends to rid England of all its presumptuous women, starting with

the Wisteria Society. Ned has plans of his own. But both men have made one grave mistake. Never underestimate a woman. When Morvath imperils the Wisteria Society, Cecilia is forced to team up with her handsome would-be assassin to save the women who raised her-- hopefully proving, once and for all, that she's as much of a scoundrel as the rest of them.

 In the third book in the **Beautiful Bastard** series, an agreement between a venture capitalist and a bookish woman quickly becomes a very NSFW version of *My Fair Lady*. A bombshell bookworm. A chronic Casanova. And a lesson in chemistry too

scandalous for school. When Hanna Bergstrom receives a lecture from her overprotective brother about neglecting her social life and burying herself in grad school, she's determined to tackle his implied assignment: get out, make friends, start dating. And who better to turn her into the sultry siren every man wants than her brother's gorgeous best friend, Will Sumner, venture	capitalist and unapologetic playboy? Will takes risks for a living, but he's skeptical about this challenge of Hanna's...until the wild night his innocently seductive pupil tempts him into bed- and teaches him a thing or two about being with a woman he can't forget. Now that Hanna's discovered the power of her own sex appeal, it's up to Will to prove he's the only man she'll ever need. <u>Sublime</u>	HarperCollins 'Josh and Hazel's Guide to Not Dating is pure joy' Sally Thorne, author of The Hating Game 'Christina Lauren is my go-to when I'm feeling sad' Beth O'Leary, author of The Flatshare Just friends. From the first night they met - when she gracelessly threw up on his shoes - to when she sent him an unintelligible email while in a post-surgical haze, Josh has always thought of Hazel more as a spectacle than a peer.

But now, ten years later, after a cheating girlfriend has turned his life upside down, going out with Hazel is a breath of fresh air. Not that Josh and Hazel date. At least, not each other. Because setting each other up on progressively terrible double blind dates means there's nothing between them . . . right? New York Times bestselling author Christina Lauren tells the laugh-out-loud, uplifting

calling. Whip-smart, hardworking, and on her way to an MBA, Chloe Mills has only one problem: her boss, Bennett Ryan. He's exacting, blunt, inconsiderate—and completely irresistible. A Beautiful Bastard. Bennett has returned to Chicago from France to take a vital role in his family's massive media business. He never expected that the assistant who'd been helping him

from abroad was the gorgeous, innocently provocative—completely infuriating—creature he now has to see every day. Despite the rumors, he's never been one for a workplace hookup. But Chloe's so tempting he's willing to bend the rules—or outright smash them—if it means he can have her. BEAUTIFUL BASTARD, BEAUTIFUL BITCH, BEAUTIFUL BOMBSHELL, BEAUTIFUL BEGINNING Gallery Books The ninth work in the New York Times and #1 internationally bestselling

series that started with Beautiful Bastard. In this novella, Will Sumner and Hanna Bergstrom (from Beautiful Player) find that a wedding and everlasting love were just the beginning. One Player tamed. One nerd girl satisfied. And one more major life decision to make. When Will fell for Hanna, her quirky sense of humor and fierce dedication to her career were part of

the attraction. (Not to mention her coy newbie attitude toward sex and her willingness to let him teach her everything.) But when the job offers start rolling in for her—and oh, they do—Hanna has trouble deciding what she wants, where they should live, and how much she should burden Will with the decision. Magic between the sheets is only one part of a relationship...

getting on the same page is quite another altogether. **Our Italian Summer** Penguin New York Times bestselling author Sylvain Reynard returns with the fourth installment of the beloved Gabriel's Inferno series. When Gabriel and Julia Emerson first lay eyes on their newborn daughter, Clare, they realize life as they know it will never be the same. Gabriel has vowed to be a good father

when he suddenly receives an invitation to give a series of lectures in Edinburgh, Scotland--an opportunity of high prestige--but that would mean leaving his wife and child in Boston. Hesitant to bring it up, he keeps the opportunity from Julia as long as he can, not knowing she has a secret of her own. When a frightening situation arises that threatens their new family, both

parents must make sacrifices. With the family in danger, the looming question remains: Will Gabriel pursue his lectureship in Edinburgh, leaving Julia and Clare vulnerable in Boston, or will he abandon the chance of a lifetime in order to ensure his family's safety? **Beautiful Bitch** Simon and Schuster The New York Times bestselling author of *The Russian Concubine*

returns with a stunning new novel set in Mussolini's Italy. Isabella Berotti is an architect, helping to create showpieces that will reflect the glory of her country's Fascist leaders. She is not a deeply political sort, but designing these buildings of grandiose beauty helps her forget about the pain she's felt since her husband was murdered years ago. One of her greatest

accomplishments is the clock tower in the town of Bellina, outside Rome. But as she is admiring it one day, a woman approaches her, asking her to watch her ten-year-old daughter. Minutes later, to Isabella's horror, the woman leaps to her death from that very clock tower. There are photos of the woman right after the suicide, taken by Roberto Falco. A propaganda photographer for Il Duce, he

is expected to show his nation in the most flattering light. But what Roberto and Isabella have seen reflects a more brutal reality, and in a place where everyone is watching and friends turn on friends to save themselves, their decision to take a closer look may be a dangerous mistake. *Saving Savannah - A Reverse Harem Romance* Simon and Schuster "Don't You Forget About Me is one of

Looking for the perfect mix of smart, sexy, and sassy? Mai Tai'd Up continues New York Times bestselling author Alice Clayton's Cocktail series, which began with Wallbanger and continued with Rusty Nailed and Screwdrivered . The gossip mill in the seaside community of Monterey is churning about Chloe Patterson, the newcomer who is starting a sanctuary

for rescued pit bulls. It's rumored that she's a former beauty queen (true) who ditched her fiancé the morning of their wedding (also true). And that while she's not looking for a new man, the good-looking local veterinarian has his eye on her. Absolutely, positively true. When Lucas Campbell isn't at the family veterinary clinic, he's paddle boarding in Monterey Bay. Recently

single, he's definitely not in the market for a new relationship, but he still can't resist taking a second, third, and fourth look at the recent arrival of Miss Golden State. Neither Lucas nor Chloe has any interest in being tied down. Being tied up, however—now there's a thought. But are a few Mai Tais, a moonlit night, and the music of Frank Sinatra enough to allow them both to forget their past?
